SIRIUS' deep classic rock tracks channel The Vault, channel 16, will exclusively play the music of the pioneering rock band Pink Floyd and the solo music of one of its members, vocalist and guitarist David Gilmour, for one week.

The Vault channel will also broadcast an exclusive interview with David Gilmour, a Pink Floyd member since 1968. On Tuesday, March 7, Gilmour's 60th birthday, Columbia Records will release Gilmour's third solo album, *On An Island*, his first studio recording since Pink Floyd's 1994 multi-platinum album, *The Division Bell*. Gilmour will discuss his new album track-by-track in the interview, which will be broadcast at 12 pm ET and 6 pm ET on March 7.

On An Island is Gilmour's first solo album in more than 20 years. The collection of ten songs and instrumentals features additional performers including David Crosby, Graham Nash, Phil Manzanera, Georgie Fame, Jools Holland, Richard Wright, Robert Wyatt and, from Pink Floyd's earliest incarnation, Rado "Bob" Klose. "It's my best and most personal work," said Gilmour. "Making it with my musician friends has been a positive experience on so many levels." In support of the new album, Gilmour will tour Europe in March, the US in April and the UK at the end of May.
