

Former Top-10 Ranked PGA TOUR Pro Chris DiMarco Returns to SiriusXM PGA TOUR Radio

NEW YORK, Jan. 13, 2014 /PRNewswire/ -- SiriusXM announced today that former highly-ranked player and three-time PGA TOUR winner Chris DiMarco is returning to [SiriusXM PGA TOUR Radio](#) (channel 93 on XM, channel 208 on Sirius Premier), to host his exclusive weekly show, *oPINionated*.

(Logo: <http://photos.prnewswire.com/prnh/20101014/NY82093LOGO>)

oPINionated will air every Tuesday (11:00 am - 1:00 pm ET) starting tomorrow, January 14, and will feature DiMarco and co-host Greg Warmoth taking live calls from listeners, discussing the headline sports news of the day and talking with personalities from the world of golf and beyond. The show last aired on SiriusXM during the 2010 season.

"The SiriusXM PGA TOUR Radio channel is in the midst of an exciting build-up and I'm looking forward to being a part of it," said DiMarco. "It will be a lot of fun interacting with the fans each week, giving them an insider's view of my fellow players, the events and the venues. The TOUR is loaded with talent and there are a lot of great storylines to look forward to in 2014. We're excited to get on the mic to talk about it all."

"We're very excited to have Chris back on SiriusXM PGA TOUR Radio," said Scott Greenstein, SiriusXM's President and Chief Content Officer. "On top of the tremendous success he's had on TOUR, he's an outstanding host who knows how to interact with and entertain an audience with stories, opinions and analysis. *oPINionated* will deliver golf fans a superior level of coverage and is an important part of our lineup as we continue to develop our channel."

DiMarco spent 61 weeks ranked in the top ten of the Official World Golf Ranking, reaching as high as the sixth spot in 2005, and competed on the U.S. Ryder Cup team in 2004 and 2006. He is a three-time PGA TOUR winner and finished as the runner-up in major tournaments three times, perhaps most memorably when he went head-to-head with Tiger Woods twice -- in a sudden death playoff at the 2005 Masters and at the 2006 British Open Championship. A University of Florida alum and ardent sports fan, he routinely takes the discussion beyond the world of golf by chatting about the latest news across the sports world.

In addition to DiMarco, SiriusXM recently announced it has added shows hosted by 2013 FedExCup champion Henrik Stenson, Ryder Cup star Ian Poulter, World Golf Hall of Fame member Ben Crenshaw, 2002 PGA Championship winner Rich Beem, top instructors Hank Haney, David Leadbetter and Jim McLean, as well as Golf Channel programming to SiriusXM PGA TOUR Radio. Launched in 2005, the channel offers listeners nationwide live play-by-play coverage of PGA TOUR events as well as major championship tournaments, plus live call-in talk shows offering news, analysis, equipment reviews and more.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other forms of radio and audio services; our dependence upon automakers; general economic conditions; failure of our satellites, which, in most cases, are not insured; our ability to attract and retain subscribers at a profitable level; royalties we pay for music rights; the unfavorable outcome of pending or future litigation; rapid technological and industry change; failure of third parties to perform; changes in

consumer protection laws and their enforcement; and our substantial indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2012, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
