

SiriusXM Offers Its Most Extensive Coverage Yet of 2014 MLB Season

**From Opening Day through World Series, all SiriusXM subscribers get live play-by-play of every regular season and postseason game on satellite radios
Both home and visiting team broadcasts for every game available on the SiriusXM Internet Radio App
MLB Network Radio on SiriusXM offers daily in-depth baseball talk and analysis**

NEW YORK, March 27, 2014 /PRNewswire/ -- [SiriusXM](#), the Official Satellite Radio Partner of Major League Baseball, will provide its most comprehensive coverage to date for the 2014 MLB season, offering subscribers the most extensive coverage available in radio. This year marks the first full season that all SiriusXM subscribers will have access to every regular season and postseason game on their satellite radios, as well as on their mobile devices and online.

MLB games are available on Sirius radios with either a [Premier or All Access package](#) and on all XM radios. Through SiriusXM's agreement with MLBAM, MLB play-by-play is also available to all subscribers on the [SiriusXM Internet Radio App](#) and online at [SiriusXM.com](#).

SiriusXM subscribers listening to MLB games through the SiriusXM Internet Radio App and online have access to a suite of 30 play-by-play channels dedicated to streaming the official radio broadcasts of every MLB team. These channels give fans access to both the home and visiting team broadcasts for every MLB game, allowing them to hear their favorite team's announcers all season long.

Listeners also get access to multiple Spanish-language broadcasts each night of the regular season from a select number of teams. For a schedule of games in English and Spanish with their channel assignments visit www.SiriusXM.com/MLBSchedule.

Listeners will continue to get the most in-depth radio coverage of the league 365 days a year with [MLB Network Radio](#), SiriusXM's 24-hour baseball talk channel (XM channel 89, Sirius channel 209). The channel features the latest baseball news and daily baseball talk with a roster of expert hosts that includes former GMs **Jim Bowden** and **Jim Duquette**, former Rookie of the Year **Todd Hollandsworth**, former manager **Kevin Kennedy**, former All-Stars **Cliff Floyd**, **Brad Lidge**, **Steve Sax**, **Mike Stanton** and **Rico Petrocelli**, plus **Casey Stern**, **Mike Ferrin**, **Jim Memolo** and others.

Starting on Opening Day, March 31, the channel will feature a simulcast of Chris "Mad Dog" Russo's new MLB Network show, *High Heat with Christopher Russo*, every weekday afternoon. Listeners also get simulcasts of additional MLB Network television programming, including the flagship studio show *MLB Tonight*.

On Opening Day, MLB Network Radio will broadcast live from Camden Yards, where the Baltimore Orioles will host the defending World Series Champion Boston Red Sox. Jim Duquette and Mike Ferrin will host their daily show live from the ballpark starting at 10:00 am ET. Then on Friday, April 4, Duquette and Ferrin will broadcast from Nationals Park in Washington DC before the Nationals open up their 2014 home schedule against the Atlanta Braves.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other radio and audio entertainment providers; our ability to attract and retain subscribers, which is uncertain; our dependence upon the auto industry; general economic conditions; failure of our satellites, which, in most cases, are not insured; the interruption or failure of our information and communications systems; the security of the personal information about our customers; royalties we pay for music rights, which increase over time; the unfavorable outcome of pending or future litigation; our failure to realize benefits of acquisitions; rapid technological and industry change; failure of third parties to perform; changes in consumer protection laws and their enforcement; failure to comply with FCC requirements and other government regulations; and our indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2013, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
