ITEM 2. ACQUISITION OR DISPOSITION OF ASSETS

SL Green Realty Corp. (the "Company"), through its wholly-owned affiliate, Green W. 57th Street, LLC, has acquired controlling interests in a property involving a significant amount of assets from Blackacre 555 West 57th Street, MM LLC and Blackacre 555 West 57th Street, LLC.

555 West 57th Street. On January 25, 1999, the Company purchased a 65% controlling interest in 555 West 57th Street, New York, New York ("555 West 57th") for an aggregate purchase price of approximately \$66.7 million, including \$38.1 million in assets and \$28.6 million in assumed debt.

555 West 57th is a 20-story Midtown Manhattan property known as the BMW Building. The property is located on the easterly block front of 11th Avenue between West 57th and West 58th Streets in Manhattan's midtown west submarket. The property contains 941,000 square feet of rentable space (including three subgrade floors, two of which comprise a 190-car garage). The property is currently 98% leased.

BMW, the primary tenant, occupies 19% of the floorspace, or 183,000 square feet. 555 West 57th was originally built in 1971 as the headquarters for Ford Motor Company. Now the building is home to BMW's U.S. flagship offices, service center and showroom. Other tenants include: CBS, Inc., The City University of New York, St. Luke's Roosevelt Hospital, the Greater NY Hospital and Ticketmaster. Many tenants have signed long-term leases as evidenced by the fact that 65% of existing leases expire beyond 2008.

The purchase price of 555 West 57th was funded with proceeds from the Senior Unsecured Revolving Line of Credit Agreement between SL Green Operating Partnership, L.P. and SL Green Realty Corp. and Lehman Brothers Holdings Inc. D/B/A Lehman Capital, a Division of Lehman Brothers Holdings Inc. (individually as a Co-Lender and as Agent for one or more Co-Lenders and as Syndication Agent). This Credit Facility is dated as of December 18, 1997.

5.2.16 To the best of Seller's actual knowledge, Exhibit P attached hereto and made a part hereof sets forth the reasonably estimated costs, as of the date hereof, to substantially complete that portion of the 5th and 6th Floor Office Conversion (as defined on Exhibit P) not substantially completed as of the date hereof.

5.3 Purchaser represents, warrants and covenants to and with Seller that the following are true and correct on the date hereof:

5.3.1 Purchaser is a limited partnership duly formed, validly existing and in good standing under the laws of the State of Delaware and has the requisite power and authority to enter into and to perform the terms of this Agreement. Purchaser is duly qualified to do business as a foreign limited partnership and is in good standing in every jurisdiction in which the nature of the business conducted by Purchaser therein makes such qualification necessary.

5.3.2 The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby have been duly authorized by all requisite action of Purchaser. The execution and delivery of this Agreement and the performance by Sellers hereunder will not (a) conflict with, breach or result in a default under, Seller's certificate of limited partnership or agreement of limited partnership, (b) violate or constitute a default under any material agreement, document or instrument to which Purchaser is a party or to which Purchaser is bound, or (c) to the best of Purchaser's actual knowledge, violate or conflict with the terms of any law, judgment, order, writ, decree, statute, injunction, rule or regulation applicable to Purchaser or by which Purchaser is bound. Purchaser has duly executed and delivered this Agreement and this Agreement constitutes the valid and binding obligation of Purchaser enforceable against Purchaser in accordance with its terms, except as enforcement thereof may be limited by bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, and by general principles of equity.

5.3.3 The representations and warranties of Purchaser contained in this Section 5.3 shall survive the Closing.

5.4 Purchaser acknowledges and agrees that, except as specifically set forth in this Agreement, neither Sellers nor any agent or representative or purported agent or representative of Sellers has made, and Sellers are not liable for or bound in any manner by, any express or implied warranties, guaranties, promises, statements, inducements, representations or information pertaining to the Company, or the Property or any portion thereof, the physical condition, size, zoning, income, expenses or operation thereof, the uses which can be made of the same or any other matter or thing with respect thereto, including, without limitation, any existing or prospective leasing or occupancy of all or any part thereof. Without limiting the foregoing, Purchaser acknowledges and agrees that Sellers are not liable for or bound by (and Purchaser has not relied upon) any verbal or written statements, representations or any other information respecting the Property furnished by Seller or any broker, employee, agent, consultant or other person representing or purportedly representing Sellers. The provisions of this Section 5.4 shall survive the Closing.

5.5 Subject to Purchaser's compliance with the requirements of this

Section 5.5, Sellers' representations and warranties contained in Sections 5.1 and 5.2 shall survive the Closing as follows: (a) the representations and warranties contained in Sections 5.1.1 through and including 5.1.8, Section

5.2.1(b), Section 5.2.6(e) and 5.2.17 shall survive the Closing; (b) the representations and warranties contained in Sections 5.2.2(b), 5.2.5, 5.2.10 and 5.2.6(g) shall survive the Closing for a period of one (1) year; (c) the representations and warranties contained in Sections 5.2.3, 5.2.6(a), (b), (c),

(f), (h), (i), 5.2.7, 5.2.8, 5.2.12, 5.2.14, 5.2.15 and 5.2.20 shall survive the Closing for a period of one hundred eighty (180) days; (d) the representations and warranties contained in Sections 5.1.9, 5.2.4, 5.2.6(d),

5.2.9, 5.2.11, 5.2.13, 5.2.16, 5.2.18 and 5.2.19 shall survive the Closing for a period of ninety (90) days; and (e) the representations and warranties contained in Sections 5.2.1(a) and 5.2.2(a) shall not survive the Closing (such survival periods referred to in clauses (a) through (d) being referred to herein, collectively, as the "Survival Period"). Any claim by Purchaser after the Closing that either or both Sellers have breached the aforesaid representations and warranties shall be made by Purchaser promptly after Purchaser has learned of such breach and, in all events, prior to the expiration of the applicable Survival Period by Purchaser delivering to Sellers written notice (a "Claim Notice") setting forth (i) a description in reasonable detail of the claimed breach or breaches, as applicable, (ii) the Section and subsection of this Agreement under which such claimed breach or breaches is asserted, (iii) Purchaser's good-faith calculation of the damages suffered by Purchaser by reason of such claimed breach or breaches, and (iv) all documents and written material upon which Purchaser asserts such claimed breach or breaches. TIME SHALL BE OF THE ESSENCE in respect of Purchaser's obligation to deliver to Sellers a Claim Notice in the manner herein provided within the Survival Period. Sellers shall have no liability for any claimed breach of the aforesaid representations and warranties until there shall be found to have existed pursuant to an order of a court of competent jurisdiction one or more breaches by Sellers of such representations or warranties. Notwithstanding the foregoing, with respect to the representations and warranties as to Space Leases set forth in Section 5.2 hereof, to the extent Sellers deliver to Purchaser an Estoppel (as hereafter defined) with respect to any Space Lease, the representations and warranties as to the matters expressly covered in such Estoppel shall be deemed deleted and shall not survive the Closing.

6. Title Matters Affecting the Property; Exceptions to Title.

6.1 Sellers and Purchaser hereby agree that on the Closing Date, the Property shall not be subject to any liens, encumbrances, or other matters of record except the following matters (the "Permitted Exceptions"):

6.1.1 All presently existing and future liens for unpaid real estate taxes and water and sewer charges not due and payable as of the date of Closing, subject to adjustment as hereinafter provided.

6.1.2 All present and future zoning, building, environmental and other laws, ordinances, codes, restrictions and regulations of all governmental authorities having jurisdiction with respect to each the Property and all zoning variances and special exceptions, if any (collectively, "Laws and Regulations").

6.1.3 All covenants, restrictions and rights and all easements and agreements for the erection and/or maintenance of water, gas, steam, electric, telephone, sewer or other utility pipelines, poles, wires, conduits or other like facilities, and appurtenances thereto, over, across and under the Property (collectively, "Rights"), provided that such Rights are (a) of record on the date hereof or (b) not of record and do not (i) materially adversely affect the continued use and enjoyment of the Property as currently used.

6.1.4 Any state of facts which would be shown on or by an accurate current survey of the Property (collectively, "Facts"), provided that such Facts do not materially adversely affect the continued use and enjoyment of the Property as currently used.

6.1.5 Rights of Space Lessees under the Space Leases.

6.1.6 All Service Contracts set forth on Exhibit O and all renewals, replacements, extensions of same or additional service contracts that may hereafter be entered into in accordance with the terms of this Agreement.

6.1.7 Consents by Sellers or any other owners or former owner of the Property for the erection of any structure or structures on, under or above any street or streets on which the Property may abut, provided that the same do not materially adversely affect the continued use and enjoyment of the Property as currently used.

6.1.8 The matters set forth in Exhibit Q attached hereto and made a part hereof.

6.2 Purchaser agrees, promptly upon the execution of this Agreement, at its sole cost and expense, to cause title to the Property to be examined by Title Associates, Inc. through Chicago Title Insurance Company (the "Title Company") and shall direct the Title Company to deliver copies of such title report (the "Title Report") to Sellers' attorney promptly upon receipt. Purchaser further agrees that not later than five (5) business days after Purchaser receives the Title Report, Purchaser will furnish to Sellers' attorneys a specification in writing (the "Title Report Objection Notice") of any exceptions to title to the Property set forth in the Title Report which Purchaser believes are not covered by the exceptions to title set forth in

Section 6.1 hereof. If, after giving the Title Report Objection Notice, Purchaser learns, through continuation reports to the Title Report or other written evidence, of any title defect(s) which Purchaser claims are not covered by Section 6.1 above, Purchaser shall give notice thereof to Sellers promptly after the date Purchaser learns of same. Any title insurance obtained by Purchaser in connection with the Closing hereunder in connection with the Property shall be obtained from the Title Company and one or more title companies selected by Purchaser to co-insure (up to 45%) the Company's Property Interest.

6.3 If, on the Closing Date, the Company's Property Interest is subject to any material matters other than the Permitted Exceptions (other than the matters that Sellers shall cause to be satisfied or cured at or prior to the Closing as hereinafter provided in this Section), Purchaser shall be entitled to a credit against the Purchase Price in an amount equal to the reasonable cost to cure any such title defects; provided, however, that if the cost to cure such material matters is in excess of \$500,000.00 (the "Threshold Amount"), Purchaser, at its option and subject to the right of Sellers to an adjournment as hereinafter provided, may elect to either (a) proceed with the Closing, in which case Purchaser shall receive a credit against the Purchase Price equal to the Threshold Amount, or (b) terminate this Agreement by written notice delivered on the scheduled date of Closing or before such date (in the case of exceptions that are not Permitted Exceptions and which exceptions Sellers theretofore indicated they are unable or unwilling to cure). Notwithstanding the immediately preceding sentence, if the cost to cure title defects is in excess of the Threshold Amount, Sellers shall have the right to one (1) or more adjournments of the Closing as set forth in Section 4.2 hereof, in order to attempt to cure all or some of such title matters that are not Permitted Exceptions such that the Threshold Amount is no longer exceeded on the Closing Date, as so adjourned, and so long as the aggregate cost to cure any title objections on the Closing Date as so adjourned does not exceed the Threshold Amount, Purchaser shall be obligated to close hereunder and receive a credit in respect of the reasonably estimated cost to cure such title objections; if the aggregate cost to cure any title objections on the Closing Date as so adjourned still exceeds the Threshold Amount and Sellers are not entitled to any further adjournments hereunder or elect not to further adjourn the Closing, then Purchaser, at its option, may either (i) proceed with the Closing, in which case Purchaser shall receive a credit against the Purchase Price equal to the Threshold Amount, or (ii) terminate this Agreement by written notice delivered on the scheduled or before the re-scheduled Closing Date. If Purchaser elects to terminate this Agreement as permitted in this Section, (x) the Escrow Agent shall repay to Purchaser the Downpayment made by Purchaser, together with any interest earned thereon and (y) Sellers shall pay to Purchaser contemporaneously with such repayment of the Downpayment and interest the reasonable search charges imposed by the Title Company in connection with its examination of title to the Property (the "Title Cost"). This Agreement shall thereupon be deemed canceled and become void and of no further effect, and neither party shall have any obligations of any nature to the other hereunder or by reason hereof, except that the provisions of Sections 11.2.2, 17, 18, 24 and 28 hereof shall survive such termination. Except as otherwise expressly set forth in this Agreement, Sellers shall not be required to take or bring any action or proceeding or any other steps to remove any defect in or objection to title or to fulfill any condition or to expend any moneys

therefor, nor shall Purchaser have any right of action against Sellers therefor, at law or in equity. Notwithstanding the foregoing, but in all events subject to the provisions of 6.6 hereof, to the extent that any of the following items are not Permitted Exceptions, Sellers shall on or prior to Closing pay, discharge or remove of record or cause to be paid, discharged or removed of record all of the following items (collectively, "Seller's Liens"):

(I) mortgages encumbering the Company's Property Interest (other than the mortgages securing the Greenwich Loan) and (II) any other lien encumbering the Company's Property Interest and/or either or both of the Membership Interests which are in liquidated amounts and which may be satisfied solely by the payment of money (including the preparation or filing of appropriate satisfaction instruments in connection therewith).

6.4 Notwithstanding anything in Section 6.3 above to the contrary, Purchaser may at any time, at Purchaser's option, accept such title as exists on the Closing Date, without reduction of the Purchase Price or any credit or allowance on account thereof or any claim against Sellers, but the provisions of this Section 6.4 shall not be deemed to constitute a waiver of Purchaser's rights to any credits Purchaser may otherwise be entitled to under this Article 6.

6.5 Notwithstanding anything to the contrary contained in Section 6.1 hereof, to the extent that there are any unpaid real estate taxes, assessments and water and sewer charges due and payable on the date of Closing encumbering the Company's Property Interest (as well as any outstanding interest and penalties thereon), Sellers may, at their option, either (a) satisfy same out of the Company's or Sellers' funds or from any appropriate bank accounts maintained by the Tenants-in-Common in respect of the Property (individually and collectively, the "Property Account"), (b) cause to be paid an amount equal to 65% of all such outstanding amounts to the appropriate taxing authority, or (c) allow Purchaser a credit in respect of the Purchase Price in an amount equal to 65% of all such outstanding amounts, provided that official bills therefor with interest and penalties thereon figured to said date are furnished to or obtained by the Title Company at the Closing for payment thereof, in which case Sellers shall be deemed to have fulfilled their obligations hereunder with respect to real estate taxes, assessments and water and sewer charges in respect of the Property; provided, however, that if Sellers elect the option set forth in clause (b) or (c) of this Section 6.5, Purchaser shall have the right to elect to terminate this Agreement rather than proceed with the Closing, in which case Escrow Agent shall promptly thereafter return the Downpayment hereunder to Purchaser (or, if applicable, Sellers shall deliver any Downpayment Letter of Credit and/or Additional Downpayment Letters of Credit to Purchaser) and neither party shall have any further rights, duties or obligations hereunder, and this Agreement shall be of no further force and effect, except for the provisions of Sections 11.2.2, 17, 18, 24 and 28, which provisions shall survive such termination.

6.6 Notwithstanding anything to the contrary contained in Sections

6.1 or 6.3 hereof, any liens for judgments or transfer, inheritance, estate, franchise, license or other similar taxes or any encumbrances or other title exceptions which would be grounds for Purchaser to reject title hereunder shall not be deemed an objection to title if any such liens encumber (a) only the tenancy-in-common interest of CTKG or (b) the tenancy-in-common interest of Nominee LLC solely as a result of the acts or omissions of 57th Associates. Notwithstanding anything to the contrary contained in Section 6.1 hereof, if the Company's Property Interest shall, at the time of Closing, be subject to any liens for judgments or transfer, inheritance, estate, franchise, license or other similar taxes or any encumbrances or other title exceptions which would be grounds for Purchaser to reject title hereunder, the same shall not be deemed an objection to title so long as (i) neither the Company nor the Sellers have knowingly and intentionally suffered or allowed to be placed on the Company's Property Interest any such lien, (ii) the Company shall have no personal liability for such lien and (iii) the Company shall have a cause of action against a third party for the removal of such lien, in which case Sellers shall have no obligation to pay, remove or cause to be removed any such lien, it being understood and agreed that if the conditions set forth in clauses (i), (ii) and (iii) shall not be satisfied, Sellers use all or a portion of the Purchase Price to satisfy the same and deliver to Purchaser and/or the Title Company at the Closing instruments in recordable form (and otherwise in form reasonably satisfactory to the Title Company in order to omit the same as an exception to any title policy being issued at the Closing to Purchaser or any mortgagee) sufficient to satisfy and discharge of record such liens and encumbrances together with the cost of recording or filing such instruments at regular rates without additional premium.

7. As Is; Access to Property During Contract Period; Operation of Property.

7.1 Purchaser hereby acknowledges, represents, warrants and agrees to and with Seller as follows:

7.1.1 Except as is expressly set forth in this Agreement to the contrary, Seller shall have no obligation hereunder to take any action with respect to the Property and Purchaser is expressly purchasing the Membership Interests based upon the existing condition of the Property, "AS IS, WHERE IS, AND WITH ALL FAULTS" with respect to all facts, circumstances, conditions and defects, including, without limitation, any violations and penalties of building, fire, sanitary, environmental, housing and similar laws and regulations (the "Violations") and, except as is expressly set forth in this Agreement to the contrary, Sellers have no obligation to determine or correct any such facts, circumstances, conditions, defects or Violations or to compensate Purchaser for same. Sellers have specifically bargained for the assumption by Purchaser of all responsibility to investigate the Property, Laws and Regulations, Rights, Facts, Space Leases, Service Contracts and Violations and of all risk of adverse conditions and has structured the Purchase Price and other terms of this Agreement in consideration thereof. Purchaser has undertaken all such investigations of the Property, Laws and Regulations, Rights, Facts, Space Leases, Service Contracts and Violations as Purchaser deems necessary or appropriate under the circumstances as to the status of the Property and based upon same, except as is expressly set forth in this Agreement to the contrary, Purchaser is and will be relying strictly and solely upon such inspections and examinations and the advice and counsel of its own consultants, agents, legal counsel and officers and Purchaser is and will be fully satisfied that, based upon the condition of the Property and the other assets of the Company, the Purchase Price is fair and adequate consideration for the Membership

Interests and, by reason of all the foregoing except as is expressly set forth in this Agreement to the contrary, Purchaser assumes the full risk of any loss or damage occasioned by any fact, circumstance, condition or defect pertaining to the Property.

7.1.2 Except as is expressly set forth in this Agreement to the contrary, Sellers hereby disclaim all warranties of any kind or nature whatsoever (including warranties of habitability and fitness for particular purposes), whether expressed or implied, including, without limitation, warranties with respect to the Membership Interests and the Property. Purchaser further acknowledges that, except as is expressly set forth in this Agreement to the contrary, Purchaser is not relying upon any representation of any kind or nature made by Sellers, or any of its employees or agents with respect to the Membership Interests and the Property, and that, in fact, no such representations were made except as expressly set forth in this Agreement.

7.2 Purchaser and its authorized representatives, partners, agents, employees, licensees, contractors and consultants, upon giving Sellers reasonable prior notice of Purchaser's request, shall, from time to time have access to (a) the Property for the purpose of inspecting and conducting engineering and architectural studies, environmental inspections, appraisals, construction and renovation estimating and marketing and feasibility studies, and (b) all rent rolls, arrears reports and collection reports, Space Leases, Space Lease files, Service Contracts, Service Contract files, plans and specifications, permits, notices from governmental authorities and Employee records in respect of the Property and in Sellers' possession or control, provided that Purchaser shall (i) at all times be accompanied by a representative of Sellers when at the Property and (b) not materially interfere with the operation of the Property or materially disturb the occupancy of any Space Lessee. Purchaser hereby indemnifies and holds harmless Sellers, the Company, Nominee LLC and CTKG and their direct and indirect members from any and all claims, damage, liability, loss, cost and expense that arises in connection with all claims arising out of the acts of Purchaser, its authorized representatives, partners, agents, employees, licensees, invitees, contractors and consultants in connection with the exercise by Purchaser of its rights under this Section 7.2.

7.3 Purchaser and its authorized representatives, partners, agents, employees, licensees, contractors and consultants, upon giving Sellers reasonable prior notice of Purchaser's request, shall, from time to time have access to all of the financial books and records with respect to the Property over which the Company or Sellers exercise possession and control, provided that Sellers expressly make no representation or warranty as to the accuracy of such financial books and records and Sellers shall not be liable for any errors or omissions with respect to such financial books and records, except that notwithstanding the foregoing, Sellers represent and warrant that they have no actual knowledge that such books and records contain any material inaccuracies.

7.4 Until the Closing or earlier termination of this Agreement Sellers shall use commercially reasonable efforts to cause the Company and Newmark to (a) operate and maintain the Property in a manner consistent with the manner in which the Property has been operated and maintained prior to the date hereof and (b) not remove nor knowingly permit the removal from the Property of any of the personal property that constitutes the Property and that is owned by the Company and/or the Tenancy-in-Common, except in the ordinary course of business or unless such item is replaced with a similar item of comparable utility and value. In furtherance of the foregoing, until the Closing or earlier termination of this Agreement, Sellers shall use commercially reasonable efforts to cause the Company to exercise its rights under the TIC Agreement to cause the Property to be operated and maintained in a manner consistent with the manner in which the Property has been operated and maintained prior to the date hereof and to cause the Company and other Co-Tenants to comply with the terms of the TIC Agreement; provided, however, that the failure of the other Co-Tenants to comply with the TIC Agreement shall not be deemed a breach hereunder by Sellers unless such failure otherwise constitutes a breach under this Agreement.

7.5 Between the date hereof and the Closing Date or earlier termination of this Agreement, Sellers shall not permit the Company to extend the term of any Service Contract or to enter into any new or replacement Service Contracts without the express prior written consent of Purchaser, which consent shall not be unreasonably withheld or delayed, unless such Service Contract shall (a) be terminable on sixty (60) days or less prior written notice without the payment of any penalty or termination fee, and (b) not require any regularly scheduled payments under such Service Contract in excess of \$25,000.00 per month. If Purchaser fails to respond to Sellers' request to enter into any new or replacement Service Contract under this Section within five (5) business days, Purchaser shall be deemed to have consented to such request of Sellers.

8. Apportionments, Adjustments and Credits.

8.1 At the Closing, (a) the following items shall be apportioned, adjusted or credited between the parties as of 11:59 PM on the day preceding the date of Closing and (b) Sellers shall certify in writing to Purchaser that the information in respect of the apportionments provided by Sellers which is used as the basis for such apportionments is true and correct in all material respects. Any errors in the apportionments pursuant to this Article 8 shall be corrected by appropriate re-adjustment between Sellers and Purchaser post-closing, provided that notice of any such error, with supporting calculations, shall be given by Purchaser to Sellers or by Sellers to Purchaser, as the case may be, no later than one hundred eighty (180) days after the Closing, if ascertainable within such period, it being understood and agreed that if any such items or errors are not determinable at Closing, the apportionment shall be made subsequent to Closing when the charge or error is determined. Except as otherwise specifically provided for herein, all apportionments shall be made in the manner recommended by the Customs in Respect to Title Closings of the Real Estate Board of New York, Inc., and there shall be no other apportionments or adjustments except as otherwise expressly provided herein. The items to be apportioned, adjusted and credited are:

8.1.1 Sellers shall receive a credit in an amount equal to 65% of the amount by which (a) the aggregate cash balances in the Property Account

on the date of Closing exceed (b) the amount of rents paid by Space Lessees in respect of the month of Closing or future months which comprise a portion of such aggregate cash balances in the Property Account; provided, however, that Sellers hereby agree that Sellers shall use commercially reasonable efforts to cause the aggregate cash balances in the Property Account not to be in excess of \$3,000,000.00 on the Closing Date.

8.1.2 Purchaser shall receive any credit against the Purchase Price that Purchaser may be entitled to under Article 6 hereof with respect to title matters.

8.1.3 Purchaser shall receive a credit in an amount equal to 65% of all Tenant Improvement Allowances that have not been paid prior to the Closing Date.

(c) A credit in an amount equal to 65% of the sum of (i) the funds remaining in the Leasing Reserve Account (as defined in Section 18(d) of the Greenwich Loan Agreement) as of the Closing Date plus (ii) all interest earned thereon as of the Closing Date and not yet paid to the Company or the other Co-Tenants, whether or not such interest has been credited to such account as of the Closing Date;

(d) A credit in an amount equal to 65% of the sum of (i) the funds remaining in the Replacement Reserve Account (as defined in Section 18(e) of the Greenwich Loan Agreement) as of the Closing Date plus (ii) all interest earned thereon as of the Closing Date and not yet paid to the Company or the other Co-Tenants, whether or not such interest has been credited to such account as of the Closing Date; and

(e) A credit in an amount equal to 65% of the sum of (i) any funds remaining in any capital improvement reserve account maintained in connection with the Greenwich Loan as of the Closing Date plus (ii) all interest earned thereon as of the Closing Date and not yet paid to the Company or the other Co-Tenants, whether or not such interest has been credited to such account as of the Closing Date.

8.1.5 Purchaser shall receive a credit in an amount equal to 65% of all Payable Commissions that have not been paid prior to the Closing Date.

8.1.6 Purchaser shall receive a credit in an amount equal to 65% of the reasonably estimated costs, as of the Closing Date, to substantially complete that portion of the 5th and 6th Floor Office Conversion not substantially completed as of the Closing Date. Notwithstanding anything to the contrary herein contained, at least ten (10) days and not earlier than twenty (20) days prior to the Closing Date, Sellers will furnish Purchaser with a certification from the Co-Tenants' architect, engineer or consulting construction manager (a) estimating the cost to substantially complete that portion of the 5th and 6th Floor Office Conversion not substantially completed as of the Closing Date and (b) specifying all amounts expended in respect of the 5th and 6th Floor Office Conversion after the date hereof through the date of such certification ("Sellers' Estimate"). If Purchaser disagrees with Sellers' Estimate, Purchaser shall, within five (5) days of Purchaser's receipt of Sellers' Estimate, furnish Sellers with a certification from Purchaser's architect, engineer or consulting construction manager estimating the cost to substantially complete that portion of the 5th and 6th Floor Office Conversion not substantially completed as of the Closing Date ("Purchaser's Estimate"). If Purchaser does not submit a Purchaser's Estimate as provided herein, Purchaser's credit pursuant to this Section 8.1.6 shall be in an amount equal to 65% of Sellers' Estimate. If Purchaser submits a Purchaser's Estimate as provided herein, Purchaser's credit pursuant to this Section 8.1.6 shall nevertheless be in an amount equal to 65% of Seller's Estimate, except that if Purchaser's Estimate is more than 102% of Seller's Estimate, Purchaser shall have the right to cause the correct amount of such credit to be determined pursuant to binding arbitration by a single arbitrator appointed in accordance with the American Arbitration Association rules and procedures for binding arbitration. Such arbitrator shall be impartial and shall have not less than ten (10) years' experience in the County of New York in a calling related to the construction, renovation and improvement of class "A" office buildings. Within twenty (20) days following the appointment of such arbitrator each party shall attend a hearing before such arbitrator wherein each party shall submit a written report setting forth its determination of the correct amount of Purchaser's credit pursuant to this Section 8.6.1 with such information and evidence contained therein as the party submitting such report shall deem relevant. The arbitrator shall, within thirty (30) days following such hearing and submission of such evidence and information, render a decision as to what the reasonably estimated cost to substantially complete the 5th and 6th Floor Office Conversion was as of the Closing Date (the "Arbitrator's Estimate"). If the Arbitrator's Estimate is more than 102% of Sellers' Estimate, Sellers shall pay to Purchaser within ten (10) days of notification of the arbitrator's decision 65% of the amount by which (y) the lesser of (1) Purchaser's Estimate and (2) the Arbitrator's Estimate exceeds (z) Sellers' Estimate, and Seller shall pay the fees of such arbitrator. If the Arbitrator's Estimate is 102% of or less than 102% of Seller's Estimate, Purchaser shall not be entitled to any additional credit pursuant to

this Section 8.6.1 and Purchaser shall pay the fees of such arbitrator. For the purposes of this Section 8.1.6, the term "substantial completion" or "substantially completed" or words of similar import shall be deemed to mean such stage of completion of the 5th and 6th Floor Conversion Work as shall leave not more than \$25,000 of additional cost to complete the same.

8.1.7 a. An amount equal to 65% of all fixed rents under Space Leases which are (i) collected prior to the Closing and (ii) applicable to the month (or other applicable collection period) in which the Closing occurs shall be apportioned between Sellers and Purchaser.

b. If, at the Closing, any fixed rents (including electricity, if applicable) are past due by any Space Lessee, and provided Sellers have delivered to Purchaser, in reasonable detail, a breakdown of all such past due amounts as of the Closing, Purchaser agrees that the first moneys received by it from such Space Lessee shall be disbursed as follows:

(i) First, to Sellers and Purchaser, in an amount equal to 65% of the fixed rents (including electricity, if applicable) for the month of Closing, shall be apportioned;

(ii) Next, to Sellers, in an amount equal to 65% of all other arrearage fixed rents (including electricity, if applicable) owing under the Space Lease or Space Leases pursuant to which the City University of New York leases space at the Property for all periods prior to the month in which the Closing occurs;

(iii) Next to Purchaser and the other Tenants-in-Common in respect of all other fixed rents (including electricity, if applicable) owing by all such Space Lessees for any period after the month in which the Closing occurs, less the reasonable costs and expenses incurred by the Tenancy-in-Common in connection with the collection thereof which shall be allowed to Purchaser therefrom, until all such fixed rents have been paid in full; and

(iv) An amount equal to 65% of the balance, if any, less an amount equal to 65% of the reasonable costs and expenses incurred by the Tenancy-in-Common in connection with the collection thereof, to Sellers.

Each party agrees to remit reasonably promptly to the other the amount of such rents to which such party is so entitled and to account to the other party monthly in respect of same. Sellers shall have the right from time to time for a period of one hundred eighty (180) days following the Closing, on reasonable prior notice to Purchaser, to review Purchaser's rental records with respect to the Property to ascertain the accuracy of such accountings. Purchaser shall have the right from time to time for a period of one hundred eighty (180) days following the Closing, on reasonable prior notice to Sellers, to review Sellers' rental records with respect to the Property to ascertain the accuracy of such accountings. The fixed rents (including electricity, if applicable) received by Sellers after the Closing shall be apportioned and remitted, if applicable, as hereinabove provided.

c. If the Closing shall occur prior to the time when any rental payments for fuel pass-alongs, so-called escalation rent or charges based upon real estate taxes, operating expenses, labor costs, cost of living increases or like items (collectively, "Overage Rent") is payable, then such Overage Rent for the applicable accounting period in which the Closing occurs shall be apportioned subsequent to the Closing. Purchaser shall pay over to Sellers, within thirty (30) days after Purchaser's receipt thereof, a prorated amount equal to 65% of all such Overage Rent received by the Tenancy-in-Common (less 65% of the reasonable costs and expenses incurred in the collection thereof incurred by the Tenancy-in-Common, which shall be allowed to Purchaser therefrom) based upon the portion of such accounting period which occurs prior to the Closing (to the extent not theretofore collected by the Company and/or Tenants-in-Common on account of such Overage Rent prior to Closing). In addition, Purchaser shall pay to Sellers 65% of all Overage Rent (less 65% of the reasonable costs and expenses incurred by the Tenancy-in-Common in the collection thereof which shall be allowed to Purchaser therefrom) payable subsequent to the Closing with respect to an accounting period which expired prior to the Closing, within thirty (30) days after receipt thereof by the Tenancy-in-Common, and shall, upon written request, account to Sellers in respect of the same. Sellers shall furnish to Purchaser all information with respect to the period prior to the Closing reasonably necessary for the billing of such Overage Rent. If, prior to Closing, Sellers shall collect any sums on account of Overage Rent or fixed rent for a year or other period, or any portion of such year or other period, beginning prior but ending on or after the Closing Date, such sum shall be apportioned at the Closing as of the date of Closing as aforesaid.

d. Overage Rent payable by Space Lessees based on an estimated amount and subject to adjustment or reconciliation pursuant to the related Space Leases subsequent to the Closing shall be apportioned as provided in Section 8.1.7(c) and shall be re-apportioned as and when the related Space Lessee's actual obligation for such Overage Rent is reconciled pursuant to the related Space Lease.

e. There shall be credited to Purchaser 65% of all prepaid fixed rent and Overage Rent for periods on and after the Closing Date.

The provisions of this subsection 8.1.7 shall survive the Closing.

8.1.8 An amount equal to 65% of all real estate taxes, unmetered water and sewer charges and vault charges, if any, and any and all other municipal or governmental assessments of any and every nature levied or imposed upon the Property, on the basis of the fiscal year or calendar year for which assessed shall be apportioned. If the Closing shall occur before the tax rate is fixed, the apportionment of taxes shall be upon the basis of the tax rate for the next preceding fiscal period applied to the latest assessed valuation. Promptly after the new tax rate is fixed for the

fiscal period in which the Closing takes place, the apportionment of real estate taxes shall be recomputed.

8.1.9 An amount equal to (a) 65% of all charges and fees due under telephone contracts, if any, and contracts for the supply to the Property of heat, steam, electric power, gas and light, if any, shall be apportioned between Sellers and Purchaser, and (b) 65% of all deposits, if any, made by the Tenancy-in-Common as security under any such public service contracts shall be credited to Sellers if such amounts remain on deposit after the Closing for the benefit of Purchaser).

8.1.13 An amount equal to 65% of all other items customarily apportioned in connection with sales of similar property in the State of New York.

8.2 If there is a water meter on the Property, Sellers shall endeavor to furnish a reading to a date not more than thirty (30) days prior to the Closing Date, and the unfixed meter charge and the unfixed sewer rent, if any, based thereon for the intervening time shall be apportioned on the basis of such last reading. If Sellers fails or are unable to obtain such reading, the Closing shall nevertheless proceed and the parties shall apportion an amount equal to 65% of the meter charges and sewer rents on the basis of the last reading and bill received by the Company or the Tenants-in-Common and the same shall be appropriately readjusted after Closing on the basis of the next subsequent bills. Unpaid water meter and other utility charges of Space Lessees under Space Leases at the Closing Date (whether such water and utility charges are determined by submetering or direct metering) shall not be an objection to title and Purchaser shall look solely to such Space Lessee for collection. The provisions of this Section 8.2 shall survive the Closing.

10.1 Notwithstanding anything to the contrary contained herein, the obligation of Sellers to close title in accordance with this Agreement is

expressly conditioned upon the fulfillment by and as of the time of Closing of each of the conditions listed below, provided that Sellers, at their election, evidenced by written notice delivered to Purchaser at or prior to the Closing, may waive any of such conditions:

10.1.1 Purchaser shall have executed and delivered to Sellers all of the documents, shall have paid all sums of money and shall have taken or caused to be taken all of the other action required of Purchaser in this Agreement.

10.1.2 All representations and warranties made by Purchaser in this Agreement shall be true and correct in all material respects as of the date of Closing.

10.1.3 The Greenwich Consent (as hereinafter defined) shall have been obtained.

10.2 Notwithstanding anything to the contrary contained herein, the obligation of Purchaser to close title in accordance with this Agreement is expressly conditioned upon the fulfillment by and as of the time of the Closing of each of the conditions listed below, provided that Purchaser, at its election, evidenced by written notice delivered to Sellers at or prior to the Closing, may waive all or any of such conditions:

10.2.1 Sellers shall have executed and delivered to Purchaser all of the documents, and shall have taken or caused to be taken all of the other action, required of Sellers under this Agreement.

10.2.2 All representations and warranties made by Sellers in this Agreement shall be true and correct in all material respects as of the Closing Date, except that to the extent the facts underlying such representations may have changed as of the Closing, and Sellers shall have represented in the certificate delivered pursuant to subsection 9.1.8 such changed facts and circumstances, provided, however, that if on the Closing Date, any such representations and warranties are not true and correct in all material respects, Purchaser shall in any event be required to close hereunder and purchase the Membership Interests unless the breach of any representations and warranties will have, in the aggregate, a "material adverse effect" (as such time is defined below). If Purchaser is required to close hereunder because Sellers breach or breaches of their representations and warranties do not, in the aggregate, have a "material adverse effect," Purchaser shall be entitled to receive a credit in respect of the Purchase Price in the amount of the reasonably estimated cost to cure such breach or breaches and/or the reasonably estimated diminution in value of the Membership Interests to Purchaser caused by such breach or breaches, in an amount not to exceed \$750,000.00. If any breach of Sellers' representations and warranties do have, in the aggregate, a "material adverse effect," Purchaser may elect in any event to close hereunder and acquire the Membership Interests, in which event Purchaser shall be entitled to a credit in respect of the Purchase Price in the amount of \$750,000.00. The term "material adverse effect" as used in this Agreement shall mean a material adverse effect on the results of operations or financial condition of the Company and/or Associates LLC in an amount greater than \$750,000.00.

10.2.3 The Greenwich Consent shall have been obtained.

10.2.4 As of the Closing Date, there shall have been no material liabilities incurred by the Company since the date of the Company's Balance Sheet (either individually or in the aggregate) and there shall have been no material liabilities incurred by Associates LLC since the date of Associates LLC's Balance Sheet (either individually or in the aggregate), except those incurred in the ordinary course of business.

10.2.5 In the event Purchaser elects to obtain title insurance from the Title Company in connection with its acquisition of the Membership Interests, the Title Company shall be willing to insure title to the Purchaser's interest in the Property, pursuant to an ALTA 1992 Owner's Policy of Title Insurance in the amount of the Purchase Price at regular rates and without additional premium (which shall be deemed to include the cost of any endorsements to title requested by Purchaser), subject only to the Permitted Exceptions (including, without limitation, the documents evidencing and/or securing the Greenwich Loan) and as otherwise provided in this Agreement. In connection with any such title policy being issued by the Title Company, the Title Company shall, at Purchaser's request, be willing to provide to Purchaser a non-imputation endorsement to such policy at standard rates for such endorsement (which cost shall be payable by Purchaser) upon receipt of a Non-Imputation Affidavit (the "Non-Imputation Affidavit") in the form attached hereto as Exhibit U and made a part hereof, and Sellers hereby agree to execute and deliver such Non-Imputation Affidavit.

11. Consent of Mortgagee.

11.1 Reference is made to that certain first mortgage loan made by Greenwich Capital Financial Products, Inc. ("Greenwich Capital"), as lender, to the Company, Nominee LLC and CTKG, as borrowers, in the original principal amount of \$45,000,000 (the "Greenwich Loan"), evidenced and/or secured by, among other things, that certain (a) Consolidated, Amended and Restated Mortgage Note, dated as of October 31, 1997, in the original principal amount of \$45,000,000.00 given by the Co-Tenants, as makers, in favor of Greenwich Capital, as payee (the "Greenwich Note"), (b) Loan Agreement, dated as of October 31, 1997, between Co-Tenants, as borrowers, and Greenwich Capital, as lender (the "Greenwich Loan Agreement"), (c) Agreement of Confirmation, Reaffirmation, Consolidation and Modification of Mortgage and Note (Fee), dated as of October 31, 1997, given by the Co-Tenants, as mortgagors, in favor of Greenwich Capital, as mortgagee, recorded in the Office of the City Register of New York County (the "Register's Office") on August 28, 1998, in Reel 2692, Page 914, which together with the mortgages consolidated therein, as more particularly set forth therein, encumbers the Co-Tenants' interest in the Property (the "Greenwich Mortgage"), (d) Assignment of Leases and Rents, dated as of October 31, 1997, between the Co-Tenants, as assignors, and Greenwich Capital, as assignee, recorded in the Register's Office on August 28, 1998, in Reel 2692, Page 993 (the "Greenwich Assignment of Leases"), (e) Cash

Collateral Account Security, Pledge and Assignment Agreement, dated as of October 31, 1997, between the Co-Tenants, as borrowers, and Greenwich Capital, as lender (the "Greenwich Cash Collateral Agreement"), (f) Hazardous Material Guaranty and Indemnification Agreement, dated as of October 31, 1997, given by the Co-Tenants in favor of Greenwich Capital (the "Greenwich Indemnity" and, together with the Greenwich Note, the Greenwich Loan Agreement, the Greenwich Mortgage, the Greenwich Assignment of Leases and the Greenwich Cash Collateral Agreement, and all of the other documents and instruments evidencing and/or securing and/or otherwise delivered in connection with the Greenwich Loan, the "Greenwich Loan Documents").

11.2 Sellers have informed Purchaser that under the Greenwich Loan Documents, the consent and approval of Greenwich Capital is required in connection with the assignment and sale of the Membership Interests. It shall be a condition precedent to Sellers' and Purchaser's obligation hereunder that the consent of Greenwich Capital be obtained on or prior to the date of Closing. Sellers shall use commercially reasonable, good faith efforts to obtain the consent of Greenwich Capital to the sale of the Membership Interests to Purchaser in accordance with the terms hereof, including, without limitation, the provisions of Article 13 (the "Greenwich Consent") on or before the date that is twenty-one (21) days from the date hereof (such date being hereinafter referred to as the "Greenwich Consent Election Date"), which Greenwich Consent shall be subject only to (a) the payment of any fees, costs and expenses imposed by Greenwich Capital in connection therewith, (b) the preparation, execution and delivery of appropriate documentation required by Greenwich Capital in connection with the sale and purchase of the Membership Interests (including, without limitation, any legal opinions that may be required in connection therewith), and (c) compliance with other customary applicable terms and conditions imposed by Greenwich Capital in connection therewith (including the manner in which Purchaser or the entity or entities taking title to the Membership Interests are structured). Purchaser shall cooperate fully with Sellers in obtaining such consent and promptly comply with all customary and commercially reasonable requests of Greenwich Capital in connection therewith, including, without limitation, the execution and delivery of any documents that Greenwich Capital or its attorneys may reasonably require as a condition to granting the Greenwich Consent and the compliance by Purchaser with any changes to the organizational documents of Purchaser or the entities Purchaser may designate as permitted hereunder to take title to the Membership Interests; provided, however, that in connection with obtaining the Greenwich Consent, the following terms and conditions shall apply:

11.2.1 Except as expressly provided in Section 11.2.2, neither Sellers nor Purchaser shall be obligated to pay any fees, costs or expenses of any kind whatsoever to Greenwich Capital or any other third party or expend any sums in respect of obtaining the Greenwich Consent;

11.2.2 Sellers shall pay the legal fees and disbursements of the attorneys for Greenwich Capital in an amount not to exceed \$5,000.00 in connection with obtaining the Greenwich Consent and Purchaser shall pay all additional legal fees and disbursements of the attorneys for Greenwich Capital in connection with obtaining the Greenwich Consent and Purchaser's own legal fees and disbursements in connection with obtaining the Greenwich Consent;

11.2.3 Purchaser shall not be obligated to execute and deliver any document in connection with the Greenwich Consent either in Purchaser's individual capacity or on behalf of the Company if such document would impose upon Purchaser or the Company obligations in excess of those imposed upon Sellers and the Company under the Greenwich Loan Documents as of the date hereof;

11.2.4 Sellers shall not be obligated to accept any consent to the transaction hereunder unless such consent or other documentation executed and delivered in connection therewith provides that Sellers and the principals of Sellers, as well as any guarantors in respect of Sellers' obligations under the Greenwich Loan Documents, shall be released from any further obligations or liability under the Greenwich Loan Documents on and after the date of the Closing; and

11.2.5 Purchaser shall, if required as a condition to the granting of the Greenwich Consent, form one or more Affiliates or restructure one or more Affiliates, to act as assignees hereunder to take title to the Membership Interests as "bankruptcy remote" entities in accordance with the customary requirements of Greenwich Capital and its attorneys.

11.3 In the event the Greenwich Consent is not obtained on or prior to the Greenwich Consent Election Date, either Purchaser or Sellers may at any time thereafter, at their respective options, elect to terminate this Agreement by sending written notice to the other party of such election to terminate (the "Greenwich Termination Notice"), in which event this Agreement shall be deemed automatically terminated, Escrow Agent shall promptly thereafter return the Downpayment hereunder to Purchaser and neither party shall have any further rights, duties or obligations hereunder, and this Agreement shall be of no further force and effect, except for the provisions of Sections 11.2.2, 17, 18, 24 and 28, which provisions shall survive such termination. Notwithstanding the foregoing, in the event the Greenwich Consent is obtained after the Greenwich Consent Election Date, but prior to (a) the Closing Date, and (b) the giving of the Greenwich Termination Notice by Purchaser and/or Sellers, then Purchaser and Sellers shall be deemed to have waived the right to terminate this Agreement provided in this Section.

11.4 With respect to the Greenwich Loan, Sellers hereby represent and warrant to Purchaser as follows:

11.4.1 The Greenwich Loan Documents are in full force and effect and that the Company has not received any notice of any defaults thereunder and, to the best of Sellers' actual knowledge, neither the Company nor the other Co-Tenants are in default under the Greenwich Loan Documents.

11.4.2 The Company has not entered into nor agreed to any modification of the Greenwich Loan Documents.

11.4.3 The outstanding principal balance under the Greenwich Loan Documents is not in excess of \$45,000,000.00.

11.5 With respect to the Greenwich Loan, Sellers hereby agree that until the Closing Date or earlier termination of this Agreement, with the express prior written consent of Purchaser, Sellers shall not (a) permit the Company to enter into any modification of any of the Greenwich Loan Documents or (b) permit the Company to exercise the right to convert the Greenwich Loan to long term fixed rate financing as permitted under the Greenwich Loan Documents.

11.6 The obligations of the Company under the Greenwich Loan Documents shall survive the closing of title to the Membership Interests and there shall be no adjustment in the Purchase Price of any kind whatsoever in respect of the Greenwich Loan (including on account of any amortization of the outstanding principal balance of the Greenwich Loan which results in such outstanding principal balance being reduced below \$45,000,000.00), Purchaser, in determining the Purchase Price and agreeing to same, having taken into account the continuing obligations of the Company and the other Co-Tenants and the lien against the Property created by the Greenwich Mortgage, the Greenwich Assignment of Rents and the other Greenwich Loan Documents.

11.7 The representations and warranties of Sellers contained in Section 11.4 shall survive the Closing; provided, however, that to the extent Sellers deliver to Purchaser the estoppel described in Section 9.1.7, the representations and warranties as to the matters expressly covered therein shall be deemed deleted and shall not survive the Closing.

12. BMW Purchase Option

12.1 Reference is made to that certain Lease, dated as of May 1, 1996, between Kaufman Newmark Realty Corporation, as Agent for 555 W. 57th Associates, as landlord, and BMW, as tenant, as amended by (a) a Supplemental Agreement to Lease, dated as of May 1, 1996, (b) a First Amendment to Lease, dated as of August 7, 1997 and (c) an Agreement of Confirmation of Delivery of Possession, dated as of August 7, 1997 (such Lease, as so amended, being referred to herein as the "BMW Lease"), pursuant to which BMW leases certain premises at the Property as more particularly set forth in the BMW Lease (the "BMW Premises"). Pursuant to Article 40 of the BMW Lease, BMW has the right to purchase the BMW Premises and, in connection therewith, to cause the Co-Tenants, as landlords under the BMW Lease, to convert the Property into a condominium containing a separate commercial condominium unit for the BMW Premises (such rights as are contained in Article 40 of the BMW Lease being referred to herein as the "BMW Purchase Option"), which BMW Purchase Option shall terminate on February 1, 1999 (the "BMW Option Termination Date"), if not exercised or waived by BMW prior to such date.

12.2 If (a) BMW has waived the BMW Purchase Option in writing in form and substance reasonably satisfactory to Purchaser and otherwise sufficient for the Title Company to omit the BMW Purchase Option as an exception from any title policy it may issue to Purchaser in connection with the acquisition of the Membership Interests or (b) BMW has taken no action with respect to the BMW Purchase Option by the Closing Date and the Closing Date is on or after April 1, 1999, there shall be no reduction in the Purchase Price at the Closing in respect of the BMW Purchase Option, and the further provisions of this Article 12 shall be of no further force and effect.

12.3 If BMW has duly exercised the BMW Purchase Option prior to the BMW Option Termination Date, on the Closing Date the Purchase Price (and, therefore, the applicable amount payable pursuant to Section 3.2.2) shall be reduced by an amount equal to \$4,000,000.00 (the "BMW Price Adjustment"); provided, however, that if the Closing Date has occurred prior to BMW's exercise of the BMW Purchase Option, the provisions of Section 12.6(a) shall apply.

12.4 If (a) after the BMW Option Termination Date but prior to April 1, 1999 BMW has asserted in writing either that it (i) has theretofore duly exercised the BMW Purchase Option prior to the BMW Option Termination Date or (ii) remains entitled under applicable law to and does duly and timely exercise the BMW Purchase Option (a "BMW Option Assertion") and (b) the Closing Date is prior to April 1, 1999, the provisions of Section 12.6(b) shall apply.

12.5 If (a) BMW has taken no action with respect to the BMW Purchase Option by the Closing Date and the Closing Date is prior to April 1, 1999 and (b) there shall occur a BMW Option Assertion, there shall be no reduction in the Purchase Price at the Closing in respect of the BMW Purchase Option, and the provisions of Section 12.6(b) shall apply.

12.6 Notwithstanding anything to the contrary herein contained, Purchaser shall be entitled to receive a return of a portion of the Purchase Price from Sellers (a) in the case of the proviso contained in Section 12.3, in an amount equal to the BMW Price Adjustment or (b) in the case of Sections 12.4 or 12.5, as applicable, in an amount equal to the lesser of (i) the BMW Price Adjustment or (ii) the diminution in value of Purchaser's investment in the Membership Interests as a result of BMW's exercise of the BMW Purchase Option, taking into account all consideration payable by BMW in connection therewith and any cost to Purchaser in effecting a BMW Settlement (as hereinafter defined) (the "BMW Settlement Adjustment"), in the event that there shall occur a BMW Option Assertion after the BMW Option Termination Date but prior to April 1, 1999 and BMW shall have been determined pursuant to an order of a court of competent jurisdiction to have duly and timely exercised the BMW Purchase Option (together with Seller's obligations under subdivision (a) above, "Seller's Refund Obligation"). Blackacre Capital Partners, L.P., by execution of this Agreement at the foot hereof, hereby guarantees to Purchaser payment (and not merely the

collectibility of) Seller's Refund Obligation as and when required pursuant to this Section 12.6. Purchaser shall use all commercially reasonable efforts to defend any BMW Option Assertion and prosecute any litigation arising therefrom, with counsel designated by Purchaser, and may, in its reasonable judgment, settle the same without Sellers consent (the "BMW Settlement"); provided, however, that if there shall occur a BMW Settlement, Purchaser shall provide written notice to Sellers (the "BMW Settlement Notice")

(i) setting forth a reasonably detailed explanation of the terms and conditions of the BMW Settlement, (ii) containing copies of all settlement documents executed in connection therewith and (iii) setting forth the portion of the BMW Price Adjustment to which Purchaser believes, in good faith, it is entitled as the BMW Settlement Adjustment (the "BMW Proposed Settlement Adjustment"). If Sellers accept the BMW Proposed Settlement Adjustment as the BMW Settlement Adjustment, the BMW Proposed Settlement Adjustment shall constitute the BMW Settlement Adjustment and Sellers shall pay to Purchaser Seller's Refund Obligation within ten (10) days of Seller's receipt of the BMW Settlement Notice. If Sellers do not accept the BMW Proposed Settlement Adjustment as the BMW Settlement Adjustment, the parties shall attempt to agree upon the amount of the BMW Settlement Adjustment for a period of thirty (30) days. If, after such thirty (30) day period, Purchaser and Sellers are still unable to agree on the amount of the BMW Settlement Adjustment, Sellers shall have the right to cause the amount of the BMW Settlement Adjustment to be determined pursuant to binding arbitration pursuant to Section 12.7 below and Sellers shall pay to Purchaser the BMW Settlement Adjustment within ten (10) days of Purchaser being notified of such determination.

12.7 In the event that Sellers shall be entitled to arbitration under this Article with respect to the BMW Settlement Adjustment, the BMW Settlement Adjustment shall be determined by a single arbitrator appointed in accordance with the American Arbitration Association rules and procedures. Such arbitrator shall be impartial and shall have not less than ten (10) years' experience in the County of New York in a calling related to the management of commercial real estate and/or the appraisal of commercial property, including significant experience in managing and/or appraising class "A" office buildings and the fees of such arbitrator shall be shared equally by Sellers and Purchaser. Within twenty (20) days following the appointment of such arbitrator each party shall attend a hearing before such arbitrator wherein each party shall submit a written report setting forth its determination of the BMW Settlement Adjustment with such information and evidence contained therein as the party submitting such report shall deem relevant. The arbitrator shall, within thirty (30) days following such hearing and submission of such evidence and information, render a decision by either selecting the BMW Settlement Adjustment submitted by either party or determining a different value that the arbitrator believes more accurately reflects the BMW Settlement Adjustment and the decision of such arbitrator shall be final and binding upon the parties hereto.

12.8 The provisions of this Article 12 shall survive the Closing.

13. Ford Note.

13.1 Subject to the provisions of the Greenwich Consent, at the Closing, Sellers shall cause the Company to assign its right, title and interest in the Ford Note to Sellers, and shall cause Associates LLC to assign its right to receive its pro rata share of all payments of interest and principal under the Ford Note to Sellers. At the Closing, subject to the provisions of the Greenwich Consent, Sellers and/or Purchaser shall, as indicated below, execute and deliver the following documents:

13.1.1 A License Agreement (the "License Agreement") executed and delivered by Sellers and Purchaser (or its designee(s)) in the form attached hereto as Exhibit V and made a part hereof.

13.1.2 A Subordinate Assignment of Interest in Note and Rights to Receive Distributions (the "Subordinate Assignment") executed and delivered by Sellers and Purchaser (or its designee(s)) in the form attached hereto as Exhibit V-1 and made a part hereof.

13.1.3 A UCC-1 Financing Statement executed and delivered by Sellers in the form attached hereto as Exhibit V-2 and made a part hereof.

13.1.4 To the extent Greenwich Capital is obligated under the Greenwich Loan Documents to pay to the Company and the other Co-Tenants any monies received by it in respect of the Ford Note, a letter of direction executed and delivered by Sellers to Greenwich Capital to pay 65% of all such monies to Purchaser (or its designee(s)).

13.1.5 Sellers and Purchaser (or its designee(s)) shall deliver such other documents as Purchaser or Sellers shall reasonably request to effectuate the intent of the provisions of this Article 13 and the other documents being executed and delivered pursuant to this Article 13.

13.2 If the Company or Associates LLC shall receive any payments of interest and/or principal under the Ford Note prior to the Closing Date, after the Closing, Sellers shall cause such monies to be held in trust for Purchaser (or its designee(s)) and to be paid over to Purchaser (or its designee(s)) pursuant to the terms of the License Agreement.

13.3 If the holder of the Greenwich Loan delivers physical possession of the Ford Note to Sellers upon payment in full of the Greenwich Loan, or otherwise, Sellers shall deliver the same to Purchaser or as Purchaser may direct and execute an allonge of the Ford Note in favor of Purchaser, without representation, warranty or recourse, except as expressly provided herein.

13.4 Until such time as the Ford Note is paid in full, Sellers shall maintain their existence. Until that date that is one (1) year after the Ford Note is paid in full, Purchaser shall, from time to time, within ten (10) business days of Sellers' written demand, reimburse and pay to Sellers the

actual out-of-pocket administrative expenses incurred by Sellers in maintaining the existence of Sellers (including, without limitation, those costs incurred by Sellers in connection with complying with all laws applicable to limited liability companies, all accounting fees in respect of Sellers' tax returns, franchise taxes, legal fees incurred in connection with any annual mandatory or desirable compliance or administrative matters, such as mandatory annual meetings and maintaining minutes in connection therewith and all similar requirements) and all costs and expenses incurred by Sellers pursuant to and in order to comply with their obligations under the License Agreement and/or the Subordinate Assignment. The provisions of this Section 13.3 shall survive the Closing.

14. Confidentiality.

Until the date on which the Greenwich Consent is obtained, Purchaser covenants and agrees that it shall not communicate the terms or any aspect of

(a) this Agreement and the transactions contemplated hereby, (b) that certain Letter Agreement, dated September 23, 1998, between SL Green Realty Corp. and Blackacre Capital Management, LLC, Re: Acquisition of Ownership Interests in 555 West 57th LLC, to any person or entity and shall hold, in the strictest confidence, the content of any and all information in respect of the Property and the Company which is supplied by Sellers to Purchaser, without the express written consent of Seller, in Seller's sole discretion. Prior to the date on which the Greenwich Consent is obtained, Purchaser may, without Sellers' consent, disclose the terms hereof and the transactions contemplated hereby (a) to Purchaser's advisors, consultants, attorneys, accountants and lenders (the "Purchaser Parties") without the express written consent of Sellers, provided that any such Purchaser Parties to whom disclosure is made shall also agree to keep all such information confidential in accordance with the terms hereof, and

(ii) if Purchaser is required to disclose same by law or by regulatory or judicial process or pursuant to any regulations promulgated by the New York Stock Exchange; provided that in such event Purchaser shall notify Sellers in writing of such required disclosure, shall exercise all commercially reasonable efforts to preserve the confidentiality of the confidential documents or information, as the case may be, including, without limitation, reasonably cooperating with Sellers to obtain an appropriate order or other reliable assurance that confidential treatment will be accorded such confidential documents or information, as the case may be, by such tribunal and shall disclose only that portion of the confidential documents or information which it is legally required to disclose. If this Agreement is terminated such confidentiality shall be maintained and Purchaser and the Purchaser Parties will destroy or deliver to Seller, upon request, all documents and other materials, and all copies thereof, obtained by Purchaser and the Purchaser Parties in connection with this Agreement that are subject to such confidence, with any such destruction confirmed by Purchaser and the Purchaser Parties to Sellers in writing. The foregoing confidentiality obligations shall not apply to the extent that any such information is a matter of public record or is provided in other sources readily available to the real estate industry other than as a result of disclosure by Purchaser or the Purchaser Parties. Purchaser hereby indemnifies Sellers against, and holds Sellers harmless from, any and all claims, losses, damages, liabilities and expenses (including, without limitation, attorneys' fees) arising in connection with Purchaser's obligations under this Article 14. In the event the Greenwich Consent is not obtained, Purchaser shall be bound by the provisions of this Article 14 even after the termination of this Agreement. The provisions of this Article 14 shall survive Closing.

15. Limitation on Liability of Parties.

15.1 In the event Purchaser shall default in the performance of Purchaser's obligations under this Agreement and the Closing does not occur as a result thereof, Sellers' sole and exclusive remedy shall be, and Sellers shall be entitled, to retain the Downpayment and any interest earned thereon as and for full and complete liquidated and agreed damages for Purchaser's default, or draw down on any Downpayment Letter of Credit and/or Additional Downpayment Letters of Credit, if applicable, and Purchaser shall be released from any further liability to Sellers hereunder, except that the provisions of Articles 11.2.2, 17, 18, 24 and 28 hereof shall survive.

15.2 In the event that Sellers shall default in the performance of Sellers' obligations under this Agreement, Purchaser's sole and exclusive remedy shall be, and Purchaser shall be entitled, to either (a) instruct the Escrow Agent to pay to Purchaser the Downpayment with the interest earned thereon, if any, and receive from Sellers the Title Cost upon which Sellers shall be released from any further liability to Purchaser hereunder, except that the provisions of Articles 11.2.2, 17, 18, 24 and 28 hereof shall survive or (b) seek specific performance of Sellers' obligations hereunder including, in either of which events Sellers shall in no event whatsoever be liable to Purchaser for damages of any kind whatsoever; provided, however, if Sellers default shall be the inability to deliver the Estoppels under Section 9.1.7, Purchaser's shall not be entitled to specific performance of such obligation of Sellers; and provided, further, however, that Sellers hereby agree to use commercially reasonable efforts to obtain the Estoppels required under Sections 9.1.6 and 9.1.7.

16. Fire or Other Casualty; Condemnation.

16.1 Sellers agree (a) to cause the Company and the other Co-Tenants to maintain the property insurance policy or policies in respect of the Property, including fire and extended coverage and (b) to give Purchaser reasonably prompt notice of any fire or other casualty occurring at the Property of which Sellers obtains knowledge, between the date hereof and the date of the Closing, or of any actual or threatened in writing condemnation of all or any part of the Property of which Sellers obtains knowledge.

16.2 If prior to the Closing there shall occur (a) damage to the Property caused by fire or other casualty which would cost \$3,750,000.00 or more to repair, as reasonably determined by an engineer selected by Sellers and reasonably satisfactory to Purchaser, or (b) a taking by

condemnation of any material portion of the Property, then, and in either such event, Purchaser may elect to terminate this Agreement by written notice given to Sellers within ten

(10) days after Sellers have given Purchaser the notice referred to in Section 16.1 hereof, or at the Closing, whichever is earlier, in which event Sellers shall promptly instruct Escrow Agent, as applicable, to return to Purchaser the Downpayment (together with any interest earned thereon), and shall pay to Purchaser the Title Cost and this Agreement shall thereupon be deemed terminated and of no further force or effect, and neither party hereto shall thereupon have any further obligation to the other, except that the provisions of Articles 11.2.2, 17, 18, 24 and 28 hereof shall survive such termination. If Purchaser does not elect to terminate this Agreement, then the Closing shall take place as herein provided, without abatement of the Purchase Price; provided, however, that subject to the rights of Greenwich Capital under the Greenwich Loan Documents, to the extent the Company has actually received any such proceeds or awards prior to the Closing in the form of cash, actually theretofore paid to the Company, such funds shall be the Property of the Company up to the amount of the Purchase Price and shall be retained by the Company after the Closing, less any amounts (i) actually and reasonably expended or incurred by the Company in adjusting any insurance claim or negotiating and/or obtaining any condemnation award (including, without limitation, reasonable attorneys fees and expenses) and/or (ii) theretofore actually and reasonably incurred or expended by or for the account of the Company for the cost of any protective restoration or emergency repairs made by or on behalf of the Company (to the extent the Company has not theretofore been reimbursed by its insurance carriers for such expenditures), and Sellers shall pay to Purchaser, or allow as a credit against the Purchase Price, an amount equal to (y) if the Company's insurance policy insures only the Company's interest in the Property, then the amount of the deductible under such policy, if any, or (z) if the insurance policy is held jointly by the Co-Tenants, then an amount equal to 65% of the deductible under such policy and, in addition, subject to the rights of Greenwich Capital under the Greenwich Loan Documents, the Company shall cause Associates LLC to pay to Purchaser any net amounts received by Associates LLC attributable to any such casualty or condemnation in connection with Associates' ownership interests in Nominee LLC and 57th Associates.

16.3 If, prior to the Closing, there shall occur (a) damage to the Property caused by fire or other casualty which would cost less than \$3,750,000.00 to repair, as reasonably determined by an engineer selected by Sellers and reasonably satisfactory to Purchaser, or (b) a taking by condemnation of any part of the Property which is not material, then, and in either such event, neither party shall have the right to terminate its obligations under this Agreement by reason thereof, but Sellers shall, subject to the rights of Greenwich Capital under the Greenwich Loan Documents, cause the Company to assign to Purchaser at the Closing all of the Company's interest in any insurance proceeds or condemnation awards which may be payable to the Company on account of any such fire, casualty or condemnation, or shall deliver to Purchaser any such proceeds or awards actually theretofore paid, up to the amount of the Purchase Price, in each case less any amounts (i) actually and reasonably expended or incurred by the Company in adjusting any insurance claim or negotiating and/or obtaining any condemnation award (including, without limitation, reasonable attorneys fees and expenses) and/or (ii) theretofore actually and reasonably incurred or expended by or for the account of the Company for the cost of any protective restoration or emergency repairs made by or on behalf of the Company (to the extent the Company has not theretofore been reimbursed by its insurance carriers for such expenditures), and Sellers shall pay to Purchaser, or allow as a credit against the Purchase Price, an amount equal to (y) if the Company's insurance policy insures only the Company's interest in the Property, then the amount of the deductible under such policy, if any, or (z) if the insurance policy is held jointly by the Co-Tenants, then an amount equal to 64% of the deductible under such policy and, in addition, subject to the rights of Greenwich Capital under the Greenwich Loan Documents, the Company shall cause Associates LLC to pay to Purchaser any net amounts received by Associates LLC attributable to any such casualty or condemnation in connection with Associates' ownership interests in Nominee LLC and 57th Associates.

16.4 For purposes of this Article 16, a taking of a material part of the Property shall mean any taking that either (a) diminishes the value of the Property by an amount in excess of \$3,750,000.00, or (b) which leaves remaining a balance of such the Property which may not be economically operated (after appropriate restoration) for the purpose for which the Property was operated or intended to be operated prior to such taking.

16.5 In the event Purchaser does not elect to terminate the Agreement in accordance with Section 16.2 above, or upon the occurrence of the events set forth in Section 16.3 (a) or (b) above, Purchaser shall have the exclusive right to negotiate, compromise or contest the obtaining of any insurance proceeds and/or any condemnation awards.

17. Brokerage.

Purchaser and Sellers each represent and warrant to the other that it has not dealt with any broker, consultant, finder or like agent who might be entitled to a commission or compensation on account of introducing the parties hereto, the negotiation or execution of this Agreement or the closing of the transactions contemplated hereby except Capital Trust, and Sellers shall be responsible for any fees or commission due Capital Trust pursuant to a separate agreement between Sellers and Capital Trust. Sellers agree to indemnify and hold Purchaser and its respective successors and assigns harmless from and against all claims, losses, liabilities and expenses (including, without limitation, reasonable attorneys fees and disbursements) which may be asserted against, imposed upon or incurred by Purchaser by reason of any claim made by any broker, consultant, finder or like agent (including Capital Trust) for commissions or other compensation for bringing about this transaction or claiming to have introduced Purchaser to the Sellers or the Property. Purchaser agrees to indemnify and hold Sellers and their respective successors and assigns harmless from and against all claims, losses, liabilities and expenses

(including, without limitation, reasonable attorneys fees and disbursements)

which may be asserted against, imposed upon or incurred by either or both Sellers by reason of any claim made by any broker, consultant, finder or like agent (other than Capital Trust) for commissions or other compensation for bringing about this transaction or claiming to have

introduced the Sellers or the Property to Purchaser. The provisions of this Article 17 shall survive the Closing or other termination of this Agreement.

18. Closings Costs; Fees and Disbursements of Counsel, etc..

At the Closing, Sellers shall pay the New York State Real Estate Transfer Tax imposed pursuant to Article 31 and Section 1402 of the New York Tax Law (the "State Transfer Tax") and the New York City Real Property Transfer Tax imposed pursuant to Title 11, Chapter 21, of the New York City Administrative Code ("City Transfer Tax"), upon or payable in connection with the transfer of the Membership Interests, which taxes and charges shall, at Sellers' election by notice given to Purchaser at least three (3) days prior to the Closing Date, be allowed for out of the Purchase Price and paid by Purchaser on behalf of Sellers. Sellers and Purchaser shall each execute and/or swear to the returns or statements required in connection with the aforesaid taxes. All such tax payments shall be made payable directly to the order of the appropriate governmental officer or the Title Company. Each of the parties hereto shall bear and pay the fees and disbursements of its own counsel, accountants and other advisors in connection with the negotiation and preparation of this Agreement and the Closing. The provisions of this Article 18 shall survive the Closing.

19. Notices.

Except as otherwise provided in this Agreement, all notices, demands, requests, consents, approvals or other communications (for the purposes of this Article collectively referred to as "Notices") required or permitted to be given hereunder or which are given with respect to this Agreement, in order to constitute effective notice to the other party, shall be in writing and shall be deemed to have been given when (a) personally delivered with signed delivery receipt obtained, (b) when transmitted by facsimile machine, if followed by giving of, pursuant to one of the other means set forth in this Article 19 before the end of the first business day thereafter, printed confirmation of successful transmission to the appropriate facsimile number of the address listed below as obtained by the sender from the sender's facsimile machine, (c) upon receipt, when sent by prepaid reputable overnight courier or (d) three (3) days after the date so mailed if sent postage prepaid by registered or certified mail, return receipt requested, in each case addressed as follows:

20. Survival; Governing Law.

Except as otherwise expressly set forth in this Agreement, the provisions of this Agreement shall not survive the Closing provided for herein. This Agreement shall be governed by, interpreted under, and construed and enforced in accordance with, the laws of the State of New York.

21. Counterparts; Captions.

This Agreement may be executed in counterparts, each of which shall be deemed an original. The captions are for convenience of reference only and shall not affect the construction to be given any of the provisions hereof.

22. Entire Agreement; No Third Party Beneficiaries.

This Agreement (including all exhibits annexed hereto), contains the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior understandings, if any, with respect thereto. This Agreement may not be modified, changed, supplemented or terminated, nor may any obligations hereunder be waived, except by written instrument signed by the party to be charged or by its agent duly authorized in writing or as otherwise expressly permitted herein. The parties do not intend to confer any benefit hereunder on any person, firm or corporation other than the parties hereto. The provisions of this Article shall survive the Closing.

23. Waivers; Extensions.

No waiver of any breach of any agreement or provision herein contained shall be deemed a waiver of any preceding or succeeding breach thereof or of any other agreement or provision herein contained. No extension of time for performance of any obligations or acts shall be deemed an extension of the time for performance of any other obligations or acts.

24. No Recording.

The parties hereto agree that neither this Agreement nor any memorandum or notice hereof shall be recorded.

25. Assignments.

Purchaser shall neither assign its rights nor delegate its obligations hereunder without obtaining Sellers' prior written consent, which may be withheld in Sellers' sole discretion. Notwithstanding the foregoing, Purchaser shall have the right to assign its rights hereunder to one or more Affiliates of Purchaser without the consent of Sellers, provided that written notice of such assignment is given to Sellers and each such assignee remains an Affiliate of Purchaser through the Closing Date and provided that any such permitted assignment shall not relieve Purchaser of its duties and obligations hereunder. Any other purported or attempted assignment or delegation without obtaining Sellers' prior written consent shall be void and of no effect. For purposes of this Article 25 or as elsewhere used in this Agreement, the term "Affiliate" means any entity which directly or indirectly through one or more intermediaries controls, is controlled by or is under common control with Purchaser. For purposes of this definition, the term "control" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of the entity in question, whether through the ownership of voting stock, by contract or otherwise. No consent given by Sellers to any transfer or assignment of Purchaser's rights or obligations hereunder shall be construed as a consent to any other transfer or assignment of Purchaser's rights or obligations hereunder. No transfer or assignment in violation of the provisions hereof shall be valid or enforceable.

26. Pronouns; Joint and Several Liability.

All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine or neuter, singular or plural, as the identity of the parties may require. If Purchaser consists of two or more parties, the liability of such parties shall be joint and several.

27. Successors and Assigns.

This Agreement shall bind and inure to the benefit of Seller, Purchaser and their respective permitted successors and assigns.

28. Escrow.

28.1 Escrow Agent shall hold the Downpayment (which, for the purpose of this Article 28, shall be deemed to mean and include all Additional Cash Downpayments actually received by Escrow Agent), together with all interest earned thereon, in its interest bearing escrow account and

shall hold the Downpayment Letter of Credit (which, for purposes of this Article 28, shall be deemed to mean and include all Additional Downpayment Letters of Credit actually received by Escrow Agent), in accordance with the following:

28.1.1 Escrow Agent shall hold the Downpayment, together with all interest earned thereon, in Escrow Agent's escrow account at Citibank, N.A., and shall cause the Downpayment to earn interest at Citibank, N.A.'s then prevailing insured money market rates on deposits of similar size. Escrow Agent shall have no liability for any fluctuations in the interest rate paid by Citibank, N.A. on the Downpayment, and is not a guarantor thereof.

28.1.2 If Escrow Agent receives a written notice signed by both Sellers and Purchaser stating that the Closing has occurred and that Sellers are entitled to receive the Downpayment (or that Purchaser is entitled to return of the Downpayment Letter of Credit, as applicable, Escrow Agent shall deliver the Downpayment, together with the interest earned thereon, to Sellers or deliver the Downpayment Letter of Credit to Purchaser, as applicable. If Escrow Agent receives a written notice signed by both Sellers and Purchaser that this Agreement has been terminated or canceled, Escrow Agent shall deliver the Downpayment, together with the interest thereon, or the Downpayment Letter of Credit, as applicable, as directed therein.

28.1.3 If Escrow Agent receives a written request signed by Purchaser or Sellers (the "Noticing Party") stating that this Agreement has been canceled or terminated and that the Noticing Party is entitled to the Downpayment or the Downpayment Letter of Credit, as applicable, or that the other party hereto (the "Non-Noticing Party") has defaulted in the performance of its obligations hereunder, Escrow Agent shall mail (by certified mail, return receipt requested) a copy of such request to the Non-Noticing Party. The Non-Noticing Party shall have the right to object to such request for the Downpayment or the Downpayment Letter of Credit, as applicable, by written notice of objection delivered to and received by Escrow Agent ten (10) days (excluding Saturdays, Sundays and State of New York and Federal holidays) after the date of Escrow Agent's mailing of such copy to the Non-Noticing Party, but not thereafter. If Escrow Agent shall not have so received a written notice of objection from the Non-Noticing Party, Escrow Agent shall deliver the Downpayment, together with the interest earned thereon or the Downpayment Letter of Credit, as applicable, to the Noticing Party. If Escrow Agent shall have received a written notice of objection within the time herein prescribed, Escrow Agent shall refuse to comply with any requests or demands on it and shall continue to hold the Downpayment, together with any interest earned thereon or the Downpayment Letter of Credit, as applicable, until Escrow Agent receives either (a) a written notice signed by both Sellers and Purchaser stating who is entitled to the Downpayment (and interest) or the Downpayment Letter of Credit, as applicable, or (b) a final order of a court of competent jurisdiction directing disbursement (or delivery) of the Downpayment (and interest) or the Downpayment Letter of Credit, as applicable, in a specific manner, in either of which events Escrow Agent shall then disburse (or deliver) the Downpayment, together with the interest earned thereon or the Downpayment Letter of Credit, as applicable, in accordance with such notice or order. Escrow Agent shall not be or become liable in any way or to any person for its refusal to comply with any such requests or demands until and unless it has received a direction of the nature described in clause (a) or (b) above.

28.2 Any notice to Escrow Agent shall be sufficient only if received by Escrow Agent within the applicable time period set forth herein. All mailings and notices from Escrow Agent to Sellers and/or Purchaser, or from Sellers and/or Purchaser to Escrow Agent, provided for in this Article 28 shall be addressed to the party to receive such notice at its notice address set forth in Article 19 above (with copies to be similarly sent to the additional persons therein indicated), but the provisions of Article 19 relating to the manner of giving notices and the effective dates thereof shall have no application to the provisions of this Article 28.

28.3 Notwithstanding the foregoing, if Escrow Agent shall have received a written notice of objection as provided for in Section 28.1.3 above within the time therein prescribed, or shall have received at any time before actual disbursement (or delivery) of the Downpayment or the Downpayment Letter of Credit, as applicable, a written notice signed by either Sellers or Purchaser disputing entitlement to the Downpayment or the Downpayment Letter of Credit, as applicable, or shall otherwise believe in good faith at any time that a disagreement or dispute has arisen between the parties hereto over entitlement to the Downpayment or the Downpayment Letter of Credit, as applicable (whether or not litigation has been instituted), Escrow Agent shall have the right, upon written notice to both Sellers and Purchaser, (a) to deposit the Downpayment, together with the interest earned thereon, or the Downpayment Letter of Credit, as applicable, with the Clerk of the Court in which any litigation is pending and/or (b) to take such reasonable affirmative steps as it may, at its option, elect in order to terminate its duties as Escrow Agent, including, without limitation, the depositing of the Downpayment, together with the interest earned thereon, or the Downpayment Letter of Credit, as applicable, with a court of competent jurisdiction and the commencement of an action for interpleader, the costs thereof to be borne by whichever of Sellers or Purchaser is the losing party, and thereupon Escrow Agent shall be released of and from all liability hereunder except for any previous gross negligence or willful misconduct.

28.4 Escrow Agent is acting hereunder without charge as an accommodation to Purchaser and Sellers, it being understood and agreed that Escrow Agent shall not be liable for any error in judgment or any act done or omitted by it in good faith or pursuant to court order, or for any mistake of fact or law. Escrow Agent shall not incur any liability in acting upon any document or instrument believed thereby to be genuine. Escrow Agent is hereby released and exculpated from all liability hereunder, except only for willful misconduct or gross negligence. Escrow Agent may assume that any person purporting to give it any notice on behalf of any party has been authorized to do so. Escrow Agent shall not be liable for, and Purchaser and Sellers hereby jointly and severally agree to indemnify Escrow Agent against, any loss, liability or expense, including reasonable attorney's fees (either paid to retained attorneys or, representing the fair value of legal services rendered by Escrow Agent to itself), arising out of any dispute under this Agreement, including the cost and expense of defending itself against any claim arising hereunder. Notwithstanding anything to the contrary herein contained, Purchaser agrees that Solomon and Weinberg LLP may represent Sellers

as Sellers' counsel in any action, suit or other proceeding between Sellers and Purchaser or in which Sellers and Purchaser may be involved.

29. Tax Proceedings.

29.1 Purchaser hereby acknowledges and agrees that the Company and the other Co-Tenants shall continue, from and after the date hereof until the Closing, the proceeding or proceedings now pending for the reduction of the assessed valuation of the Property described on Exhibit N, and Purchaser agrees that Sellers may, until the Closing in their reasonable discretion at the Co-Tenants' sole cost and expense, cause the Company to litigate or settle same with Purchaser's consent as to the current tax year, if applicable, not to be unreasonably withheld; provided, however, that Purchaser shall be entitled to 65% of that portion of any refund relating to the period occurring after the Closing after payment to the Company of all costs and expenses, including, without limitation, reasonable attorneys fees and disbursements, incurred by the Company in obtaining such refund. Purchaser shall after the Closing in connection with any settlement of taxes for the current tax year deliver to Sellers, reasonably promptly after request therefor, receipted tax bills and canceled checks used in payment of such taxes and shall execute any and all consents or other documents, and do any act or thing necessary for the collection of such refund by the Company. Any refunds or credits (i.e., any credits for future taxes received by the Company and other Co-Tenants in lieu of a refund arising out of a settlement or proceeding in connection with taxes that relate to periods prior to the Closing Date) to which the Company may be entitled prior to the Closing Date in respect of its direct tenancy-in-common ownership interest in the Property, as well as any refund or credits attributable to Associates LP's indirect ownership interest in the Property, for any periods prior to the Closing Date (less 65% of all costs and expenses incurred by the Tenancy-in-Common in respect of obtaining such refunds or credits) shall remain the sole property of Sellers. From and after the Closing Date, (a) Purchaser shall cause the Company to litigate and settle any proceedings that are pending at the time of Closing that relate only to any period or periods prior to the Closing in the manner directed by Sellers and subject to Sellers consent, and (b) Purchaser shall cause the Company to litigate and settle any proceedings that are pending at the time of Closing that relate to periods that are both prior to and on and after the Closing Date as well as prior to the Closing Date in a commercially reasonable manner and any settlement in connection with any such proceeding that involves periods both before and after the Closing Date shall be subject to Sellers' approval, such approval not to be unreasonably withheld, and Purchaser shall keep Sellers fully apprised of and provide Sellers with copies of all correspondence and documents relating to any such proceedings referred to in clauses (a) and (b) above, and upon the settlement or successful litigation of any such proceedings, Purchaser shall cause the Company to pay to Sellers 65% of any savings in real estate taxes that result from any such settlement or proceeding with respect to periods prior to the Closing Date, less the reasonable costs and expenses incurred in connection therewith.

29.2 Sellers hereby advise Purchaser that the Co-Tenants intend to enter into a settlement with The City of New York with respect to tax years 1991/1992 through and including 1997/1998 and in all events covering periods prior to the Closing Date. Notwithstanding anything to the contrary contained in this Article 29, both prior to and after the Closing Sellers shall be entitled to cause the Company to accept the City of New York's proffer in respect of such tax years or otherwise settle the same in Seller's sole discretion, and Purchaser shall cause the Company to pay to Sellers an amount equal to 65% of such settlement (less an amount equal to 65% of the reasonably estimated costs and expenses incurred by the Co-Tenants in connection therewith), promptly upon receipt by the Co-Tenants of the proceeds of such settlement (whether by refund or credit against future taxes).

29.3 The provisions of this Article 29 shall survive the Closing.

30. Leasing.

Subject to the terms of the Greenwich Loan Documents, Sellers shall not cause the Company to enter into any new Space Leases, or modify any existing Space Leases, without the prior written consent of Purchaser, which consent may be withheld in Purchaser's reasonable discretion, provided that if any such proposed lease will contain economic and other terms that are in conformity with the economic and other terms in comparable class "A" office buildings, the Company may enter into such lease without Purchaser's consent, so long as the terms of such proposed lease do not violate the leasing parameters then in effect under the Greenwich Loan Documents. It is understood and agreed that (a) the exercise by any Space Lessee of any option set forth in such Space Lessee's Space Lease for the (i) extension of such Space Lease, (ii) letting of additional space or (iii) surrender of any space demised under such Space Lease, (b) the Company's consent to any request for the sublease under, or assignment of, any Space Lease requiring the consent of the Company, as landlord, where landlord's consent is required not to be unreasonably withheld (or language having similar effect) if the Space Lessee so requesting such consent shall remain liable under such Space Lease and such Space Lease does not entitle the landlord thereunder to "recapture" the space demised thereunder, shall not constitute a new Space Lease or the modification of an existing Space Lease under this Article 30 and (c) Purchaser shall pay, if the Closing occurs, all leasing commissions and tenant improvement costs payable in connection with any new Space Lease which has been approved by Purchaser under this Article 30, which leasing commissions and tenant improvements costs shall be pro-rated taking into account the periods when each of Sellers and Purchaser received the benefits of such new Space Lease. Without limiting the foregoing, Sellers shall use commercially reasonable efforts to cause all landlord work required in connection with the Space Lease with the City University of New York to be substantially completed on or prior to December 27, 1998.

31. Indemnity for Certain Transfer Taxes.

Reference is made to that certain In-Kind Distribution Agreement, dated as of October 31, 1997, between the Co-Tenants (the "In-Kind Distribution Agreement"). Sellers hereby indemnify Purchaser and hold Purchaser harmless from and against all claims, losses, liabilities and

expenses (including, without limitation, reasonable attorneys fees and disbursements) which may be asserted against, imposed upon or incurred by Purchaser in respect of any State Transfer Tax and City Transfer Tax in connection with the property distributed pursuant to the In-Kind Distribution Agreement. The provisions of this Article 31 shall survive the Closing.

32. Further Assurances.

The parties each agree to do such other and further acts and things, and to execute and deliver such instruments and documents (not creating any obligations additional to those otherwise imposed by this Agreement) as either may reasonably request from time to time, whether at or after the Closing, in furtherance of the purposes of this Agreement.
