

Salary.com Announces Global User Group Events

Complimentary Events Will Feature Keynotes From Leading Industry Analysts and Engage Clients in Best Practices for Compensation, Payroll and Talent Management

NEEDHAM, MA, Jul 23, 2009 (MARKETWIRE via COMTEX News Network) -- Salary.com, Inc. (NASDAQ: SLRY), a leading provider of on-demand compensation, payroll and talent management solutions, announced today the Salary.community User Group meetings, which are scheduled for six major cities around the world: Boston, New York, Chicago, San Francisco, Singapore, and London.

Salary.community User Group meetings are a connection point where Salary.com clients can learn about HR technology and trends, as well as exchange ideas on the best practices for managing pay and performance. These user group meetings are full-day, multi-tracked events providing Salary.com clients with premium content, access to industry experts, and a forum for networking with fellow HR practitioners from Salary.com's 3,500+ enterprise clients.

"These events reinforce Salary.com's commitment to building exceptional client relationships and providing additional value beyond software and data," said Brent Kleiman, SVP, Marketing & Strategy at Salary.com. "Our goal is to help our clients achieve more from their HR investments, connect with their peers, and build best-in-class HR programs."

In addition to hearing keynotes from industry experts from leading analyst firms, and participating in breakout sessions and product training, attendees will have the opportunity to share best practices with other HR professionals during the extended networking sessions.
