### Tower Semiconductor

At the closing bell on Tuesday, shares in Migdal Haemek, Israel headquartered Tower Semiconductor Ltd saw a slight drop of 0.27%, ending the day at \$21.79. The stock recorded a trading volume of 895,044 shares, which was above its three months average volume of 782,030 shares. The Company's shares have advanced 12.44% in the last one month, 41.22% in the previous three months, and 14.50% since the start of this year. The stock is trading 10.97% and 40.58% above its 50-day and 200-day moving averages, respectively. Moreover, shares of Tower Semiconductor, which manufactures analog intensive mixed-signal semiconductor devices in the US, Asia, and Europe, have an RSI of 71.01.

On January 26<sup>th</sup>, 2017, Audio Pixels Holdings announced that one of its fabrication partners, Tower Semiconductor, has

reached a critical milestone with the initial delivery of half structure MEMS devices. The half structures which already incorporate the change required to reduce operating voltage requirements, provide the Company with the ability to validate the overwhelming majority of critical electro-mechanical performance criteria of the devices as to ensure fully compliant fabrication of mass produced devices. Audio Pixels stated the Company and Tower personnel are making effort to improve on the initial advised timelines for the delivery of fully functional MEMS devices by May 31<sup>st</sup> 2017. ## **Stock Callers:**

Stock Callers (SC) produces regular sponsored and non-sponsored reports, articles, stock market blogs, and popular investment newsletters covering equities listed on NYSE and NASDAQ and micro-cap stocks. SC has two distinct and independent departments. One department produces non-sponsored analyst certified content generally in the form of press releases, articles and reports covering equities listed on NYSE and NASDAQ and the other produces sponsored content (in most cases not reviewed by a registered analyst), which typically consists of compensated investment newsletters, articles and reports covering listed stocks and micro-caps. Such sponsored content is outside the scope of procedures detailed below.

SC has not been compensated; directly or indirectly; for producing or publishing this document.

## **PRESS RELEASE PROCEDURES:**

The non-sponsored content contained herein has been prepared by a writer (the "Author") and is fact checked and reviewed by a third party research service company (the "Reviewer") represented by a credentialed financial analyst [for further information on analyst credentials, please email [info@stock-callers.com](mailto:info@stock-callers.com). Rohit Tuli, a CFA® charterholder (the "Sponsor"), provides necessary guidance in preparing the document templates. The Reviewer has reviewed and revised the content, as necessary, based on publicly available information which is believed to be reliable. Content is researched, written and reviewed on a reasonable-effort basis. The Reviewer has not performed any independent investigations or forensic audits to validate the information herein. The Reviewer has only independently reviewed the information provided by the Author according to the procedures outlined by SC. SC is not entitled to veto or interfere in the application of such procedures by the third-party research service company to the articles, documents or reports, as the case may be. Unless otherwise noted, any content outside of this document has no association with the Author or the Reviewer in any way.

## **NO WARRANTY**

SC, the Author, and the Reviewer are not responsible for any error which may be occasioned at the time of printing of this document or any error, mistake or shortcoming. No liability is accepted whatsoever for any direct, indirect or consequential loss arising from the use of this document. SC, the Author, and the Reviewer expressly disclaim any fiduciary responsibility or liability for any consequences, financial or otherwise arising from any reliance placed on the information in this document. Additionally, SC, the Author, and the Reviewer do not (1) guarantee the accuracy, timeliness, completeness or correct sequencing of the information, or (2) warrant any results from use of the information. The included information is subject to change without notice.

## NOT AN OFFERING

This document is not intended as an offering, recommendation, or a solicitation of an offer to buy or sell the securities mentioned or discussed, and is to be used for informational purposes only. Please read all associated disclosures and disclaimers in full before investing.
