## **SYNNEX Corporation Selected by HP Inc. to Distribute the New A3 Printer Portfolio**

### **Major distributor provides access to highly-anticipated new offerings from global leader in print**

GREENVILLE, S.C., May 8, 2017 /PRNewswire/ -- [SYNNEX Corporation](#) (NYSE: SNX), a leading Technology Solutions distributor, today announced that it has been selected to distribute HP Inc.'s new A3 multifunction laser printers (MFPs). Building on SYNNEX' extensive HP offerings, the addition of the A3 portfolio enhances SYNNEX' line card with high-speed, intelligent, and exceedingly secure printer-copiers. As resellers and managed services providers look to establish or expand their footprints in the high-margin print services field, they can access next-generation technologies backed by SYNNEX' signature solutions and support.

SYNNEX has been selected as an authorized distribution partner for HP A3 printers in both the US and Canada. HP Inc. is the global leader in printing, and SYNNEX has been one of the largest distributors of HP products in North America for more than 20 years. Now, the entry of HP Inc.'s A3 MFPs into the marketplace allows resellers to deliver the latest printing innovation - transforming end-users' printer-copier experience with innovation engineered for security.

"SYNNEX is pleased to bring the leading-edge A3 portfolio to the North American market," said Peter Larocque, President, North American Technology Solutions, SYNNEX Corporation. "HP Inc.'s leadership in innovation, quality and reliability continues to have a significant influence on the printing market, and the addition of the A3 line provides tangible growth opportunities for SYNNEX customers."

"We are tremendously excited about the HP A3 portfolio and the overall value proposition and accompanying business opportunities," said Matt Schotten, Vice President, Managed Print Services, ImageNet Consulting. "SYNNEX has been an incredible partner in helping us grow our traditional LaserJet and Page Wide Solutions business, and we look forward to the continued exemplary support with HP's A3 portfolio."

"We have trusted SYNNEX for more than 10 years," said Rich Houghton, President, ManagedPrint, Inc. "They have been our main distributor of HP printers, MFPs and supplies. The reason we have been with them for 10 years is very simple: it's the people. The people at SYNNEX resolve any issue we come across, and are always flexible and understanding. We look forward to continuing our relationship with SYNNEX for the new A3 product line from HP."

The copier market has eagerly awaited HP's new A3 portfolio, which became available through SYNNEX in early May. For resellers seeking more information on HP A3 through SYNNEX, please contact Jennings Tinsley ([JenningsT@Synnex.com](mailto:JenningsT@Synnex.com)) or Megan Stathakis ([Meganst@Synnex.com](mailto:Meganst@Synnex.com)).
