Concentrix Named to IAOP® Global Outsourcing 100®

Ranking Among the World's Best for the Ninth Time

FREMONT, Calif., Feb. 27, 2017 /CNW/ -- Concentrix Corporation announced it has again been selected to the 2017 Global Outsourcing 100 by the IAOP. The Global Outsourcing 100 recognizes the world's best outsourcing service providers based on demonstrated global excellence.

"Clients and industry analysts alike acknowledge our ability to provide innovative solutions that are truly different in the marketplace," said Concentrix President Chris Caldwell. "We actively invest in technology including digital engagement and automation to give our clients new ways to build lasting customer relationships."

Companies featured in the IAOP Global Outsourcing 100 list have passed rigorous criteria and independent review by an industry-experienced panel of customer members. For 2017, the companies were judged based on: Size and Growth, Customer References, Awards and Certifications, Programs for Innovation, and Corporate Social Responsibility.

"Choosing the right partners is more important than ever. Companies that outsource, not only in the traditional sense but also through the wide array of the ever-changing collaborative business models, are scrutinizing their providers very closely," said Debi Hamill, IAOP CEO. "The GO100 is the definitive guide to help companies research and compare service providers with whom they are considering relationships."
