SYNNEX Corporation Selected to Carry Symantec's Complete Product Portfolio

Leading distributor becomes all-inclusive source for expansive new security offering

GREENVILLE, S.C., April 20, 2017 /PRNewswire/ -- [SYNNEX Corporation](#) (NYSE: SNX), a leading Technology Solutions distributor, today announced that it now offers the full portfolio of Symantec enterprise security solutions. SYNNEX resellers have benefited from its relationship with Symantec since 2002, further enhanced by SYNNEX' ability to fully enable and service its partner community through partner education and pre-sales support. Following Symantec's acquisition of Blue Coat, SYNNEX has added solutions to its portfolio to provide security across endpoints, cloud and infrastructure, enhancing enterprise-scale features of the SYNNEX security portfolio.

With the addition of the full Symantec security portfolio, the SYNNEX security offering is positioned to address the ever-evolving threat landscape, as well as the changes and challenges presented with the market shift to mobile and cloud environments. It includes Symantec endpoint, email, data loss prevention, data center, cloud security and secure web gateway solutions.

"Symantec's recent acquisition of Blue Coat means our resellers now have access to an unparalleled security portfolio," said Peter Larocque, President, North American Technology Solutions, SYNNEX Corporation. "SYNNEX has been recognized as a leader during our 15-year relationship with Symantec, and our commitment continues with the expansion to include Symantec's Blue Coat advanced network, security and cloud protection solutions."

"Symantec continues to evolve to meet the unique needs of the cloud generation," said Erik Foy, Director of Channel Sales for North America at Symantec. "Our Integrated Cyber Defense Platform provides security and operational efficiencies that enterprises seek, and we are proud to work with SYNNEX to bring this comprehensive solution portfolio to end user customers."

SYNNEX was named Symantec 2015 Distributor of the Year for record revenue growth in strategic initiatives, and continues to leverage its CONVERGE So/v Advanced Technologies support platform to bolster its reseller ecosystem and guide resellers in delivering solutions to meet their end customers' needs.

SYNNEX boosts vendor offerings with reseller support including complimentary network and security assessments, pre-sales support and consultative services, as well as security playbooks and webinar training series. As a result, SYNNEX is well positioned to support the new and existing reseller ecosystem under Symantec.
