About Market Leader, Inc. Market Leader (NASDAQ: LEDR) provides real estate professionals with innovative marketing and technology solutions that enable them to grow and manage their business. Founded in 1999 by a second-generation real estate agent, Market Leader provides real estate agents, agent teams, and brokerage companies with subscription software and advertising products that enable them to generate a steady stream of prospects, as well as the tools and training they need to convert these prospects into clients.

With a long history of innovation, Market Leader pioneered online lead generation for real estate professionals a decade ago and today is the leading marketing partner to the real estate industry. The company also provides consumers with free access to the information and tools they need throughout the home buying and selling process through its national consumer real estate sites. These websites enable Market Leader to provide its customers with access to millions of future home buyers and sellers while providing these consumers with free access to the information they seek throughout the home buying and selling process.
