Explanatory Note

This current report on Form 8-K/A is being filed as an amendment to the current report on Form 8-K filed by SunPower Corporation (the “Company”) with the Securities and Exchange Commission on May 2, 2017 (the “Original Form 8-K”). The Original Form 8-K reported the final voting results of the Company’s Annual Meeting of Stockholders held on April 27, 2017 (the “Annual Meeting”). The sole purpose of this amendment is to disclose the Company’s decision regarding how frequently it will conduct future stockholder advisory votes regarding the compensation of the Company’s named executive officers. No other changes have been made to the Original Form 8-K.

Item 5.07 Submission of Matters to a Vote of Security Holders.

As previously reported in the Original Form 8-K, at the Annual Meeting a non-binding, advisory vote was taken on the frequency of future advisory votes regarding the compensation of the Company’s named executive officers. Among the options presented to stockholders (every year, every two years or every three years), the greatest number of votes were cast in favor of holding such an advisory vote every year, which was also the frequency recommended to the stockholders by the Company’s board of directors. In light of these results and consistent with the previous recommendation and determination of the Company’s board of directors, the Company will continue to hold a non-binding advisory vote on executive compensation every year until the next required vote on the frequency of stockholder votes on executive compensation.
