

REX-West Fully Operational

HOUSTON, May 20, 2008 -- Rockies Express Pipeline LLC today announced that the final 210 miles of the Rockies Express West pipeline (REX-West) are in service. Approximately 500 miles of this segment of the pipeline began service Jan. 12. REX-West is a 713-mile, 42-inch diameter pipeline that runs from the Cheyenne Hub in Weld County, Colo., to Audrain County, Mo. The completion of REX-West increases the capacity on the pipeline to 1.5 billion cubic feet per day (Bcf/d). REX-West interconnects with Kinder Morgan Interstate Gas Transmission, Northern Natural Gas Company, Natural Gas Pipeline Company of America, ANR and Panhandle Eastern Pipeline Company.

"We are delighted REX-West is fully in service and look forward to beginning construction this summer on the final segment of the project, REX-East," said Scott Parker, president of Kinder Morgan's natural gas pipelines. REX-East is a 638-mile pipeline segment that will extend REX eastward from Missouri to Clarington, Ohio. Subject to receipt of regulatory approvals, the entire REX project is expected to be fully operational by June 2009.

Rockies Express Pipeline LLC is a joint venture of Kinder Morgan Energy Partners, L.P. (NYSE: KMP), Sempra Pipelines and Storage, a unit of Sempra Energy (NYSE: SRE), and ConocoPhillips (NYSE: COP), and is one of the largest natural gas pipelines to be constructed in North America. When completed, the 1,678-mile pipeline will have a capacity of approximately 1.8 Bcf per day. Binding firm commitments from creditworthy shippers have been secured for all of the capacity on the pipeline. KMP is overseeing construction of the project and is the operator of the pipeline.

Kinder Morgan Energy Partners, L.P. (NYSE: KMP) is a leading pipeline transportation and energy storage company in North America. KMP owns an interest in or operates more than 25,000 miles of pipelines and 165 terminals. Its pipelines transport natural gas, gasoline, crude oil, CO2 and other products, and its terminals store petroleum products and chemicals and handle bulk materials like coal and petroleum coke. KMP is also the leading provider of CO2 for enhanced oil recovery projects in North America. One of the largest publicly traded pipeline limited partnerships in America, KMP has an enterprise value of over \$20 billion. The general partner of KMP is owned by Knight Inc. (formerly Kinder Morgan, Inc.), a private company.

Sempra Pipelines & Storage acquires, builds and operates natural gas pipelines and storage facilities in Mexico and the United States. Sempra Energy, based in San Diego, is a Fortune 500 energy-services holding company with 2007 revenues of more than \$11 billion. The Sempra Energy companies' 13,500 employees serve more than 29 million consumers worldwide.

ConocoPhillips is an integrated petroleum company with interests around the world. Headquartered in Houston, the company had approximately 32,500 employees, \$173 billion of assets and \$180 billion of revenues as of September 30, 2007. For more information, go to www.conocophillips.com.

This news release includes forward-looking statements. Although Kinder Morgan believes that its expectations are based on reasonable assumptions, it can give no assurance that such assumptions will materialize. Important factors that could cause actual results to differ materially from those in the forward-looking statements herein are enumerated in Kinder Morgan's Forms 10-K and 10-Q as filed with the Securities and Exchange Commission.

This press release contains statements that are not historical fact and constitute forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. When Sempra Energy uses words like "believes," "expects," "anticipates," "intends," "plans," "estimates," "may," "would," "should" or similar expressions, or when Sempra Energy discusses its strategy or plans, the company is making forward-looking statements. Forward-looking statements are not guarantees of performance. They involve risks, uncertainties and assumptions. Future results may differ materially from those expressed in the forward-looking statements. Forward-looking statements are necessarily based upon various assumptions involving judgments with respect to the future and other risks, including, among others: local, regional, national and international economic, competitive, political, legislative and regulatory conditions and developments; actions by the California Public Utilities Commission, the California State Legislature, the California Department of Water Resources, the Federal Energy Regulatory Commission and other regulatory bodies in the United States and other countries; capital markets conditions, inflation rates, interest rates and exchange rates; energy and trading markets, including the timing and extent of changes in commodity prices; the availability of natural gas; weather conditions and conservation efforts; war and terrorist attacks; business, regulatory, environmental, and legal decisions and requirements; the status of deregulation of retail natural gas and electricity delivery; the timing and success of business development efforts; the resolution of litigation; and other uncertainties, all of which are difficult to predict and many of which are beyond the control of the company. These risks and uncertainties are further discussed in the company's reports filed with the Securities and Exchange Commission that are available through the EDGAR system without charge at its Web site, www.sec.gov and on the company's Web site, www.sempra.com.

Sempra Pipelines & Storage is not the same company as the utilities, SDG&E or SoCalGas, and Sempra Pipelines & Storage is not regulated by the California Public Utilities Commission.

CAUTIONARY STATEMENT FOR THE PURPOSES OF THE "SAFE HARBOR" PROVISIONS OF THE PRIVATE SECURITIES LITIGATION REFORM ACT OF 1995

This press release contains forward-looking statements within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements that contain projections about our revenues, income, earnings and other financial items, our plans and objectives for the future, future economic performance, or other projections or estimates about our assumptions relating to these types of statements. These statements usually relate to future events and anticipated revenues, earnings, business strategies, competitive position or other aspects of our operations or operating results. In many cases you can identify forward-looking statements by terminology such as "anticipate," "estimate," "believe," "continue," "could," "intend," "may," "plan," "potential," "predict," "should," "will," "expect," "objective," "projection," "forecast," "goal," "guidance," "outlook," "effort," "target" and other similar words. However, the absence of these words does not mean that the statements are not forward-looking. The forward-looking statements are based on management's expectations, estimates and projections about ConocoPhillips and the petroleum industry in general on the date this statement was released. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Further, certain forward-looking statements are based on assumptions as to future events that may not prove to be accurate. Therefore, actual outcomes and results may differ materially from what is expressed or forecast in such forward-looking statements. Economic, business, competitive and regulatory factors that may affect ConocoPhillips' business are generally as set forth in ConocoPhillips' filings with the Securities and Exchange Commission (SEC).

ConocoPhillips is under no obligation (and expressly disclaims any such obligation) to update or alter its forward-looking statements whether as a result of new information, future events or otherwise.
