Synalloy Announces Fourth Quarter Earnings Conference Call

SPARTANBURG, S.C., Feb. 01, 2016 (GLOBE NEWSWIRE) -- Synalloy Corporation (Nasdaq:SYNL), plans to announce its fourth quarter 2015 earnings results in a press release that will be issued before the market opens on Monday, February 29, 2016. This selected date represents a move of three weeks later in our year-end reporting cycle for the sole purpose of implementing a best practice of having our public announcement and conference call align more closely with the completion of our annual audit and the filing of our 10-K with the SEC. That process is expected to extend through the full allowed SEC filing period this year. Following the earnings release, Synalloy will conduct a conference call and webcast at 10:00 AM ET to discuss the earnings results. Interested parties may listen to this discussion by calling 1-(877) 303-6648; Conference ID code 42571089. The conference call will be webcast live through Synalloy's website at www.synalloy.com under the Investor Relations tab.

The webcast archive of the conference call will be available by 12:00 PM ET on February 29, 2016 on Synalloy's website at www.synalloy.com under the Investor Relations tab.

Synalloy Corporation (Nasdaq:SYNL), is a growth oriented company that engages in a number of diverse business activities including the production of stainless steel pipe, fiberglass and steel storage tanks, specialty chemicals and the master distribution of seamless carbon pipe and tube. Forward-Looking Statements

Statements included herein that are not historical in nature, are intended to be, and are hereby identified as "forward-looking statements" within the meaning of federal securities laws. These forward-looking statements are based on current expectations, estimates and projections about our industry, our business, our customer relationships, management's beliefs and assumptions made by management. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties and assumptions that are difficult to predict and, in many cases, are beyond the control or knowledge of management. Therefore, actual results may differ materially from those expressed or forecasted in such forward-looking statements. We undertake no obligation to publicly update or revise forward-looking statements, whether as a result of new information, future events or otherwise. Additional information concerning some of the factors that could cause materially different results is included in our reports on Forms 10-K, 10-Q and 8-K filed with the Securities and Exchange Commission. Such reports are available from the Securities and Exchange Commission's public reference facilities and its website, <http://www.sec.gov>.
