### Forward-Looking Statements

*This press release contains forward looking statements within the meaning of that term in the Private Securities Litigation Reform Act of 1995 (Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934). Additional written or oral forward looking statements may be made by the Company from time to time in filings with the Securities and Exchange Commission or otherwise. Statements contained in this press release that are not historical facts are forward looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, and are based on management's estimates, assumptions and projections and are not guarantees of future performance. The Company assumes no obligation to update these statements. Forward looking statements may include, but are not limited to, projections or estimates of revenue, income or loss, exit costs, cash flow needs and capital expenditures, statements regarding future operations, expansion or restructuring plans, including our recent exit from and winding down of our NATG operations, financing needs, compliance with financial covenants in loan agreements, the implementation or performance of technology systems discussed below, the turnaround plans for our UK operations, the performance of our shared service center in Hungary, fluctuations in economic conditions and exchange rates, including factors impacting our substantial international operations, plans for acquisition or sale of assets or businesses, consolidation and integration of operations of recently acquired businesses, including our acquisitions of SCC/Misco Solutions in the Netherlands and of Plant Equipment Group in the US, plans relating to products or services of the Company, assessments of materiality, predictions of future events and the effects of pending and possible litigation, as well as assumptions relating to the foregoing. In addition, when used in this release, the words "anticipates," "believes," "estimates," "expects," "intends," and "plans" and variations thereof and similar expressions are intended to identify forward looking statements.*
