Forward-Looking Statements

This press release contains forward-looking statements about the Company's performance. These statements are based on management's estimates, assumptions and projections and are not guarantees of future performance. The Company assumes no obligation to update these statements. Actual results may differ materially from results expressed or implied in these statements as the result of risks, uncertainties and other factors including, but not limited to: (a) unanticipated variations in sales volume, (b) economic conditions, (c) actions by competitors, including ecommerce retailers, (d) the continuation of key vendor relationships, (e) the ability to maintain satisfactory loan agreements with lenders, (f) risks associated with the delivery of merchandise to customers utilizing common carriers, (g) the operation of the Company's management information systems and other technology platforms supporting sales, procurement and other operations (h) unanticipated legal and administrative proceedings, (i) risks involved with e-commerce, (j) technological change, such as the integration of formerly separate products, (k) changes to sales tax laws or government enforcement priorities, and (l) risks to the Company's substantial international operations, including fluctuations in currency rates, foreign regulatory requirements, political uncertainty and the management of our expanding international operations infrastructure, including the Company's ability to timely and effectively continue to transition certain support operations to its shared services center in Hungary and effectively implement distribution logistics initiatives in Europe. Please refer to "Risk Factors" and the Forward Looking Statements sections contained in the Company's Form 10-K for a more detailed explanation of the inherent limitations in such forward-looking statements.
