Charlotte-Mecklenburg Police Department Purchases 1,743 TASER X2 Smart Weapons

Axon announces orders for 10,903 Smart Weapons

SCOTTSDALE, Ariz., Dec. 5, 2017 /PRNewswire/ -- [Axon](#) (Nasdaq: AAXN), the global leader in public safety technology, today announced the receipt of multiple orders for its [TASER X26P](#) and [TASER X2](#) Smart Weapons. These orders were received in the third and fourth quarters and are expected to ship in the same time frame.

"Our customers are making an important move toward a world where every officer has the best technology and training to minimize the chances of a deadly encounter," says Rick Smith, CEO and founder of Axon. "Many of these agencies are using our TASER 60 payment plan that provides a new, simpler alternative for allowing smart weapons to be a budgetary line item providing better financial visibility. Our mission is to make a TASER conducted electrical weapon available to every officer, so they have the best options ready to avoid injury or death."

About the TASER 60

The TASER 60 is a new 5-year annual payment plan that integrates warranty coverage for an agency's current TASER Smart Weapons, as well as on-site spares so officers experience zero downtime. The yearly payment plan allows agencies to reliably budget for their TASER CEWs during a 5-year period.

About the Officer Safety Plan (OSP)

Axon's Officer Safety Plan combines our most popular products into one simple bundled contract. It has a 5-year term, and includes one Smart Weapon, one initial Axon camera plus two camera upgrades, full warranty, repair and replacement coverage, and unlimited [Evidence.com](https://www.evidence.com) storage at introductory pricing of \$99 per month per officer.

About Axon

The Axon network is a network of devices, apps and people that helps law enforcement become smarter and safer. Our mission is to protect life. Our technologies give law enforcement the confidence, focus, and time they need to keep their communities safe. Our products impact every aspect of an officer's day-to-day experience:

- | **In the field** - Our Smart Weapons offer a less-lethal intermediate use of force response and our body-worn and in-car cameras collect video evidence to capture the truth of an incident; and our mobile applications enable simple evidence collection.
- | **At the station** - Our secure, cloud-based digital evidence management solution allows officers and command staff to manage, review, share and process digital evidence using forensic, redaction, transcription, and other tools.
- | **In the courtroom** - Our solutions for prosecutors make collaborating across jurisdictions and agencies easy so that cases can be resolved quickly.

We work hard for those who put themselves in harm's way for all of us. To date, there are more than 187,400 licensed users from around the world and more than [192,000](https://www.axon.com) lives and countless dollars have been saved with the Axon network of devices, apps and people.
