## California Highway Patrol Purchases 2500 TASER X2 Smart Weapons

### Axon Announces Multiple Domestic and International Orders of TASER Smart Weapons

SCOTTSDALE, Ariz., July 5, 2017 /PRNewswire/ -- [Axon](#) (Nasdaq: AAXN) today announced the receipt of multiple orders for its [TASER X26P](#) and [TASER X2](#) Smart Weapons. These orders were received in the second quarter 2017 and are anticipated to ship in the second and third quarters of 2017.

"These domestic and international Smart Weapon orders are a crucial part of our business focus," says Rick Smith, CEO and co-founder of Axon. "Many of these agencies are long time users of TASER weapons that have proven to reduce injuries to suspects and officers time and time again. We commend their continuing commitment to a world where every officer has the best technology and training to minimize the chance of a deadly encounter," concluded Smith.

## About Axon

The Axon network is a network of devices, apps and people that helps law enforcement become smarter and safer. Our mission is to protect life. Our technologies give law enforcement the confidence, focus and time they need to keep their communities safe. Our products impact every aspect of an officer's day-to-day experience:

- | **In the field** - Our Smart Weapons offer a less-lethal intermediate use of force response and our body-worn and in-car cameras collect video evidence to capture the truth of an incident; and our mobile applications enable simple evidence collection.
- | **At the station** - Our secure, cloud-based digital evidence management solution allows officers and command staff to manage, review, share and process digital evidence using forensic, redaction, transcription, and other tools.
- | **In the courtroom** - Our solutions for prosecutors make collaborating across jurisdictions and agencies easy so that cases can be resolved quickly.

We work hard for those who put themselves in harm's way for all of us. To date, there are more than 100,000 licensed users from around the world and more than [184,000](#) lives and countless dollars have been saved with the Axon network of devices, apps and people.
