Tech Data Named Veritas North America Distributor of the Year

CLEARWATER, Fla.--(BUSINESS WIRE)-- [Tech Data Corporation](#) (Nasdaq: TECD) today announced that it has been named as the Veritas North America Distributor of the Year for 2017. The awards were presented at the annual [Veritas Vision](#) conference on Sept. 19, 2017 at the ARIA Resort & Casino in Las Vegas.

"Our team has worked tirelessly on behalf of our Veritas partners and customers," said Tracy Holtz, director, Product Marketing, Security and Information Management at Tech Data. "We provide our partners with access to complete, end-to-end solutions to support a variety of needs. With tools like those provided by Veritas, our security and information management portfolio offers partners an unparalleled resource. Tech Data delivered 21 percent year-over-year growth with Veritas in 2017, and we see more exciting opportunities ahead."

The Veritas [360 data management portfolio](#) helps customers accelerate their digital transformation and solve pressing IT and business challenges, including multi-cloud data management, data protection, storage optimization, compliance readiness and workload portability—with no cloud vendor lock-in.

"Veritas is delighted to recognize Tech Data for this award—the North America Distributor of the Year award represents a special recognition for Tech Data's 2017 revenue growth in terms of both dollars and percentage, as well as its strategic advances to help organizations harness the power of their data in a complex, multi-cloud world," said Rick Fairweather, vice president of the Americas Partner Organization, Veritas. "We are thrilled to honor Tech Data for their leadership in helping organizations discover the truth in information through the Veritas 360 data management platform."
