Tech Data Receives IBM SSA Excellence Award for Operations in Argentina

CLEARWATER, Fla. (April 27, 2018) – [Tech Data](#) (Nasdaq: TECD) announced today that it has been recognized as a 2018 IBM SSA Excellence Award winner in the “Infrastructure and Support (Distributor)” category for its operations in Argentina. The team received the award during [IBM PartnerWorld at Think 2018](#) held recently in Las Vegas, Nevada. The award recognizes the remarkable performance demonstrated by Tech Data in delivering IBM-based solutions resulting in exceptional experiences and business growth for its customers.

“Tech Data continuously works to deliver the best products and solutions to support our customers’ growing needs. Our long-standing alliance with IBM has provided our customers with tremendous value,” said Deena Piquion, vice president and general manager of Tech Data’s Latin America and Caribbean region. “Receiving the prestigious IBM SSA Excellence Award in Argentina underscores our continued commitment to our customers in the region.”

With a comprehensive portfolio of IBM offerings, Tech Data is connecting the world with the power of technology through market-proven services and solutions that drive new opportunities. With a specialized focus on next-generation technologies including cloud, IoT and analytics, security, mobility and services, Tech Data provides customers with everything they need to create successful practices in the most sought-after, high-growth technology areas.
