This Amendment No. 1 to the Quarterly Report on Form 10-Q/A for the period ended July 31, 2005 is being filed solely for the purpose of amending, restating and clarifying the disclosure in Item 4 of Part I of such report. The Quarterly Report was filed with the Securities and Exchange Commission on September 2, 2005 by Registrant. Except as described above, no other changes have been made to the Quarterly Report. This Amendment No. 1 to the Quarterly Report continues to speak as of the date of the Quarterly Report, and Registrant has not updated the disclosures contained in this Amendment No. 1 to the Quarterly Report to reflect any events that occurred at a date subsequent to the filing of the Quarterly Report. Item 4. Controls and Procedures

Disclosure Controls and Procedures

Based on their evaluation of our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934), Registrant's chief executive officer and chief financial officer concluded that, as of the end of the period covered by this report, Registrant's disclosure controls and procedures are effective to ensure that information required to be disclosed by Registrant in the reports that it files or submits under the Securities Exchange Act of 1934 is (i) recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and (ii) accumulated and communicated to our management, including our chief executive officer and chief financial officer, to allow timely decisions regarding required disclosure.

In addition, Registrant's chief executive officer and chief financial officer have determined that there have been no changes in Registrant's internal control over financial reporting during the period covered by this report identified in connection with the evaluation described in the above paragraph that have materially affected, or are reasonably likely to materially affect, Registrant's internal control over financial reporting.

Registrant's management, including its chief executive officer and chief financial officer necessarily applied their judgment in assessing the costs and benefits of such controls and procedures. By their nature, such controls and procedures cannot provide absolute certainty, but can provide reasonable assurance regarding management's control objectives. Our chief executive officer and our chief financial officer have concluded that Registrant's disclosure controls and procedures are (i) designed to provide such reasonable assurance and (ii) are effective at that reasonable assurance level.
