About DealerTrack (www.dealertrack.com)

DealerTrack's intuitive and high-value web-based software solutions and services enhance efficiency and profitability for all major segments of the retail automotive industry, including dealers, lenders, OEMs, third-party retailers, agents and aftermarket providers. DealerTrack, whose solution set for dealers is the industry's most comprehensive, operates the largest online credit application network in the United States, connecting over 17,000 dealers with more than 1,100 lenders.

DealerTrack's Dealer Management System (DMS) provides dealers with easy-to-use tools and real-time data access to enhance their efficiency. DealerTrack's Inventory offerings provide vehicle inventory management and merchandising solutions to help dealers drive higher in-store and online traffic with state-of-the-art, real-time listings, accelerate used-vehicle turn rates, and increase dealer profits. DealerTrack's Sales and F&I solutions allow dealers to streamline the entire sales process as they structure deals from a single integrated platform. Its Compliance offering helps dealers meet legal and regulatory requirements, and protect their assets. DealerTrack also offers additional solutions for the automotive industry, including digital retailing, electronic motor vehicle registration and titling applications, paper title storage, and digital document services.
