"The Federal Reserve's decision to raise interest rates will likely encourage more consumers to be price-conscious when it comes to their loans," said Neil Salvage, President of LendingTree. "LendingTree enables borrowers to compare rates, offers, and lenders based on actual customer reviews across a network of over 450 lending partners. Customers who have used LendingTree save an average of over \$14,000 on the total cost of their mortgage by comparing multiple offers from different lenders. LendingTree's network lenders strive for excellent customer service and according to LendingTree customers, these lenders came out on top in the third quarter. We're thrilled to have so many partners on our network who

are dedicated to providing an excellent experience for borrowers."
