LendingTree Announces Top Customer-Rated Lenders by Loan Product for Q4 2017

CHARLOTTE, N.C., Jan. 23, 2018 /PRNewswire/ -- [LendingTree®](#), the nation's leading online loan marketplace, today released its quarterly list of the top customer-rated lenders on its network based on actual customer reviews for the fourth quarter of 2017. The list features the top lenders in multiple loan product categories, including Mortgages, Personal Loans, Business Loans and Auto Loans, all of which are included in LendingTree's online loan marketplace.

Lender rankings are based on a weighted average of overall rating and the total volume of customer reviews for mortgage, personal, business and auto loans. Lenders were rated on offered rates, fees and closing costs, responsiveness, customer service and overall customer experience. Each category has one winner, but the rank of the remaining lenders is not specified. This quarter the business category only has a No. 1 winner, and four lenders are recognized in the personal loans category due to a tie.
