

Time Warner Cable Prices a \$3 Billion Debt Offering

NEW YORK-- Time Warner Cable Inc. today announced that it has priced a \$3 billion underwritten public offering of debt securities, including \$1 billion aggregate principal amount of 7½% notes due 2014 and \$2 billion aggregate principal amount of 8¼% notes due 2019. The net proceeds from the issuance of the debt securities are expected to be used to repay all of the borrowings outstanding under a \$1.932 billion senior unsecured term loan facility, which the Company used to fund, in part, a special cash dividend to its stockholders that was paid on March 12, 2009. The Company will use any proceeds in excess of that amount for general corporate purposes, including repayment of debt. The sale of the debt securities is expected to close on March 26, 2009.

The debt securities will be issued by Time Warner Cable Inc. and guaranteed by its subsidiaries TW NY Cable Holding Inc. and Time Warner Entertainment Company, L.P. Banc of America Securities LLC, Citigroup Global Markets Inc., Deutsche Bank Securities Inc., UBS Securities LLC and Wachovia Capital Markets, LLC are joint book-running managers.
