

Twin Disc, Inc. Announces Fiscal 2010 First-Quarter Earnings Conference Call and Press Release

RACINE, Wis., Oct 05, 2009 (BUSINESS WIRE) -- **Twin Disc, Inc. (NASDAQ: TWIN)**, today announced that it will release its fiscal 2010 first-quarter financial results before the market opens on October 19, 2009. In conjunction with the earnings release, Twin Disc will be hosting a conference call to discuss these results and to answer questions at 2:00 p.m. Eastern Time on Monday, October 19, 2009. To participate in the conference call, please dial 877-941-2069 five to 10 minutes before the call is scheduled to begin. A replay will be available from 5:00 p.m. October 19, 2009 until midnight October 26, 2009. The number to hear the teleconference replay is 800-406-7325. The access code for the replay is 4168638.

The conference call will also be broadcast live over the Internet. To listen to the call via the Internet, access Twin Disc's website at <http://ir.twindisc.com/index.cfm> and follow the instructions at the web cast link. The archived web cast will be available shortly after the call on the Company's website.

Twin Disc, Inc. designs, manufactures and sells marine and heavy-duty off-highway power transmission equipment. Products offered include: marine transmissions, surface drives, propellers and boat management systems, as well as power-shift transmissions, hydraulic torque converters, power take-offs, industrial clutches and control systems. The Company sells its products to customers primarily in the pleasure craft, commercial and military marine markets, as well as in the energy and natural resources, government and industrial markets. The Company's worldwide sales to both domestic and foreign customers are transacted through a direct sales force and a distributor network.

This press release may contain statements that are forward looking as defined by the Securities and Exchange Commission in its rules, regulations and releases. The Company intends that such forward-looking statements be subject to the safe harbors created thereby. All forward-looking statements are based on current expectations regarding important risk factors including those identified in the Company's most recent periodic report and other filings with the Securities and Exchange Commission. Accordingly, actual results may differ materially from those expressed in the forward-looking statements, and the making of such statements should not be regarded as a representation by the Company or any other person that the results expressed therein will be achieved.
