**PROXY STATEMENT
FOR THE TRAVELZOO INC.
2010 ANNUAL MEETING OF STOCKHOLDERS**

INFORMATION ABOUT THE ANNUAL MEETING

Why am I receiving these proxy materials?

Travelzoo's Board of Directors is soliciting proxies to be voted at the 2010 Annual Meeting of Stockholders. This proxy statement includes information about the issues to be voted upon at the meeting.

On or about May 7, 2010, we intend to mail and send electronically these proxy materials to all stockholders of record at the close of business on April 16, 2010. On the record date, there were 16,443,828 shares of our common stock outstanding.

Where and when is the Annual Meeting?

The Annual Meeting of Stockholders will take place on June 3, 2010 at 590 Madison Avenue, 37th Floor, New York, New York 10022. The meeting will begin at 10:00 a.m. local time.

What am I voting on?

We are asking our stockholders to elect five directors.

How many votes do I have?

You have one vote for each share of our common stock that you owned at the close of business on April 16, 2010, the record date. These shares include:

- Shares held directly in your name as the "stockholder of record" and
- Shares held for you as the beneficial owner through a broker, bank, or other nominee in "street name."

If I am a stockholder of record, how can I vote my shares?

You can vote by proxy or in person.

How do I vote by proxy?

If you are a stockholder of record, you may vote your proxy by mail. If you receive a paper copy of the Proxy Statement, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided. If you receive the Proxy Statement via e-mail, please print the attached proxy card, date and sign it, and return it via mail to Travelzoo Inc., Attention: Corporate Secretary, 590 Madison Avenue, 37th Floor, New York, New York 10022.

If you vote by proxy, the persons named on the card (your "proxies") will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director or any other proposals properly brought before the Annual Meeting. If you sign your proxy card and do not indicate specific choices, your shares will be voted "FOR" the election of all nominees for director. If any other matter is properly brought before the meeting, your proxies will vote in accordance with their best judgment. At the time of submitting this Proxy Statement for printing, we knew of no matter that will be acted on at the Annual Meeting other than those discussed in this Proxy Statement.

If you wish to give a proxy to someone other than the persons named on the enclosed proxy card, you may strike out the names appearing on the card and write in the name of any other person, sign the proxy, and deliver it to the person whose name has been substituted.

May I revoke my proxy?

If you give a proxy, you may revoke it in any one of three ways:

- Submit a valid, later-dated proxy before the Annual Meeting,
- Notify our Corporate Secretary in writing before the Annual Meeting that you have revoked your proxy, or
- Vote in person at the Annual Meeting.

How do I vote in person?

If you are a stockholder of record, you may cast your vote in person at the Annual Meeting.

If I hold shares in street name, how can I vote my shares?

You can submit voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet or by mail. Please refer to the voting instruction card included in the materials provided by your broker or nominee.

What vote is required to approve each proposal?

Each share of our common stock is entitled to one vote with respect to each matter on which it is entitled to vote. Our directors are elected by a plurality of votes, which means that the nominees who receive the greatest number of votes will be elected. Under our bylaws, a majority of the shares present at the meeting in person or by proxy is required for approval of all other items.

In order to have a valid stockholder vote, a stockholder quorum must exist at the Annual Meeting. A quorum will exist when stockholders holding a majority of the outstanding shares of our stock are present at the meeting, either in person or by proxy.

If a broker indicates on its proxy that it does not have authority to vote certain shares held in “street name” on particular proposals, the shares not voted (“broker non-votes”) will not have any effect with respect to such proposals. Broker non-votes occur when brokers do not have discretionary voting authority on certain proposals and the beneficial owner has not instructed the broker how to vote on these proposals.

Azzurro Capital Inc., whose beneficial owner is Ralph Bartel, holds an aggregate of 10,900,489 shares of our common stock, representing approximately 66% of the outstanding shares, as of March 31, 2010. Azzurro Capital Inc. has indicated that it intends to vote in favor of all of the director nominees.

Who is paying the costs of soliciting these proxies?

We are paying the cost of preparing, printing, mailing and otherwise distributing these proxy materials. We will reimburse banks, brokerage firms, and others for their reasonable expenses in forwarding proxy materials to beneficial owners and obtaining their instructions. A few of our officers and employees may also participate in the solicitation, without additional compensation, by telephone, e-mail, other electronic means, or in person.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting. We will publish the final results in a report on Form 8-K, which we intend to file on or before June 7, 2010. You can obtain a copy of the Form 8-K by logging on to Travelzoo’s investor relations Web site at www.travelzoo.com/ir, by calling the Securities and Exchange Commission at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. Information on our Web site does not constitute part of this proxy statement.

The Company does not require that directors attend the Annual Meeting. Mr. Ralph Bartel attended the 2009 Annual Meeting.

Audit Committee

The Audit Committee's primary responsibilities are to oversee and monitor (i) the integrity of Travelzoo's financial statements, (ii) the qualifications and independence of our independent registered public accounting firm, (iii) the performance of our independent registered public accounting firm and internal audit staff, and (iv) the compliance by Travelzoo with legal and regulatory requirements. A complete description of the committee's responsibilities is set forth in its written charter. A copy the written charter can be found in Appendix A of our 2008 Proxy Statement. The Audit Committee is responsible for appointing the independent registered public accounting firm and is directly responsible for the compensation and oversight of the work of our independent registered public accounting firm. The Audit Committee is composed solely of independent directors as defined in the listing standards of the NASDAQ. The Board has determined that Mr. Neale-May qualifies as an audit committee financial expert within the meaning of the regulations of the Securities and Exchange Commission ("SEC").

Compensation Committee

The Compensation Committee reviews and approves the compensation and benefits for the Company's executive officers and directors, and makes recommendations to the Board of Directors regarding such matters. The Compensation Committee also approves the Company's non-equity incentive plans. The Compensation Committee further reviews and discusses with management the Compensation Discussion and Analysis section of this Proxy Statement. The Compensation Committee does not have a charter. The Report of the Compensation Committee is included on page 14. The Company is not required to have a Compensation Committee consisting entirely of independent directors since it is a "Controlled Company" under NASDAQ Rule 5615(c), on account of the stock ownership by Azzurro Capital Inc.

Disclosure Committee

The Disclosure Committee's primary responsibilities are (i) to design, establish and evaluate controls and other procedures that are designed to ensure the accuracy and timely disclosure of information to the SEC and investment community and (ii) to review and supervise preparation of all SEC filings, press releases and other broadly disseminated correspondence.

Nominating Committee

Travelzoo does not have a nominating committee of the Board of Directors. Since it is a "Controlled Company" as referred to above, such a committee is not required. Through its share ownership, Azzurro Capital Inc. is in a position to control Travelzoo and to elect our entire Board of Directors. Azzurro Capital Inc. considers candidates for director nominees.

The Board's Role in Risk Oversight

The full Board oversees enterprise risk as part of its role in reviewing and overseeing the implementation of the Company's strategic plans and objectives. The risk oversight function is administered both in full Board discussions and in individual committees that are tasked by the Board with oversight of specific risks. On a regular basis, the Board and its committees receive information and reports from management on the status of the Company and the risks associated with the Company's strategy and business plans. In addition, the Audit Committee reviews the Company's risk assessment and risk management policies and procedures at least annually, including steps taken to monitor and control such exposures. The Board believes the continuity of Board membership, as well as the independent directors constituting a majority of the Board and separation of the roles of Chairman and Chief Executive Officer, encourage open discussion and assessment of the Company's ability to manage its risks.

Communications With Directors

The board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the board, or the non-management directors as a group, any board committee or any chair of any such committee by mail. To communicate with the Board of Directors, any individual directors or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All

such correspondence should be sent “c/o Corporate Secretary” at Travelzoo Inc., 590 Madison Avenue, 37th Floor, New York, NY 10022.

All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board of Directors will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Audit Committee Report

The information contained in this report shall not be deemed to be “soliciting material” or “filed” with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), except to the extent that Travelzoo specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the “Securities Act”) or the Exchange Act.

The Audit Committee oversees Travelzoo’s financial reporting process on behalf of the Board of Directors. Management is primarily responsible for the financial statements and reporting processes including the systems of internal controls, while the independent auditors are responsible for performing an independent audit of Travelzoo’s consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (“PCAOB”), and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In this context, the committee has met and held discussions with management and the independent auditors regarding the Company’s audited consolidated financial statements for the fiscal year ended December 31, 2009. The committee discussed with Travelzoo’s independent auditors the overall scope and plan for their audit. The committee met, at least quarterly, with the independent auditors, with and without management present, and discussed the results of their examinations, their evaluations of Travelzoo’s internal controls, and the overall quality of Travelzoo’s financial reporting. Management represented to the committee that Travelzoo’s consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The committee has reviewed and discussed the consolidated financial statements with management and the independent auditors, including their judgments as to the quality, not just the acceptability, of Travelzoo’s accounting principles and such other matters as are required to be discussed with the committee under auditing standards of the PCAOB.

Travelzoo’s independent auditors also provided to the committee the written disclosures required by applicable requirements of the PCAOB regarding the independent accountant’s communications with the audit committee concerning independence, and the committee discussed with the independent auditors that firm’s independence, including those matters required to be discussed by Statement on Auditing Standards No. 61, as amended.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2009 filed with the SEC. The committee has not yet selected Travelzoo’s independent auditors for fiscal year 2010.

While the committee has the responsibilities and powers set forth in its charter, it is not the duty of the committee to plan or conduct audits or to determine that Travelzoo’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditors. Nor is it the duty of the committee to conduct investigations or to assure compliance with laws and regulations or Travelzoo’s business conduct policies.

To the Company’s knowledge, based solely on a review of the copies of such forms furnished to the Company or written representations from reporting persons, during fiscal 2009, all Section 16(a) filing requirements were satisfied on a timely basis.

Executive Compensation

Compensation Discussion and Analysis

Overview of Compensation Program

The following Compensation Discussion and Analysis, or “CD&A,” describes our overall compensation philosophy and the primary components of our compensation program. Furthermore, the CD&A explains the process by which the Compensation Committee, or “Committee”, determined the 2009 compensation for our Chief Executive Officer, Chief Financial Officer and other most highly compensated officers. We refer to these individuals collectively as the “named executives” or the “named executive officers.”

Compensation Philosophy and Objectives

The fundamental objectives of our executive compensation program are to attract and retain highly qualified executive officers, motivate these executive officers to materially contribute to our long-term business success, and align the interests of our executive officers and stockholders by rewarding our executives for individual and corporate performance based on targets established by the Committee.

We believe that achievement of these compensation program objectives enhances long-term profitability and stockholder value. The elements utilized to help achieve the Committee’s objectives include the following:

- *Accountability for Individual Performance.* Compensation should in large part depend on the named executive’s individual performance in order to motivate and acknowledge the key contributors to our success.
- *Recognition for Business Performance.* Compensation should take into consideration our overall financial performance and overall growth.
- *Attracting and Retaining Talented Executives.* Compensation should generally reflect the competitive marketplace and be designed to attract and retain superior employees in key competitive positions.

We implement our compensation philosophy through setting base salaries for our executive officers, through the use of our executive bonus plan and through reviewing and approving other terms of employment agreements.

Compensation Determination Process

Compensation Committee Members. The Committee is responsible for establishing, overseeing and reviewing executive compensation policies and for approving, validating and benchmarking the compensation and benefits for named executive officers. The Committee is also responsible for determining the fees paid to our outside directors. The Committee includes Ms. Kelly M. Urso (Chair) and Mr. Ralph Bartel. Ms. Urso satisfies the independence requirements of the NASDAQ. The Compensation Committee does not have a charter.

Role of Management. During 2009, the Committee engaged in its annual review of executive compensation with the goal of ensuring the appropriate combination of fixed and variable compensation linked to individual and corporate performance. In the course of its review, the Committee considered the advice and input of the Company’s CEO and data prepared by management, including a comparison of the current compensation of the named executive officers with publicly available industry data from *The Wall Street Journal*. *The Wall Street Journal* data utilized by the Committee included salary and total compensation information based on the title, job description,

and geographic location of similarly situated executives. The most significant aspects of the CEO's role in the compensation determination process are evaluating employee performance, establishing business performance targets, goals and objectives and recommending salary and bonus levels. The CEO does not participate in discussions regarding his compensation.

The Committee compared the compensation received by the Company's named executive officers with the levels of compensation received by similarly situated executives in the same geographic location in light of the named executives' responsibilities, performance, experience and tenure, in order to arrive at the total compensation package for each of the named executive officers. In some cases, the compensation package that the Committee awarded a named executive officer was at or below the median compensation received by executives per *The Wall Street Journal* data, while in other instances the compensation was higher due to the executive's responsibilities, performance, experience and tenure.

The Committee did not engage an outside consulting firm to provide advice on executive compensation.

Components of Executive Compensation

The Committee has structured an executive compensation program comprised of base salary, cash bonus and non-equity incentive pay.

Base Salary. The Committee considered two types of potential base salary increases for the named executive officers in 2009: (1) "merit increases" based upon each named executive's individual performance; and/or (2) "market adjustments" based upon the salary range for similarly situated executives.

In determining merit increases, the Committee considers the specific responsibilities of the executive and the executive's overall performance and tenure with the Company. In addition, the Committee also considers the CEO's evaluation of each named executive officer in making the decision regarding merit increases.

The Committee determines any market adjustments based on the Committee's comparison of the executive's compensation with statistical information on average compensation for similarly situated executives that is publicly available through *The Wall Street Journal*.

The Committee did not make any changes to the salaries of Mr. Holger Bartel, Mr. Wayne Lee or Ms. Shirley Tafoya in 2009. In 2009, the Committee increased the annual salary of Mr. Max Rayner from \$450,000 to \$517,500. In 2009, the Committee also reviewed and approved the compensation components of a new employment agreement with Mr. Christopher Loughlin, pursuant to which he will become the Company's Chief Executive Officer beginning on July 1, 2010. Pursuant to the terms of the employment agreement, which was entered into on November 18, 2009, Mr. Loughlin's annual salary will increase from \$324,418 to \$550,000 beginning on July 1, 2010.

Executive Bonus Plan. We believe that the Executive Bonus Plan provides the Company with a valuable tool to assist in focusing executives on accomplishing operational and financial objectives over the Company's quarterly periods. The plan is designed to reward the Company's executives for achieving their quarterly targets as set in the Company's operating budget.

On April 6, 2007, the Committee adopted the North America Executive Bonus Plan, as amended and restated effective as of January 1, 2007, and determined that Ms. Shirley Tafoya, and of the named executive officers, Mr. Ralph Bartel and Mr. Wayne Lee, would be eligible to participate in the North America Executive Bonus Plan. Mr. Max Rayner was eligible to participate in the North Executive Bonus Plan per the terms of his employment agreement. Ms. Tafoya, Mr. Bartel, Mr. Lee and Mr. Rayner are collectively referred to in this section as the "participating executives." The North America Executive Bonus Plan was discontinued on September 23, 2008.

From January 1, 2007 through June 30, 2008, the participating executives were eligible to receive a bonus of \$50,000 per quarter upon the attainment of all of the following goals as set forth in the Company's operating budget:

- 100% of Revenue target;
- 100% of Pro Forma Operating Income target;

- 100% of the U.S. Top 20 Subscribers target;
- 100% of the Canada Top 20 Subscribers target; and
- There are not more than two customers that account for 10% or more of the Company's worldwide consolidated revenues for the quarter and no single customer accounts for more than 17% of the Company's worldwide consolidated revenues for the quarter.

If one or more of the above targets were not met, the participating executives were eligible to receive a bonus of \$25,000 per quarter upon attainment of all of the following goals as set forth in the Company's operating budget:

- 98% of Revenue target;
- 90% of Pro Forma Operating Income target;
- Within 50,000 subscribers of achieving the U.S. Top 20 Subscribers target or exceeding the target;
- Within 25,000 subscribers of achieving the Canada Top 20 Subscribers target or exceeding the target; and
- There are not more than two customers that account for 10% or more of the Company's worldwide consolidated revenues for the quarter and no single customer accounts for more than 17% of the Company's worldwide consolidated revenues for the quarter.

The Company's operating budget relates to the Company's operations in North America, is set at the beginning of the year by the CEO and provides quarterly targets for revenues, operating expenses, operating income, net income, subscribers, headcount, and other financial and non-financial performance metrics. The Company reserves the right to amend the Annual Operating Budget at any time and for any reason. The quarterly targets were not met for the first and second quarters of 2008 and no bonuses were paid to the participating executives. The North America Executive Bonus Plan was discontinued as of the end of the second quarter of 2008.

Other Incentive Bonus Pay. In 2008 and 2009, Mr. Holger Bartel, Mr. Christopher Loughlin, Mr. Wayne Lee, and Mr. Max Rayner also received incentive bonuses pursuant to the terms of their employment agreements.

Pursuant to the terms of Mr. Holger Bartel's employment agreement dated September 17, 2008 and effective October 1, 2008, Mr. Bartel is eligible to receive a quarterly Performance Bonus and a quarterly Discretionary Bonus. The quarterly Performance Bonus is calculated as follows:

<u>Criteria</u>	<u>Quarterly Bonus Payment</u>
Worldwide revenue target for the quarter met AND there are no more than two Significant Customers AND no Significant Customer accounts for 17% or more of Worldwide consolidated revenue for the quarter	\$ 20,000
Worldwide operating income target for the quarter met	\$ 20,000

For 2009 Mr. Bartel received 58% of the maximum Performance Bonus. The Company believes that targets set for worldwide revenue, worldwide operating income and worldwide subscribers align with the Company's desire to continue to grow the business. Since the individual targets are intended to be challenging, and since the separate targets related to different aspects of the Company's performance, it is expected it will be difficult for all the targets to be achieved for any given year.

Mr. Bartel is also eligible to receive a quarterly Discretionary Bonus of up to \$20,000 per quarter. The Discretionary Bonus is to be determined by the Compensation Committee at its sole and absolute discretion. In exercising such discretion, the Compensation Committee will take into consideration Mr. Bartel's individual performance. In evaluating Mr. Bartel's individual performance during 2009, the Compensation Committee

considered factors such as the quality of Mr. Bartel's strategic management to ensure the long-term success of the Company, the development of the Company's leadership talent, the quality of the content of the Company's publications, and the development of the Travelzoo brand. Mr. Bartel received Discretionary Bonuses totaling \$70,000 for 2009.

Pursuant to the terms of Mr. Loughlin's employment agreement dated May 16, 2005, as amended on July 12, 2006 and as amended on July 1, 2007, Mr. Loughlin is eligible to receive quarterly and annual bonuses. Mr. Loughlin's bonuses are payable in British pounds and have been translated into U.S. dollars (at the rate of £1 = \$1.5597) for the purposes of this summary. Mr. Loughlin is eligible to receive the following quarterly bonuses:

Under the terms of the annual bonus plan set forth in Mr. Loughlin's employment agreement, Mr. Loughlin is eligible to receive 20% of Travelzoo Europe's pro forma operating income generated from operations in the U.K., Germany and France until December 31, 2009 and is eligible to receive 10% of Travelzoo Europe's pro forma operating income generated from operations in the U.K., Germany and France from January 1, 2010 to June 30, 2010 and such amounts are not capped. The quarterly revenue goals were not met during 2009. The quarterly net income goals were met for the first and second quarters of 2009. The quarterly subscriber goals were met for the second, third, and fourth quarters of 2009. Mr. Loughlin was paid 100% of his quarterly performance evaluation bonus in 2009. In determining the quarterly performance evaluation bonus for 2009, the Chairman of the Company considered factors such as the quality of Mr. Loughlin's strategic management to ensure the long-term success of the Company's business in Europe, the development of the Company's talent in Europe, the quality of the content of the Company's publications in Europe, and the development of the Travelzoo brand in Europe. In 2009, Mr. Loughlin received \$105,282 and \$719,423 pursuant to the quarterly and annual bonus plans, respectively, set forth in his employment agreement.

Pursuant to the terms of Mr. Lee's employment agreement as amended on September 23, 2008, Mr. Lee is eligible to receive a quarterly Performance Bonus and a quarterly Discretionary Bonus. The quarterly Performance Bonus is calculated as follows:

<u>Criteria</u>	<u>Quarterly Bonus Payment</u>

Worldwide operating income target for the quarter met	\$ 15,000

For 2009 Mr. Lee received 58% of the maximum Performance Bonus. The Company believes that targets set for worldwide revenue, worldwide operating income and worldwide subscribers align with the Company's desire to continue to grow the business. Since the individual targets are intended to be challenging, and since the separate targets related to different aspects of the Company's performance, it is expected it will be difficult for all the targets to be achieved for any given year.

Mr. Lee is also eligible to receive a quarterly Discretionary Bonus of up to \$15,000 per quarter. The Discretionary Bonus is to be determined by the Chief Executive Officer in his sole and absolute discretion. In exercising such discretion, the Chief Executive Officer will take into consideration Mr. Lee's individual performance. In evaluating Mr. Lee's individual performance during 2009, the Chief Executive Officer considered factors such as Mr. Lee's role as an advisor to the CEO on how to improve the Company's financial performance, his initiatives to improve the Company's management information systems, his leadership in the areas of corporate governance and business ethics, and the quality of his management of the Company's relationships with the investment community. Mr. Lee received Discretionary Bonuses totaling \$41,250 for 2009.

Pursuant to the terms of Mr. Rayner's employment agreement dated November 5, 2007 and as amended on September 23, 2008, Mr. Rayner is eligible to receive a quarterly Performance Bonus and a quarterly Discretionary Bonus. The quarterly Performance Bonus is calculated as follows:

<u>Criteria</u>	<u>Quarterly Bonus Payment</u>

Worldwide operating income target for the quarter met	\$ 20,000

For 2009 Mr. Rayner received 58% of the maximum Performance Bonus. The Company believes that targets set for worldwide revenue, worldwide operating income and worldwide subscribers align with the Company's desire to continue to grow the business. Since the individual targets are intended to be challenging, and since the separate targets related to different aspects of the Company's performance, it is expected it will be difficult for all the targets to be achieved for any given year.

Mr. Rayner is also eligible to receive a quarterly Discretionary Bonus of up to \$50,000 per quarter. The Discretionary Bonus is to be determined by the Chief Executive Officer in his sole and absolute discretion. Of the \$242,500 discretionary bonus for 2009, \$175,000 was based on meeting revenue, operating income and subscriber targets for North America. The remaining discretionary bonus was paid based on the Chief Executive Officer's consideration of factors such as the quality of Ms. Tafoya's business development in North America

Other Compensation-Related Matters

Perquisites and Additional Benefits. The Company seeks to maintain an open and inclusive culture in its facilities and operations among executives and other Company employees. Accordingly, the Company does not provide executives with reserved parking spaces or separate dining or other facilities, nor does the Company have programs for providing personal-benefit perquisites to executives, such as permanent lodging, club dues or defraying the cost of personal entertainment. Named executive officers and employees may seek reimbursement for business related expenses in accordance with our business expense reimbursement policy.

Employment Agreements. The Company has entered into employment agreements with the named executive officers, some of which contain severance and change of control provisions. The terms of such employment agreements are described in more detail below in *Employment Agreements and Potential Payments Upon Termination or Change-in-Control*. The Committee believes these agreements are appropriate for a number of reasons, including the following:

- the agreements assist in attracting and retaining executives as we compete for talented employees in a marketplace where such agreements are commonly offered;
- the change in control provisions require terminated executives to execute a release in order to receive severance benefits; and
- the change in control and severance provisions help retain key personnel during rumored or actual acquisitions or similar corporate changes.

Mr. Lee agreed that the Company will own any discoveries and work product (as defined in the agreement) made during the term of his employment and to assign all of his interest in any and all such discoveries and work

product to the Company. Furthermore, Mr. Lee agreed to not, directly or indirectly, perform services for, or engage in, any business competitive with the Company or solicit the Company's customers or employees during the term of his employment and for a period of one year thereafter.

Mr. Christopher Loughlin entered into an employment agreement with the Company on May 16, 2005, as amended on July 12, 2006 and further amended on August 13, 2007. The initial term of the agreement is from May 16, 2005 to June 30, 2010. During the initial term, the Company can terminate the agreement for cause (as defined in the agreement) without any severance obligations. The Company can also terminate the agreement without cause by making a payment equal to the amount of base salary that Mr. Loughlin would be entitled to receive during the balance of the initial term or any notice period. Assuming that Mr. Loughlin was terminated by the Company without cause as of December 31, 2009, Mr. Loughlin would have been entitled to receive \$165,626.

Mr. Loughlin is paid a base salary and is entitled to certain annual and quarterly bonuses. See *Components of Executive Compensation — Other Incentive Bonus Pay* above for a description of such bonuses. Mr. Loughlin is also eligible to participate in the Company's UK Employee Pension Contribution Program, pursuant to which the Company contributes 7% of his base salary to the pension. The agreement is effective beginning on July 1, 2010 and will have a four-year term. The Company may terminate the agreement, with or without cause, upon written notice to Mr. Loughlin.

Mr. Loughlin will be paid a base salary and will be eligible to certain annual and quarterly bonuses. Ms. Shirley Tafoya entered into an employment agreement with the Company on May 8, 2001. Pursuant to the terms of the agreement, Ms. Tafoya is an at-will employee and the Company or Ms. Tafoya may terminate the agreement, with or without cause, upon two weeks prior written notice. However, if Ms. Tafoya's employment is terminated at any time due to a change of control (as defined in the agreement) or if she is not offered a position of comparable pay and responsibilities in the same geographic area in which she worked immediately prior to a change of control, Ms. Tafoya will be entitled to receive her base salary and medical benefits for a six month period in exchange for executing a general release of claims as to the Company. Assuming that Ms. Tafoya was terminated by the Company as of December 31, 2009 following a change of control of the Company, Ms. Tafoya would have been entitled to receive \$259,005 and the Company would incur additional expenses for medical benefits of approximately \$9,275.

Ms. Tafoya is paid a base salary and from January 1, 2007 to June 30, 2008 was eligible to participate in the Company's Executive Bonus Plan. Prior to April 1, 2007, Ms. Tafoya also received a 1.0% commission on net

advertising revenues (as defined in the agreement) generated from the sales of advertising on the *Travelzoo* Web site and the *Top 20* newsletter; such commission is capped at \$42,878, 1.0% of the Company's net advertising revenues in the second quarter of 2003. In addition, Ms. Tafoya is entitled to participate in or receive such benefits under the Company's employee benefits plans and policies as may be in effect from time to time.

The term of the agreement ends on September 30, 2010, after which time Mr. Rayner is an at-will employee. The Company or Mr. Rayner may terminate the agreement without cause during the term of the agreement upon two weeks prior written notice. However, if Mr. Rayner is not offered a position of comparable pay and responsibilities in the same geographic area in which he worked immediately prior to a change of control (as defined in the agreement), and Mr. Rayner resigns within thirty calendar days after the change in control, Mr. Rayner will be entitled to receive his base salary through the date of termination. Assuming that Mr. Rayner resigned as of December 31, 2009 following a change of control of the Company by giving two weeks written notice, Mr. Rayner would be entitled to receive \$19,904.

Mr. Rayner is paid a base salary and is eligible to receive a quarterly Performance Bonus and a quarterly Discretionary Bonus (as defined in the agreement). In addition, Mr. Rayner is entitled to participate in or receive such benefits under the Company's employee benefits plans and policies as may be in effect from time to time.

Certain Relationships and Related Party Transactions

The Company maintains policies and procedures to ensure that our directors, executive officers and employees avoid conflicts of interest. Our Chief Executive Officer and Chief Financial Officer are subject to our Code of Ethics and each signs the policy to ensure compliance. Our Code of Ethics requires our leadership to act with honesty and integrity, and to fully disclose to the Audit Committee any material transaction that reasonably could be expected to give rise to an actual or apparent conflict of interest. The Code of Ethics requires that our leadership obtain the prior written approval of the Audit Committee before proceeding with or engaging in any conflict of interest.

Our Audit Committee, with the assistance of legal counsel, reviews all related party transactions involving the Company and any of the Company's principal shareholders or members of our board of directors or senior management or any immediate family member of any of the foregoing. A general statement of this policy is set forth in our audit committee charter, which was attached as Appendix A to our proxy statement for the 2008 Annual Meeting of Stockholders which has been filed with the SEC. However, the Audit Committee does not have detailed written policies and procedures for reviewing related party transactions. Rather, all facts and circumstances surrounding each related party transaction may be considered. If the Audit Committee determines that any such related party transaction creates a conflict of interest situation or would require disclosure under Item 404 of Regulation S-K, as promulgated by the SEC, the transaction must be approved by the Audit Committee prior to the Company entering into such transaction or ratified thereafter. The chair of the Audit Committee is delegated the authority to approve such transactions on behalf of the full committee, provided that such approval is thereafter reviewed by the committee. Transactions or relationships previously approved by the Audit Committee or in existence prior to the formation of the committee do not require approval or ratification.

Voting

Under the Delaware General Corporation Law and our certificate of incorporation and bylaws, the presence, in person or represented by proxy, of the holders of a majority of the outstanding shares of our stock is necessary to constitute a quorum of stockholders to take action at the Annual Meeting. Once a quorum of stockholders is established, the affirmative vote of a plurality of the shares, which are present in person or represented by proxy at the Annual Meeting, is required to elect each director. The affirmative vote of a majority of the shares entitled to vote and present in person or by proxy in favor of any other matter properly brought before the Annual Meeting is required to approve of such action.

Shares represented by proxies which are marked “vote withheld” with respect to the election of any person to serve on the Board of Directors will not be considered in determining whether such a person has received the affirmative vote of a plurality of the shares. Shares represented by proxies that are marked “abstain” with respect to

any other proposal will not be considered in determining whether such proposal has received the affirmative vote of a majority of the shares and such proxies will not have the effect of a “no” vote.

Shares represented by proxies which deny the proxy-holder discretionary authority to vote on any proposal will not be considered in determining whether such proposal has received the affirmative vote of a majority of the shares and such proxies will have the effect of a “no” vote.

We know of no matters to come before the Annual Meeting except as described in this Proxy Statement. If any other matters properly come before the Annual Meeting, the proxies solicited hereby will be voted on such matters in accordance with the judgment of the persons voting such proxies.
