

United American Healthcare Corporation to Host Fiscal 2008 Third Quarter Results Conference Call May 13th

DETROIT, May 5, 2008 /PRNewswire-FirstCall via COMTEX News Network/ -- United American Healthcare Corporation (Nasdaq: UAHC), which owns and provides comprehensive management services to a full-service managed care organization in Tennessee, today announced it will release its financial results for the third fiscal quarter ended March 31, 2008 on Tuesday, May 13, 2008, after market close. The Company will host a conference call at 4:30 p.m. Eastern time the same day to discuss the results.

Brooks, president, chairman and CEO of United American Healthcare. We also remain focused on continuing to provide the highest level of service to our TennCare members in accordance with our TennCare contractual obligations. We will continue to act in the best interests of the Company and its shareholders, and intend to provide a status update on the Company in our quarterly conference call currently scheduled for May 13."
