PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of United Community Banks, Inc. for use at the 2005 Annual Meeting of Shareholders to be held on Wednesday, April 27, 2005 at 2:00 p.m., at Brasstown Valley Resort, Young Harris, Georgia, and at any adjournments or postponements of the annual meeting.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

What is the purpose of the annual meeting?

At the annual meeting, shareholders will act upon the matters set forth in the accompanying notice of meeting, including the election of eleven directors, and any other matters that may properly come before the meeting.

Who is entitled to vote?

All shareholders of record of United's common stock at the close of business on March 9, 2005, which is referred to as the record date, are entitled to receive notice of the annual meeting and to vote the shares of common stock held by them on the record date. Each outstanding share of common stock entitles its holder to cast one vote for each matter to be voted upon.

How do I vote?

If you hold your shares of common stock in your own name as a holder of record, you may vote in person at the annual meeting or instruct the proxy holders named in the enclosed proxy card how to vote your shares by marking, signing, dating and returning the proxy card in the postage-paid envelope that we have provided to you.

If your shares of common stock are held by a broker, bank or other nominee (i.e., in "street name"), you will receive instructions from your nominee which you must follow in order to have your shares voted.

Proxies that are executed, but do not contain any specific instructions, will be voted "FOR" the proposals specified herein.

Table of Contents

What are the quorum and voting requirements?

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of common stock entitled to vote is necessary to constitute a quorum for the transaction of business at the annual meeting. As of the record date, there were 38,232,414 shares of common stock outstanding and entitled to vote at the annual meeting.

The required vote for each item of business at the annual meeting is as follows:

- For the election of directors, those nominees receiving the greatest number of votes at the annual meeting, assuming a quorum is present, shall be deemed elected, even though the nominees may not receive a majority of the votes cast.
- For any other business at the annual meeting, the vote of a majority of the shares voted on the matter, assuming a quorum is present, shall be the act of the shareholders on that matter, unless the vote of a greater number is required by law.

How are votes counted?

Abstentions and “broker non-votes” will be counted only for purposes of establishing a quorum, but will not otherwise affect the vote. “Broker non-votes” are proxies received from brokers or other nominees holding shares on behalf of their clients (in “street name”) who have not been given specific voting instructions from their clients with respect to non-routine matters. However, typically the election of directors is considered a routine matter by brokers and other nominees allowing them to have discretionary voting power to vote such shares for the election of directors.

Because directors are elected by a plurality of the votes cast, the directors that get the most votes will be elected even if such votes do not constitute a majority. Directors cannot be voted “against” and votes to “withhold authority” to vote for a certain nominee will have no effect if the nominee receives a plurality of the votes cast. For all other proposals that come before the meeting, you may vote “for” or “against” the proposal.

If you hold your shares of common stock in your own name as a holder of record, and you fail to vote your shares, either in person or by proxy, the votes represented by your shares will be excluded entirely from the vote.

Will other matters be voted on at the annual meeting?

We are not aware of any other matters to be presented at the annual meeting other than those described in this proxy statement. If any other matters not described in the proxy statement are properly presented at the meeting, proxies will be voted in accordance with the best judgment of the proxy holders.

Can I revoke my proxy instructions?

You may revoke your proxy by:

- filing a written revocation with the Secretary of United at the following address:
P.O. Box 398, Blairsville, Georgia 30514 ;
- filing a duly executed proxy bearing a later date; or
- appearing in person and electing to vote by ballot at the annual meeting.

Any shareholder of record as of the record date attending the annual meeting may vote in person by ballot whether or not a proxy has been previously given, but the presence (without further action) of a shareholder at the annual meeting will not constitute revocation of a previously given proxy.

What other information should I review before voting?

The 2004 annual report to shareholders and the annual report on Form 10-K filed with the Securities and Exchange Commission, including financial statements for the year ended December 31, 2004, is included with this proxy statement. The annual report is not part of the proxy solicitation material. An additional copy of our annual report on Form 10-K may be obtained without charge by:

- accessing United's web site at ucbi.com;
- writing to the Secretary of United at the following address:
P.O. Box 398, Blairsville, Georgia 30514 ; or
- accessing the EDGAR database at the SEC's website at www.sec.gov.

You may also obtain copies of our Form 10-K from the SEC at prescribed rates by writing to the Public Reference Section of the SEC, 450 Fifth Street, N.W., Washington, D.C. 20549. Please call the SEC at (800) SEC-0330 for further information on the SEC's public reference rooms.

ELECTION OF DIRECTORS

Introduction

The Bylaws of United provide that the number of directors may range from eight to fourteen. The Board of Directors of United has set the number of directors at eleven. The number of directors may be increased or decreased from time to time by the Board of Directors by resolution, but no decrease shall have the effect of shortening the term of an incumbent director. The terms of office for directors continue until the next annual meeting and until their successors are elected and qualified.

Each proxy executed and returned by a shareholder will be voted as specified thereon by the shareholder. If no specification is made, the proxy will be voted for the election of the nominees named below to constitute the entire Board of Directors. If any nominee withdraws or for any reason is not able to serve as a director, the proxy will be voted for such other person as may be designated by the Board of Directors as a substitute nominee, but in no event will the proxy be voted for more than eleven nominees. Management of United has no reason to believe that any nominee will not serve if elected. All of the nominees are currently directors of United.

Directors are elected by a plurality of the votes cast by the holders of the shares entitled to vote in an election at a meeting at which a quorum is present. A quorum is present when the holders of a majority of the shares outstanding on the record date are present at a meeting in person or by proxy. An

Table of Contents

abstention or a broker non-vote would be included in determining whether a quorum is present at a meeting, but would not have an effect on the outcome of a vote.

Director Emeritus

In February 2005, the Honorable Zell B. Miller, 73, was elected by the Board of Directors of United to serve as a Director Emeritus. This is an elected role by the Board that provides leadership, counsel and guidance on various issues and policies that could affect the company. Prior to his appointment to the U. S. Senate, Zell Miller served as a member of the Board of Directors of United from 1999 to 2000. Zell Miller has served not only as a U. S. Senator from the State of Georgia, but two terms as Governor and four terms as Lt. Governor.

Board of Directors and Committees

The United Board of Directors held eight meetings during 2004. All of the directors attended at least seventy-five percent of the meetings of the Board and meetings of the committees of the Board on which they served that were held during 2004.

The Board has considered and determined that a majority of the members of the Board of Directors are independent as “independent” is defined under applicable federal securities laws and the Nasdaq Marketplace Rules. The independent directors are directors Nelson, Bennett, Blalock, Hill, Holloway and Mason. These independent directors meet in executive sessions every quarter without management or the other directors.

Compensation Committee

The compensation committee of the Board of Directors is comprised of directors, Head, Nelson, Bennett, Blalock, Hill, Holloway, Mason and Wallis, all of the members of the Board who are not employees of United or any of its subsidiaries. The compensation committee makes compensation decisions for executive officers and key employees and administers the 2000 Key Employee Stock Option Plan (the “2000 Plan”). A majority of the compensation committee members are “independent” under the federal securities laws and the Nasdaq Marketplace Rules. The compensation committee met eight times during 2004.

Audit Committee

The audit committee of the Board of Directors is comprised of directors Nelson, Bennett and Holloway. The audit committee serves as an independent and objective party to monitor United’s financial reporting process and internal control systems, to review and assess the performance of United’s independent registered public accountants and internal auditing department, and to facilitate open communication among the independent registered public accountants, financial and senior management, the internal auditing department, and the Board of Directors. Certain specific responsibilities of the audit committee include recommending the selection of independent registered public accountants, meeting with the independent registered public accountants to review the scope and results of the audit, reviewing with management and the internal auditor the systems of internal controls and internal audit reports, ensuring that United’s books, records, and external financial reports are in accordance with U.S. generally accepted accounting principles, and reviewing all reports of examination made by regulatory authorities and ascertaining that any and all operational deficiencies are satisfactorily corrected. The Board of Directors has determined that all of the members of the audit committee are “independent” under applicable federal securities laws and the Nasdaq Marketplace Rules and have sufficient knowledge in financial and accounting matters to serve on the audit committee, including the ability to read and understand fundamental financial statements. In addition, the Board of Directors has determined that Mr. Bennett qualifies as an “audit committee financial expert” as defined by the federal securities laws and is “financially sophisticated” as defined by the Nasdaq Marketplace Rules. The audit committee met ten times during 2004. The audit committee charter is available on United’s website, ucbi.com.

Nomination/Corporate Governance Committee

The nominating/corporate governance committee of the Board of Directors is comprised of directors, Head, Nelson, Bennett, Blalock, Hill, Holloway, Mason and Wallis, all of the members of the Board who are not employees of United or any of its subsidiaries. The nominating/corporate governance committee reviews United's corporate governance policies and guidelines and monitors compliance. In addition, the nominating/corporate governance committee is responsible for identifying individuals qualified to become Board members and recommending to the Board of Directors nominees for election and candidates for each committee appointed by the Board. A majority of the nominating/corporate governance committee members are "independent" under applicable federal securities laws and the Nasdaq Marketplace Rules. The nominating/corporate governance committee was organized in January 2004 and met one time during 2004. The nominating/corporate governance committee charter is available on United's website, ucbi.com.

Recommendation

The Board of Directors unanimously recommends a vote "FOR" each nominee for director.

DIRECTOR NOMINATIONS

General

The Board of Directors nominates individuals for election to the Board based on the recommendations of the nominating/corporate governance committee. A candidate for the Board of Directors must meet the eligibility requirements set forth in United's bylaws and in any Board or committee resolutions.

Nominating/Corporate Governance Committee Procedures

The nominating/corporate governance committee considers qualifications and characteristics that it, from time to time, deems appropriate when it selects individuals to be nominated for election to the Board of Directors. These qualifications and characteristics may include, without limitation, independence, integrity, business experience, education, accounting and financial expertise, age, diversity, reputation, civic and community relationships, and knowledge and experience in matters impacting financial institutions. In addition, prior to nominating an existing director for re-election to the Board of Directors, the nominating/corporate governance committee will consider and review an existing director's Board and committee attendance, performance and length of Board service.

Shareholder Nominations

The Board of Directors and nominating/corporate governance committee of the Board will consider all director nominees properly recommended by any United shareholders in accordance with the analysis described above. Any shareholder wishing to recommend a candidate for consideration as a possible director nominee for election at an upcoming meeting of shareholders must provide timely, written notice to the Board of Directors in accordance with the procedures available on United's website ucbi.com. The following is a summary of these procedures:

- In order to be considered timely, a nomination for the election of a director must be received by United no less than 120 days before the anniversary of the date United's proxy statement was mailed to shareholders in connection with the previous year's annual meeting.

CODE OF ETHICAL CONDUCT

United has adopted a Code of Ethical Conduct designed to promote ethical conduct by all of United's directors and principal financial and executive officers. The Code of Ethical Conduct complies with the federal securities law requirement that issuers have a code of ethics applicable to principal financial officers. United has also revised its employee Code of Conduct to comply with the Nasdaq Marketplace Rules. United's Code of Ethical Conduct is available on its website and was filed as Exhibit 14 to its Annual Report on Form 10-K for the year ended December 31, 2003. Thus far, we have not had any amendment to or waiver of the Code of Ethical Conduct. If we do, we will post any such amendment or waiver on United's website, ucbi.com.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Director Compensation

Non-employee Directors of United received an annual retainer of \$20,000 and a separate meeting fee of \$1,000 for each Board meeting attended during 2004. - (1) Each option is exercisable for one share of common stock. Options were granted on June 7, 2004, and vest in equal installments over a four-year period beginning on June 7, 2005. The exercise price of the options was \$23.75 per share, the fair market value on the date of grant.
- (2) The "Potential Realizable Value" is disclosed for illustration only pursuant to SEC regulations that require such disclosure. The values disclosed are not intended to be, and should not be interpreted as, representations or projections of the future value of United's common stock or of the stock price. Amounts are calculated at a 5% and 10% rate of annual appreciation in the value of the common stock (compounded annually over the option term of 10 years) and are not intended to forecast actual expected future appreciation, if any, of the common stock. The potential value to the optionee is the difference between the exercise price (price at the date of grant) and the appreciated value of the stock at the end of 10 years (at 5% and 10% growth rates) multiplied by the number of options. These amounts have been rounded to the nearest thousand dollars.

As of December 31, 2004, United had not granted stock appreciation rights or similar awards to any of its present or past executive officers.

Agreements with Executive Officers

Jimmy C. Tallent, Guy W. Freeman, Rex S. Schuette, Thomas C. Gilliland and Ray K. Williams have each entered into a Change in Control Severance Agreement with United. The agreement is to remain in effect until the earlier of the termination of such executive’s employment without entitlement to the benefits under the agreement or the date that that the executive attains age 65 (except that Mr. Freeman’s agreement remains in effect to age 70), unless earlier terminated by mutual written agreement of the executive and United.

The agreement provides for payment of compensation and benefits to the executive in the event of a Change in Control (as defined in the agreement), if the executive’s employment is involuntarily terminated by United without Cause (as defined in the agreement), or if the executive terminates his

employment for Good Reason (as defined in the agreement). The executive is not entitled to compensation or payments pursuant to the agreement if he is terminated by United for Cause, dies, incurs a disability, or voluntarily terminates employment (other than for Good Reason). If a Change in Control occurs during the term of the agreement and the executive's employment is terminated within six months prior to, or eighteen months following, the date of the Change in Control, and if such termination is an involuntary termination by United without Cause (and does not arise as a result of death or disability) or a termination by the executive for Good Reason, the executive will be entitled to certain compensation and benefits including his base salary, bonus payments (as determined under the agreement) and certain other benefits as determined by the agreement for the entire CIC Severance Period (defined as the lesser of 36 months from the date of his termination or the number of months from the date of his termination until he attains age 65 (70 in the case of Mr. Freeman). The agreement provides that the compensation and benefits provided for under the agreement shall be reduced or modified so as to insure that United does not pay an Excess Severance Payment (as defined in the agreement).

Compensation Committee Interlocks and Insider Participation

During 2004, the Compensation Committee of the Board of Directors of United reviewed the compensation of Messrs. Tallent, Freeman, Schuette, Gilliland and Williams. Although Mr. Tallent participated in deliberations regarding other executive officers, Mr. Tallent did not participate in any decisions regarding his own compensation as an executive officer.

REPORT ON EXECUTIVE COMPENSATION

General

Under rules established by the SEC, United is required to provide certain information with respect to compensation provided to United's President and Chief Executive Officer and other executive officers. The SEC regulations require a report setting forth a description of United's executive compensation policy in general and the considerations that led to the compensation decisions affecting Messrs. Tallent, Freeman, Schuette, Gilliland and Williams. In fulfillment of this requirement, the Board of Directors and Compensation Committee have prepared the following report for inclusion in this proxy statement.

The fundamental policy of United's compensation program is to offer competitive compensation and benefits for all employees, including the President and Chief Executive Officer and the other officers of United, to compete for and retain talented personnel who will lead United in achieving levels of financial performance that enhance shareholder value. United's executive compensation consists of three core components: salary, annual cash bonus and long-term compensation through the granting of stock options and restricted stock awards. United also provides matching 401(k) contributions and other customary perquisites to its executive officers.

Salary

The Compensation Committee sets base salaries for United's executive officers annually. With respect to all executive officers other than the Chief Executive Officer, the Compensation Committee considers Mr. Tallent's recommendations and assessment of each officer's performance, his or her tenure and experience in his or her respective positions, and internal comparability considerations. The Compensation Committee also has available and considers information provided by its independent consultants about the compensation and benefits paid by similar bank holding companies for comparable executive positions. The Compensation Committee attempts to achieve an appropriate balance between base salary, cash bonuses, and long-term equity incentives for all of its executive officers. The Compensation Committee did not assign relative weights to the factors considered in setting these salaries, cash bonuses and long-term equity incentives.

Table of Contents

Annual Incentive Compensation

Annual incentive compensation for 2004, paid in the form of a cash bonus during the first quarter of 2005, was based on United's 2004 financial results, including targets with respect to net operating income, operating earnings per share and return on tangible equity. Cash bonuses were granted by the Compensation Committee to Mr. Tallent and the executive officers, and the Compensation Committee set a range of bonuses (based on a percentage of salary) for all officers and employees other than Mr. Tallent and the executive officers, within which range Mr. Tallent and the executive officers determined bonuses based on individual performance. Bonuses for executive officers were 35% to 100% of base salaries.

Retirement Benefits

Modified Retirement Plan . United maintains a modified retirement plan (the "Modified Retirement Plan") for certain of its executive officers and key officers of its subsidiaries. The Modified Retirement Plan replaces the Revenue Neutral Retirement Plan that provided similar benefits as well as split dollar insurance for the participant's spouse. The Modified Retirement Plan provides specified benefits to such officers who contribute materially to the continued growth, development and future business success of United and its subsidiaries.

Generally, when a participant retires, United will pay to the participant accrued benefits in equal installments (1) for the lifetime of the participant and, if the participant is married upon death, a lesser lifetime amount to the participant's spouse, or (2) if elected by the participant, a fixed payment for 15 years. The benefits are taxable to the participant.

The Modified Retirement Plan contains provisions that provide for certain accelerated payments upon a change in control of United. Additionally, the Modified Retirement Plan provides that benefits will be forfeited if a participant is terminated for cause, competes with United during the three years after his or her termination of employment, solicits customers or employees of United during the three years after his or her termination of employment, discloses United's confidential information during the three years after his or her termination of employment, or knowingly or intentionally damages United's goodwill or esteem.

Deferred Compensation Plan . In addition, United maintains a deferred compensation plan (the "Deferred Compensation Plan") for its executive officers and certain key officers of its subsidiaries and members of United's Board of Directors. The Deferred Compensation Plan provides for the deferral of compensation, fees and other specified benefits to selected individuals who contribute materially to the continued growth, development and future business success of United and its affiliates.

The Deferred Compensation Plan permits each employee participant to elect to defer a portion of his or her base salary or bonus and permits each director participant to elect to defer all or a portion of his or her director's fees. Further, the Deferred Compensation Plan allows for additional matching contributions by United for amounts that would be paid if they do not exceed the allowable amounts under the tax-qualified 401(k) plan. In addition, the Board of Directors may make discretionary contribution to the accounts of any or all participants.

Generally, when a participant retires or becomes disabled, United will pay to the participant accrued benefits in a lump sum or in equal installments for 5, 10, or 15 years. In addition, a participant can elect at the time they choose to make deferrals, to have a portion of his or her vested account paid out at a specified time in a lump sum or in annual installments for 2, 3, 4, or 5 years. The benefit payments are taxable to the participant.

Stock Options and Restricted Stock Awards

During 2004, options to acquire 323,104 shares of common stock were awarded under the 2000 Plan, including options to acquire 49,500 shares of common stock awarded to the named executive officers by the Compensation Committee. Restricted stock awards of 17,300 shares of common stock were awarded under the 2000 Plan during 2004, including 10,950 restricted shares of common stock awarded to the named executive officers by the Compensation Committee.

Chief Executive Officer Compensation

The Compensation Committee met in executive session to set Mr. Tallent's base salary and long-term equity incentives for 2004, and met in a subsequent executive session in December, 2004 to award his 2004 cash bonus payable in early 2005. The Compensation Committee considers objective measurements of business performance, the accomplishment of strategic and financial objectives, the development of management talent within the company, and other matters relevant to the short-term and the long-term success of the company and the enhancement of shareholder value in the broadest sense. The Compensation Committee has available, and considers, information provided by its independent compensation consultants about the various components of compensation and benefits paid by comparable bank holding companies to their Chief Executive Officers. The Compensation Committee's chairman communicates the results of the Compensation Committee's evaluation of all these factors to Mr. Tallent.

Based upon this evaluation, the Compensation Committee, subject to ratification by the independent members of the board, establishes Mr. Tallent's compensation, including base salary, performance bonuses, and awards under annual and long-term incentive plans.

This report is respectfully submitted by the Compensation Committee of the Board of Directors.

Based solely on copies of such reports furnished to United and written representations that no other reports were required, United believes that all applicable Section 16(a) reports were filed by its directors, officers and 10% shareholders during the fiscal year ended December 31, 2004.

AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to an Audit Committee Charter that was adopted by the Board following its annual review and assessment of its charter on July 17, 2003. United's management is responsible for its internal accounting controls and the financial reporting process. United's independent registered public accountants, Porter Keadle Moore, LLP, are responsible for performing an audit of United's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board (United States) and for expressing an opinion as to their conformity with U.S. generally accepted accounting principles. The Audit Committee's responsibility is to monitor and oversee these processes. The Board of Directors, in its business judgment, has determined that all three members of the Audit Committee are "independent," as defined by the federal securities laws and the Nasdaq Marketplace Rules.

In keeping with that responsibility, the Audit Committee has reviewed and discussed United's audited consolidated financial statements with management and the independent registered public accountants. In addition, the Audit Committee has discussed with United's independent registered public accountants the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committee," as currently in effect. In addition, the Audit Committee has received the written disclosures from the independent registered public accountants required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and has discussed with the independent registered public accountants their independence. The Audit Committee has also considered whether the provision of non-audit services by the independent registered public accountants is compatible with maintaining their independence.

The Audit Committee also discussed with management, United's internal auditors and the independent registered public accountants the quality and adequacy of United's internal controls over financial reporting and the internal audit function's organization, responsibilities, budget and staffing. It reviewed management's assessment of such internal control and the independent registered public accountants' attestation thereof. The Audit Committee reviewed both with the independent registered public accountants and internal auditors their audit plans, audit scope and identification of audit risks.

Other than Mr. Bennett, the members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect of auditor independence. Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and the independent registered public accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of United's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board, that the financial statements are presented in accordance with U.S. generally accepted accounting principles or that United's auditors are in fact "independent."

Table of Contents

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements of United be included in the Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the Securities and Exchange Commission.

This report is respectfully submitted by the Audit Committee of the Board of Directors.
