

**AMERIGAS PROPANE, INC.**

**CHARTER  
of the AUDIT COMMITTEE  
of the BOARD OF DIRECTORS**

AmeriGas Propane, Inc. (the “Company”) is the general partner of AmeriGas Partners, L.P. (the “Partnership”). The Board of Directors of the Company has determined that the Audit Committee of the Board shall assist the Board in fulfilling certain of the Board's oversight responsibilities. The Board hereby adopts this charter to establish the governing principles of the Audit Committee.

***The Scope of the Audit Committee's Responsibilities***

The Audit Committee is to assist the Board in fulfilling its oversight responsibilities:

- A. to oversee the quality and integrity of the Partnership's financial statements and related disclosure and the adequacy of the Partnership's accounting and auditing processes, disclosure controls and procedures and its internal control over financial reporting;
- B. to become knowledgeable about and to review the Partnership's compliance with applicable legal and regulatory requirements;
- C. to monitor the qualifications, independence and performance of the Partnership's independent registered public accountants (“Independent Accountants”), the performance of the Company's internal audit function, and the qualifications of the internal audit staff;
- D. to provide a means for open communication among the Partnership's Independent Accountants, management, internal audit staff and the Board; and
- E. to assist the Company in fulfilling certain of its responsibilities under the partnership agreement.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the role or responsibility of the Audit Committee to (i) determine that the Partnership's financial statements are complete and accurate or prepared in accordance with generally accepted accounting principles or (ii) assure compliance with applicable laws and regulations and the Partnership's codes of conduct and the Partnership's partnership agreement. The primary responsibility for these matters rests with management. Nor is it the duty of the Audit Committee to plan or conduct audits. The Independent Accountants and management are responsible for planning and conducting audits of the financial statements. Therefore, each member of the Committee shall be entitled to rely, to the fullest extent permitted by law, on the integrity of those persons and organizations within and outside the Company from whom he or she receives information and on the accuracy of the financial and other information provided to the Committee by such persons or organizations.

### ***Membership of the Audit Committee***

A. The Board shall appoint the members of the Audit Committee at the Board's annual organizational meeting on the recommendation of the Corporate Governance Committee, and the members shall serve until the next such meeting or until their successors are appointed by the Board. The Board may also fill interim vacancies and remove and replace any member of the Committee at any time. The Board shall designate one member to serve as Chair of the Committee.

B. The Audit Committee shall be composed of not less than three members who are neither officers nor employees of the Company or any of its affiliates. The members will be Directors who are free of any relationship that, in the opinion of the Board, would interfere with their exercise of independent judgment as Committee members. At least one member of the Committee shall have accounting or related financial management expertise. All of the members shall also meet the independence, financial literacy and other requirements of all applicable rules and regulations of the Securities and Exchange Commission (the "SEC") and of the principal market (i.e., New York Stock Exchange) or transaction reporting system on which the Partnership's securities are traded or quoted (collectively, the "Exchanges"). A Director who is serving on the audit committee of three or more public companies shall not be appointed or reappointed to the Audit Committee unless the Board determines that such simultaneous service would not impair the Director's ability to serve effectively on the Audit Committee.

### ***Meetings of the Audit Committee***

The Audit Committee shall hold at least four regular meetings annually and such other meetings as may be called by the Chair of the Committee or at the request of the Independent Accountants, the head of internal audit staff (the "General Auditor") or management.
