## Ultratech to Host Financial Analyst Day on November 15, 2016

SAN JOSE, Calif.--(BUSINESS WIRE)-- Ultratech, Inc. (Nasdaq: UTEK) a leading supplier of lithography and laser-processing systems used to manufacture semiconductor devices and high-brightness LEDs (HB-LEDs), as well as atomic layer deposition (ALD) systems, today announced that the company will host its thirteenth annual Analyst Day on Tuesday, November 15, 2016, at corporate headquarters in San Jose, CA, during which Ultratech's management team will deliver key presentations regarding the company's business. Registration will begin at 8:30 am PT. The Analyst Day will take place from 9:00 am PT to 12:00 pm PT, followed by lunch. Forward-looking and other material information may be discussed during the presentation.

This event is designed for financial analysts, institutional investors and industry analysts. To listen to the audio webcast during or after the event, please visit <http://ir.ultratech.com/>. The replay will be available for 30 days following the event.

Financial analysts, institutional investors and industry analysts interested in attending the event in person should contact Ultratech Investor Relations for registration information.

**About Ultratech:** Ultratech, Inc. (Nasdaq: UTEK) designs, builds and markets manufacturing systems for the global technology industry. Founded in 1979, Ultratech serves three core markets: frontend semiconductor, backend semiconductor, and nanotechnology. The company is the leading supplier of lithography products for bump packaging of integrated circuits and high brightness LEDs. Ultratech is also the market leader and pioneer of laser spike anneal technology for the production of advanced semiconductor devices. In addition, the company offers solutions leveraging its proprietary coherent gradient sensing (CGS) technology to the semiconductor wafer inspection market and provides atomic layer deposition (ALD) tools to leading research organizations, including academic and industrial institutions. Visit Ultratech online at: [www.ultratech.com](http://www.ultratech.com).
