WHAT: *The Daily Show Presents: The Donald J. Trump Presidential Twitter Library*

The enormously successful, popular and critically-acclaimed **The Daily Show with Trevor Noah Presents: The Donald J. Trump Presidential Twitter Library** will be coming to Los Angeles after its run this past weekend at Comedy Central Presents Clusterfest in San Francisco.

Every president since Franklin D. Roosevelt has been honored with a meticulously curated memorial library commemorating the documents of historical value crafted during his time as leader of the free world. Continuing this hallowed tradition, and seeing no need to wait for him to leave office, The Daily Show will once again honor the current president with The Daily Show Presents with Trevor Noah Presents: The Donald J. Trump Presidential Twitter Library, showcasing the Commander in Chief's preferred vessel for communicating with the public, his Twitter feed.

The library will feature audio/visual installations and a fully interactive experience for hands of all sizes, giving patrons a once-in-a-lifetime opportunity to memorialize and celebrate the many "unpresided" moments of President Trump's Twitter history.
