## **Vertex to Present at the Morgan Stanley Healthcare Conference on September 11**

BOSTON--(BUSINESS WIRE)-- [Vertex Pharmaceuticals Incorporated](#) (Nasdaq: VRTX) today announced that management will present at the Morgan Stanley Healthcare Conference on Monday, September 11, 2017 at 1:40 p.m. ET.

Management's remarks will be available live through Vertex's website at [www.vrtx.com](http://www.vrtx.com) in the "Investors" section under the "News and Events" page. A replay of the conference webcast will be archived on the company's website.

### **About Vertex**

Vertex is a global biotechnology company that aims to discover, develop and commercialize innovative medicines so people with serious diseases can lead better lives. In addition to our clinical development programs focused on cystic fibrosis, Vertex has more than a dozen ongoing research programs aimed at other serious and life-threatening diseases.

Founded in 1989 in Cambridge, Mass., Vertex today has research and development sites and commercial offices in the United States, Europe, Canada and Australia. For seven years in a row, *Science* magazine has named Vertex one of its Top Employers in the life sciences. For additional information and the latest updates from the company, please visit [www.vrtx.com](http://www.vrtx.com).
