

## **VWR International Offers 864-Page Production Supplies For Controlled Environments Catalog**

WEST CHESTER, PA, June, 2004 - The new, full-color, 864-page VWR Production Supplies for Controlled Environments Catalog offers over 13,300 products for a wide range of industries and applications - from research laboratories to production facilities. This selection of production chemicals and supplies is one of the most extensive available, representing more than 228 leading manufacturers and showcasing over 8300 new products. The catalog features a complete selection of apparel, packaging, chemicals, gloves, housekeeping products, tape and labels, media, safety products, sterility solutions, swabs, tubing, wipers, hand tools, static control products and much more. This catalog has been developed to meet the needs of any production environment, including pharmaceutical, electronic, medical device, semiconductor, biotechnology, aerospace, food and beverage, government, education and automotive finishing.

The new catalog has 25 new product sections and ten expanded product sections, widening the production supplies product portfolio. Product selection is fast and easy with helpful navigational aids, and extensive alphabetical and product number indices. Ordering information and specifications are included for each item.

Leading manufacturers in the production chemicals and supplies industry are represented in the catalog: Alconox, Ansell, Berkshire Corp., BD Diagnostics, Bulbtronics, Cardinal Healthcare, Contec, Inc., Cooper Tools, Desco, DuPont, EMD Chemicals, Excelta Corp., Fluke Corp., Gordon Brush Mfg. Co., Helix Medical, ITW-ALMA, ITW-Chemtronics, ITW-Richmond Technology, ITW-Texwipe, Kimberly-Clark, LGInternational, Loctite Corp., Luxo Corp., Menda Scientific Products, Micro Care Corp., Micronova Manufacturing, Inc., Milliken & Co., North Safety Products, Pace Inc., Plato Products, Inc., Protektive Pak, SECO Industries, Steris, Tech Spray, Veltek and many more. The catalog also offers a wide selection of high performance, value-oriented products from the VWR. Collection and many exclusive-to-VWR items.
