**Item 8.01 Other Events.**

This Form 8-K is being filed in connection with the execution of a memorandum of understanding (the “MOU”) to settle certain litigation arising out of the previously disclosed Agreement and Plan of Merger, dated as of May 4, 2017 (the “merger agreement”), by and among Avantor, Inc., a Delaware corporation (“Avantor”), Vail Acquisition Corp, a Delaware corporation and a wholly owned subsidiary of Avantor (“Merger Sub”), and VWR Corporation (the “Company”), pursuant to which Merger Sub will be merged with and into the Company (the “merger”), with the Company continuing as the surviving corporation.

Three putative class action lawsuits challenging the proposed merger have been filed on behalf of Company stockholders (the “plaintiffs”) in the United States District Court of the Eastern District of Pennsylvania. The actions are captioned *Stephen Bushansky v. VWR Corporation, et al.*, Case No. 2:17-cv-02616-WB, *Robert Berg v. VWR Corporation, et al.*, Case No. 2:17-cv-02676-MSG and *Lawrence v. VWR Corporation, et al.*, Case No. 2:17-cv-02758-WB.

The plaintiffs allege, among other claims, that the Company failed to disclose to stockholders all material information related to the merger. In connection with a settlement of such actions contemplated by the MOU, the Company agreed to make the supplemental disclosures contained herein (the “settlement”). The settlement will not affect the merger consideration to be paid to stockholders of the Company in connection with the proposed merger or the timing of the special meeting of stockholders of the Company scheduled for Thursday, July 13, 2017, beginning at 11:00 a.m., Eastern Daylight Time, at The Radnor Hotel, 591 E. Lancaster Avenue, St. Davids, Pennsylvania 19087 to vote upon a proposal to approve the merger agreement.

**SUPPLEMENT TO PROXY STATEMENT**

*In connection with the outstanding shareholder lawsuits in the United States District Court of the Eastern District of Pennsylvania as described in this Current Report on Form 8-K, the Company has agreed to make these supplemental disclosures to the Proxy Statement. This supplemental information should be read in conjunction with the Proxy Statement, which should be read in its entirety. Page references in the following disclosures are to the Proxy Statement, and defined terms used but not defined herein have the meanings set forth in the Proxy Statement.*

*The following disclosure replaces in its entirety the fourth paragraph on page 27 of the Proxy Statement under the caption “Background of the Merger”:*

From time to time prior to its engagement by VWR to act as its financial advisor in connection with the merger, Merrill Lynch, Pierce, Fenner & Smith Incorporated (“BofA Merrill Lynch”), not acting on behalf of VWR and without access to non-public information about VWR, held discussions with certain third parties as a part of its ordinary course investment banking dialogue regarding potential strategic alternatives involving VWR. VWR understands that, between April 2016 and February 2017, the BofA Merrill Lynch investment bankers who were later retained to advise VWR in connection with the Transactions had participated in such discussions with 16 parties, including both financial and strategic potential bidders, and that, of this group, initial interest was expressed by only one party and a limited partner of such party (together, “Party A”), which was a potential financial bidder that Varietal had not contacted in 2014. Such BofA Merrill Lynch investment bankers initially met with representatives of Party A on June 23, 2016 to discuss their potential interest in acquiring VWR.

*The following disclosure replaces in its entirety the last sentence of the fourth paragraph on page 28 of the Proxy Statement under the caption “Background of the Merger”:*

The Board then questioned management about certain of the assumptions and sensitivities that management was preparing to factor into its preliminary preparation of the five-year financial projections, such as the level of anticipated mergers and acquisitions spending, the anticipated level of future sales and contract retention rates for the Company’s various businesses, the potential impact of competition in the future and assumptions about currency exchange rates.

The following disclosure replaces in its entirety the last sentence of the last paragraph on page 32 of the Proxy Statement under the caption “Background of the Merger”:

During the “go-shop” period, none of the potential strategic or financial buyers entered into a confidentiality or standstill agreement or submitted an alternative proposal.

The following disclosure is added as a new paragraph following the fourth paragraph under the caption “Certain Prospective Financial Information” on page 36 of the Proxy Statement:

The presentation of “Unlevered Free Cash Flow” in the Projections is defined as the Company’s operating income less (i) income tax provision or benefit, (ii) capital expenditures, (iii) acquisitions and (iv) changes in net working capital, plus depreciation and amortization expense. This line item was not prepared by the Company or included in the five-year financial forecast provided to BofA Merrill Lynch, Party A, Avantor and New Mountain. Rather, it was prepared by BofA Merrill Lynch, from the other projected line items provided by the Company, in order to facilitate the financial analyses described below in “Opinion of the Company’s Financial Advisor.” Nevertheless, Unlevered Free Cash Flow is being presented in the table below in order to provide a more complete understanding of the data utilized by BofA Merrill Lynch in conducting its financial analyses.

The following table replaces the table following the third paragraph on page 37 of the Proxy Statement under the caption “Certain Prospective Financial Information”:

<b>Fiscal Year End</b> <b>(\$ millions, all amounts represent continuing operations)</b>	<b>2017</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>	<b>2021</b>	<b>2022</b>
Revenue (1)	\$4,623(2)	\$4,904	\$5,186	\$5,482	\$5,793	\$6,120
Adjusted EBITDA (1)	\$ 524(2)	\$ 576	\$ 632	\$ 689	\$ 751	\$ 817
Adjusted EPS (1)	\$ 1.86(2)	\$ 2.06	\$ 2.27	\$ 2.48	\$ 2.74	\$ 3.04
Unlevered Free Cash Flow	\$ 151(3)	\$ 129	\$ 176	\$ 220	\$ 271	\$ 317

(1) Amounts reflect the five-year financial forecast (also referred to as the VWR management forecasts, as described above) after taking into account the effects of preliminary Q1 2017 results.

(2) Amounts are for full year 2017.

(3) Amount is for the second through fourth quarters of 2017.

The following disclosure replaces in its entirety the last sentence of the first paragraph under “Interests of the Company’s Directors and Executive Officers in the Merger—New Management Arrangements” on page 46 of the Proxy Statement:

Other than as described below, no such new agreements, arrangements or understandings have been presented by Avantor or entered into as of the date of this proxy statement, and no director of VWR has been asked to join the combined company’s board of directors.
