WALGREENS BOOTS ALLIANCE, INC. AND SUBSIDIARIES
NOTES TO FINANCIAL STATEMENTS
(UNAUDITED)

Note 1. Accounting policies

Basis of presentation

The Consolidated Condensed Financial Statements of Walgreens Boots Alliance, Inc. (“Walgreens Boots Alliance” or the “Company”) included herein have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission regarding interim financial reporting. The Consolidated Condensed Financial Statements include all subsidiaries in which the Company holds a controlling interest. Investments in less than majority-owned subsidiaries in which the Company does not have a controlling interest, but does have significant influence, are accounted for as equity method investments. All intercompany transactions have been eliminated.

The Consolidated Condensed Balance Sheets as of November 30, 2017 and August 31, 2017, the Consolidated Condensed Statements of Equity, the Consolidated Condensed Statements of Earnings, the Consolidated Condensed Statements of Comprehensive Income, and the Consolidated Condensed Statements of Cash Flows for the three months ended November 30, 2017 and 2016 are unaudited. Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles in the United States of America (“GAAP”) have been condensed or omitted pursuant to such rules and regulations, although the Company believes that the disclosures are adequate to make the information presented not misleading. These unaudited Consolidated Condensed Financial Statements should be read in conjunction with the audited financial statements and the notes thereto included in the Walgreens Boots Alliance Annual Report on Form 10-K for the fiscal year ended August 31, 2017. The Company has evaluated subsequent events from the balance sheet date through the date the financial statements were issued and determined there were no subsequent events to disclose other than as disclosed in notes 5 and 19.

In the opinion of the Company, the unaudited Consolidated Condensed Financial Statements for the interim periods presented include all adjustments (consisting only of normal recurring adjustments) necessary to present a fair statement of the results for such interim periods. The influence of certain holidays, seasonality, foreign currency rates, changes in vendor, payer and customer relationships and terms and other factors on the Company’s operations, net earnings for any period may not be comparable to the same period in previous years. With respect to the Company’s Retail Pharmacy USA segment, the positive impact on gross profit margins and gross profit dollars typically has been significant in the first several months after a generic version of a drug is first allowed to compete with the branded version, which is generally referred to as a “generic conversion”. In any given year, the number of major brand name drugs that undergo a conversion from branded to generic status can increase or decrease, which can have a significant impact on the Company’s Retail Pharmacy USA segment’s sales, gross profit margins and gross profit dollars making the Company’s operations or net earnings for any period incomparable.

Note 2. Exit and disposal activities

On October 24, 2017, the Company’s Board of Directors approved a plan to implement a program (the “Store Optimization Program”) as part of an initiative to optimize store locations within the Company’s Retail Pharmacy USA segment upon completion of the acquisition of certain stores and related assets from Rite Aid. The Store Optimization Program includes plans to close approximately 600 stores and related assets across the U.S. The actions under the Store Optimization Program are expected to take place over an 18 month period beginning in spring 2018.

The Company currently estimates that it will recognize cumulative pre-tax charges to its GAAP financial results of approximately \$450 million, including costs associated with lease obligations and other real estate costs, employee severance and other exit costs. The Company expects to incur pre-tax charges of approximately \$270 million for lease obligations and other real estate costs and approximately \$180 million for employee severance and other exit costs. The Company estimates that substantially all of these cumulative pre-tax charges will result in future cash expenditures.

The Company did not incur any charges related to the Store Optimization Program for the three months ended November 30, 2017.

On April 8, 2015, the Walgreens Boots Alliance Board of Directors approved a plan to implement a restructuring program (the “Cost Transformation Program”) as part of an initiative to reduce costs and increase operating efficiencies. The Cost Transformation Program implemented and built on the cost-reduction initiative previously announced by the Company on August 6, 2014 and included plans to close stores across the U.S.; reorganize corporate and field operations; drive operating efficiencies; and streamline information technology and other functions. The actions under the Cost Transformation Program focused primarily on the Retail Pharmacy USA segment, but included activities from all segments. The Company completed the Cost Transformation Program in the fourth quarter of fiscal 2017.

The changes in accrued expenses and other liabilities related to the Cost Transformation Program for the three months ended November 30, 2017 include the following (in millions):

	Real estate costs	Severance and other business transition and exit costs	Total
Balance at August 31, 2017	\$ 521	\$ 79	\$ 600
Payments	(42)	(39)	(81)
Balance at November 30, 2017	\$ 479	\$ 40	\$ 519

Note 3. Operating leases

Initial terms for leased premises in the U.S. are typically 15 to 25 years, followed by additional terms containing renewal options at five -year intervals, and may include rent escalation clauses. Non-U.S. leases are typically for shorter terms and may include cancellation clauses or renewal options. The commencement date of all lease terms is the earlier of the date the Company becomes legally obligated to make rent payments or the date the Company has the right to control the property. The Company recognizes rent expense on a straight-line basis over the term of the lease. In addition to minimum fixed rentals, some leases provide for contingent rentals based upon a portion of sales.

The Company continuously evaluates its real estate portfolio in conjunction with its capital needs. Historically, the Company has entered into several sale-leaseback transactions. For the three months ended November 30, 2017, the Company did not record any proceeds from sale-leaseback transactions. For the three months ended November 30, 2016, the Company recorded proceeds from sale-leaseback transactions of \$436 million.

The Company provides for future costs related to closed locations. The liability is based on the present value of future rent obligations and other related costs (net of estimated sublease rent) to the first lease option date. During the three months ended November 30, 2017, the Company recorded charges of \$39 million for facilities that were closed or relocated under long-term leases. This compares to \$17 million for the three months ended November 30, 2016. These charges are reported in selling, general and administrative expenses in the Consolidated Condensed Statements of Earnings.

The changes in reserve for facility closings and related lease termination charges primarily in other non-current liabilities, include the following (in millions):

	For the three months ended November 30, 2017	For the twelve months ended August 31, 2017
Balance at beginning of period	\$ 718	\$ 466
Provision for present value of non-cancellable lease payments on closed facilities	29	344
Assumptions about future sublease income, terminations and changes in interest rates	1	13
Interest accretion	9	37
Cash payments, net of sublease income	(61)	(142)
Balance at end of period	\$ 696	\$ 718

As of November 30, 2017, the Company remains secondarily liable on 71 leases. The maximum potential undiscounted future payments are \$318 million as of November 30, 2017.

Note 4. Equity method investments

Equity method investments as of November 30, 2017 and August 31, 2017, were as follows (in millions, except percentages):

	November 30, 2017		August 31, 2017	
	Carrying value	Ownership percentage	Carrying value	Ownership percentage
AmerisourceBergen	\$ 4,895	26%	\$ 5,024	26%
Others	1,133	8% - 50%	1,296	8% - 50%
Total	\$ 6,028		\$ 6,320	

AmerisourceBergen investment

As of November 30, 2017 and August 31, 2017, the Company owned 56,854,867 AmerisourceBergen Corporation (“AmerisourceBergen”) common shares, representing approximately 26% of the outstanding AmerisourceBergen common stock. The Company accounts for its equity investment in AmerisourceBergen using the equity method of accounting, with the net earnings attributable to the Company’s investment being classified within the operating income of its Pharmaceutical Wholesale segment. Due to the timing and availability of financial information of AmerisourceBergen, the Company accounts for this equity method investment on a financial reporting lag of two months. Equity earnings from AmerisourceBergen is reported as a separate line in the Consolidated Condensed Statements of Earnings. The level 1 fair market value of the Company’s equity investment in AmerisourceBergen common stock at November 30, 2017 is \$4.8 billion.

The Company’s investment in AmerisourceBergen carrying value exceeded its proportionate share of the net assets of AmerisourceBergen by \$4.4 billion. This premium of \$4.4 billion was recognized as part of the carrying value in the Company’s equity investment in AmerisourceBergen. The difference was primarily related to goodwill and the fair value of AmerisourceBergen intangible assets.

Other investments

The Company’s other equity method investments include its investments in Guangzhou Pharmaceuticals Corporation (“Guangzhou Pharmaceuticals”) and Nanjing Pharmaceutical Corporation Limited, the Company’s pharmaceutical wholesale investments in China; and the equity method investment retained through the sale of a majority interest in Option Care Inc. in fiscal 2015.

The Company reported \$13 million and \$12 million of post-tax equity earnings from equity method investments other than AmerisourceBergen for the three months ended November 30, 2017 and 2016, respectively. During the three months period ended November 30, 2017, the Company recorded an impairment of \$170 million in its equity interest in Guangzhou Pharmaceuticals, which was included in other income (expense) in the Consolidated Condensed Statements of Earnings. The fair value of the Company’s equity interest in Guangzhou Pharmaceuticals was determined using the proposed sale price and thus represents Level 3 measurement.

Note 5. Acquisitions

Acquisition of certain Rite Aid Corporation (“Rite Aid”) assets

On September 19, 2017, the Company announced that it had secured regulatory clearance for an amended and restated asset purchase agreement to purchase 1,932 stores, three distribution centers and related inventory from Rite Aid for \$4.375 billion in cash and other consideration. During the quarter, the Company purchased 97 stores for total cash consideration of \$241 million. Ownership of the remaining stores is expected to be transferred in phases in fiscal 2018. These transfers remain subject to closing conditions set forth in the amended and restated asset purchase agreement and will be accounted for as business combinations.

As of November 30, 2017, the Company had not completed the analysis to assign fair values to all tangible and intangible assets acquired and therefore the purchase price allocation has not been completed.

Pro forma net earnings and sales of the Company, assuming the acquired stores had occurred at the beginning of each period presented, would not be materially different from the results reported. The acquired stores did not have a material impact on net earnings or sales of the Company for the three months ended November 30, 2017.

From December 1, 2017 through the date of this report, the Company purchased 260 additional stores for total cash consideration of \$474 million.

AllianceRx Walgreens Prime

On March 31, 2017, Walgreens Boots Alliance and pharmacy benefit manager Prime Therapeutics LLC (“Prime”) closed a transaction to form a combined central specialty pharmacy and mail services company AllianceRx Walgreens Prime, as part of a strategic alliance. AllianceRx Walgreens Prime is consolidated by Walgreens Boots Alliance and reported within the Retail Pharmacy USA segment in its financial statements. The Company accounted for this acquisition of Prime’s specialty pharmacy and mail services business as a business combination involving non-cash purchase consideration of \$720 million consisting of the issuance of an equity interest in AllianceRx Walgreens Prime.

As of November 30, 2017, the Company had not completed the analysis to determine the fair value of the consideration acquired or to assign fair values to all tangible and intangible assets acquired, and therefore the purchase price allocation has not been completed. The preliminary purchase price allocation will be subject to further refinement and may result in material

changes. These changes will primarily relate to the allocation of consideration and the fair value assigned to all tangible and intangible assets acquired and identified. The following table summarizes the consideration for the acquisition and the preliminary amounts of identified assets acquired and liabilities assumed at the date of the transaction (in millions).

Total consideration	\$	720
Identifiable assets acquired and liabilities assumed		
Accounts receivable	\$	217
Inventories		149
Property, plant and equipment		11
Intangible assets		331
Trade accounts payable		(90)
Accrued expenses and other liabilities		(1)
Total identifiable net assets		617
Goodwill	\$	103

The preliminary identified intangible assets primarily include payer contracts. These contracts are estimated to have a weighted average useful life of 15 years. The preliminary goodwill of \$103 million arising from the transaction consists of expected purchasing synergies, operating efficiencies by benchmarking performance and applying best practices across the combined company, consolidation of operations, reductions in selling, general and administrative expenses and combining workforces. Substantially all of the goodwill recognized is not expected to be deductible for income tax purposes.

In accordance with ASC Topic 810, Consolidation, the noncontrolling interest was recognized based on its proportionate interest in the identifiable net assets of AllianceRx Walgreens Prime. The difference between the carrying amount of the noncontrolling interest and the fair value recognized as consideration in the business combination is recognized as additional paid in capital.

Note 6. Goodwill and other intangible assets

² Other short-term borrowings represent a mix of fixed and variable rate borrowings with various maturities and working capital facilities denominated in various currencies.

³ Notes are unsubordinated debt obligations of Walgreens Boots Alliance and rank equally in right of payment with all other unsecured and unsubordinated indebtedness of Walgreens Boots Alliance from time to time outstanding.

⁴ The issuances of the \$6 billion, \$8 billion, £0.7 billion, €0.75 billion, \$4 billion and \$1 billion notes as of November 30, 2017 had fair values and carrying values of \$2.5 billion and \$2.5 billion, \$6.7 billion and \$6.5 billion, \$1.0 billion and \$0.9 billion, \$0.9 billion and \$0.9 billion, \$1.7 billion and \$1.7 billion, and \$0.3 billion and \$0.2 billion, respectively. The fair values of the notes outstanding are level 1 fair value measures and determined based on quoted market price and translated at the November 30, 2017 spot rate, as applicable. The fair values and carrying values of these issuances do not include notes that have been redeemed or repaid as of November 30, 2017.

⁶ Other long-term debt represents a mix of fixed and variable rate borrowings in various currencies with various maturities.

⁷ Notes are senior debt obligations of Walgreen Co. and rank equally with all other unsecured and unsubordinated indebtedness of Walgreen Co. On December 31, 2014, Walgreens Boots Alliance fully and unconditionally guaranteed the outstanding notes on an unsecured and unsubordinated basis. The guarantee, for so long as it is in place, is an unsecured,

unsubordinated debt obligation of Walgreens Boots Alliance and will rank equally in right of payment with all other unsecured and unsubordinated indebtedness of Walgreens Boots Alliance.

August 2017 Credit Agreements

On August 24, 2017, the Company entered into a \$1.0 billion revolving credit agreement with the lenders from time to time party thereto (the “August 2017 Revolving Credit Agreement”) and a \$1.0 billion term loan credit agreement with Sumitomo Mitsui Banking Corporation (the “2017 Term Loan Credit Agreement” and together with the August 2017 Revolving Credit Agreement, the “August 2017 Credit Agreements”).

The August 2017 Revolving Credit Agreement is an unsecured revolving credit facility with a facility termination date of the earlier of (a) January 31, 2019, subject to any extension thereof pursuant to the terms of the August 2017 Revolving Credit Agreement and (b) the date of termination in whole of the aggregate commitments provided by the lenders thereunder. The 2017 Term Loan Credit Agreement is an unsecured “multi-draw” term loan facility maturing on March 30, 2019. The aggregate commitments of Sumitomo Mitsui Banking Corporation under the 2017 Term Loan Credit Agreement are initially equal to \$1.0 billion, which shall be reduced on June 1, 2018 to the lesser of \$500 million and the aggregate remaining undrawn commitments thereunder. Any remaining undrawn commitments thereunder and the ability of the Company to request loans under such commitments shall terminate on September 1, 2018. As of November 30, 2017, Walgreens Boots Alliance had \$30 million of borrowings outstanding under the 2017 Term Loan Credit Agreement and there were no borrowings outstanding under the August 2017 Revolving Credit Agreement.

February 2017 Revolving Credit Agreement

On February 1, 2017, the Company entered into a \$1.0 billion revolving credit facility (as amended, the “February 2017 Revolving Credit Agreement”) with the lenders from time to time party thereto and, on August 1, 2017, the Company entered into an amendment agreement thereto. The terms and conditions of the February 2017 Revolving Credit Agreement were unchanged by the amendment other than the extension of the facility termination date to the earlier of (a) January 31, 2019 and (b) the date of termination in whole of the aggregate commitments provided by the lenders thereunder. As of November 30, 2017, there were no borrowings outstanding under the February 2017 Revolving Credit Agreement.

\$6.0 billion note issuance

On June 1, 2016, Walgreens Boots Alliance received net proceeds of \$6.0 billion from a public offering of five series of U.S. dollar notes with varying maturities and interest rates. Because the merger with Rite Aid was not consummated on or prior to June 1, 2017, the 2018 notes, the 2021 notes and the 2023 notes were redeemed on June 5, 2017 under the special mandatory redemption terms of the indenture governing such notes. Walgreens Boots Alliance was required to redeem all of the 2018 notes, the 2021 notes and the 2023 notes then outstanding, at a special mandatory redemption price equal to 101% of the aggregate principal amount of such notes, plus accrued and unpaid interest of approximately \$1 million to, but excluding, the date of redemption. The 2026 notes and 2046 notes remain outstanding in accordance with their respective terms and are subject to redemption in certain circumstances.

Debt covenants

Each of the Company’s credit facilities contain a covenant to maintain, as of the last day of each fiscal quarter, a ratio of consolidated debt to total capitalization not to exceed 0.60 :1.00. The credit facilities contain various other customary covenants.

Commercial paper

The Company periodically borrows under its commercial paper program and may borrow under it in future periods. The Company had average daily short-term borrowings of \$ 620 million of commercial paper outstanding at a weighted average interest rate of 1.46 % for the three months ended November 30, 2017. The Company had no activity under its commercial paper program for the twelve months ended August 31, 2017.

Note 8. Financial instruments

The Company uses derivative instruments to manage its exposure to interest rate and foreign currency exchange risks.

The notional amounts, fair value and balance sheet presentation of derivative instruments outstanding as of November 30, 2017 and August 31, 2017 are as follows (in millions):

	November 30, 2017		August 31, 2017		Location in Consolidated Condensed Balance Sheets
	Notional ¹	Fair value	Notional ¹	Fair value	
Derivatives designated as hedges:					
Interest rate swaps	\$ —	\$ —	\$ 250	\$ —	Other non-current assets
Interest rate swaps	250	1	—	—	Other non-current liabilities
Foreign currency forwards	—	—	24	—	Other current assets
Derivatives not designated as hedges:					
Foreign currency forwards	139	3	221	—	Other current assets
Foreign currency forwards	3,064	15	2,816	19	Other current liabilities

¹ Amounts are presented in U.S. dollar equivalents, as applicable.

The Company uses interest rate swaps to manage the interest rate exposure associated with some of its fixed-rate borrowings and designates them as fair value hedges. The Company uses forward starting interest rate swaps to hedge its interest rate exposure of some of its anticipated debt issuances.

The Company utilizes foreign currency forward contracts and other foreign currency derivatives to hedge significant committed and highly probable future transactions and cash flows denominated in currencies other than the functional currency of the Company or its subsidiaries. The Company has significant non-U.S. dollar denominated net investments and uses foreign currency denominated financial instruments, specifically foreign currency derivatives and foreign currency denominated debt, to hedge its foreign currency risk.

Fair value hedges

The Company holds interest rate swaps converting \$250 million of its 5.250% fixed rate notes to a floating interest rate based on the six-month LIBOR in arrears plus a constant spread. All swap termination dates coincide with the notes maturity date, January 15, 2019. These swaps were designated as fair value hedges.

The gains and losses due to changes in fair value on the swaps and on the hedged notes attributable to interest rate risk did not have a material impact on the Company's Financial Statements. The changes in fair value of the Company's debt that was swapped from fixed to variable rate and designated as fair value hedges are included in long-term debt on the Consolidated Condensed Balance Sheets (see note 7, borrowings).

Derivatives not designated as hedges

The Company enters into derivative transactions that are not designated as accounting hedges. These derivative instruments are economic hedges of foreign currency risks. The gains and (losses) due to changes in fair value of these derivative instruments were recognized in earnings as follows (in millions):

		Three months ended November 30,	
		2017	2016
Location in Consolidated Condensed Statements of Earnings			
Foreign currency forwards	Selling, general and administrative expenses	\$ (19)	\$ 50
Foreign currency forwards	Other income	34	1

Derivatives credit risk

Counterparties to derivative financial instruments expose the Company to credit-related losses in the event of counterparty nonperformance, and the Company regularly monitors the credit worthiness of each counterparty.

Derivatives offsetting

The Company does not offset the fair value amounts of derivative instruments subject to master netting agreements in the Consolidated Condensed Balance Sheets.

Note 9. Fair value measurements

The Company measures certain assets and liabilities in accordance with ASC Topic 820, Fair Value Measurements and Disclosures, which defines fair value as the price that would be received for an asset or paid to transfer a liability in an orderly

transaction between market participants on the measurement date. In addition, it establishes a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels:

Level 1 - Quoted prices in active markets that are accessible at the measurement date for identical assets and liabilities. The fair value hierarchy gives the highest priority to level 1 inputs.

Level 2 - Observable inputs other than quoted prices in active markets.

Level 3 - Unobservable inputs for which there is little or no market data available. The fair value hierarchy gives the lowest priority to level 3 inputs.

Assets and liabilities measured at fair value on a recurring basis are as follows (in millions):

	November 30, 2017	Level 1	Level 2	Level 3
Assets :				
Money market funds ¹	\$ 940	\$ 940	\$ —	\$ —
Available-for-sale investments ²	1	1	—	—
Foreign currency forwards ³	3	—	3	—
Liabilities :				
Foreign currency forwards ³	15	—	15	—
Interest rate swaps ⁴	1	—	1	—
	August 31, 2017	Level 1	Level 2	Level 3
Assets :				
Money market funds ¹	\$ 2,096	\$ 2,096	\$ —	\$ —
Available-for-sale investments ²	1	1	—	—
Liabilities :				
Foreign currency forwards ³	19	—	19	—

¹ Money market funds are valued at the closing price reported by the fund sponsor.

² Fair values of quoted investments are based on current bid prices as of the balance sheet dates.

³ The fair value of forward currency contracts are estimated by discounting the difference between the contractual forward price and the current available forward price for the residual maturity of the contract using observable market rates.

⁴ The fair value of interest rate swaps is calculated by discounting the estimated future cash flows based on the applicable observable yield curves. See note 8, financial instruments for additional information.

There were no transfers between levels for the three months ended November 30, 2017 .

The Company reports its debt instruments under the guidance of ASC Topic 825, Financial Instruments, which requires disclosure of the fair value of the Company's debt in the footnotes to the consolidated financial statements. Unless otherwise noted, the fair value for all notes was determined based upon quoted market prices and therefore categorized as level 1. See note 7, borrowings for further information. The carrying values of accounts receivable and trade accounts payable approximated their respective fair values due to their short-term nature.

Note 10. Commitments and contingencies

The Company is involved in legal proceedings and is subject to investigations, inspections, audits, inquiries and similar actions by governmental authorities, arising in the normal course of the Company's business, including the matters described below. Legal proceedings, in general, and securities and class action litigation, in particular, can be expensive and disruptive. Some of these suits may purport or may be determined to be class actions and/or involve parties seeking large and/or indeterminate amounts, including punitive or exemplary damages, and may remain unresolved for several years. From time to time, the Company is also involved in legal proceedings as a plaintiff involving antitrust, tax, contract, intellectual property and other matters. Gain contingencies, if any, are recognized when they are realized. The results of legal proceedings are often uncertain and difficult to predict, and the costs incurred in litigation can be substantial, regardless of the outcome. The Company believes that its defenses and assertions in pending legal proceedings have merit, and does not believe that any of these pending matters, after consideration of applicable reserves and rights to indemnification, will have a material adverse effect on the Company's consolidated financial position. However, substantial unanticipated verdicts, fines and rulings do sometimes occur. As a result, the Company could from time to time incur judgments, enter into settlements or revise its expectations regarding the outcome

of certain matters, and such developments could have a material adverse effect on its results of operations in the period in which the amounts are accrued and/or its cash flows in the period in which the amounts are paid.

On a quarterly basis, the Company assesses its liabilities and contingencies for outstanding legal proceedings and reserves are established on a case-by-case basis for those legal claims for which management concludes that it is probable that a loss will be incurred and that the amount of such loss can be reasonably estimated. Substantially all of these contingencies are subject to significant uncertainties and, therefore, determining the likelihood of a loss and/or the measurement of any loss can be complex. With respect to litigation and other legal proceedings where the Company has determined that a loss is reasonably possible, the Company is unable to estimate the amount or range of reasonably possible loss due to the inherent difficulty of predicting the outcome of and uncertainties regarding such litigation and legal proceedings. The Company's assessments are based on estimates and assumptions that have been deemed reasonable by management, but that may prove to be incomplete or inaccurate, and unanticipated events and circumstances may occur that might cause the Company to change those estimates and assumptions. Therefore, it is possible that an unfavorable resolution of one or more pending litigation or other contingencies could have a material adverse effect on the Company's consolidated financial statements in a future fiscal period. Management's assessment of current litigation and other legal proceedings, including the corresponding accruals, could change because of the discovery of facts with respect to legal actions or other proceedings pending against the Company which are not presently known. Adverse rulings or determinations by judges, juries, governmental authorities or other parties could also result in changes to management's assessment of current liabilities and contingencies. Accordingly, the ultimate costs of resolving these claims may be substantially higher or lower than the amounts reserved.

On December 29, 2014, a putative shareholder filed a derivative action in federal court in the Northern District of Illinois against certain current and former directors and officers of Walgreen Co., and Walgreen Co. as a nominal defendant, arising out of certain public statements the Company made regarding its former fiscal 2016 goals. The action asserts claims for breach of fiduciary duty, waste and unjust enrichment. On April 10, 2015, the defendants filed a motion to dismiss. On May 18, 2015, the case was stayed in light of a securities class action that was filed on April 10, 2015. After a ruling issued on September 30, 2016 in the securities class action, which is described below, on November 3, 2016, the Court entered a stipulation and order extending the stay until the securities case is fully resolved.

On April 10, 2015, a putative shareholder filed a securities class action in federal court in the Northern District of Illinois against Walgreen Co. and certain former officers of Walgreen Co. The action asserts claims for violation of the federal securities laws arising out of certain public statements the Company made regarding its former fiscal 2016 goals. On June 16, 2015, the Court entered an order appointing a lead plaintiff. Pursuant to the Court's order, lead plaintiff filed an amended complaint on August 17, 2015, and defendants moved to dismiss the amended complaint on October 16, 2015. Lead plaintiff filed a response to the motion to dismiss on December 22, 2015, and defendants filed a reply in support of the motion on February 5, 2016. On September 30, 2016, the Court issued an order granting in part and denying in part defendants' motion to dismiss. Defendants filed their answer to the amended complaint on November 4, 2016 and filed an amended answer on January 16, 2017. Plaintiffs filed their motion for class certification on April 21, 2017.

As of August 31, 2017, the Company was aware of two putative class action lawsuits filed by purported Rite Aid stockholders against Rite Aid and its board of directors, Walgreens Boots Alliance and Victoria Merger Sub, Inc. for claims arising out of the transactions contemplated by the original Merger Agreement (prior to its amendment on January 29, 2017) (such transactions, the "Rite Aid Transactions"). One Rite Aid action was filed in the State of Pennsylvania in the Court of Common Pleas of Cumberland County (the "Pennsylvania action"), and one action was filed in the United States District Court for the Middle District of Pennsylvania (the "federal action"). The Pennsylvania action primarily alleged that the Rite Aid board of directors breached its fiduciary duties in connection with the Rite Aid Transactions by, among other things, agreeing to an unfair and inadequate price, agreeing to deal protection devices that preclude other bidders from making successful competing offers for Rite Aid, and failing to disclose all allegedly material information concerning the proposed merger, and also alleged that Walgreens Boots Alliance and Victoria Merger Sub, Inc. aided and abetted these alleged breaches of fiduciary duty. The federal action alleged, among other things, that Rite Aid and its board of directors disseminated an allegedly false and misleading proxy statement in connection with the Rite Aid Transactions. The plaintiffs in the federal action also filed a motion for preliminary injunction seeking to enjoin the Rite Aid shareholder vote relating to the Rite Aid Transactions. That motion was denied and plaintiffs agreed to stay the litigation until after the Rite Aid Transactions closed. On March 17, 2017, plaintiffs moved to lift the stay to allow plaintiffs to file an amended complaint. On August 4, 2017, that motion was granted for the limited purpose of allowing plaintiffs to file a motion seeking leave to amend their complaint in light of the termination of the Merger Agreement. Plaintiffs filed such a motion on September 22, 2017. The Company filed its response on October 6, 2017. The Court granted the motion on November 27, 2017, ordering the plaintiffs to file their amended complaint within 10 business days. Plaintiffs filed their amended complaint on December 11, 2017. The Court set a briefing schedule pursuant to which motions to dismiss will be filed by February 16, 2018, response briefs by April 17, 2018 and reply briefs by May 17, 2018.

The Company was also named as a defendant in eight putative class action lawsuits filed in the Court of Chancery of the State of Delaware (the “Delaware actions”). Those actions were consolidated, and plaintiffs filed a motion for preliminary injunction seeking to enjoin the Rite Aid shareholder vote relating to the Rite Aid Transactions. That motion was denied and the plaintiffs in the Delaware actions agreed to settle this matter for an immaterial amount. The Delaware actions all have been dismissed.

Note 11. Retirement benefits

The Company sponsors several retirement plans, including defined benefit plans, defined contribution plans and a postretirement health plan.

Defined benefit pension plans (non-U.S. plans)

The Company has various defined benefit pension plans outside the United States. The principal defined benefit pension plan is the Boots Pension Plan, which covers certain employees in the United Kingdom (the “Boots Plan”). The Boots Plan is a funded final salary defined benefit plan providing pensions and death benefits to members. The Boots Plan was closed to future accrual effective July 1, 2010, with pensions calculated based on salaries up until that date. The Boots Plan is governed by a trustee board, which is independent of the Company. The plan is subject to a full funding actuarial valuation on a triennial basis.

Components of net periodic pension costs for the defined benefit pension plans (in millions):

	Three months ended November 30,	
	2017	2016
Service costs	\$ 2	\$ 2
Interest costs	47	43
Expected returns on plan assets	(51)	(37)
Total net periodic pension costs	\$ (2)	\$ 8

The Company made cash contributions to its defined benefit pension plans of \$9 million for the three months ended November 30, 2017, which primarily related to committed funded payments. The Company plans to contribute an additional \$50 million to its defined benefit pension plans in fiscal 2018.

Defined contribution plans

The principal retirement plan for U.S. employees is the Walgreen Profit-Sharing Retirement Trust, to which both the Company and participating employees contribute. The Company’s contribution is in the form of a guaranteed match which is approved annually by the Walgreen Co. Board of Directors and reviewed by the Compensation Committee and Finance Committee of the Walgreens Boots Alliance Board of Directors. The profit-sharing provision was an expense of \$57 million for the three months ended November 30, 2017 and November 30, 2016.

The Company also has certain contract based defined contribution arrangements. The principal one is the Alliance Healthcare & Boots Retirement Savings Plan, which is United Kingdom based and to which both the Company and participating employees contribute. The cost recognized in the Consolidated Condensed Statements of Earnings for the three months ended November 30, 2017 was \$30 million compared to a cost of \$28 million in the three months ended November 30, 2016.

Note 12. Earnings per share

The dilutive effect of outstanding stock options on earnings per share is calculated using the treasury stock method. Stock options are anti-dilutive and excluded from the earnings per share calculation if the exercise price exceeds the average market price of the common shares. There were 7.6 million outstanding options to purchase common shares that were anti-dilutive and excluded from the first quarter earnings per share calculation as of November 30, 2017 compared to 4.0 million as of November 30, 2016.

Note 13. Depreciation and amortization

The Company has recorded the following depreciation and amortization expense in the Consolidated Condensed Statements of Earnings (in millions):

	Three months ended November 30,	
	2017	2016
Depreciation expense	\$ 335	\$ 335
Intangible asset and other amortization	81	84
Total depreciation and amortization expense	\$ 416	\$ 419

Note 14. Supplemental financial information

The effective tax rate for the three months ended November 30, 2017 was 21.9% compared to 17.3% for the prior year period. The increase in effective tax rate was primarily attributable to reduced discrete tax benefits in the current period. During the three months ended November 30, 2016, we recognized a discrete tax benefit of \$77 million related to reducing our deferred tax liabilities, following enactment of a U.K. tax rate reduction. This benefit did not recur during the three months ended November 30, 2017. The impact of this non-recurrence was partly offset by additional net discrete tax benefits for the three months ended November 30, 2017, primarily related to our equity method investment in AmerisourceBergen. Cash paid for income taxes was \$45 million and \$63 million in the three months ended November 30, 2017 and 2016, respectively.

Interest paid was \$217 million and \$246 million for the three months ended November 30, 2017 and 2016, respectively.

Note 16. Segment reporting

The Company has aligned its operations into three reportable segments: Retail Pharmacy USA, Retail Pharmacy International, and Pharmaceutical Wholesale. The operating segments have been identified based on the financial data utilized by the Company's Chief Executive Officer (the chief operating decision maker) to assess segment performance and allocate resources among the Company's operating segments, which have been aggregated as described below. The chief operating decision maker uses adjusted operating income to assess segment profitability. The chief operating decision maker does not use total assets by segment to make decisions regarding resources, therefore the total asset disclosure by segment has not been included.

- The Retail Pharmacy USA segment consists of the Walgreens business, which includes the operation of retail drugstores and convenient care clinics; and operation of mail and central specialty pharmacy services. Sales for the segment are principally derived from the sale of prescription drugs and a wide assortment of retail products, including health and wellness, beauty, personal care and consumables and general merchandise.
- The Retail Pharmacy International segment consists of pharmacy-led health and beauty retail businesses and optical practices. These businesses include Boots branded stores in the United Kingdom, Thailand, Norway, the Republic of Ireland and the Netherlands; Benavides in Mexico and Ahumada in Chile. Sales for the segment are principally derived from the sale of prescription drugs and health and wellness, beauty, personal care and other consumer products.
- The Pharmaceutical Wholesale segment consists of the Alliance Healthcare pharmaceutical wholesaling and distribution businesses and an equity method investment in AmerisourceBergen. Wholesale operations are located in the United Kingdom, Germany, France, Turkey, Spain, the Netherlands, Egypt, Norway, Romania, Czech Republic and Lithuania. Sales for the segment are principally derived from wholesaling and distribution of a comprehensive offering of brand-name pharmaceuticals (including specialty pharmaceutical products) and generic pharmaceuticals, health and beauty products, home healthcare supplies and equipment, and related services to pharmacies and other healthcare providers.

The results of operations for each reportable segment include procurement benefits and an allocation of corporate-related overhead costs. The “Eliminations” column contains items not allocable to the reportable segments, as the information is not utilized by the chief operating decision maker to assess segment performance and allocate resources.

The following table reflects results of operations of the Company’s reportable segments (in millions):

Note 18. New accounting pronouncements

Adoption of new accounting pronouncements

Measurement of inventory

In July 2015, the Financial Accounting Standards Board (“FASB”) issued Accounting Standards Update (“ASU”) 2015-11, Inventory (Topic 330): Simplifying the Measurement of Inventory. This ASU simplifies current accounting treatments by requiring entities to measure most inventories at “the lower of cost and net realizable value” rather than using lower of cost or market. This guidance does not apply to inventories measured using last-in, first-out method or the retail inventory method. This ASU is effective for fiscal years beginning after December 15, 2016 (fiscal 2018), and interim periods within those fiscal years. The Company adopted this guidance on a prospective basis during the quarter ended November 30, 2017. The adoption did not have a material impact on the Company’s results of operations, cash flows or financial position.

New accounting pronouncements not yet adopted

Accounting for hedging activities

In August 2017, the FASB issued ASU 2017-12, Derivative and Hedging (Topic 815): Targeted Improvements to Accounting for Hedging Activities. This ASU expands an entity's ability to hedge nonfinancial and financial risk components and reduces complexity in fair value hedges of interest rate risk. It eliminates the requirement to separately measure and report hedge ineffectiveness and generally requires the entire change in the fair value of a hedging instrument to be presented in the same income statement line as the hedged item. It also eases certain documentation and assessment requirements and modifies the accounting for components excluded from the assessment of hedge effectiveness. This ASU is effective for fiscal years beginning after December 15, 2018 (fiscal 2020), and interim periods within those fiscal years, with early adoption permitted. The new guidance with respect to cash flow and net investment hedge relationships existing on the date of adoption must be applied on a modified retrospective basis, and the new presentation and disclosure requirements must be applied on a prospective basis. The adoption of this ASU is not expected to have a significant impact on Company's results of operations, cash flows or financial position.

Presentation of net periodic pension cost and net periodic postretirement benefit cost

In March 2017, the FASB issued ASU 2017-07, Compensation – Retirement Benefits (Topic 715): Improving the Presentation of Net Periodic Pension Cost and Net Periodic Postretirement Benefit Cost. This ASU requires an employer to report the service cost component of net periodic pension cost and net periodic postretirement cost in the same line item in the statement of earnings as other compensation costs arising from services rendered by the related employees during the period. The other net cost components are required to be presented in the statement of earnings separately from the service cost component and outside a subtotal of income from operations. Additionally, the line item used in the statement of earnings to present the other net cost components must be disclosed in the notes to the financial statements. This ASU is effective for fiscal years beginning after December 15, 2017 (fiscal 2019), and interim periods within those fiscal years, and must be applied on a retrospective basis. The Company has evaluated the effect of adopting this new accounting guidance and determined that adoption will not have a material impact on the Company's results of operations. The Company will adopt this new accounting guidance as of September 1, 2018 (fiscal 2019).

Restricted cash

In November 2016, the FASB issued ASU 2016-18, Statement of Cash Flows (Topic 230): Restricted Cash. This ASU requires that a statement of cash flows explain the change during the period in the total of cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash and restricted cash equivalents should be included with cash and cash equivalents when reconciling the beginning-of-period and end-of-period total amounts shown on the statement of cash flows. This ASU is effective for fiscal years beginning after December 15, 2017 (fiscal 2019), and interim periods within those fiscal years, with early adoption permitted. The new guidance must be applied on a retrospective basis. The adoption of this ASU is not expected to have a significant impact on Company's consolidated statement of cash flows.

Tax accounting for intra-entity asset transfers

In October 2016, the FASB issued ASU 2016-16, Income Taxes (Topic 740): Intra-Entity Transfers of Assets Other Than Inventory. Topic 740, Income Taxes, prohibits the recognition of current and deferred income taxes for an intra-entity asset transfer until the asset has been sold to an outside party. In addition, interpretations of this guidance have developed in practice for transfers of certain intangible and tangible assets. This prohibition on recognition is an exception to the principle of comprehensive recognition of current and deferred income taxes in GAAP. To more faithfully represent the economics of intra-entity asset transfers, the amendments in this ASU require that entities recognize the income tax consequences of an intra-entity transfer of an asset other than inventory when the transfer occurs. The amendments in this ASU do not change GAAP for the pre-tax effects of an intra-entity asset transfer under Topic 810, Consolidation, or for an intra-entity transfer of inventory. This ASU is effective for fiscal years beginning after December 15, 2017 (fiscal 2019), including interim periods within those fiscal years, with early adoption permitted. The new guidance must be applied on a modified retrospective basis through a cumulative effect adjustment recognized directly to retained earnings as of the date of adoption. The Company is evaluating the effect of adopting this new accounting guidance.

Classification of certain cash receipts and cash payments

In August 2016, the FASB issued ASU 2016-15, Statement of Cash Flows (Topic 230): Classification of Certain Cash Receipts and Cash Payments. This ASU addresses the classification of certain specific cash flow issues including debt prepayment or extinguishment costs, settlement of certain debt instruments, contingent consideration payments made after a business combination, proceeds from the settlement of certain insurance claims and distributions received from equity method investees. This ASU is effective for fiscal years beginning after December 15, 2017 (fiscal 2019), and interim periods within those fiscal years, with early adoption permitted. An entity that elects early adoption must adopt all of the amendments in the same period and the new guidance must be applied on a retrospective basis. The Company is evaluating the effect this ASU will have on its consolidated statement of cash flows.

Leases

In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842), which supersedes Topic 840, Leases. This ASU increases the transparency and comparability of organizations by requiring the capitalization of substantially all leases on the balance sheet and disclosures of key information about leasing arrangements. Under this new guidance, at the lease commencement date, a lessee recognizes a right-of-use asset and lease liability, which is initially measured at the present value of the future lease payments. For income statement purposes, a dual model was retained for lessees, requiring leases to be classified as either operating or finance leases. Under the operating lease model, lease expense is recognized on a straight-line basis over the lease term. Under the finance lease model, interest on the lease liability is recognized separately from amortization of the right-of-use asset. The new guidance is effective for fiscal years beginning after December 15, 2018 (fiscal 2020), and interim periods within those fiscal years. In transition, lessees are required to recognize and measure leases at the beginning of the earliest period presented (fiscal 2018) using a modified retrospective approach which includes a number of optional practical expedients that entities may elect to apply.

The Company will adopt this ASU on September 1, 2019 (fiscal 2020). The Company has begun evaluating and planning for adoption and implementation of this ASU, including selecting a new lease accounting system, evaluating practical expedient and accounting policy elections, and assessing the overall financial statement impact. This ASU will have a material impact on the Company's financial position. The impact on the Company's results of operations is being evaluated. The impact of this ASU is non-cash in nature and will not affect the Company's cash flows.

Classification and measurement of financial instruments

In January 2016, the FASB issued ASU 2016-01, Financial Instruments – Overall (Subtopic 825-10): Recognition and Measurement of Financial Assets and Financial Liabilities. This ASU requires equity investments (except those under the equity method of accounting or those that result in the consolidation of an investee) to be measured at fair value with changes in fair value recognized in net income. However, an entity may choose to measure equity investments that do not have readily determinable fair values at cost minus impairment, if any, plus or minus changes resulting from observable price changes in orderly transactions for the identical or a similar investment of the same issuer. This simplifies the impairment assessment of equity investments previous held at cost. Separate presentation of financial assets and liabilities by measurement category is required. This ASU is effective prospectively for fiscal years beginning after December 15, 2017 (fiscal 2019), and interim periods within those fiscal years. Early application is permitted, for fiscal years or interim periods that have not yet been issued as of the beginning of the fiscal year of adoption. The new guidance must be applied on a modified retrospective basis, with the exception of the amendments related to equity investments without readily determinable fair values, which must be applied on a prospective basis. The Company is evaluating the effect of adopting this new accounting guidance but does not expect adoption to have a material impact on the Company's results of operations.

Revenue recognition on contracts with customers

In May 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers (Topic 606). This ASU provides a single principles-based revenue recognition model with a five-step analysis of transactions to determine when and how revenue is recognized. The core principle is that a company should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Subsequently, the FASB has issued additional ASUs which further clarify this guidance and also defer the effective date by one year to fiscal years beginning after December 15, 2017 (fiscal 2019), and interim periods within those fiscal years. The Company continues to evaluate the impact this ASU, the related amendments and the interpretive guidance will have on the Company's Consolidated Financial Statements. The Company continues to evaluate the method of adoption. Based on preliminary assessment, the Company believes the impact of adopting the new guidance will not be material to its consolidated financial statements, and that the impact will be limited to immaterial changes to the timing of recognition of revenues related to loyalty programs and gift cards, in addition to disaggregated revenue disclosures. The Company will adopt this ASU on September 1, 2018 (fiscal 2019).

Note 19. Subsequent event

On December 22, 2017, U.S. tax legislation was enacted that made significant changes to many elements of the U.S. federal Internal Revenue Code. Due to the recent enactment of this tax legislation and expected further rulemaking and future regulatory guidance, a comprehensive estimate of the overall tax impact to the Company's financial position, results of operations and cash flows cannot be made at this time. However, at this time, the Company does anticipate this tax legislation will result in a discrete tax impact related to revaluing the Company's U.S. federal deferred tax assets and liabilities, a discrete tax impact associated with including incremental earnings from the Company's non-U.S. entities in its U.S. federal income tax base and a change to the Company's fiscal 2018 estimated annual tax rate due to the statutory corporate tax rate reduction. These changes will impact Deferred income tax and Other non-current liabilities in the Consolidated Condensed Balance Sheet.

Item 2. Management's discussion and analysis of financial condition and results of operations

The following discussion and analysis of our financial condition and results of operations should be read together with the financial statements and the related notes included elsewhere herein and the consolidated financial statements, accompanying notes and Management's discussion and analysis of financial condition and results of operations and other disclosures contained in the Walgreens Boots Alliance, Inc. Annual Report on Form 10-K for the fiscal year ended August 31, 2017. This discussion contains forward-looking statements that involve risks and uncertainties. Our actual results may differ materially from those discussed in forward-looking statements. Factors that might cause a difference include, but are not limited to, those discussed under "Cautionary note regarding forward-looking statements" and in Item 1A "Risk factors" in our Form 10-K for the fiscal year ended August 31, 2017 and in Item 1A "Risk factors" in this report. INTRODUCTION AND SEGMENTS

Walgreens Boots Alliance, Inc. ("Walgreens Boots Alliance") and its subsidiaries are a global pharmacy-led health and wellbeing enterprise. Its operations are conducted through three reportable segments:

- Retail Pharmacy USA;
- Retail Pharmacy International; and
- Pharmaceutical Wholesale

See note 16, segment reporting for further information.

Acquisition of certain Rite Aid Corporation ("Rite Aid") assets

On September 19, 2017, the Company announced it had secured regulatory clearance for an amended and restated asset purchase agreement to purchase 1,932 stores, three distribution centers and related inventory from Rite Aid for \$4.375 billion in cash and other consideration. As of December 31, 2017, the Company had acquired 357 Rite Aid stores. The Company expects ownership of the remaining stores to be transferred in phases, with the goal being to complete the store transfers in spring 2018. These transfers remain subject to closing conditions set forth in the amended and restated asset purchase agreement.

The Company expects to complete integration of the acquired stores and related assets by the end of fiscal 2020, at an estimated total cost of approximately \$750 million, which is reported as acquisition-related costs. In addition, the Company plans to spend approximately \$500 million of capital on store conversions and related activities.

The Company expects to realize annual synergies from the transaction of more than \$300 million, which are expected to be fully realized within four years of the initial closing of this transaction and derived primarily from procurement, cost savings and other operational matters.

The amounts and timing of all estimates are subject to change until finalized. The actual amounts and timing may vary materially based on various factors. See "cautionary note regarding forward-looking statements" below.

RECENT DEVELOPMENTS

Investment in Chinese Pharmacy Chain GuoDa

On December 6, 2017 the Company announced that it had reached an agreement with China National Accord Medicines Corporation Ltd. to become an investor in its subsidiary Sinopharm Holding Guoda Drugstores Co., Ltd. ("GuoDa"), a leading retail pharmacy chain in China.

Following a public tender process, the Company's bid met all the requirements set by the seller to acquire a 40 percent equity interest in GuoDa through a capital increase worth approximately \$416 million. The transaction is subject to regulatory review and approval, and other customary closing conditions. Upon completion, the Company will account for this equity investment using the equity method of accounting.

Recent U.S. tax legislation

On December 22, 2017, U.S. tax legislation was enacted that made significant changes to many elements of the U.S. federal Internal Revenue Code. Due to the recent enactment of this tax legislation and expected further rulemaking and future regulatory guidance, a comprehensive estimate of the overall tax impact to the Company's financial position, results of operations and cash flows cannot be made at this time. However, at this time, the Company does anticipate this tax legislation will result in a discrete tax impact related to revaluing the Company's U.S. federal deferred tax assets and liabilities, a discrete tax impact associated with including incremental earnings from the Company's non-U.S. entities in its U.S. federal income tax base and a change to the Company's fiscal 2018 estimated annual tax rate due to the statutory corporate tax rate reduction. These changes will impact Deferred income tax and Other non-current liabilities in the Consolidated Condensed Balance Sheet.

See note 19, “subsequent event” above and “cautionary note regarding forward-looking statements” and Item 1A “Risk factors” below.

EXIT AND DISPOSAL ACTIVITIES

Store Optimization Program

On October 24, 2017, the Company’s Board of Directors approved a plan to implement a program (the “Store Optimization Program”) as part of an initiative to optimize store locations within the Company’s Retail Pharmacy USA segment upon completion of the acquisition of certain stores and related assets from Rite Aid. The Store Optimization Program includes plans to close approximately 600 stores and related assets across the U.S. and is expected to result in cost savings of \$300 million per year to be delivered by the end of fiscal 2020. The actions under the Store Optimization Program are expected to take place over an 18 month period beginning in spring 2018.

The Company currently estimates that it will recognize cumulative pre-tax charges to its GAAP financial results of approximately \$450 million, including costs associated with lease obligations and other real estate costs, employee severance and other exit costs. The Company expects to incur pre-tax charges of approximately \$270 million for lease obligations and other real estate costs and approximately \$180 million for employee severance and other exit costs. The Company estimates that substantially all of these cumulative pre-tax charges will result in future cash expenditures.

As the Store Optimization Program is implemented, charges will be recognized as the costs are incurred over time in accordance with GAAP. The Company intends to treat charges related to the Store Optimization Program as special items impacting comparability of results in its quarterly earnings disclosures.

The amounts and timing of all estimates are subject to change until finalized. The actual amounts and timing may vary materially based on various factors. See “cautionary note regarding forward-looking statements” below.

As of November 30, 2017, the Company can acquire up to an additional 8,398,752 AmerisourceBergen shares in the open market and thereafter designate another member of AmerisourceBergen’s board of directors, subject in each case to applicable legal and contractual requirements. The amount of permitted open market purchases is subject to increase or decrease in certain circumstances.

Effective March 18, 2016, the Company began accounting for the investment in AmerisourceBergen using the equity method of accounting, subject to a two-month reporting lag, with the net earnings attributable to the investment being classified within the operating income of the Pharmaceutical Wholesale segment. See note 4, equity method investments, to the Consolidated Condensed Financial Statements for further information.

WALGREENS BOOTS ALLIANCE RESULTS OF OPERATIONS

Net earnings attributable to Walgreens Boots Alliance for the three months ended November 30, 2017 decreased 22.1% to \$821 million, while diluted net earnings per share decreased 16.5% to \$0.81 compared with the prior year period. The decreases were mainly due to impairment of the Company's equity method investment in Guangzhou Pharmaceuticals Corporation (“Guangzhou Pharmaceuticals”). In addition, the decreases in net earnings reflect a loss from the Company's equity earnings in AmerisourceBergen in the current period and benefits from the U.K. tax rate reduction recorded in the comparable prior year period.

Other income (expense) for the three months ended November 30, 2017 was an expense of \$137 million as compared to an income of \$1 million in the comparable prior year period, which primarily reflects impairment of the Company's equity method investment in Guangzhou Pharmaceuticals.

Interest was a net expense of \$149 million and \$173 million for the three months ended November 30, 2017 and 2016, respectively. The decrease mainly reflects lower borrowings.

The effective tax rate for the three months ended November 30, 2017 was 21.9% compared to 17.3% for the prior year period. The increase in effective tax rate was primarily attributable to reduced discrete tax benefits in the current period. During the three months ended November 30, 2016, we recognized a discrete tax benefit of \$77 million related to reducing our deferred tax liabilities, following enactment of a U.K. tax rate reduction. This benefit did not recur during the three months ended November 30, 2017. The impact of this non-recurrence was partly offset by additional net discrete tax benefits for the three months ended November 30, 2017, primarily related to our equity method investment in AmerisourceBergen.

Adjusted diluted net earnings per share (Non-GAAP measure)

Adjusted net earnings attributable to Walgreens Boots Alliance for the three months ended November 30, 2017 increased 7.8% to \$1.3 billion, compared with the year-ago quarter. Adjusted diluted net earnings per share increased 16.4% to \$1.28, compared with the year-ago quarter. Adjusted net earnings and adjusted diluted net earnings per share were positively impacted by 0.6 percentage points and 0.9 percentage points, respectively, due to currency translation.

Excluding the impact of currency translation, the increase in adjusted net earnings and adjusted diluted net earnings per share for the three months ended November 30, 2017 was primarily due to an increase in sales and a reduction in selling, general and administrative expenses as a percentage of sales partially offset by lower gross margin.

Adjusted diluted net earnings per share for the three months ended November 30, 2017 also benefited from a lower number of shares in issue as a result of the stock repurchase programs described below. See “--Non-GAAP Measures” below for a reconciliation to the most directly comparable GAAP measure.

² Includes immunizations.

³ Includes the adjustment to convert prescriptions greater than 84 days to the equivalent of three 30-day prescriptions. This adjustment reflects the fact that these prescriptions include approximately three times the amount of product days supplied compared to a normal prescription.

⁴ Comparable stores are defined as those that have been open for at least twelve consecutive months without closure for seven or more consecutive days and without a major remodel or subject to a natural disaster in the past twelve months. Relocated and acquired stores are not included as comparable stores for the first twelve months after the relocation or acquisition. The method of calculating comparable sales varies across the industries in which we operate. As a result, our method of calculating comparable sales may not be the same as other companies' methods.

Sales for the three months ended November 30, 2017 and 2016

Retail Pharmacy USA division's sales for the three months ended November 30, 2017 increased by 8.9% to \$22.5 billion. Sales in comparable stores increased 4.7% compared with the year-ago quarter.

Pharmacy sales increased by 14.1% for the three months ended November 30, 2017 and represented 72.4% of the division's sales. The increase in the current quarter is mainly due to higher prescription volumes including mail and central specialty following the formation of AllianceRx Walgreens Prime. In the year-ago quarter, pharmacy sales increased 2.5% and represented 69.1% of the division's sales. Comparable pharmacy sales increased 7.4% for the three months ended November 30, 2017, compared to an increase of 2.0% in the year-ago quarter, primarily due to strong volume growth from Medicare Part D and volume growth from previously announced strategic pharmacy partnerships. The effect of generic drugs, which have a lower retail price, replacing brand name drugs reduced prescription sales by 2.0% in the three months ended November 30, 2017 compared to a reduction of 2.2% in the year-ago quarter. On division sales, this effect was a reduction of 1.2% for the three months ended November 30, 2017 compared to a reduction of 1.3% for the year-ago quarter. The total number of prescriptions (including immunizations) filled for the three months ended November 30, 2017 was 196.4 million compared to 187.2 million in the year-ago quarter. Prescriptions (including immunizations) filled adjusted to 30-day equivalents were 260.2 million in the three months ended November 30, 2017 compared to 237.6 million in the year-ago quarter.

[Table of Contents](#)

Retail sales decreased 2.8% for the three months ended November 30, 2017 and were 27.6% of the division's sales. In the year-ago quarter, retail sales decreased 0.9% and represented 30.9% of the division's sales. The decrease in the current quarter reflects the impact of recent store closures, the impact of the previously announced closure of certain e-commerce operations and loss of sales as a result of the hurricanes in the U.S. and Puerto Rico. Comparable retail sales decreased 0.9% in the three months ended November 30, 2017 compared to a decrease of 0.5% in the year-ago quarter. The decrease in comparable retail sales growth in the current period was due to declines in the consumables and general merchandise category and in the personal care category, partially offset by growth in the health and wellness category and in the beauty category.

Operating income for the three months ended November 30, 2017 and 2016

Retail Pharmacy USA division's operating income for the three months ended November 30, 2017 increased 1.9% to \$1.1 billion. The increase was primarily due to higher pharmacy sales, and a reduction in selling, general and administrative expenses as a percentage of sales, partially offset by lower gross margin.

Gross margin was 24.9% for the three months ended November 30, 2017 compared to 26.3% in the year-ago quarter. Pharmacy margins in the current period were negatively impacted by lower third-party reimbursements and a higher mix of specialty sales. The decrease in pharmacy margins were partially offset by the favorable impact of procurement efficiencies. Retail margins were positively impacted in the current period primarily due to underlying margin improvement from changes to promotions and improved mix.

Selling, general and administrative expenses as a percentage of sales were 19.9% in the three months ended November 30, 2017 compared to 21.0% in the year-ago quarter. Expenses as a percentage of sales were lower in the current period primarily due to sales mix and higher sales.

Adjusted operating income (Non-GAAP measure) for the three months ended November 30, 2017 and 2016

Retail Pharmacy USA division's adjusted operating income for the three months ended November 30, 2017 increased 6.8% to \$1.4 billion. The increase was primarily due to higher pharmacy sales, and a reduction in selling, general and administrative expenses as a percentage of sales, partially offset by lower gross margin. See "--Non-GAAP Measures" below for a reconciliation to the most directly comparable GAAP measure.

LIQUIDITY AND CAPITAL RESOURCES

Cash and cash equivalents were \$1.8 billion (including \$1.1 billion in non-U.S. jurisdictions) as of November 30, 2017, compared to \$9.6 billion (including \$1.8 billion in non-U.S. jurisdictions) at November 30, 2016. Short-term investment objectives are primarily to minimize risk and maintain liquidity. To attain these objectives, investment limits are placed on the

amount, type and issuer of securities. Investments are principally in U.S. Treasury money market funds and AAA-rated money market funds.

Our long-term capital policy is to maintain a strong balance sheet and financial flexibility; reinvest in our core strategies; invest in strategic opportunities that reinforce our core strategies and meet return requirements; and return surplus cash flow to stockholders in the form of dividends and share repurchases over the long term.

Cash provided by operations and the issuance of debt are the principal sources of funds for expansion, investments, acquisitions, remodeling programs, dividends to shareholders and stock repurchases. Net cash provided by operating activities for the three months ended November 30, 2017 was \$961 million, compared to \$525 million for the year-ago period. The increase in cash provided by operating activities was primarily due to lower cash outflows from changes in inventories, higher cash inflows from trade accounts payables, lower cash outflows from accrued expenses and other liabilities partially offset by higher cash outflows from accounts receivable. Decreases in cash outflows on inventories resulted primarily from Retail Pharmacy USA inventory management initiatives related to simplified retail product offering, promotional efficiencies and lower brand name drug inflation. Changes in trade accounts payable, accrued expenses and other liabilities, and accounts receivables is mainly driven by timing of payments and collections.

Net cash used for investing activities was \$599 million for the three months ended November 30, 2017, compared to \$89 million provided by in the year-ago period. Business acquisitions in the three months ended November 30, 2017 were \$265 million compared to \$15 million for the year-ago period.

For the three months ended November 30, 2017 and for the year-ago period, additions to property, plant and equipment were \$378 million. Capital expenditures by reporting segment were as follows:

	Three months ended November 30,	
	2017	2016
Retail Pharmacy USA	\$ 281	\$ 230
Retail Pharmacy International	71	119
Pharmaceutical Wholesale	26	29
Total	\$ 378	\$ 378

Significant capital expenditures primarily relate to investments in our stores and information technology projects.

Additionally, investing activities for the three months ended November 30, 2017 did not include any proceeds related to sale-leaseback transactions, compared to \$436 million of proceeds in the year-ago period.

Net cash used for financing activities for the three months ended November 30, 2017 was \$1.9 billion, compared to net cash used of \$778 million in the year-ago period. For the three months ended November 30, 2017 we completed \$2.5 billion of share repurchases comprised of \$2.2 billion of repurchases under the June 2017 stock repurchase program described below and \$289 million of repurchases to support the needs of employee stock plans. We completed \$457 million of share repurchases during the three months ended November 30, 2016. Proceeds related to employee stock plans were \$32 million during the three months ended November 30, 2017, compared to \$41 million for the three months ended November 30, 2016. Cash dividends paid were \$413 million during the three months ended November 30, 2017, compared to \$406 million for the same period a year ago. We currently intend to continue to maintain a long-term dividend payout ratio target of approximately 30 to 35 percent of adjusted net earnings attributable to Walgreens Boots Alliance.

Stock repurchase programs

In April 2017, Walgreens Boots Alliance authorized a stock repurchase program (the "April 2017 stock repurchase program"), which authorized the repurchase of up to \$1.0 billion of Walgreens Boots Alliance common stock prior to the program's expiration on December 31, 2017. In May 2017, the Company completed the April 2017 stock repurchase program, purchasing 11.8 million shares. In June 2017, Walgreens Boots Alliance authorized a new stock repurchase program, which authorized the repurchase of up to \$5.0 billion of Walgreens Boots Alliance common stock prior to the program's expiration on August 31, 2018, which authorization was increased by an additional \$1.0 billion in October 2017 (as expanded, the "June 2017 stock repurchase program"). During fiscal 2017, the Company purchased 47.2 million shares at a total cost of \$ 3.8 billion under the June 2017 stock repurchase program. During the three months ended November 30, 2017, the Company purchased 30.3 million shares at a total cost of \$2.2 billion, which completed the June 2017 stock repurchase program. We determine the timing and amount of repurchases, including repurchases to offset anticipated dilution from equity incentive plans, based on our assessment of various factors, including prevailing market conditions, alternate uses of capital, liquidity and the economic

environment. We have repurchased, and may from time to time in the future repurchase, shares on the open market through Rule 10b5-1 plans, which enable us to repurchase shares at times when we otherwise might be precluded from doing so under insider trading laws.

Commercial paper

The Company periodically borrows under its commercial paper program and may continue to borrow under it in future periods. The Company had \$990 million commercial paper borrowings outstanding as of November 30, 2017 and there were no commercial paper borrowings outstanding as of November 30, 2016. Financing actions

On November 10, 2014, Walgreens Boots Alliance and Walgreens entered into a term loan credit agreement with the lenders party thereto (the “2014 Term Loan Agreement”), which provided Walgreens Boots Alliance and Walgreens with the ability to borrow up to £1.45 billion on an unsecured basis. As of August 31, 2016, Walgreens Boots Alliance had borrowed £1.45 billion (\$1.9 billion at the August 31, 2016 spot rate of \$1.31 to £1) under the 2014 Term Loan Agreement. On August 30, 2017, Walgreens Boots Alliance used available cash to repay in full all outstanding loans and obligations under the 2014 Term Loan Agreement, which, as of such date, consisted of the remaining unamortized amount of £1.41 billion (\$1.83 billion at the August 31, 2017 spot rate of \$1.295 to £1) aggregate principal amount of outstanding loans together with accrued interest thereon through, but excluding, the payment date, and such other amounts required to be paid by Walgreens Boots Alliance thereunder and the 2014 Term Loan Agreement terminated in accordance with its terms.

On November 10, 2014, Walgreens Boots Alliance and Walgreens entered into a five-year unsecured, multicurrency revolving credit agreement with the lenders party thereto (the “2014 Revolving Credit Agreement”), which has available credit of \$3.0 billion, of which \$500 million is available for the issuance of letters of credit. Borrowings under the 2014 Revolving Credit Agreement bear interest at a fluctuating rate per annum equal to, at Walgreens Boots Alliance’s option, the alternate base rate or the reserve adjusted LIBOR, in each case, plus an applicable margin calculated based on Walgreens Boots Alliance’s credit ratings. As of November 30, 2017 and 2016, there were no borrowings or letters of credit issued pursuant to the 2014 Revolving Credit Agreement.

We pay, or paid in the case of the 2014 Term Loan Agreement, certain customary fees in connection with these facilities.

On November 18, 2014, Walgreens Boots Alliance issued several series of unsecured, unsubordinated notes totaling \$8.0 billion, with maturities ranging from 2016 to 2044. All such notes have fixed interest rates, with the exception of the \$750 million floating rate notes due 2016, which were repaid in full in May 2016 and which had a floating rate based on the three month LIBOR plus a fixed spread of 45 basis points. On August 28, 2017, Walgreens Boots Alliance redeemed in full its \$750 million 1.750% notes due 2017 at a make-whole redemption price.

On November 20, 2014, Walgreens Boots Alliance issued series of unsecured, unsubordinated notes that included total Pound Sterling denominated debt of £700 million (\$1.1 billion based on the November 20, 2014 exchange rate) with maturities due 2020 and 2025 and Euro denominated debt of €750 million (\$940 million based on the November 20, 2014 exchange rate) due 2026. All notes issued on November 20, 2014 have fixed interest rates.

On June 1, 2016, Walgreens Boots Alliance issued in an underwritten public offering \$1.2 billion of 1.750% notes due 2018 (the “2018 notes”), \$1.5 billion of 2.600% notes due 2021 (the “2021 notes”), \$0.8 billion of 3.100% notes due 2023 (the “2023 notes”), \$1.9 billion of 3.450% notes due 2026 (the “2026 notes”) and \$0.6 billion of 4.650% notes due 2046 (the “2046 notes”). Because the merger with Rite Aid was not consummated on or prior to June 1, 2017, the 2018 notes, the 2021 notes and the 2023 notes were redeemed on June 5, 2017 under the special mandatory redemption terms of the indenture governing such notes. The 2026 notes and 2046 notes remain outstanding in accordance with their respective terms and are subject to redemption in certain circumstances.

On February 1, 2017, Walgreens Boots Alliance entered into a \$1.0 billion revolving credit facility (as amended, the “February 2017 Revolving Credit Agreement”) with the lenders from time to time party thereto and, on August 1, 2017, Walgreens Boots Alliance entered into an amendment agreement thereto. The terms and conditions of the February 2017 Revolving Credit Agreement were unchanged by the amendment other than the extension of the facility termination date to the earlier of (a) January 31, 2019 and (b) the date of termination in whole of the aggregate commitments provided by the lenders thereunder. Borrowings under the February 2017 Revolving Credit Agreement will bear interest at a fluctuating rate per annum equal to, at Walgreens Boots Alliance’s option, the alternate base rate or the reserve adjusted Eurocurrency rate, in each case, plus an applicable margin calculated based on Walgreens Boots Alliance’s credit ratings. In connection with the February 2017

Revolving Credit Agreement, Walgreens Boots Alliance paid upfront fees of \$0.5 million and additional extension fees of \$0.5 million in respect of the amendment to the February 2017 Revolving Credit Agreement. In addition, Walgreens Boots Alliance has agreed to pay to the lenders under the February 2017 Revolving Credit Agreement certain customary fees. As of November 30, 2017, there were no borrowings under the February 2017 Revolving Credit Agreement.

On August 24, 2017, Walgreens Boots Alliance entered into a \$1.0 billion revolving credit agreement with the lenders from time to time party thereto (the “August 2017 Revolving Credit Agreement”) and a \$1.0 billion term loan credit agreement with Sumitomo Mitsui Banking Corporation (the “2017 Term Loan Credit Agreement”) and together with the August 2017 Revolving Credit Agreement, the “August 2017 Credit Agreements”). The August 2017 Revolving Credit Agreement is an unsecured revolving credit facility with a facility termination date of the earlier of (a) January 31, 2019, subject to any extension thereof pursuant to the terms of the August 2017 Revolving Credit Agreement and (b) the date of termination in whole of the aggregate commitments provided by the lenders thereunder. The 2017 Term Loan Credit Agreement is an unsecured “multi-draw” term loan facility maturing on March 30, 2019. The aggregate commitments of Sumitomo Mitsui Banking Corporation under the 2017 Term Loan Credit Agreement are initially equal to \$1.0 billion, which shall be reduced on June 1, 2018 to the lesser of \$500 million and the aggregate remaining undrawn commitments thereunder. Any remaining undrawn commitments thereunder and the ability of Walgreens Boots Alliance to request loans under such commitments shall terminate on September 1, 2018.

Borrowings under the August 2017 Credit Agreements will bear interest at a fluctuating rate per annum equal to, at Walgreens Boots Alliance’s option, the alternate base rate or the Eurocurrency rate, in each case, plus an applicable margin calculated based on Walgreens Boots Alliance’s credit ratings. Upfront fees paid to date in connection with the August 2017 Credit Agreements totaled \$1.25 million. In addition, Walgreens Boots Alliance has agreed to pay to the lenders under the August 2017 Credit Agreements certain customary fees. As of November 30, 2017, Walgreens Boots Alliance had \$30 million of borrowings outstanding under the 2017 Term Loan Credit Agreement and there were no borrowings outstanding under the August 2017 Revolving Credit Agreement.

Subject to applicable legal and contractual requirements, share purchases may be made from time to time in open market transactions or pursuant to instruments and plans complying with Rule 10b5-1.

OFF-BALANCE SHEET ARRANGEMENTS

We do not have any unconsolidated special purpose entities and, except as described herein, we do not have significant exposure to any off-balance sheet arrangements. The term “off-balance sheet arrangement” generally means any transaction, agreement or other contractual arrangement to which an entity unconsolidated with us is a party, under which we have: (i) any obligation arising under a guarantee contract, derivative instrument or variable interest; or (ii) a retained or contingent interest in assets transferred to such entity or similar arrangement that serves as credit, liquidity or market risk support for such assets.

As of November 30, 2017, we have issued \$252 million in letters of credit, primarily related to insurance obligations. We also had \$46 million of guarantees to various suppliers outstanding as of November 30, 2017. We remain secondarily liable on 71 leases. The maximum potential undiscounted future payments related to these leases was \$318 million as of November 30, 2017.

CONTRACTUAL OBLIGATIONS AND COMMITMENTS

Other than our obligations under the amended and restated asset purchase agreement with Rite Aid and the transactions contemplated thereby, there have been no material changes, outside of the ordinary course of business, in our outstanding contractual obligations disclosed in the Walgreens Boots Alliance Annual Report on Form 10-K for the year ended August 31, 2017.

CRITICAL ACCOUNTING POLICIES

The consolidated financial statements are prepared in accordance with GAAP and include amounts based on management's prudent judgments and estimates. Actual results may differ from these estimates. Management believes that any reasonable deviation from those judgments and estimates would not have a material impact on our consolidated financial position or results of operations. To the extent that the estimates used differ from actual results, however, adjustments to the statement of earnings and corresponding balance sheet accounts would be necessary. These adjustments would be made in future periods. For a discussion of our significant accounting policies, please see the Walgreens Boots Alliance Annual Report on Form 10-K for the fiscal year ended August 31, 2017. Some of the more significant estimates include business combinations, goodwill and indefinite-lived intangible asset impairment, vendor allowances, liability for closed locations, cost of sales and inventory, equity method investments, pension and postretirement benefits and income taxes. There have been no significant changes in those accounting policies.

NEW ACCOUNTING PRONOUNCEMENTS

A discussion of new accounting pronouncements is described in note 18, new accounting pronouncements in Item 1. Consolidated Condensed Financial Statements (Unaudited) of this Current Report on Form 10-Q and is incorporated herein by reference.

CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS

In addition, we, or others on our behalf, may make forward-looking statements in press releases or written statements, on the Company's website or in our communications and discussions with investors and analysts in the normal course of business through meetings, webcasts, phone calls, conference calls and other communications. Some of such forward-looking statements may be based on certain data and forecasts relating to our business and industry that we have obtained from internal surveys, market research, publicly available information and industry publications. Industry publications, surveys and market research generally state that the information they provide has been obtained from sources believed to be reliable, but that the accuracy and completeness of such information is not guaranteed. Statements that are not historical facts are forward-looking statements, including, without limitation, those regarding estimates of and goals for future financial and operating performance as well as forward-looking statements concerning the expected execution and effect of our business strategies, our cost-savings and growth initiatives and restructuring activities and the amounts and timing of their expected impact, our amended and restated asset purchase agreement with Rite Aid and the transactions contemplated thereby and their possible timing and effects, our commercial agreement with AmerisourceBergen, the arrangements and transactions contemplated by our framework agreement with AmerisourceBergen and their possible effects, estimates of the impact of developments on our earnings, earnings per share and other financial and operating metrics, cough, cold and flu season, prescription volume, pharmacy sales trends, prescription margins, changes in generic prescription drug prices, retail margins, number and location of new store openings, network participation, vendor, payer and customer relationships and terms, possible new contracts or contract extensions, the proposed withdrawal of the United Kingdom from the European Union and its possible effects, competition, economic and business conditions, outcomes of litigation and regulatory matters, the level of capital expenditures, industry trends, demographic trends, growth strategies, financial results, cost reduction initiatives, impairment or other charges, acquisition and joint venture synergies, competitive strengths and changes in legislation or regulations. Words such as "expect," "likely," "outlook," "forecast," "preliminary," "would," "could," "should," "can," "will," "project," "intend," "plan," "goal," "guidance," "target," "aim," "continue," "sustain," "synergy," "on track," "on schedule," "headwind," "tailwind," "believe," "seek," "estimate," "anticipate," "upcoming," "to come," "may," "possible," "assume," and variations of such words and similar expressions are intended to identify such forward-looking statements, which are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995.

These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties and assumptions, known or unknown, that could cause actual results to vary materially from those indicated or anticipated,

including, but not limited to, those relating to the impact of private and public third-party payers' efforts to reduce prescription drug reimbursements, fluctuations in foreign currency exchange rates, the timing and magnitude of the impact of branded to generic drug conversions and changes in generic drug prices, our ability to realize synergies and achieve financial, tax and operating results in the amounts and at the times anticipated, supply arrangements including our commercial agreement with AmerisourceBergen, the arrangements and transactions contemplated by our framework agreement with AmerisourceBergen and their possible effects, the risks associated with our equity method investment in AmerisourceBergen, the occurrence of any event, change or other circumstance that could give rise to the termination, cross-termination or modification of any of our contractual obligations, the amount of costs, fees, expenses and charges incurred in connection with strategic transactions, whether the costs and charges associated with our store optimization program will exceed estimates, our ability to realize expected savings and benefits from cost-savings initiatives, restructuring activities and acquisitions and joint ventures in the amounts and at the times anticipated, the timing and amount of any impairment or other charges, the timing and severity of cough, cold and flu season, changes in management's assumptions, the risks associated with governance and control matters, the ability to retain key personnel, changes in economic and business conditions generally or in particular markets in which we participate, changes in financial markets and interest rates, the risks associated with international business operations, including the risks associated with the proposed withdrawal of the United Kingdom from the European Union, the risk of unexpected costs, liabilities or delays, changes in vendor, customer and payer relationships and terms, including changes in network participation and reimbursement terms, risks of inflation in the cost of goods, risks associated with the operation and growth of our customer loyalty programs, competition, risks associated with new business areas and activities, risks associated with acquisitions, divestitures, joint ventures and strategic investments, including those relating to the ability of the parties to satisfy the closing conditions and consummate the phased acquisition of certain assets pursuant to our amended and restated asset purchase agreement with Rite Aid on a timely basis or at all, the risks associated with the integration of complex businesses, outcomes of legal and regulatory matters, and risks associated with changes in laws, including those relating to the recent U.S. tax legislation, regulations or interpretations thereof. These and other risks, assumptions and uncertainties are described in Item 1A. "Risk factors" in our Annual Report on Form 10-K for the fiscal year ended August 31, 2017, in Item 1A. "Risk factors" in this report and in other documents that we file or furnish with the SEC. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated or anticipated by such forward-looking statements. Accordingly, you are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date they are made. Except to the extent required by law, we do not undertake, and expressly disclaim, any duty or obligation to update publicly any forward-looking statement after the date of this report, whether as a result of new information, future events, changes in assumptions or otherwise.

Item 3. Quantitative and qualitative disclosure about market risk

Interest rate risk

We are exposed to interest rate volatility with regard to existing debt issuances. Primary exposures include U.S. Treasury rates, LIBOR and commercial paper rates. From time to time, we use interest rate swaps and forward-starting interest rate swaps to hedge our exposure to the impact of interest rate changes on existing debt and future debt issuances respectively, to reduce the volatility of our financing costs and, based on current and projected market conditions, achieve a desired proportion of fixed versus floating-rate debt. Generally under these swaps, we agree with a counterparty to exchange the difference between fixed-rate and floating-rate interest amounts based on an agreed upon notional principal amount.

Information regarding our transactions are set forth in note 8, financial instruments to our Consolidated Condensed Financial Statements. These financial instruments are sensitive to changes in interest rates. On November 30, 2017, we had no material long-term debt obligations that had floating interest rates. The amounts exclude the impact of any associated derivative contracts.

Foreign currency exchange rate risk

We are exposed to fluctuations in foreign currency exchange rates, primarily with respect to the British Pound Sterling and Euro, and certain other foreign currencies, which may affect our net investment in foreign subsidiaries and may cause fluctuations in cash flows related to foreign denominated transactions. We are also exposed to the translation of foreign currency earnings to the U.S. dollar. We enter into foreign currency forward contracts to hedge against the effect of exchange rate fluctuations on non-functional currency cash flows of certain entities denominated in foreign currencies. These transactions are almost exclusively less than 12 months in maturity. In addition, we enter into foreign currency forward contracts that are not designated in hedging relationships to offset, in part, the impacts of certain intercompany activities (primarily associated with intercompany financing transactions). As circumstances warrant, we also use basis swaps as hedging instruments to hedge portions of our net investments in foreign operations. The foreign currency derivative instruments held as of November 30, 2017 are sensitive to changes in exchange rates. A 1% increase or decrease in foreign currency exchange rates versus the U.S. dollar would increase or decrease our pre-tax income by approximately \$11 million due to changes in the value of foreign currency derivative instruments. Excluded from the computation were anticipated transactions, foreign currency trade payables and receivables, and net investments in foreign subsidiaries, which the abovementioned instruments are intended to partially hedge.

Item 4. Controls and procedures

Evaluation of disclosure controls and procedures

Management conducted an evaluation of the effectiveness of the design and operation of our disclosure controls and procedures as of the end of the period covered by this Form 10-Q. The controls evaluation was conducted under the supervision and with the participation of the Company's management, including its Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"). Based upon the controls evaluation, our CEO and CFO have concluded that, as of the end of the period covered by this report, our disclosure controls and procedures were effective to provide reasonable assurance that information required to be disclosed in our Exchange Act reports is recorded, processed, summarized and reported within the time periods specified by the SEC, and that such information is accumulated and communicated to management, including the CEO and CFO, as appropriate to allow timely decisions regarding required disclosure.

Changes in internal control over financial reporting

In connection with the evaluation pursuant to Exchange Act Rule 13a-15(d) of the Company's internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)) by the Company's management, including its CEO and CFO, no changes during the three months ended November 30, 2017 were identified that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

Inherent limitations on effectiveness of controls

Our management, including the CEO and CFO, do not expect that our disclosure controls and procedures or our internal control over financial reporting will prevent or detect all errors and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the control system's objectives will be met. The design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Further, because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that misstatements due to error or fraud will not occur or that all control issues and instances of fraud, if any, within the Company have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty and that breakdowns can occur because of simple error or mistake. Controls can also be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the controls. The design of any system of controls is based in part on certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Projections of any evaluation of controls

effectiveness to future periods are subject to risks. Over time, controls may become inadequate because of changes in conditions or deterioration in the degree of compliance with policies or procedures.

Part II. Other Information

Item 1. Legal proceedings

The information in response to this item is incorporated herein by reference to note 10, commitments and contingencies of the Consolidated Condensed Financial Statements of this Quarterly Report.

Item 1A. Risk factors

In addition to the other information set forth in this report, you should carefully consider the factors discussed in Item 1A. "Risk factors" in the Walgreens Boots Alliance Annual Report on Form 10-K for the year ended August 31, 2017 and the amended and restated risk factor set forth below, which could materially affect our business, financial condition or future results.

We could be subject to adverse changes in tax laws, regulations and interpretations or challenges to our tax positions.

We are a large corporation with operations in the U.S. and numerous other jurisdictions around the world. As such, we are subject to tax laws and regulations of the U.S. federal, state and local governments as well as various foreign jurisdictions. We compute our income tax provision based on enacted tax rates in the jurisdictions in which we operate. As the tax rates vary among jurisdictions, a change in earnings attributable to the various jurisdictions in which we operate could result in an unfavorable change in our overall tax provision.

From time to time, changes in tax laws or regulations may be proposed or enacted that could adversely affect our overall tax liability. For example, the recent U.S. tax legislation enacted on December 22, 2017 represents a significant overhaul of the U.S. federal tax code. This tax legislation significantly reduced the U.S. statutory corporate tax rate and made other changes that could have a favorable impact on our overall U.S. federal tax liability in a given period. However, the tax legislation also included a number of provisions, including, but not limited to, the limitation or elimination of various deductions or credits (including for interest expense and for performance-based compensation under Section 162(m)), the imposition of taxes on certain cross-border payments or transfers, the changing of the timing of the recognition of certain income and deductions or their character, and the limitation of asset basis under certain circumstances, that could significantly and adversely affect our U.S. federal income tax position. The legislation also made significant changes to the tax rules applicable to insurance companies and other entities with which we do business. We are continuing to evaluate the overall impact of this tax legislation on our operations and U.S. federal income tax position. There can be no assurance that changes in tax laws or regulations, both within the U.S. and the other jurisdictions in which we operate, will not materially and adversely affect our effective tax rate, tax payments, financial condition and results of operations. Similarly, changes in tax laws and regulations that impact our customers and counterparties or the economy generally may also impact our financial condition and results of operations.

In addition, tax laws and regulations are complex and subject to varying interpretations, and any significant failure to comply with applicable tax laws and regulations in all relevant jurisdictions could give rise to substantial penalties and liabilities. Any changes in enacted tax laws (such as the recent U.S. tax legislation), rules or regulatory or judicial interpretations; any adverse outcome in connection with tax audits in any jurisdiction; or any change in the pronouncements relating to accounting for income taxes could materially and adversely impact our effective tax rate, tax payments, financial condition and results of operations.

2013 OMNIBUS INCENTIVE PLAN

PERFORMANCE SHARE AWARD AGREEMENT

Participant Name: Stefano Pessina

Participant ID:

Grant Date: 11/01/2017 (the "Grant Date")

Performance Period: Fiscal Years – 2018 - 2020 (the "Performance Period")

Shares Granted: 92,959

Acceptance Date:

Electronic Signature:

This document (referred to below as this "Agreement") spells out the terms and conditions of the Performance Share Award (the "Award") granted to you by Walgreens Boots Alliance, Inc., a Delaware corporation (the "Company"), pursuant to the Walgreens Boots Alliance, Inc. 2013 Omnibus Incentive Plan (the "Plan") on and as of the Grant Date designated above. Except as otherwise defined herein, capitalized terms used in this Agreement have the respective meanings set forth in the Plan. For purposes of this Agreement, "Employer" means the entity (the Company or the Affiliate) that employs you on the applicable date. The Plan as it may be amended from time to time, is incorporated into this Agreement by this reference.

You and the Company agree as follows:

1. Grant of Performance Shares. Pursuant to the approval and direction of the Compensation Committee of the Company's Board of Directors (the "Committee"), the Company hereby grants you the target number of Performance Shares specified above (the "Performance Shares"), subject to the terms and conditions of the Plan and this Agreement. This "target" number of shares is computed by dividing a target award dollar amount approved for you by the Committee by the average closing stock price of the Company's common stock, par value US\$.01 per share ("Stock") for the last 30 trading days of the fiscal year preceding the Grant Date.

2. Performance Measure. The number of Performance Shares earned at the end of the three-year Performance Period will vary depending on the degree to which cumulative adjusted earnings per share performance goals for the Performance Period, as established by the Committee, are met.

3. Determination of Performance Shares Earned. At the target levels, 100% of the Performance Shares will be earned. At the threshold levels, 50% of the Performance Shares will be earned. Below the threshold levels of performance, no Performance Shares are earned. At the maximum levels or more, 150% of the Performance Shares will be earned. Performance between minimum and target, and between target and maximum, will earn Performance Shares on a pro-rated basis between 50% and 100%, and 100% and 150%, respectively.

The amount earned will be calculated according to the following:

$$\begin{array}{ccccccc} & & & & & & \text{Percent of} \\ & & & & & & \\ \text{Performance} & = & \text{Target} & \times & \text{Target} & & \\ & & & & & & \\ \text{Shares Awarded} & & \text{Performance Shares} & & \text{Performance Shares Earned} & & \end{array}$$

4. Disability or Death. If during the Performance Period you have a Termination of Service by reason of Disability or death, then the number of Performance Shares earned (based on performance as of the end of the Performance Period) shall become vested at the end of the Performance Period. Any Performance Shares becoming vested by reason of your Termination of Service by reason of Disability or death shall be paid at the same time Performance Shares are paid to other Participants.

5. Retirement. If prior to the 12-month anniversary of the Grant Date you have a Termination of Service by reason of retirement from the Company's Board of Directors, as reasonably determined by the Committee, then the number of Performance Shares earned (based on performance as of the end of the Performance Period) will be prorated to reflect the portion of the Performance Period during which you remained employed by the Company. Such prorated portion shall equal the number of Performance Shares that you would otherwise have earned, multiplied by a fraction equal to the number of full months of the Performance Period completed as of your Termination of Service, divided by the number of months in the Performance Period. If on or after the 12-month anniversary of the Grant Date, you have a Termination of Service by reason of retirement from the Company's Board of Directors, as reasonably determined by the Committee, then the full number of Performance Shares earned (based on performance as of the end of the Performance Period) shall become vested at the end of the Performance Period. Any Performance Shares becoming vested by reason of your retirement shall be paid at the same time Performance Shares are paid to other Participants.

6. Termination of Service Following a Change in Control. If during the Performance Period there is a Change in Control of the Company and within the one-year period thereafter you have a Termination of Service initiated by your Employer other than for Cause (as defined in Section 7), then your earned Award shall equal your target number of Performance Shares, prorated to reflect the portion of the Performance Period during which you remained employed by the Company. Such prorated

portion shall equal your target number of Performance Shares, multiplied by a fraction equal to the number of full months of the Performance Period completed as of your Termination of Service, divided by the number of months in the Performance Period. This prorated award will be settled in cash (subject to required tax withholdings) in accordance with Section 9.01(b) of the Plan within 45 days after your Termination of Service. For purposes of this Section 6, a Termination of Service initiated by your Employer shall include a Termination of Employment for Good Reason under - and pursuant to the terms and conditions of - the Walgreens Boots Alliance, Inc. Executive Severance and Change in Control Plan, but only to the extent applicable to you as an eligible participant in such Plan.

7. Other Termination of Service. If during the Performance Period you have a voluntary or involuntary Termination of Service for any reason other than as set forth in Section 4, 5 or 6 above, as determined by the Committee, then all of your Performance Shares shall be forfeited. For purposes of this Agreement, "Cause" means any one or more of the following, as determined by the Committee in its sole discretion:

- (a) your commission of a felony or any crime of moral turpitude;
- (b) your dishonesty or material violation of standards of integrity in the course of fulfilling your duties to the Company or any Affiliate;
- (c) your material violation of a material written policy of the Company or any Affiliate violation of which is grounds for immediate termination;
- (d) your willful and deliberate failure to perform your duties to the Company or any Affiliate in any material respect, after reasonable notice of such failure and an opportunity to correct it; or
- (e) your failure to comply in any material respect with the United States ("U.S.") Foreign Corrupt Practices Act, the U.S. Securities Act of 1933, the U.S. Securities Exchange Act of 1934, the U.S. Sarbanes-Oxley Act of 2002, the U.S. Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, and the U.S. Truth in Negotiations Act, or any rules or regulations thereunder.

8. Settlement of Earned Performance Shares. At the end of the Performance Period actual performance for the entire Performance Period shall be reviewed, and the amount of the earned Award shall be determined based on this performance and communicated to you. Subject to the requirements of Section 12 below, the Company shall transfer to you one (1) share of Stock for each Performance Share earned at that time, net of any applicable tax withholding requirements in accordance with Section 9 below. The Performance Shares payable under this Agreement are intended to be exempt from Code Section 409A under the exemption for short-term deferrals. Accordingly, the Performance Shares will be settled in shares of Stock no later than the 15th day of the third month following the end of the fiscal year of the Company (or if later, the calendar year) in which the Performance Shares are earned.

Notwithstanding the foregoing, if you are resident or employed outside of the U.S., the Company, in its sole discretion, may provide for the settlement of the Performance Shares in the form of:

- (a) a cash payment (in an amount equal to the Fair Market Value of the shares of Stock that corresponds with the number of earned Performance Shares) to the extent that settlement in shares of Stock (i) is prohibited under local law, (ii) would require you, the Company or an Affiliate to obtain the approval of any governmental or regulatory body in your country of residence (or country of employment, if different), (iii) would result in adverse tax consequences for you, the Company or an Affiliate or (iv) is administratively burdensome; or
- (b) shares of Stock, but require you to sell such shares of Stock immediately or within a specified period following your Termination of Service (in which case, you hereby agree that the Company shall have the authority to issue sale instructions in relation to such shares of Stock on your behalf).

9. Responsibility for Taxes; Tax Withholding.

(a) You acknowledge that, regardless of any action taken by the Company or your Employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable to you ("Tax-Related Items"), is and remains your responsibility and may exceed the amount actually withheld by the Company or your Employer, if any. You further acknowledge that the Company and/or your Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including, but not limited to, the grant, vesting or settlement of the Award, the subsequent sale of shares of Stock acquired pursuant to such settlement and the receipt of any dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Award to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, as applicable, you acknowledge that the Company

and/or your Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(b) Prior to any relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to the Company and/or your Employer to satisfy all Tax-Related Items. In this regard, you authorize the Company, your Employer or its agent to satisfy the obligations with regard to all Tax-Related Items by withholding from the shares of Stock to be delivered upon settlement of the Award that number of shares of Stock having a Fair Market Value equal to the amount required by law to be withheld. For purposes of the foregoing, no fractional shares of Stock will be withheld or issued pursuant to the grant of the Performance Shares and the issuance of shares of Stock hereunder.

The Company may withhold or account for Tax-Related Items by considering applicable statutory minimum withholding rates (as determined by the Company in good faith and in its sole discretion) or other applicable withholding rates, including maximum applicable rates, in which case you will receive a refund of any over-withheld amount in cash and will have no entitlement to the share equivalent. As the obligation for Tax-Related Items is satisfied by withholding from the shares of Stock to be delivered upon settlement of the Award, for tax purposes, you are deemed to have been issued the full number of shares of Stock subject to the earned Award, notwithstanding that a number of the shares of Stock are held back solely for the purpose of paying the Tax-Related Items.

You agree to pay to the Company or your Employer any amount of Tax-Related Items that the Company or your Employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the shares of Stock (or cash payment) or the proceeds from the sale of shares of Stock if you fail to comply with your obligations in connection with the Tax-Related Items.

10. Nontransferability. During the Performance Period and thereafter until shares of Stock are transferred to you in settlement thereof, you may not sell, transfer, pledge, assign or otherwise alienate or hypothecate the Performance Shares, whether voluntarily or involuntarily or by operation of law, other than by beneficiary designation effective upon your death, or by will or by the laws of intestacy.

11. Rights as Shareholder. You shall have no rights as a shareholder of the Company with respect to the Performance Shares until such time as a certificate of stock for the shares of Stock issued in settlement of the Performance Shares has been issued to you or such shares of Stock have been recorded in your name in book entry form. Except as provided in Section 17 below, no adjustment shall be made for dividends or distributions or other rights with respect to such shares of Stock for which the record date is prior to the date on which you become the holder of record thereof. Anything herein to the contrary notwithstanding, if a law or any regulation of the U.S. Securities and Exchange Commission or of any other body having jurisdiction shall require the Company or you to take any action before shares of Stock can be delivered to you hereunder, then the date of delivery of such shares may be delayed accordingly.

12. Securities Laws. If a Registration Statement under the U.S. Securities Act of 1933, as amended, is not in effect with respect to the shares of Stock to be delivered pursuant to this Agreement, you hereby represent that you are acquiring the shares of Stock for investment and with no present intention of selling or transferring them and that you will not sell or otherwise transfer the shares of Stock except in compliance with all applicable securities laws and requirements of any stock exchange on which the shares of Stock may then be listed.

13. Not a Public Offering. If you are resident outside the U.S., the grant of the Performance Shares is not intended to be a public offering of securities in your country of residence (or country of employment, if different). The Company has not submitted any registration statement, prospectus or other filings with the local securities authorities (unless otherwise required under local law), and the grant of the Performance Shares is not subject to the supervision of the local securities authorities.

14. Insider Trading/Market Abuse Laws. Your country of residence may have insider trading and/or market abuse laws that may affect your ability to acquire or sell shares of Stock under the Plan during such times you are considered to have "inside information" (as defined by the laws in your country). These laws may be the same or different from any Company insider trading policy. You acknowledge that it is your responsibility to be informed of and compliant with such regulations, and you are advised to speak to your personal advisor on this matter.

15. Repatriation: Compliance with Law. If you are resident or employed outside the U.S., as a condition of the Award, you agree to repatriate all payments attributable to the shares of Stock and/or cash acquired under the Plan in accordance with applicable foreign exchange rules and regulations in your country of residence (and country of employment, if different). In addition, you agree to take any and all actions, and consent to any and all actions taken by the Company and its Affiliates, as may be required to allow the Company and its Affiliates to comply with local laws, rules and/or regulations in your country of residence (and country of employment, if different). Finally, you agree to take any and all actions as may be required to comply with your personal obligations under local laws, rules and/or regulations in your country of residence and country of employment, if different).

16. No Advice Regarding Grant. No employee of the Company is permitted to advise you regarding your participation in the Plan or your acquisition or sale of the shares of Stock underlying the Performance Shares. You are hereby advised to consult with your own personal tax, legal and financial advisors before taking any action related to the Plan.

17. Change in Stock. In the event of any change in the Stock, by reason of any stock dividend, recapitalization, reorganization, split-up, merger, consolidation, exchange of shares, or of any similar change affecting Stock, the number of the Performance Shares subject to this Award Agreement shall be equitably adjusted by the Committee.

18. Nature of the Award. In accepting the Award, you acknowledge, understand and agree that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and limited in duration, and it may be modified, amended, suspended or terminated by the Company, in its sole discretion, at any time;

(b) the grant of the Award is voluntary and occasional and does not create any contractual or other right to receive future grants of Performance Shares, or benefits in lieu of Performance Shares, even if Performance Shares have been granted in the past;

(c) all decisions with respect to future Awards or other grants, if any, will be at the sole discretion of the Company, including, but not limited to, the form and timing of the Award, the number of shares of Stock subject to the Award, and the earning provisions applicable to the Award;

(d) the Award and your participation in the Plan shall not create a right to employment or be interpreted as forming an employment or service contract with the Company or any Affiliate and shall not interfere with the ability of the Company, your Employer or an Affiliate, as applicable, to terminate your employment or service relationship;

(e) you are voluntarily participating in the Plan;

(f) the Award and the shares of Stock subject to the Award are not intended to replace any pension rights or compensation;

(g) the Award, the shares of Stock subject to the Award and the value of same, is an extraordinary item of compensation outside the scope of your employment (and employment contract, if any) and is not part of normal or expected compensation for any purpose, including, without limitation, calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(h) the future value of the shares of Stock underlying the Award is unknown, indeterminable and cannot be predicted with certainty;

(i) unless otherwise determined by the Committee in its sole discretion, a Termination of Service shall be effective from the date on which active employment or service ends and shall not be extended by any statutory or common law notice of termination period;

(j) no claim or entitlement to compensation or damages shall arise from forfeiture of the Award resulting from a Termination of Service (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where you are employed or the terms of your employment agreement, if any), and in consideration of the grant of the Award to which you are otherwise not entitled, you irrevocably agree never to institute any claim against the Company, your Employer or any Affiliate, waive your ability, if any, to bring any such claim, and release the Company, the Employer and all Affiliates from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, you shall be deemed irrevocably to have agreed not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claim;

(k) unless otherwise provided herein, in the Plan or by the Company in its discretion, the Award and the benefits evidenced by this Agreement do not create any entitlement to have the Award or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the shares of Stock of the Company; and

(l) neither the Company nor any Affiliate shall be liable for any foreign exchange rate fluctuation between your local currency and the U.S. dollar that may affect the value of the Award or of any amounts due to you pursuant to the settlement of the Award or the subsequent sale of any shares of Stock acquired upon settlement of the Award.

19. Committee Authority; Recoupment. It is expressly understood that the Committee is authorized to administer,

construe, and make all determinations necessary or appropriate for the administration of the Plan and this Agreement, including the enforcement of any recoupment policy, all of which shall be binding upon you and any claimant. Any inconsistency between this Agreement and the Plan shall be resolved in favor of the Plan.

20. Consent to Collection/Processing/Transfer of Personal Data. Pursuant to applicable personal data protection laws, the Company hereby notifies you of the following in relation to your personal data and the collection, processing and transfer of such data in relation to the Company's grant of the Performance Shares and your participation in the Plan. The collection, processing and transfer of personal data is necessary for the Company's administration of the Plan and your participation in the Plan, and your denial and/or objection to the collection, processing and transfer of personal data may affect your participation in the Plan. As such, you voluntarily acknowledge and consent (where required under applicable law) to the collection, use, processing and transfer of personal data as described herein:

(a) The Company and your Employer hold certain personal information about you, including (but not limited to) your name, home address, email address and telephone number, date of birth, social security, passport or other employee identification number, salary, nationality, job title, any shares of Stock or directorships held in the Company, details of all entitlements to shares of Stock awarded, canceled, purchased, vested, unvested or outstanding in your favor, for the purpose of managing and administering the Plan ("Data"). Data may be provided by you or collected, where lawful, from the Company, its Affiliates and/or third parties, and the Company and your Employer will process Data for the exclusive purpose of implementing, administering and managing your participation in the Plan. Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which Data are collected and with confidentiality and security provisions as set forth by applicable laws and regulations in your country of residence (or country of employment, if different). Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. Data will be accessible within the organization only by those persons requiring access for purposes of the implementation, administration and operation of the Plan and for the participation in the Plan.

(b) The Company and your Employer will transfer Data internally as necessary for the purpose of implementation, administration and management of your participation in the Plan, and the Company and/or your Employer may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Plan. These recipients may be located in the European Economic Area, or elsewhere throughout the world, such as the United States. You hereby authorize (where required under applicable law) the recipients to receive, possess, use, retain and transfer Data, in electronic or other form, as may be required for the administration of the Plan and/or the subsequent holding of the shares of Stock on your behalf, to a broker or other third party with whom you may elect to deposit any shares of Stock acquired pursuant to the Plan.

(c) You may, at any time, exercise your rights provided under applicable personal data protection laws, which may include the right to (i) obtain confirmation as to the existence of Data, (ii) verify the content, origin and accuracy of Data, (iii) request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of Data, (iv) oppose, for legal reasons, the collection, processing or transfer of Data which is not necessary or required for the implementation, administration and/or operation of the Plan and your participation in the Plan, and (v) withdraw your consent to the collection, processing or transfer of Data as provided hereunder (in which case, your Performance Shares will become null and void). You may seek to exercise these rights by contacting your Human Resources manager or the Company's Human Resources Department, who may direct the matter to the applicable Company privacy official.

21. Addendum to Agreement. Notwithstanding any provision of this Agreement to the contrary, the Performance Shares shall be subject to any special terms and conditions for your country of residence (and country of employment, if different) as set forth in the addendum to this Agreement, attached hereto as Exhibit A (the "Addendum"). Further, if you transfer your residence and/or employment to another country reflected in the Addendum, the special terms and conditions for such country will apply to you to the extent the Company determines, in its sole discretion, that the application of such terms and conditions is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Performance Shares and the Plan (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate your transfer). The Addendum shall constitute part of this Agreement.

22. Additional Requirements. The Company reserves the right to impose other requirements on the Performance Shares, any shares of Stock acquired pursuant to the Performance Shares and your participation in the Plan to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Performance Shares and the Plan. Such requirements may include (but are not limited to) requiring you to sign any agreements or undertakings that may be necessary to accomplish the foregoing.

23. Amendment or Modification, Waiver. Except as set forth in the Plan, no provision of this Agreement may be amended or waived unless the amendment or waiver is agreed to in writing, signed by you and by a duly authorized officer of the Company. No waiver of any condition or provision of this Agreement shall be deemed a waiver of a similar or dissimilar condition or provision at the same time, any prior time or any subsequent time.

24. Electronic Delivery. The Company may, in its sole discretion, deliver by electronic means any documents related to the Award or your future participation in the Plan. You hereby consent to receive such documents by electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

25. Governing Law and Jurisdiction. This Agreement is governed by the substantive and procedural laws of the state of Illinois. You and the Company shall submit to the exclusive jurisdiction of, and venue in, the courts in Illinois in any dispute relating to this Agreement without regard to any choice of law rules thereof which might apply the laws of any other jurisdiction.

26. English Language. If you are resident in a country where English is not an official language, you acknowledge and agree that it is your express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the Award, be drawn up in English. If you have received this Agreement, the Plan or any other documents related to the Award translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version will control.

27. Conformity with Applicable Law. If any provision of this Agreement is determined to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement or the validity, legality or enforceability of such provision in any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

28. Successors. This Agreement shall be binding upon and inure to the benefit of any successor or successors of the Company and any person or persons who shall, upon your death, acquire any rights hereunder.

MEXICO

1. Commercial Relationship. You expressly recognize that your participation in the Plan and the Company's grant of the Performance Shares does not constitute an employment relationship between you and the Company. You have been granted the Performance Shares as a consequence of the commercial relationship between the Company and the Affiliate in Mexico that employs you ("WBA Mexico"), and WBA Mexico your sole employer. Based on the foregoing, you expressly recognize that (a) the Plan and the benefits you may derive from your participation in the Plan do not establish any rights between you and WBA Mexico, (b) the Plan and the benefits you may derive from your participation in the Plan are not part of the employment conditions and/or benefits provided by WBA Mexico, and (c) any modifications or amendments of the Plan by the Company, or a termination of the Plan by the Company, shall not constitute a change or impairment of the terms and conditions of your employment with WBA Mexico.

2. Extraordinary Item of Compensation. You expressly recognize and acknowledge that your participation in the Plan is a result of the discretionary and unilateral decision of the Company, as well as your free and voluntary decision to participate in the Plan in accordance with the terms and conditions of the Plan, the Agreement and this Addendum. As such, you acknowledge and agree that the Company, in its sole discretion, may amend and/or discontinue your participation in the Plan at any time and without any liability. The Award, the shares of Stock subject to the Award and the value of same is an extraordinary item of compensation outside the scope of your employment contract, if any, and is not part of your regular or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits, or any similar payments, which are the exclusive obligations of WBA Mexico.

MONACO

Use of English Language. You acknowledge that it is your express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. ***Vous reconnaissez avoir expressément exigé la rédaction en anglais de la présente Convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relatifs à, ou suite à, la présente Convention.***

NETHERLANDS

Exclusion of Claim. You acknowledge and agree that you will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from your ceasing to have rights under or to be entitled to the Performance Shares, whether or not as a result of your Termination of Service (whether such termination is in breach of contract or otherwise), or from the loss or diminution in value of the Performance Shares. Upon the grant of Performance Shares, you shall be deemed irrevocably to have waived any such entitlement.

ROMANIA

Voluntary Termination of Service. For the sake of clarity, a voluntary Termination of Service shall include the situation where your employment contract is terminated by operation of law on the date you reach the standard retirement age and have completed the minimum contribution record for receipt of state retirement pension or the relevant authorities award you an early-retirement pension of any type.

RUSSIA

1. No Offering of Securities in Russia. The grant of the Performance Shares is not intended to be an offering of securities within the territory of the Russian Federation, and you acknowledge and agree that you will be unable to make any subsequent sale of the shares of Stock acquired pursuant to the Performance Shares in the Russian Federation.

2. Repatriation Requirements. You agree to promptly repatriate the proceeds resulting from the sale of shares of Stock acquired under the Plan to a foreign currency account at an authorized bank in Russia if legally required at the time shares of Stock are sold and to comply with all applicable local foreign exchange rules and regulations. Neither the Company nor any of its Affiliates shall be liable for any fines or penalties resulting from your failure to comply with applicable laws.

SPAIN

1. Acknowledgement of Discretionary Nature of the Plan; No Vested Rights. This provision supplements the terms of the Agreement:

In accepting the Award, you acknowledge that you consent to participation in the Plan and have received a copy of the Plan.

You understand that the Company has unilaterally, gratuitously and in its sole discretion granted Performance Shares under the Plan to individuals who may be employees of the Company or its Affiliates throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or any of its Affiliates on an ongoing basis. Consequently, you understand that the Performance Shares are granted on the assumption and condition that the Performance Shares and the shares of Stock acquired upon settlement of the Performance Shares shall not become a part of any employment contract (either with the Company or any of its Affiliates) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. In addition, you understand that this grant would not be made to you but for the assumptions and conditions referenced above; thus, you acknowledge and freely accept that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, the Award shall be null and void.

Further, you understand and agree that the earning of the Performance Shares is expressly conditioned on your continued and active rendering of service, such that upon a Termination of Service, the Performance Shares may be forfeited effective on the date of your Termination of Service (unless otherwise specifically provided in Section 4, 5 or 6 of the Agreement). This will be the case, for example, even if (a) you are considered to be unfairly dismissed without good cause; (b) you are dismissed for disciplinary or objective reasons or due to a collective dismissal; (c) you terminate service due to a change of work location, duties or any other employment or contractual condition, (d) you terminate service due to a unilateral breach of contract by the Company or an Affiliate. Consequently, upon a Termination of Service for any of the above reasons, you may automatically lose any rights to the Performance Shares as of the date of your Termination of Service, as described in the Plan and Agreement.

You acknowledge that you have read and specifically accept the conditions referred to in the Agreement regarding the impact of a Termination of Service on your Award.

2. Termination for Cause. "Cause" shall be defined as indicated in Section 7 of the Agreement, irrespective of whether the termination is or is not considered a fair termination (i.e., "despido procedente") under Spanish legislation.

3. No Public Offering. No "offer of securities to the public," within the meaning of Spanish law, has taken place or will take place in the Spanish territory in connection with the Performance Shares. The Plan, the Agreement (including this Addendum) and any other documents evidencing the grant of the Performance Shares have not, nor will they be registered with the *Comisión Nacional del Mercado de Valores* (the Spanish securities regulator) and none of those documents constitute a public offering prospectus.

SWITZERLAND

Securities Law Notification. The Performance Shares are not considered a public offering in Switzerland; therefore, the offer of Performance Shares is not subject to registration in Switzerland. Neither this document nor any other materials relating to the Performance Shares constitute a prospectus as such term is understood pursuant to article 652a of the Swiss Code of Obligations, and neither this document nor any other materials relating to the Performance Shares may be publicly distributed nor otherwise made publicly available in Switzerland. Neither this document nor any other offering or marketing materials relating to the Performance Shares have been or will be filed with, or approved or supervised by, any Swiss regulatory authority (in particular, the Swiss Financial Market Supervisory Authority (FINMA)).

TURKEY

Securities Law Notification. The sale of shares of Stock acquired under the Plan is not permitted within Turkey. The sale of shares of Stock acquired under the Plan must occur outside of Turkey. The shares of Stock are currently traded on the Nasdaq Stock Market under the ticker symbol "WBA" and shares of Stock may be sold on this exchange.

UNITED KINGDOM

1. Indemnification for Tax-Related Items. Without limitation to Section 9 of the Agreement, you hereby agree that you are liable for all Tax-Related Items and hereby covenant to pay all such Tax-Related Items, as and when requested by the Company, your Employer or by Her Majesty's Revenue & Customs ("HMRC") (or any other tax authority or any other relevant authority). You also hereby agree to indemnify and keep indemnified the Company and your Employer against any Tax-Related Items that they are required to pay or withhold or have paid or will pay on your behalf to HMRC (or any other tax authority or any other relevant authority).

2. Exclusion of Claim. You acknowledge and agree that you will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from your ceasing to have rights under or to be entitled to the Performance Shares, whether or not as a result of your Termination of Service (whether such termination is in breach of contract or otherwise), or from the loss or diminution in value of the Performance Shares. Upon the grant of the Performance Shares, you shall be deemed irrevocably to have waived any such entitlement.

2. Vesting/Exercise/Expiration. You may not exercise the Option prior to the Vesting Date or Dates set forth above absent action by the Committee to waive or alter such restrictions or as may be permitted under the below paragraphs. Thereafter, except as hereinafter provided, you may exercise the Option, to the extent it is vested, at any time and from time to time until the close of business on the Expiration Date set forth above. The Option may be exercised to purchase any number of whole shares of Stock, except that no purchase shall be for less than ten (10) full shares of Stock, or the remaining unexercised shares, if less. The Option is deemed to be "outstanding" until it has been exercised in full or expired pursuant to the terms of this Agreement.

3. Disability. If, without having fully exercised the Option, you have a Termination of Service due to Disability, then any Shares Granted under the Option that are not yet vested at that time shall thereupon become vested and (a) you may exercise the Option for the full number of Shares Granted (less any shares for which the Option was previously exercised), but (b) your right to exercise the Option shall terminate upon the earlier of the Expiration Date or a date which is one (1) year following the date of your Termination of Service.

4. Death. If, without having fully exercised the Option, you have a Termination of Service due to your death, then any Shares Granted under the Option that are not yet vested at that time shall thereupon become fully vested and (a) the Option may be exercised by the executor or administrator of your estate or by such person or persons who shall have acquired your rights hereunder by bequest or inheritance or by designation as your beneficiary for the full number of Shares Granted (less any shares for which the Option was previously exercised), but (b), such person's right to exercise the Option shall terminate upon the earlier of the Expiration Date or a date which is one (1) year after the date of your death.

5. Retirement. If without having fully exercised this Option you have a Termination of Service by reason of retirement from the Company's Board of Directors, as reasonably determined by the Committee, then (a) if your Termination of Service is prior to the 12-month anniversary of the Grant Date, a pro-rated number of the Shares Granted under the Option shall become vested as of the date of your Termination of Service, with the pro-rated number of Shares calculated based on your number of full months of service from the Grant Date through your Termination of Service divided by 36 months, or (b) if your Termination of Service is on or after the one-year anniversary of the Grant Date, the full number of Shares Granted under the Option shall remain or become vested as of your Termination of Service, and (c) your right to exercise any portion of the Option that is vested upon your Termination of Service due to retirement shall terminate upon the earlier of the Expiration Date or a date which is one (1) year after the date of your Termination of Service. Shares Granted for which you cannot exercise the Option under this Section 5 shall be forfeited.

6. Termination of Service Following a Change in Control. If there is a Change in Control of the Company and within the one-year period thereafter you have a Termination of Service initiated by your Employer other than for Cause (as defined in Section 8), then any Shares Granted under the Option that are not yet vested at that time shall thereupon become vested and (a) you may exercise the Option for the full number of Shares Granted (less any shares for which the Option was previously exercised), but (b) your right to exercise the Option shall terminate upon the earlier of the Expiration Date or a date which is

ninety (90) days after the date of your Termination of Service, subject to the right of the Committee to extend the exercise period of the Option. Shares Granted for which you cannot exercise the Option under this Section 6 shall be forfeited. The foregoing is also subject to the Committee's exercise of its discretion under Section 9.01 of the Plan. For purposes of this Section 6, a Termination of Service initiated by your Employer shall include a Termination of Employment for Good Reason under - and pursuant to the terms and conditions of - the Walgreens Boots Alliance, Inc. Executive Severance and Change in Control Plan, but only to the extent applicable to you as an eligible participant in such Plan.

7. Other Termination of Service. If without having fully exercised the Option you have a voluntary or involuntary Termination of Service for any reason other than as set forth in Section 3, 4, 5 or 6 above, as determined by the Committee, then (a) for any Shares Granted with respect to which such Termination of Service is prior to the applicable Vesting Date, the Option shall be forfeited, and (b) for any Shares Granted with respect to which such Termination of Service is on or after the applicable Vesting Date, then your right to exercise the Option shall terminate upon the earlier of the Expiration Date or a date which is ninety (90) days after the date of your Termination of Service. The foregoing is subject to the right of the Committee to extend the exercise period of the Option, including any extension granted by the Committee or its delegate as needed to allow your right to exercise to extend beyond a period during which you are restricted from exercising the Option due to a Company-designated trading blackout period, and is subject to earlier expiration as provided in Section 8 below.

8. Forfeiture of Outstanding Options Upon Termination for Cause or Following Termination of Service. Notwithstanding any provision of this Agreement to the contrary, your remaining right, if any, to exercise the Option shall immediately terminate if you are terminated for Cause or if and when you violate any post-employment obligation that you may have to the Company, including but not limited to any non-competition, non-solicitation, confidentiality, non-disparagement or other restrictive covenant. For purposes of this Agreement, "Cause" means any one or more of the following, as determined by the Committee in its sole discretion:

- (a) your commission of a felony or any crime of moral turpitude;
- (b) your dishonesty or material violation of standards of integrity in the course of fulfilling your duties to the Company or any Affiliate;
- (c) your material violation of a material written policy of the Company or any Affiliate violation of which is grounds for immediate termination;
- (d) your willful and deliberate failure to perform your duties to the Company or any Affiliate in any material respect, after reasonable notice of such failure and an opportunity to correct it; or
- (e) your failure to comply in any material respect with the United States ("U.S.") Foreign Corrupt Practices Act, the U.S. Securities Act of 1933, the U.S. Securities Exchange Act of 1934, the U.S. Sarbanes-Oxley Act of 2002, the U.S. Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, and the U.S. Truth in Negotiations Act, or any rules or regulations thereunder.

9. Exercise Process. The Option may be exercised by giving notice to Fidelity, the third party administrator to administer the Option exercise process. The exercise notice (a) shall be signed by you or (in the event of your death) your legal representative, (b) shall specify the number of full shares of Stock then elected to be purchased, and (c) shall be accompanied by payment in full of the Exercise Price of the shares of Stock to be purchased. Payment may be made in cash or by check payable to the order of the Company, and such payment shall include any income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to your participation in the Plan that are required to be withheld ("Tax-Related Items"), as set forth in Section 10 below. Alternatively, the Committee may allow for one or more of the following methods of exercising the Option:

- (a) Payment for shares of Stock as to which the Option is being exercised and/or payment of any Tax-Related Items may be made by transfer to the Company of shares of Stock you already own, or any combination of such shares of Stock and cash, having a fair market value determined at the time of exercise of the Option equal to, but not exceeding, the Exercise Price and/or any Tax-Related Items, as the case may be.
- (b) A "same day sale" transaction pursuant to which a third party (engaged by you or the Company) loans funds to you to enable you to purchase the shares of Stock and pay any Tax-Related Items, and then sells a sufficient number of the exercised shares of Stock on your behalf to enable you to repay the loan and any fees. The remaining shares of Stock and/or cash are then delivered by the third party to you.
- (c) A "net exercise" transaction, pursuant to which the Company delivers to you the net number of whole shares of Stock remaining from the portion of the Option being exercised after deduction of a number of shares of Stock with a fair market value equal to the Exercise Price and the amount of any Tax-Related Items.

As promptly as practicable after receipt of such notice of exercise and payment (including payment with respect to any Tax-Related Items), subject to Section 13 below, the Company shall cause to be issued and delivered to you (or in the event of your death to your legal representative, as the case may be), certificates for the shares of Stock so purchased. Alternatively, such shares of Stock may be issued and held in book entry form.

Notwithstanding any provision within this Agreement to the contrary, if you are resident or employed outside of the U.S., the Committee may require that you (or in the event of your death, your legal representative, as the case may be) exercise the Option in a method other than as specified above, may require you to exercise the Option only by means of a "same day sale" transaction (either a "sell-all" transaction or a "sell-to-cover" transaction) as it shall determine in its sole discretion, or may require you to sell any shares of Stock you acquire under the Plan immediately or within a specified period following your Termination of Service (in which case, you hereby agree that the Company shall have the authority to issue sale instructions in relation to such shares of Stock on your behalf).

10. Responsibility for Taxes; Tax Withholding.

(a) You acknowledge that, regardless of any action taken by the Company or your Employer, the ultimate liability for all Tax-Related Items related to your participation in the Plan and legally applicable to you is and remains your responsibility and may exceed the amount actually withheld by the Company or your Employer, if any. You further acknowledge that the Company and/or your Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Option, including, but not limited to, the grant, vesting or exercise of the Option, the subsequent sale of shares of Stock acquired pursuant to such exercise and the receipt of any dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Option to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, as applicable, you acknowledge that the Company and/or your Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(b) Prior to any relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to the Company and/or your Employer to satisfy all Tax-Related Items. In this regard, you authorize the Company, your Employer or its agent to satisfy the obligations with regard to all Tax-Related Items by withholding from the shares of Stock to be delivered upon exercise of the Option that number of shares of Stock having a Fair Market Value equal to the amount required by law to be withheld. For purposes of the foregoing, no fractional shares of Stock will be withheld or issued pursuant to the grant of the Option and the issuance of shares of Stock hereunder.

The Company may withhold or account for Tax-Related Items by considering applicable statutory minimum withholding rates (as determined by the Company in good faith and in its sole discretion) or other applicable withholding rates, including maximum applicable rates, in which case you will receive a refund of any over-withheld amount in cash and will have no entitlement to the share equivalent. As the obligation for Tax-Related Items is satisfied by withholding from the shares of Stock to be delivered upon exercise of the Option, for tax purposes, you are deemed to have been issued the full number of shares of Stock subject to the exercised Option, notwithstanding that a number of the shares of Stock are held back solely for the purpose of paying the Tax-Related Items.

You agree to pay to the Company or your Employer any amount of Tax-Related Items that the Company or your Employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the shares of Stock or the proceeds from the sale of shares of Stock if you fail to comply with your obligations in connection with the Tax-Related Items.

11. Limited Transferability. You may not sell, transfer, pledge, assign or otherwise alienate or hypothecate the Option, whether voluntarily or involuntarily or by operation of law, other than by beneficiary designation effective upon your death, by will or by the laws of intestacy. During your lifetime, the Option and all rights granted hereunder shall be exercisable only by you. Notwithstanding the foregoing, you may transfer the Option, in whole or in part, by gift to a Permitted Transferee in accordance with rules and subject to any conditions specified by the Committee under the Plan.

12. Rights as Shareholder. You shall have no rights as a shareholder of the Company with respect to the shares of Stock subject to the Option until such time as the Exercise Price has been paid and a certificate of stock for such shares has been issued to you or such shares of Stock have been recorded in your name in book entry form. Except as provided in Section 18 below, no adjustment shall be made for dividends or distributions or other rights with respect to such shares of Stock for which the record date is prior to the date on which you become the holder of record thereof. Anything herein to the contrary notwithstanding, if a law or any regulation of the U.S. Securities and Exchange Commission or of any other body having jurisdiction shall require the Company or you to take any action before shares of Stock can be delivered to you hereunder, then the date of delivery of such shares may be delayed accordingly.

13. Securities Laws . If a Registration Statement under the U.S. Securities Act of 1933, as amended, is not in effect with respect to the shares of Stock to be delivered pursuant to this Agreement, you hereby represent that you are acquiring the shares of Stock for investment and with no present intention of selling or transferring them and that you will not sell or otherwise transfer the shares of Stock except in compliance with all applicable securities laws and requirements of any stock exchange on which the shares of Stock may then be listed.

14. Not a Public Offering . If you are resident outside the U.S., the grant of the Option is not intended to be a public offering of securities in your country of residence (or country of employment, if different). The Company has not submitted any registration statement, prospectus or other filings with the local securities authorities (unless otherwise required under local law), and the grant of the Option is not subject to the supervision of the local securities authorities.

15. Insider Trading/Market Abuse Laws . Your country of residence may have insider trading and/or market abuse laws that may affect your ability to acquire or sell shares of Stock under the Plan during such times you are considered to have "inside information" (as defined by the laws in your country). These laws may be the same or different from any Company insider trading policy. You acknowledge that it is your responsibility to be informed of and compliant with such regulations, and you are advised to speak to your personal advisor on this matter.

16. Repatriation; Compliance with Law; Method of Exercise . If you are resident or employed outside the U.S., as a condition of the Option, you agree to repatriate all payments attributable to the shares of Stock and/or cash acquired under the Plan in accordance with applicable foreign exchange rules and regulations in your country of residence (and country of employment, if different). In addition, you agree to take any and all actions, and consent to any and all actions taken by the Company and its Affiliates, as may be required to allow the Company and its Affiliates to comply with local laws, rules and/or regulations in your country of residence (and country of employment, if different). Finally, you agree to take any and all actions as may be required to comply with your personal obligations under local laws, rules and/or regulations in your country of residence and country of employment, if different).

17. No Advice Regarding Grant . No employee of the Company is permitted to advise you regarding your participation in the Plan or your acquisition or sale of the shares of Stock underlying the Option. Investment in shares of Stock involves a degree of risk. Before deciding to purchase shares of Stock pursuant to the Option, you should carefully consider all risk factors relevant to the acquisition of shares of Stock under the Plan and you should carefully review all of the materials related to the Option and the Plan. You are hereby advised to consult with your own personal tax, legal and financial advisors before taking any action related to the Plan.

18. Change in Stock . In the event of any change in Stock by reason of any stock dividend, recapitalization, reorganization, split-up, merger, consolidation, exchange of shares, or of any similar change affecting Stock, the number of shares of Stock subject to the Option and the Exercise Price shall be equitably adjusted by the Committee.

19. Nature of the Option . In accepting the Option, you acknowledge, understand and agree that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and limited in duration, and it may be modified, amended, suspended or terminated by the Company, in its sole discretion, at any time;

(b) the grant of the Option is voluntary and occasional and does not create any contractual or other right to receive future grants of stock options, or benefits in lieu of stock options, even if stock options have been granted in the past;

(c) all decisions with respect to future grants of stock options or other grants, if any, will be at the sole discretion of the Company, including, but not limited to, the form and timing of any grant, the number of shares of Stock subject to the stock options, vesting provisions, and the exercise price applicable to the stock option;

(d) the Option and your participation in the Plan shall not create a right to employment or be interpreted as forming an employment or service contract with the Company or any Affiliate and shall not interfere with the ability of the Company, your Employer or an Affiliate, as applicable, to terminate your employment or service relationship;

(e) you are voluntarily participating in the Plan;

(f) the Option and the shares of Stock subject to the Option are not intended to replace any pension rights or compensation;

(g) the Option, the shares of Stock subject to the Option and the value of same, is an extraordinary item of compensation outside the scope of your employment (and employment contract, if any) and is not part of normal or expected compensation for any purpose, including, without limitation, calculating any severance, resignation, termination,

redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(h) the future value of the shares of Stock underlying the Option is unknown, indeterminable and cannot be predicted with certainty;

(i) unless otherwise determined by the Committee in its sole discretion, a Termination of Service shall be effective from the date on which active employment or service ends and shall not be extended by any statutory or common law notice of termination period;

(j) no claim or entitlement to compensation or damages shall arise from forfeiture of the Option resulting from a Termination of Service (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where you are employed or the terms of your employment agreement, if any), and in consideration of the grant of the Option to which you are otherwise not entitled, you irrevocably agree never to institute any claim against the Company, your Employer or any Affiliate, waive your ability, if any, to bring any such claim, and release the Company, the Employer and all Affiliates from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, you shall be deemed irrevocably to have agreed not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claim;

(k) unless otherwise provided herein, in the Plan or by the Company in its discretion, the Option and the benefits evidenced by this Agreement do not create any entitlement to have the Option or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the shares of Stock of the Company; and

(l) neither the Company nor any Affiliate shall be liable for any foreign exchange rate fluctuation between your local currency and the U.S. dollar that may affect the value of the Option or of any amounts due to you pursuant to the settlement of the Option or the subsequent sale of any shares of Stock acquired upon settlement of the Option.

20. Committee Authority: Recoupment . It is expressly understood that the Committee is authorized to administer, construe, and make all determinations necessary or appropriate for the administration of the Plan and this Agreement, including the enforcement of any recoupment policy, all of which shall be binding upon you and any claimant. Any inconsistency between this Agreement and the Plan shall be resolved in favor of the Plan.

21. Consent to Collection/Processing/Transfer of Personal Data . Pursuant to applicable personal data protection laws, the Company hereby notifies you of the following in relation to your personal data and the collection, processing and transfer of such data in relation to the Company's grant of the Option and your participation in the Plan. The collection, processing and transfer of personal data is necessary for the Company's administration of the Plan and your participation in the Plan, and your denial and/or objection to the collection, processing and transfer of personal data may affect your participation in the Plan. As such, you voluntarily acknowledge and consent (where required under applicable law) to the collection, use, processing and transfer of personal data as described herein:

(a) The Company and your Employer hold certain personal information about you, including (but not limited to) your name, home address, email address and telephone number, date of birth, social security, passport or other employee identification number, salary, nationality, job title, any shares of Stock or directorships held in the Company, details of all entitlements to shares of Stock awarded, canceled, purchased, vested, unvested or outstanding in your favor, for the purpose of managing and administering the Plan ("Data"). Data may be provided by you or collected, where lawful, from the Company, its Affiliates and/or third parties, and the Company and your Employer will process Data for the exclusive purpose of implementing, administering and managing your participation in the Plan. Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which Data are collected and with confidentiality and security provisions as set forth by applicable laws and regulations in your country of residence (or country of employment, if different). Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. Data will be accessible within the organization only by those persons requiring access for purposes of the implementation, administration and operation of the Plan and for the participation in the Plan.

(b) The Company and your Employer will transfer Data internally as necessary for the purpose of implementation, administration and management of your participation in the Plan, and the Company and/or your Employer may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Plan. These recipients may be located in the European Economic Area, or elsewhere throughout the world, such as the United States. You hereby authorize (where required under applicable law) the recipients to receive, possess, use, retain and transfer Data, in electronic or other form, as may be required for the administration of the Plan and/or the subsequent holding of the shares of Stock on your behalf, to a broker or other third party with whom you may

elect to deposit any shares of Stock acquired pursuant to the Plan.

(c) You may, at any time, exercise your rights provided under applicable personal data protection laws, which may include the right to (i) obtain confirmation as to the existence of Data, (ii) verify the content, origin and accuracy of Data, (iii) request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of Data, (iv) oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Plan and your participation in the Plan, and (v) withdraw your consent to the collection, processing or transfer of Data as provided hereunder (in which case, the Option will become null and void). You may seek to exercise these rights by contacting your Human Resources manager or the Company's Human Resources Department, who may direct the matter to the applicable Company privacy official.

22. Non-Competition, Non-Solicitation and Confidentiality. As a condition to the receipt of the Option, you must agree to the Non-Competition, Non-Solicitation and Confidentiality Agreement attached hereto as Exhibit A by executing that Agreement. Failure to execute and return the Non-Competition, Non-Solicitation and Confidentiality Agreement within 120 days of the Grant Date shall constitute your decision to decline to accept this Award.

23. Addendum to Agreement. Notwithstanding any provision of this Agreement to the contrary, the Option shall be subject to any special terms and conditions for your country of residence (and country of employment, if different) as set forth in the addendum to this Agreement, attached hereto as Exhibit B (the "Addendum"). Further, if you transfer your residence and/or employment to another country reflected in the Addendum, the special terms and conditions for such country will apply to you to the extent the Company determines, in its sole discretion, that the application of such terms and conditions is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Option and the Plan (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate your transfer). The Addendum shall constitute part of this Agreement.

24. Additional Requirements. The Company reserves the right to impose other requirements on the Option, any shares of Stock acquired pursuant to the Option and your participation in the Plan to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Option and the Plan. Such requirements may include (but are not limited to) requiring you to sign any agreements or undertakings that may be necessary to accomplish the foregoing.

25. Amendment or Modification, Waiver. Except as set forth in the Plan, no provision of this Agreement may be amended or waived unless the amendment or waiver is agreed to in writing, signed by you and by a duly authorized officer of the Company. No waiver of any condition or provision of this Agreement shall be deemed a waiver of a similar or dissimilar condition or provision at the same time, any prior time or any subsequent time.

26. Electronic Delivery. The Company may, in its sole discretion, deliver by electronic means any documents related to the Option or your future participation in the Plan. You hereby consent to receive such documents by electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

27. Governing Law and Jurisdiction. This Agreement is governed by the substantive and procedural laws of the state of Illinois. You and the Company shall submit to the exclusive jurisdiction of, and venue in, the courts in Illinois in any dispute relating to this Agreement without regard to any choice or law rules thereof which might apply the laws of any other jurisdiction.

28. English Language. If you are resident in a country where English is not an official language, you acknowledge and agree that it is your express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the Option, be drawn up in English. If you have received this Agreement, the Plan or any other documents related to the Option translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version will control.

29. Conformity with Applicable Law. If any provision of this Agreement is determined to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement or the validity, legality or enforceability of such provision in any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

30. Successors. This Agreement shall be binding upon and inure to the benefit of any successor or successors of the Company and any person or persons who shall, upon your death, acquire any rights hereunder.

This Agreement contains highly sensitive and confidential information. Please handle it accordingly.

EXHIBIT A

WALGREENS BOOTS ALLIANCE, INC. NON-COMPETITION, NON-SOLICITATION AND CONFIDENTIALITY AGREEMENT

This Exhibit forms a part of the Stock Option Award Agreement covering Options awarded to an employee of Walgreens Boots Alliance, Inc., on behalf of itself, its affiliates, subsidiaries, and successors (collectively referred to as "Employee" and the "Company").

WHEREAS, the Company develops and/or uses valuable business, technical, proprietary, customer and patient information it protects by limiting its disclosure and by keeping it secret or confidential;

WHEREAS, Employee acknowledges that during the course of employment, he or she has or will receive, contribute, or develop such confidential information; and

WHEREAS, the Company desires to protect from its competitors such confidential information and also desires to protect its legitimate business interests and goodwill in maintaining its employee and customer relationships.

NOW THEREFORE, in consideration of the Stock Option issued to Employee pursuant the Agreement to which this is attached as Exhibit A, Employee agrees to be bound by the terms of this Agreement:

1. Confidentiality. At all times during and after the termination of my employment with the Company, I will not, without the Company's prior written permission, directly or indirectly for any purpose other than performance of my duties for the Company, utilize or disclose to anyone outside of the Company any Trade Secrets or other Confidential Information of the Company or any information received by the Company in confidence from or about third parties, as long as such matters remain Trade Secrets or otherwise confidential, as further defined below.

- a. "Trade Secrets" are a form of intellectual property and may include all tangible and intangible forms and types of financial, business, scientific, technical, economic, or engineering information, including patterns, plans, compilations, program devices, formulas, designs, prototypes, methods, techniques, processes, procedures, programs or codes, and may in particular include such things as pricing information, business records, software programs, algorithms, inventions, patent applications, and designs and processes not known outside the Company. Trade Secrets may be stored, compiled, memorialized or contained in various forms or media, such as paper, electronic media or transmission (such as disc, email, file transfers, tape, or web site features), all other forms of audio and/or video transfer, or even oral communications.
- b. "Confidential Information" shall include Trade Secrets and, more broadly, any information or material which is not generally known to the public, and which (i) is generated or collected by or utilized in the operations of the Company and relates to the actual or anticipated business of the Company or the Company's actual or prospective vendors or clients; or (ii) is suggested by or results from any task assigned to me by the Company or work performed by me for or on behalf of the Company or any client of the Company. Confidential Information shall not be considered generally known to the public if revealed improperly to the public by me or others without the Company's express written consent and/or in violation of an obligation of confidentiality to the Company. Confidential Information may take a variety of forms including but not limited to paper, electronic, media or transmission (such as email, file transfers, tape or web site features), and all other forms of audio and/or video transfer. Examples of confidential information include, but are not limited to, customer, referral source, supplier and contractor identification and contacts, confidential information about customers, business relationships, contract terms, pricing and margins, business, marketing and customer plans and strategies, financial data, techniques, formulations, technical know-how, formulae, research, development and production information, processes, designs, architectures, prototypes, models, software, patent applications and plans, projections, proposals, discussion guides, personal or performance information about employees, or legal advice related to the foregoing.

The restrictions set forth in this paragraph are in addition to and not in lieu of any obligations I have by law with respect to the Company's Confidential Information, including any obligations I may owe under the federal Defend Trade Secrets Act of 2016 (the "TSA") and any applicable state statutes. Further, nothing herein shall prohibit me from divulging evidence of criminal wrongdoing to law enforcement or prohibit me from disclosing Confidential Information or Trade Secrets if compelled by order of court or an agency of competent jurisdiction or as required by law; however, I shall promptly inform the Company of any such

situations and shall take reasonable steps to prevent disclosure of Confidential Information or Trade Secrets until the Company has been informed of such required disclosure and has had a reasonable opportunity to seek a protective order. Pursuant to the TSA, I understand that an individual may not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that: (A) is made (i) in confidence to a federal, state or local government official, either directly or indirectly, or to an attorney, and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Additionally, I understand that an individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to his or her attorney and use the trade secret information in the court proceeding, so long as any document containing the trade secret is filed under seal and the individual does not disclose the trade secret, except pursuant to court order. Nothing in this Agreement is intended to conflict with the TSA or create liability for disclosures of Trade Secrets that are expressly allowed by TSA.

2. Non-Competition. I agree that during my employment with the Company and for one year after the termination of my employment, I will not, directly or indirectly, invest in, own, operate, finance, control, or provide Competing Services to any Competing Business Line, in both cases as defined below. I understand that the restrictions in this paragraph apply no matter whether my employment is terminated by me or the Company and no matter whether that termination is voluntary or involuntary. The above restrictions shall not apply to passive investments of less than 5% ownership interest in any entity. I understand that the term "Competing Business Line" used in this Agreement means any business that is in competition with any business engaged in by the Company with respect to which I provide substantial services during the last two years of my employment with the Company.

I understand that I will be deemed to be providing "Competing Services" if the nature of such services are sufficiently similar in position, scope and geographic area to any position held by me during the last two years of my employment with the Company.

3. Non-Solicitation. I agree that during my employment with the Company and for two years after the termination of my employment from the Company for any reason, whether voluntary or involuntary:

- (a) I will not directly or indirectly, solicit any Restricted Customer for purposes of providing Competing Products or Services, or offer, provide or sell Competing Products or Services to any Restricted Customer. For purposes of this Agreement, "Competing Products or Services" means products or services that are competitive with products or services offered by, developed by, designed by or distributed by the Company to any Restricted Customer, and "Restricted Customer" means any person, company or entity which was a customer, potential customer, vendor, supplier or referral source of the Company and with which I had direct contact or about which I learned confidential information at any time during the last two years of my employment with the Company; and
- (b) I will not, nor will I assist any third party to, directly or indirectly (i) raid, hire, solicit, or attempt to persuade any employee of the Company with whom I currently work or with whom I worked at any point during the last two years preceding the termination of my employment with the Company, and who possesses or had access to confidential information of the Company, to leave the employ of the Company; (ii) interfere with the performance by any such employee of his/her duties for the Company; or (iii) communicate with any such employee for the purposes described in items (i) and (ii) in this paragraph.

4. Non-Inducement. I will not directly or indirectly assist or encourage any person or entity in carrying out or conducting any activity that would be prohibited by this Agreement if such activity were carried out or conducted by me.

5. Non-Disparagement. I agree (whether or not I am then an Employee) not to make negative comments or otherwise disparage the Company, its Affiliates, or any of their officers, directors, employees, shareholders, members, agents or products other than in the good faith performance of my duties to the Company and its Affiliates while I am employed by the Company and its Affiliates and thereafter. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

6. Intellectual Property. The term "Intellectual Property" shall mean all trade secrets, ideas, inventions, designs, developments, devices, software, computer programs, methods and processes (whether or not patented or patentable, reduced to practice or included in the Confidential Information) and all patents and patent applications related thereto, all copyrights, copyrightable works and mask works (whether or not included in the Confidential Information) and all registrations and applications for registration related thereto, all Confidential Information, and all other proprietary rights contributed to, or conceived or created by, or reduced to practice by Employee or anyone acting on his/her behalf (whether alone or jointly with others) at any time from the beginning of Employee's employment with Walgreens Boots Alliance, Inc. to the termination of that employment plus ninety (90) days, that (i) relate to the business or to the actual or anticipated research or development of Walgreens Boots Alliance, Inc.; (ii) result from any services that Employee or anyone acting on its behalf perform for Walgreens;

or (iii) are created using the equipment, supplies or facilities of Walgreens Boots Alliance, Inc. or any Confidential Information.

- a. Ownership. All Intellectual Property is, shall be and shall remain the exclusive property of the Company. Employee hereby assigns to the Company all right, title and interest, if any, in and to the Intellectual Property; provided, however, that, when applicable, the Company shall own the copyrights in all copyrightable works included in the Intellectual Property pursuant to the "work-made-for-hire" doctrine (rather than by assignment), as such term is defined in the 1976 Copyright Act. All Intellectual Property shall be owned by the Company irrespective of any copyright notices or confidentiality legends to the contrary which may be placed on such works by Employee or by others. Employee shall ensure that all copyright notices and confidentiality legends on all work product authored by Employee or anyone acting on his/her behalf shall conform to the Company's practices and shall specify the Company as the owner of the work. The Company hereby provides notice to Employee that the obligation to assign does not apply to an invention for which no equipment, supplies, facility, or trade secret information of the Company was used and which was developed entirely on the Employee's own time, unless (a) the invention relates (i) to the business of the Company, or (ii) to the Company's actual or demonstrably anticipated research or development, or (b) the invention results from any work performed by Employee for the Company.
- b. Keep Records. Employee shall keep and maintain, or cause to be kept and maintained by anyone acting on his/her behalf, adequate and current written records of all Intellectual Property in the form of notes, sketches, drawings, computer files, reports or other documents relating thereto. Such records shall be and shall remain the exclusive property of the Company and shall be available to the Company at all times during the term of this Agreement.
- c. Assistance. Employee shall supply all assistance requested in securing for Company's benefit any patent, copyright, trademark, service mark, license, right or other evidence of ownership of any such Intellectual Property, and will provide full information regarding any such item and execute all appropriate documentation prepared by Company in applying or otherwise registering, in Company's name, all rights to any such item or the defense and protection of such Intellectual Property.
- d. Prior Inventions. Employee has disclosed to the Company any continuing obligations to any third party with respect to Intellectual Property. Employee claims no rights to any inventions created prior to his/her employment for which a patent application has not previously been filed, unless he/she has described them in detail on a schedule attached to this Agreement.
- e. Trade Secret Provisions. The provisions in Paragraph 1 with regard to Trade Secrets and the TSA shall apply as well in the context of the parties' Intellectual Property rights and obligations.

7. Return of Company Property. I agree that I will not take any of the Company's property or information with me when I leave the Company's employ, no matter what form that property or information is in and no matter how I acquired it. When my employment with the Company terminates, I will immediately return to the Company any and all Company information, documents, and electronics.

8. Consideration and Acknowledgments. I acknowledge and agree that the covenants described in this Agreement are essential terms, and the underlying Stock Option Award would not be provided by the Company in the absence of these covenants. I further acknowledge that these covenants are supported by adequate consideration as set forth in this Agreement and are not in conflict with any public interest. I further acknowledge and agree that I fully understand these covenants, have had full and complete opportunity to discuss and resolve any ambiguities or uncertainties regarding these covenants before signing this Agreement, and have voluntarily agreed to comply with these covenants for their stated terms. I further acknowledge and agree that these covenants are reasonable and enforceable in all respects.

9. Enforceability; General Provisions.

- (a) I agree that the restrictions contained in this Agreement are reasonable and necessary to protect the Company's legitimate business interests and that full compliance with the terms of this Agreement will not prevent me from earning a livelihood following the termination of my employment, and that these covenants do not place undue restraint on me.
- (b) Because the Company's current base of operations is in Illinois and my connections thereto, (i) this Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, where this Agreement is entered into, without giving effect to any conflict of law provisions, and (ii) I consent to personal jurisdiction and the exclusive jurisdiction of the state and federal courts of Illinois with respect to any claim, dispute or declaration arising out of this Agreement.

- (c) In the event of a breach or a threatened breach of this Agreement, I acknowledge that the Company will face irreparable injury which may be difficult to calculate in dollar terms and that the Company shall be entitled, in addition to all remedies otherwise available in law or in equity, to temporary restraining orders and preliminary and final injunctions enjoining such breach or threatened breach in any court of competent jurisdiction without the necessity of posting a surety bond, as well as to obtain an equitable accounting of all profits or benefits arising out of any violation of this Agreement.
- (d) I agree that if a court determines that any of the provisions in this Agreement is unenforceable or unreasonable in duration, territory, or scope, then that court shall modify those provisions so they are reasonable and enforceable, and enforce those provisions as modified.
- (e) If any phrase or provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, that phrase, clause or provision shall be deemed severed from this Agreement, and will not affect the enforceability of any other provisions of this Agreement, which shall otherwise remain in full force and effect.
- (f) Notwithstanding the foregoing provisions of this Agreement, the non-competition provisions of Paragraph 2 above shall not restrict Employee from performing legal services as a licensed attorney for a Competing Business to the extent that the attorney licensure requirements in the applicable jurisdiction do not permit Employee to agree to the otherwise applicable restrictions of Paragraph 2.
- (g) Waiver of any of the provisions of this Agreement by the Company in any particular instance shall not be deemed to be a waiver of any provision in any other instance and/or of the Company's other rights at law or under this Agreement.
- (h) I agree that the Company may assign this Agreement to its successors and assigns and that any such successor or assign may stand in the Company's shoes for purposes of enforcing this Agreement.
- (i) I agree to reimburse the Company for all attorneys' fees, costs, and expenses that it reasonably incurs in connection with enforcing its rights and remedies under this Agreement, but only to the extent the Company is ultimately the prevailing party in the applicable legal proceedings.
- (j) If I violate this Agreement, then the restrictions set out in Paragraphs 2 - 6 shall be extended by the same period of time as the period of time during which the violation(s) occurred.
- (k) I fully understand my obligations in this Agreement, have had full and complete opportunity to discuss and resolve any ambiguities or uncertainties regarding these covenants before signing this Agreement, and have voluntarily agreed to comply with these covenants for their stated terms.

10. Relationship of Parties. I acknowledge that my relationship with the Company is "terminable at will" by either party and that the Company or I can terminate the relationship with or without cause and without following any specific procedures. Nothing contained in this Agreement is intended to or shall be relied upon to alter the "terminable at will" relationship between the parties. I agree that my obligations in this Agreement shall survive the termination of my employment from the Company for any reason and shall be binding upon my successors, heirs, executors and representatives.

11. Modifications and Other Agreements. I agree that the terms of this Agreement may not be modified except by a written agreement signed by both me and the Company. This Agreement shall not supersede any other restrictive covenants to which I may be subject under an employment contract, benefit program or otherwise, such that the Company may enforce the terms of any and all restrictive covenants to which I am subject. The obligations herein are in addition to and do not limit any obligations arising under applicable statutes and common law.

12. Notification. I agree that in the event I am offered employment at any time in the future with any entity that may be considered a Competing Business Line, I shall immediately notify such Competing business of the existence and terms of this Agreement. I also understand and agree that the Company may notify anyone attempting to or later employing me of the existence and provisions of this Agreement.

MEXICO

1. Commercial Relationship. You expressly recognize that your participation in the Plan and the Company's grant of the Option does not constitute an employment relationship between you and the Company. You have been granted the Option as a consequence of the commercial relationship between the Company and the Affiliate in Mexico that employs you ("WBA Mexico"), and WBA Mexico is your sole employer. Based on the foregoing, you expressly recognize that (a) the Plan and the benefits you may derive from your participation in the Plan do not establish any rights between you and WBA Mexico, (b) the Plan and the benefits you may derive from your participation in the Plan are not part of the employment conditions and/or benefits provided by WBA Mexico, and (c) any modifications or amendments of the Plan by the Company, or a termination of the Plan by the Company, shall not constitute a change or impairment of the terms and conditions of your employment with WBA Mexico.

2. Extraordinary Item of Compensation. You expressly recognize and acknowledge that your participation in the Plan is a result of the discretionary and unilateral decision of the Company, as well as your free and voluntary decision to participate in the Plan in accordance with the terms and conditions of the Plan, the Agreement and this Addendum. As such, you acknowledge and agree that the Company, in its sole discretion, may amend and/or discontinue your participation in the Plan at any time and without any liability. The Option, the shares of Stock subject to the Option and the value of same is an extraordinary item of compensation outside the scope of your employment contract, if any, and is not part of your regular or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits, or any similar payments, which are the exclusive obligations of WBA Mexico.

MONACO

NETHERLANDS

Exclusion of Claim. You acknowledge and agree that you will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from your ceasing to have rights under or to be entitled to the Option, whether or not as a result of your Termination of Service (whether such termination is in breach of contract or otherwise), or from the loss or diminution in value of the Option. Upon the grant of the Option, you shall be deemed irrevocably to have waived any such entitlement.

ROMANIA

Voluntary Termination of Service. For the sake of clarity, a voluntary Termination of Service shall include the situation where your employment contract is terminated by operation of law on the date you reach the standard retirement age and have completed the minimum contribution record for receipt of state retirement pension or the relevant authorities award you an early-retirement pension of any type.

RUSSIA

1. No Offering of Securities in Russia. The grant of the Option is not intended to be an offering of securities within the territory of the Russian Federation, and you acknowledge and agree that you will be unable to make any subsequent sale of the shares of Stock acquired pursuant to the Option in the Russian Federation.

2. Repatriation Requirements. You agree to promptly repatriate proceeds resulting from the sale of shares of Stock acquired under the Plan to a foreign currency account at an authorized bank in Russia if legally required at the time shares of Stock are sold and to comply with all applicable local foreign exchange rules and regulations. Neither the Company nor any of its Affiliates shall be liable for any fines or penalties resulting from your failure to comply with applicable laws.

SPAIN

1. Acknowledgement of Discretionary Nature of the Plan; No Vested Rights. This provision supplements the terms of the Agreement:

In accepting the Option, you acknowledge that you consent to participation in the Plan and have received a copy of the Plan.

You understand that the Company has unilaterally, gratuitously and in its sole discretion granted an Option under the Plan to individuals who may be employees of the Company or its Affiliates throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or any of its Affiliates on an ongoing basis. Consequently, you understand that the Option is granted on the assumption and condition that the Option and the shares of Stock acquired upon exercise of the Option shall not become a part of any employment contract (either with the Company or any of its Affiliates) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. In addition, you understand that this grant would not be made to you but for the assumptions and conditions referenced above; thus, you acknowledge and freely accept that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, the Option shall be null and void.

Further, you understand and agree that the vesting of the Option is expressly conditioned on your continued and active rendering of service, such that upon a Termination of Service, the Option may cease vesting immediately, in whole or in part, effective on the date of your Termination of Service (unless otherwise specifically provided in Section 3, 4, 5 or 6 of the Agreement). This will be the case, for example, even if (a) you are considered to be unfairly dismissed without good cause; (b) you are dismissed for disciplinary or objective reasons or due to a collective dismissal; (c) you terminate service due to a change of work location, duties or any other employment or contractual condition, (d) you terminate service due to a unilateral breach of contract by the Company or an Affiliate. Consequently, upon a Termination of Service for any of the above reasons, you may automatically lose any rights to the Option that were not vested on the date of your Termination of Service, as described in the Plan and Agreement. In addition, you understand and agree that the post-Termination of Service exercise period specified in the Agreement shall run from the date of your Termination of Service, as determined by the Committee, in its sole discretion.

You acknowledge that you have read and specifically accept the conditions referred to in the Agreement regarding the impact of a Termination of Service on the Option.

2. Termination for Cause. "Cause" shall be defined as indicated in Section 8 of the Agreement, irrespective of whether the termination is or is not considered a fair termination (i.e., "despido procedente") under Spanish legislation.

3. No Public Offering. No "offer of securities to the public," within the meaning of Spanish law, has taken place or will

take place in the Spanish territory in connection with the Option. The Plan, the Agreement (including this Addendum) and any other documents evidencing the grant of the Option have not, nor will they be registered with the *Comisión Nacional del Mercado de Valores* (the Spanish securities regulator) and none of those documents constitute a public offering prospectus.

SWITZERLAND

Securities Law Notification. The Option is not considered a public offering in Switzerland; therefore, it is not subject to registration in Switzerland. Neither this document nor any other materials relating to the Option constitute a prospectus as such term is understood pursuant to article 652a of the Swiss Code of Obligations, and neither this document nor any other materials relating to the Option may be publicly distributed nor otherwise made publicly available in Switzerland. Neither this document nor any other offering or marketing materials relating to the Option have been or will be filed with, or approved or supervised by, any Swiss regulatory authority (in particular, the Swiss Financial Market Supervisory Authority (FINMA)).

TURKEY

Securities Law Notification. The sale of shares of Stock acquired under the Plan is not permitted within Turkey. The sale of shares of Stock acquired under the Plan must occur outside of Turkey. The shares of Stock are currently traded on the Nasdaq Stock Market under the ticker symbol "WBA" and shares of Stock may be sold on this exchange.

UNITED KINGDOM

1. Indemnification for Tax-Related Items. Without limitation to Section 10 of the Agreement, you hereby agree that you are liable for all Tax-Related Items and hereby covenant to pay all such Tax-Related Items, as and when requested by the Company, your Employer or by Her Majesty's Revenue & Customs ("HMRC") (or any other tax authority or any other relevant authority). You also hereby agree to indemnify and keep indemnified the Company and your Employer against any Tax-Related Items that they are required to pay or withhold or have paid or will pay on your behalf to HMRC (or any other tax authority or any other relevant authority).

2. Exclusion of Claim. You acknowledge and agree that you will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from your ceasing to have rights under or to be entitled to the Option, whether or not as a result of your Termination of Service (whether such termination is in breach of contract or otherwise), or from the loss or diminution in value of the Option. Upon the grant of the Option, you shall be deemed irrevocably to have waived any such entitlement.

Grant Date: 11/01/2017 (the "Grant Date")

Units Granted: 92,959

Vesting: Three years from Grant Date (the "Vesting Date")

This document (referred to below as this "Agreement") spells out the terms and conditions of the Restricted Stock Unit Award (the "Award") granted to you by Walgreens Boots Alliance, Inc., a Delaware corporation (the "Company"), pursuant to the Walgreens Boots Alliance, Inc. 2013 Omnibus Incentive Plan (the "Plan") on and as of the Grant Date designated above. Except as otherwise defined herein, capitalized terms used in this Agreement have the respective meanings set forth in the Plan. For purposes of this Agreement, "Employer" means the entity (the Company or the Affiliate) that employs you on the applicable date. The Plan, as it may be amended from time to time, is incorporated into this Agreement by this reference.

You and the Company agree as follows:

1. Grant of Restricted Stock Units. Pursuant to the approval and direction of the Compensation Committee of the Company's Board of Directors (the "Committee"), the Company hereby grants you the number of Restricted Stock Units specified above (the "Restricted Stock Units"), subject to the terms and conditions of the Plan and this Agreement.

2. Restricted Stock Unit Account and Dividend Equivalents. The Company will maintain an account (the "Account") on its books in your name to reflect the number of Restricted Stock Units awarded to you as well as any additional Restricted Stock Units credited as a result of Dividend Equivalents. The Account will be administered as follows:

(a) The Account is for recordkeeping purposes only, and no assets or other amounts shall be set aside from the Company's general assets with respect to such Account.

(b) As of each record date with respect to which a cash dividend is to be paid with respect to shares of Company common stock par value US\$.01 per share ("Stock"), the Company will credit your Account with an equivalent amount of Restricted Stock Units determined by dividing the value of the cash dividend that would have been paid on your Restricted Stock Units if they had been shares of Stock, divided by the value of Stock on such date.

(c) If dividends are paid in the form of shares of Stock rather than cash, then your Account will be credited with one additional Restricted Stock Unit for each share of Stock that would have been received as a dividend had your outstanding Restricted Stock Units been shares of Stock.

(d) Additional Restricted Stock Units credited via Dividend Equivalents shall vest or be forfeited at the same time as the Restricted Stock Units to which they relate.

3. Restricted Period. The period prior to the vesting date with respect each Restricted Stock Unit is referred to as the "Restricted Period." Subject to the provisions of the Plan and this Agreement, unless vested or forfeited earlier as described in Section 4, 5, 6 or 7 of this Agreement, as applicable, your Restricted Stock Units will become vested and be settled as described in Section 8 below, as of the vesting date or dates indicated in the introduction to this Agreement, provided the performance goal in this Section 3 ("Performance Goal") is satisfied as of the end of the applicable performance period. The Performance Goal will be established and certified by the Committee and cover one or more Company performance goals over the course of the Company's 2018 fiscal year. If the Performance Goal is not attained as of the end of this performance period, the Restricted Stock Units awarded hereunder shall be thereupon forfeited.

4. Disability or Death. If during the Restricted Period you have a Termination of Service by reason of Disability or death, then the Restricted Stock Units will become fully vested as of the date of your Termination of Service and the Vesting Date shall become the date of your Termination of Service. Any Restricted Stock Units becoming vested by reason of your Termination of Service by reason of Disability or death shall be settled as provided in Section 8.

5. Retirement. If prior to the end of the first 12 months of the Restricted Period you have a Termination of Service by reason of retirement from the Company's Board of Directors, as reasonably determined by the Committee, then, subject to satisfaction of the Performance Goal, the Restricted Stock Units will become vested on a prorated basis as of the later of the end of the performance period for the Performance Goal and the date of your Termination of Service, with such pro-ration based on the number of full months of service completed during the Restricted Period, divided by 36 months. If on or after the end of the first 12 months of the Restricted Period you have a Termination of Service by reason of retirement from the Company's Board of Directors, as reasonably determined by the Committee, then, subject to satisfaction of the Performance Goal, the Restricted Stock Units will become fully vested as of the date of your Termination of Service. Any Restricted Stock Units becoming vested by reason of your retirement shall be settled as provided in Section 8.

6. Termination of Service Following a Change in Control. If during the Restricted Period there is a Change in Control of the Company and within the one-year period thereafter you have a Termination of Service initiated by your Employer other

than for Cause (as defined in Section 7), then your Restricted Stock Units shall become fully vested, and they shall be settled in accordance with Section 9. For purposes of this Section 6, a Termination of Service initiated by your Employer shall include a Termination of Employment for Good Reason under - and pursuant to the terms and conditions of - the Walgreens Boots Alliance, Inc. Executive Severance and Change in Control Plan, but only to the extent applicable to you as an eligible participant in such Plan.

7. Other Termination of Service. If during the Restricted Period you have a voluntary or involuntary Termination of Service for any reason other than as set forth in Section 4, 5 or 6 above or Section 9 below, as determined by the Committee, then you shall thereupon forfeit any Restricted Stock Units that are still in a Restricted Period on your termination date. For purposes of this Agreement, "Cause" means any one or more of the following, as determined by the Committee in its sole discretion:

- (a) your commission of a felony or any crime of moral turpitude;
- (b) your dishonesty or material violation of standards of integrity in the course of fulfilling your duties to the Company or any Affiliate;
- (c) your material violation of a material written policy of the Company or any Affiliate violation of which is grounds for immediate termination;
- (d) your willful and deliberate failure to perform your duties to the Company or any Affiliate in any material respect, after reasonable notice of such failure and an opportunity to correct it; or
- (e) your failure to comply in any material respect with the United States ("U.S.") Foreign Corrupt Practices Act, the U.S. Securities Act of 1933, the U.S. Securities Exchange Act of 1934, the U.S. Sarbanes-Oxley Act of 2002, the U.S. Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, and the U.S. Truth in Negotiations Act, or any rules or regulations thereunder.

8. Settlement of Vested Restricted Stock Units. Subject to the requirements of Section 13 below, as promptly as practicable after the applicable Vesting Date, whether occurring upon your Separation from Service or otherwise, but in no event later than 75 days after the Vesting Date, the Company shall transfer to you one share of Stock for each Restricted Stock Unit becoming vested at such time, net of any applicable tax withholding requirements in accordance with Section 10 below; provided, however, that, if you are a Specified Employee at the time of Separation from Service, then to the extent your Restricted Stock Units are deferred compensation subject to Section 409A of the Code, settlement of which is triggered by your Separation from Service (other than for death), payment shall not be made until the date which is six months after your Separation from Service.

Notwithstanding the foregoing, if you are resident or employed outside of the U.S., the Company, in its sole discretion, may provide for the settlement of the Restricted Stock Units in the form of:

- (a) a cash payment (in an amount equal to the Fair Market Value of the Stock that corresponds with the number of vested Restricted Stock Units) to the extent that settlement in shares of Stock (i) is prohibited under local law, (ii) would require you, the Company or an Affiliate to obtain the approval of any governmental or regulatory body in your country of residence (or country of employment, if different), (iii) would result in adverse tax consequences for you, the Company or an Affiliate or (iv) is administratively burdensome; or
- (b) shares of Stock, but require you to sell such shares of Stock immediately or within a specified period following your Termination of Service (in which case, you hereby agree that the Company shall have the authority to issue sale instructions in relation to such shares of Stock on your behalf).

9. Settlement Following Change in Control. Notwithstanding any provision of this Agreement to the contrary, the Company may, in its sole discretion, fulfill its obligation with respect to all or any portion of the Restricted Stock Units that become vested in accordance with Section 6 above, by:

- (a) delivery of (i) the number of shares of Stock that corresponds with the number of Restricted Stock Units that have become vested or (ii) such other ownership interest as such shares of Stock that correspond with the vested Restricted Stock Units may be converted into by virtue of the Change in Control transaction;
- (b) payment of cash in an amount equal to the Fair Market Value of the Stock that corresponds with the number of vested Restricted Stock Units at that time; or

(c) delivery of any combination of shares of Stock (or other converted ownership interest) and cash having an aggregate Fair Market Value equal to the Fair Market Value of the Stock that corresponds with the number of Restricted Stock Units that have become vested at that time.

Settlement shall be made as soon as practical after the Restricted Stock Units become fully vested under Section 6, but in no event later than 30 days after such date.

10. Responsibility for Taxes; Tax Withholding.

(a) You acknowledge that, regardless of any action taken by the Company or your Employer, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to your participation in the Plan and legally applicable to you ("Tax-Related Items"), is and remains your responsibility and may exceed the amount actually withheld by the Company or your Employer, if any. You further acknowledge that the Company and/or your Employer (1) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the Award, including, but not limited to, the grant, vesting or settlement of the Award, the subsequent sale of shares of Stock acquired pursuant to such settlement and the receipt of any Dividend Equivalents and/or dividends; and (2) do not commit to and are under no obligation to structure the terms of the grant or any aspect of the Award to reduce or eliminate your liability for Tax-Related Items or achieve any particular tax result. Further, if you are subject to Tax-Related Items in more than one jurisdiction between the Grant Date and the date of any relevant taxable or tax withholding event, as applicable, you acknowledge that the Company and/or your Employer (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

(b) Prior to any relevant taxable or tax withholding event, as applicable, you agree to make adequate arrangements satisfactory to the Company and/or your Employer to satisfy all Tax-Related Items. In this regard, you authorize the Company, your Employer or its agent to satisfy the obligations with regard to all Tax-Related Items by withholding from the shares of Stock to be delivered upon settlement of the Award that number of shares of Stock having a Fair Market Value equal to the amount required by law to be withheld. For purposes of the foregoing, no fractional shares of Stock will be withheld or issued pursuant to the grant of the Restricted Stock Units and the issuance of shares of Stock hereunder.

The Company may withhold or account for Tax-Related Items by considering applicable statutory minimum withholding rates (as determined by the Company in good faith and in its sole discretion) or other applicable withholding rates, including maximum applicable rates, in which case you will receive a refund of any over-withheld amount in cash and will have no entitlement to the share equivalent. As the obligation for Tax-Related Items is satisfied by withholding from the shares of Stock to be delivered upon settlement of the Award, for tax purposes, you are deemed to have been issued the full number of shares of Stock subject to the vested Award, notwithstanding that a number of the shares of Stock are held back solely for the purpose of paying the Tax-Related Items.

You agree to pay to the Company or your Employer any amount of Tax-Related Items that the Company or your Employer may be required to withhold or account for as a result of your participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the shares of Stock (or cash payment) or the proceeds from the sale of shares of Stock if you fail to comply with your obligations in connection with the Tax-Related Items.

11. Nontransferability. During the Restricted Period and thereafter until Stock is transferred to you in settlement thereof, you may not sell, transfer, pledge, assign or otherwise alienate or hypothecate the Restricted Stock Units whether voluntarily or involuntarily or by operation of law, other than by beneficiary designation effective upon your death, or by will or by the laws of intestacy.

12. Rights as Shareholder. You shall have no rights as a shareholder of the Company with respect to the Restricted Stock Units until such time as a certificate of stock for the Stock issued in settlement of such Restricted Stock Units has been issued to you or such shares of Stock have been recorded in your name in book entry form. Until that time, you shall not have any voting rights with respect to the Restricted Stock Units. Except as provided in Section 9 above, no adjustment shall be made for dividends or distributions or other rights with respect to such shares for which the record date is prior to the date on which you become the holder of record thereof. Anything herein to the contrary notwithstanding, if a law or any regulation of the U.S. Securities and Exchange Commission or of any other body having jurisdiction shall require the Company or you to take any action before shares of Stock can be delivered to you hereunder, then the date of delivery of such shares may be delayed accordingly.

13. Securities Laws. If a Registration Statement under the U.S. Securities Act of 1933, as amended, is not in effect

with respect to the shares of Stock to be delivered pursuant to this Agreement, you hereby represent that you are acquiring the shares of Stock for investment and with no present intention of selling or transferring them and that you will not sell or otherwise transfer the shares except in compliance with all applicable securities laws and requirements of any stock exchange on which the shares of Stock may then be listed.

14. Not a Public Offering. If you are resident outside the U.S., the grant of the Restricted Stock Units is not intended to be a public offering of securities in your country of residence (or country of employment, if different). The Company has not submitted any registration statement, prospectus or other filings with the local securities authorities (unless otherwise required under local law), and the grant of the Restricted Stock Units is not subject to the supervision of the local securities authorities.

15. Insider Trading/Market Abuse Laws. Your country of residence may have insider trading and/or market abuse laws that may affect your ability to acquire or sell shares of Stock under the Plan during such times you are considered to have "inside information" (as defined in the laws in your country). These laws may be the same or different from any Company insider trading policy. You acknowledge that it is your responsibility to be informed of and compliant with such regulations, and you are advised to speak to your personal advisor on this matter.

16. Repatriation; Compliance with Law. If you are resident or employed outside the U.S., as a condition of the Award, you agree to repatriate all payments attributable to the shares of Stock and/or cash acquired under the Plan in accordance with applicable foreign exchange rules and regulations in your country of residence (and country of employment, if different). In addition, you agree to take any and all actions, and consent to any and all actions taken by the Company and its Affiliates, as may be required to allow the Company and its Affiliates to comply with local laws, rules and/or regulations in your country of residence (and country of employment, if different). Finally, you agree to take any and all actions as may be required to comply with your personal obligations under local laws, rules and/or regulations in your country of residence and country of employment, if different).

17. No Advice Regarding Grant. No employee of the Company is permitted to advise you regarding your participation in the Plan or your acquisition or sale of the shares of Stock underlying the Restricted Stock Units. You are hereby advised to consult with your own personal tax, legal and financial advisors before taking any action related to the Plan.

18. Change in Stock. In the event of any change in Stock, by reason of any stock dividend, recapitalization, reorganization, split-up, merger, consolidation, exchange of shares, or of any similar change affecting Stock, the number of Restricted Stock Units subject to this Agreement shall be equitably adjusted by the Committee.

19. Nature of the Award. In accepting the Award, you acknowledge, understand and agree that:

(a) the Plan is established voluntarily by the Company, it is discretionary in nature and limited in duration, and it may be modified, amended, suspended or terminated by the Company, in its sole discretion, at any time;

(b) the grant of the Award is voluntary and occasional and does not create any contractual or other right to receive future grants of Restricted Stock Units, or benefits in lieu of Restricted Stock Units, even if Restricted Stock Units have been granted in the past;

(c) all decisions with respect to future Awards or other grants, if any, will be at the sole discretion of the Company, including, but not limited to, the form and timing of the Award, the number of shares subject to the Award, and the vesting provisions applicable to the Award;

(d) the Award and your participation in the Plan shall not create a right to employment or be interpreted as forming an employment or service contract with the Company or any Affiliate and shall not interfere with the ability of the Company, your Employer or an Affiliate, as applicable, to terminate your employment or service relationship;

(e) you are voluntarily participating in the Plan;

(f) the Award and the shares of Stock subject to the Award are not intended to replace any pension rights or compensation;

(g) the Award, the shares of Stock subject to the Award and the value of same, is an extraordinary item of compensation outside the scope of your employment (and employment contract, if any) and is not part of normal or expected compensation for any purpose, including, without limitation, calculating any severance, resignation, termination,

redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(h) the future value of the shares of Stock underlying the Award is unknown, indeterminable and cannot be predicted with certainty;

(i) unless otherwise determined by the Committee in its sole discretion, a Termination of Service shall be effective from the date on which active employment or service ends and shall not be extended by any statutory or common law notice of termination period;

(j) no claim or entitlement to compensation or damages shall arise from forfeiture of the Award resulting from a Termination of Service (for any reason whatsoever, whether or not later found to be invalid or in breach of employment laws in the jurisdiction where you are employed or the terms of your employment agreement, if any), and in consideration of the grant of the Award to which you are otherwise not entitled, you irrevocably agree never to institute any claim against the Company, your Employer or any Affiliate, waive your ability, if any, to bring any such claim, and release the Company, the Employer and all Affiliates from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, you shall be deemed irrevocably to have agreed not to pursue such claim and agree to execute any and all documents necessary to request dismissal or withdrawal of such claim;

(k) unless otherwise provided herein, in the Plan or by the Company in its discretion, the Award and the benefits evidenced by this Agreement do not create any entitlement to have the Award or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the shares of Stock of the Company; and

(l) neither the Company nor any Affiliate shall be liable for any foreign exchange rate fluctuation between your local currency and the U.S. dollar that may affect the value of the Award or of any amounts due to you pursuant to the settlement of the Award or the subsequent sale of any shares of Stock acquired upon settlement of the Award.

20. Committee Authority; Recoupment. It is expressly understood that the Committee is authorized to administer, construe and make all determinations necessary or appropriate for the administration of the Plan and this Agreement, including the enforcement of any recoupment policy, all of which shall be binding upon you and any claimant. Any inconsistency between this Agreement and the Plan shall be resolved in favor of the Plan.

21. Non-Competition, Non-Solicitation and Confidentiality. As a condition to the receipt of this Award, you must agree to the Non-Competition, Non-Solicitation and Confidentiality Agreement attached hereto as Exhibit A by executing that Agreement. Failure to execute and return the Non-Competition, Non-Solicitation and Confidentiality Agreement within 120 days of the Grant Date shall constitute your decision to decline to accept this Award.

22. Consent to Collection/Processing/Transfer of Personal Data. Pursuant to applicable personal data protection laws, the Company hereby notifies you of the following in relation to your personal data and the collection, processing and transfer of such data in relation to the Company's grant of the Restricted Stock Units and your participation in the Plan. The collection, processing and transfer of personal data is necessary for the Company's administration of the Plan and your participation in the Plan, and your denial and/or objection to the collection, processing and transfer of personal data may affect your participation in the Plan. As such, you voluntarily acknowledge and consent (where required under applicable law) to the collection, use, processing and transfer of personal data as described herein:

(a) The Company and your Employer hold certain personal information about you, including (but not limited to) your name, home address and telephone number, date of birth, social security number or other employee identification number, salary, nationality, job title, any shares of Stock or directorships held in the Company, details of all entitlements to shares of Stock awarded, canceled, purchased, vested, unvested or outstanding in your favor, for the purpose of managing and administering the Plan ("Data"). The Data may be provided by you or collected, where lawful, from the Company, its Affiliates and/or third parties, and the Company and your Employer will process the Data for the exclusive purpose of implementing, administering and managing your participation in the Plan. The Data processing will take place through electronic and non-electronic means according to logics and procedures strictly correlated to the purposes for which Data are collected and with confidentiality and security provisions as set forth by applicable laws and regulations in your country of residence (or country of employment, if different). Data processing operations will be performed minimizing the use of personal and identification data when such operations are unnecessary for the processing purposes sought. Data will be accessible within the organization only by those persons requiring access for purposes of the implementation, administration and operation of the Plan and for the participation in the Plan.

(b) The Company and your Employer will transfer Data internally as necessary for the purpose of implementation, administration and management of your participation in the Plan, and the Company and/or your Employer may further transfer Data to any third parties assisting the Company in the implementation, administration and management of the Plan. These recipients may be located in the European Economic Area, or elsewhere throughout the world, such as the United States. You hereby authorize (where required under applicable law) the recipients to receive, possess, use, retain and transfer the Data, in electronic or other form, as may be required for the administration of the Plan and/or the subsequent holding of the shares of Stock on your behalf, to a broker or other third party with whom you may elect to deposit any shares of Stock acquired pursuant to the Plan.

(c) You may, at any time, exercise your rights provided under applicable personal data protection laws, which may include the right to (i) obtain confirmation as to the existence of Data, (ii) verify the content, origin and accuracy of the Data, (iii) request the integration, update, amendment, deletion or blockage (for breach of applicable laws) of the Data, (iv) oppose, for legal reasons, the collection, processing or transfer of the Data which is not necessary or required for the implementation, administration and/or operation of the Plan and your participation in the Plan, and (v) withdraw your consent to the collection, processing or transfer of Data as provided hereunder (in which case, your Restricted Stock Units will become null and void). You may seek to exercise these rights by contacting your Human Resources manager or the Company's Human Resources Department, who may direct the matter to the applicable Company privacy official.

23. Addendum to Agreement. Notwithstanding any provision of this Agreement to the contrary, the Restricted Stock Units shall be subject to any special terms and conditions for your country of residence (and country of employment, if different) as set forth in the addendum to the Agreement, attached hereto as Exhibit B (the "Addendum"). Further, if you transfer your residence and/or employment to another country reflected in the Addendum, the special terms and conditions for such country will apply to you to the extent the Company determines, in its sole discretion, that the application of such terms and conditions is necessary or advisable to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Restricted Stock Units and the Plan (or the Company may establish alternative terms and conditions as may be necessary or advisable to accommodate your transfer). The Addendum shall constitute part of this Agreement.

24. Additional Requirements. The Company reserves the right to impose other requirements on the Restricted Stock Units, any shares of Stock acquired pursuant to the Restricted Stock Units and your participation in the Plan to the extent the Company determines, in its sole discretion, that such other requirements are necessary or advisable in order to comply with local laws, rules and/or regulations or to facilitate the operation and administration of the Restricted Stock Units and the Plan. Such requirements may include (but are not limited to) requiring you to sign any agreements or undertakings that may be necessary to accomplish the foregoing.

25. Amendment or Modification, Waiver. Except as set forth in the Plan, no provision of this Agreement may be amended or waived unless the amendment or waiver is agreed to in writing, signed by you and by a duly authorized officer of the Company. No waiver of any condition or provision of this Agreement shall be deemed a waiver of a similar or dissimilar condition or provision at the same time, any prior time or any subsequent time.

26. Electronic Delivery. The Company may, in its sole discretion, deliver by electronic means any documents related to the Award or your future participation in the Plan. You hereby consent to receive such documents by electronic delivery and agree to participate in the Plan through an on-line or electronic system established and maintained by the Company or a third party designated by the Company.

27. Governing Law and Jurisdiction. This Agreement is governed by the substantive and procedural laws of the state of Illinois. You and the Company shall submit to the exclusive jurisdiction of, and venue in, the courts in Illinois in any dispute relating to this Agreement without regard to any choice of law rules thereof which might apply the laws of any other jurisdictions.

28. English Language. If you are resident in a country where English is not an official language, you acknowledge and agree that it is your express intent that this Agreement, the Plan and all other documents, notices and legal proceedings entered into, given or instituted pursuant to the Award, be drawn up in English. If you have received this Agreement, the Plan or any other documents related to the Award translated into a language other than English, and if the meaning of the translated version is different than the English version, the English version will control.

29. Conformity with Applicable Law. If any provision of this Agreement is determined to be invalid, illegal or unenforceable in any respect under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect the validity, legality or enforceability of any other provision of this Agreement or the validity, legality or enforceability of such provision in any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such

jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

30. Successors. This Agreement shall be binding upon and inure to the benefit of any successor or successors of the Company and any person or persons who shall, upon your death, acquire any rights hereunder.

EXHIBIT A

WALGREENS BOOTS ALLIANCE, INC. NON-COMPETITION, NON-SOLICITATION AND CONFIDENTIALITY AGREEMENT

This Exhibit forms a part of the Restricted Stock Unit Award Agreement covering Restricted Stock Units awarded to an employee of Walgreens Boots Alliance, Inc., on behalf of itself, its affiliates, subsidiaries, and successors (collectively referred to as "Employee" and the "Company").

WHEREAS, the Company develops and/or uses valuable business, technical, proprietary, customer and patient information it protects by limiting its disclosure and by keeping it secret or confidential;

WHEREAS, Employee acknowledges that during the course of employment, he or she has or will receive, contribute, or develop such confidential information; and

WHEREAS, the Company desires to protect from its competitors such confidential information and also desires to protect its legitimate business interests and goodwill in maintaining its employee and customer relationships.

NOW THEREFORE, in consideration of the Restricted Stock Unit issued to Employee pursuant the Agreement to which this is attached as Exhibit A, Employee agrees to be bound by the terms of this Agreement:

1. Confidentiality. At all times during and after the termination of my employment with the Company, I will not, without the Company's prior written permission, directly or indirectly for any purpose other than performance of my duties for the Company, utilize or disclose to anyone outside of the Company any Trade Secrets or other Confidential Information of the Company or any information received by the Company in confidence from or about third parties, as long as such matters remain Trade Secrets or otherwise confidential, as further defined below.

- a. "Trade Secrets" are a form of intellectual property and may include all tangible and intangible forms and types of financial, business, scientific, technical, economic, or engineering information, including patterns, plans, compilations, program devices, formulas, designs, prototypes, methods, techniques, processes, procedures, programs or codes, and may in particular include such things as pricing information, business records, software programs, algorithms, inventions, patent applications, and designs and processes not known outside the Company. Trade Secrets may be stored, compiled, memorialized or contained in various forms or media, such as paper, electronic media or transmission (such as disc, email, file transfers, tape, or web site features), all other forms of audio and/or video transfer, or even oral communications.
- b. "Confidential Information" shall include Trade Secrets and, more broadly, any information or material which is not generally known to the public, and which (i) is generated or collected by or utilized in the operations of the Company and relates to the actual or anticipated business of the Company or the Company's actual or prospective vendors or clients; or (ii) is suggested by or results from any task assigned to me by the Company or work performed by me for or on behalf of the Company or any client of the Company. Confidential Information shall not be considered generally known to the public if revealed improperly to the public by me or others without the Company's express written consent and/or in violation of an obligation of confidentiality to the Company. Confidential Information may take a variety of forms including but not limited to paper, electronic, media or transmission (such as email, file transfers, tape or web site features), and all other forms of audio and/or video transfer. Examples of confidential information include, but are not limited to, customer, referral source, supplier and contractor identification and contacts, confidential information about customers, business relationships, contract terms, pricing and margins, business, marketing and customer plans and strategies, financial data, techniques, formulations, technical know-how, formulae, research, development and production information, processes, designs, architectures, prototypes, models, software, patent applications

and plans, projections, proposals, discussion guides, personal or performance information about employees, or legal advice related to the foregoing.

The restrictions set forth in this paragraph are in addition to and not in lieu of any obligations I have by law with respect to the Company's Confidential Information, including any obligations I may owe under the federal Defend Trade Secrets Act of 2016 (the "TSA") and any applicable state statutes. Further, nothing herein shall prohibit me from divulging evidence of criminal wrongdoing to law enforcement or prohibit me from disclosing Confidential Information or Trade Secrets if compelled by order of court or an agency of competent jurisdiction or as required by law; however, I shall promptly inform the Company of any such situations and shall take reasonable steps to prevent disclosure of Confidential Information or Trade Secrets until the Company has been informed of such required disclosure and has had a reasonable opportunity to seek a protective order. Pursuant to the TSA, I understand that an individual may not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that: (A) is made (i) in confidence to a federal, state or local government official, either directly or indirectly, or to an attorney, and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Additionally, I understand that an individual who files a lawsuit for retaliation by an employer for reporting a suspected violation of law may disclose the trade secret to his or her attorney and use the trade secret information in the court proceeding, so long as any document containing the trade secret is filed under seal and the individual does not disclose the trade secret, except pursuant to court order. Nothing in this Agreement is intended to conflict with the TSA or create liability for disclosures of Trade Secrets that are expressly allowed by TSA.

2. Non-Competition. I agree that during my employment with the Company and for one year after the termination of my employment, I will not, directly or indirectly, invest in, own, operate, finance, control, or provide Competing Services to any Competing Business Line, in both cases as defined below. I understand that the restrictions in this paragraph apply no matter whether my employment is terminated by me or the Company and no matter whether that termination is voluntary or involuntary. The above restrictions shall not apply to passive investments of less than 5% ownership interest in any entity. I understand that the term "Competing Business Line" used in this Agreement means any business that is in competition with any business engaged in by the Company with respect to which I provide substantial services during the last two years of my employment with the Company.

I understand that I will be deemed to be providing "Competing Services" if the nature of such services are sufficiently similar in position, scope and geographic area to any position held by me during the last two years of my employment with the Company.

3. Non-Solicitation. I agree that during my employment with the Company and for two years after the termination of my employment from the Company for any reason, whether voluntary or involuntary:

- (a) I will not directly or indirectly, solicit any Restricted Customer for purposes of providing Competing Products or Services, or offer, provide or sell Competing Products or Services to any Restricted Customer. For purposes of this Agreement, "Competing Products or Services" means products or services that are competitive with products or services offered by, developed by, designed by or distributed by the Company to any Restricted Customer, and "Restricted Customer" means any person, company or entity which was a customer, potential customer, vendor, supplier or referral source of the Company and with which I had direct contact or about which I learned confidential information at any time during the last two years of my employment with the Company; and
- (b) I will not, nor will I assist any third party to, directly or indirectly (i) raid, hire, solicit, or attempt to persuade any employee of the Company with whom I currently work or with whom I worked at any point during the last two years preceding the termination of my employment with the Company, and who possesses or had access to confidential information of the Company, to leave the employ of the Company; (ii) interfere with the performance by any such employee of his/her duties for the Company; or (iii) communicate with any such employee for the purposes described in items (i) and (ii) in this paragraph.

4. Non-Inducement. I will not directly or indirectly assist or encourage any person or entity in carrying out or conducting any activity that would be prohibited by this Agreement if such activity were carried out or conducted by me.

5. Non-Disparagement. I agree (whether or not I am then an Employee) not to make negative comments or otherwise disparage the Company, its Affiliates, or any of their officers, directors, employees, shareholders, members, agents or products other than in the good faith performance of my duties to the Company and its Affiliates while I am employed by the Company and its Affiliates and thereafter. The foregoing shall not be violated by truthful statements in response to legal process, required governmental testimony or filings, or administrative or arbitral proceedings (including, without limitation, depositions in connection with such proceedings).

6. Intellectual Property. The term "Intellectual Property" shall mean all trade secrets, ideas, inventions, designs,

developments, devices, software, computer programs, methods and processes (whether or not patented or patentable, reduced to practice or included in the Confidential Information) and all patents and patent applications related thereto, all copyrights, copyrightable works and mask works (whether or not included in the Confidential Information) and all registrations and applications for registration related thereto, all Confidential Information, and all other proprietary rights contributed to, or conceived or created by, or reduced to practice by Employee or anyone acting on his/her behalf (whether alone or jointly with others) at any time from the beginning of Employee's employment with Walgreens Boots Alliance, Inc. to the termination of that employment plus ninety (90) days, that (i) relate to the business or to the actual or anticipated research or development of Walgreens Boots Alliance, Inc.; (ii) result from any services that Employee or anyone acting on its behalf perform for Walgreens; or (iii) are created using the equipment, supplies or facilities of Walgreens Boots Alliance, Inc. or any Confidential Information.

- a. Ownership. All Intellectual Property is, shall be and shall remain the exclusive property of the Company. Employee hereby assigns to the Company all right, title and interest, if any, in and to the Intellectual Property; provided, however, that, when applicable, the Company shall own the copyrights in all copyrightable works included in the Intellectual Property pursuant to the "work-made-for-hire" doctrine (rather than by assignment), as such term is defined in the 1976 Copyright Act. All Intellectual Property shall be owned by the Company irrespective of any copyright notices or confidentiality legends to the contrary which may be placed on such works by Employee or by others. Employee shall ensure that all copyright notices and confidentiality legends on all work product authored by Employee or anyone acting on his/her behalf shall conform to the Company's practices and shall specify the Company as the owner of the work. The Company hereby provides notice to Employee that the obligation to assign does not apply to an invention for which no equipment, supplies, facility, or trade secret information of the Company was used and which was developed entirely on the Employee's own time, unless (a) the invention relates (i) to the business of the Company, or (ii) to the Company's actual or demonstrably anticipated research or development, or (b) the invention results from any work performed by Employee for the Company.
- b. Keep Records. Employee shall keep and maintain, or cause to be kept and maintained by anyone acting on his/her behalf, adequate and current written records of all Intellectual Property in the form of notes, sketches, drawings, computer files, reports or other documents relating thereto. Such records shall be and shall remain the exclusive property of the Company and shall be available to the Company at all times during the term of this Agreement.
- c. Assistance. Employee shall supply all assistance requested in securing for Company's benefit any patent, copyright, trademark, service mark, license, right or other evidence of ownership of any such Intellectual Property, and will provide full information regarding any such item and execute all appropriate documentation prepared by Company in applying or otherwise registering, in Company's name, all rights to any such item or the defense and protection of such Intellectual Property.
- d. Prior Inventions. Employee has disclosed to the Company any continuing obligations to any third party with respect to Intellectual Property. Employee claims no rights to any inventions created prior to his/her employment for which a patent application has not previously been filed, unless he/she has described them in detail on a schedule attached to this Agreement.
- e. Trade Secret Provisions. The provisions in Paragraph 1 with regard to Trade Secrets and the TSA shall apply as well in the context of the parties' Intellectual Property rights and obligations.

7. Return of Company Property. I agree that I will not take any of the Company's property or information with me when I leave the Company's employ, no matter what form that property or information is in and no matter how I acquired it. When my employment with the Company terminates, I will immediately return to the Company any and all Company information, documents, and electronics.

8. Consideration and Acknowledgments. I acknowledge and agree that the covenants described in this Agreement are essential terms, and the underlying Restricted Stock Unit would not be provided by the Company in the absence of these covenants. I further acknowledge that these covenants are supported by adequate consideration as set forth in this Agreement and are not in conflict with any public interest. I further acknowledge and agree that I fully understand these covenants, have had full and complete opportunity to discuss and resolve any ambiguities or uncertainties regarding these covenants before signing this Agreement, and have voluntarily agreed to comply with these covenants for their stated terms. I further acknowledge and agree that these covenants are reasonable and enforceable in all respects.

9. Enforceability; General Provisions.

- (a) I agree that the restrictions contained in this Agreement are reasonable and necessary to protect the Company's legitimate business interests and that full compliance with the terms of this Agreement will not prevent me from earning a livelihood following the termination of my employment, and that these

covenants do not place undue restraint on me.

- (b) Because the Company's current base of operations is in Illinois and my connections thereto, (i) this Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, where this Agreement is entered into, without giving effect to any conflict of law provisions, and (ii) I consent to personal jurisdiction and the exclusive jurisdiction of the state and federal courts of Illinois with respect to any claim, dispute or declaration arising out of this Agreement.
- (c) In the event of a breach or a threatened breach of this Agreement, I acknowledge that the Company will face irreparable injury which may be difficult to calculate in dollar terms and that the Company shall be entitled, in addition to all remedies otherwise available in law or in equity, to temporary restraining orders and preliminary and final injunctions enjoining such breach or threatened breach in any court of competent jurisdiction without the necessity of posting a surety bond, as well as to obtain an equitable accounting of all profits or benefits arising out of any violation of this Agreement.
- (d) I agree that if a court determines that any of the provisions in this Agreement is unenforceable or unreasonable in duration, territory, or scope, then that court shall modify those provisions so they are reasonable and enforceable, and enforce those provisions as modified.
- (e) If any phrase or provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, that phrase, clause or provision shall be deemed severed from this Agreement, and will not affect the enforceability of any other provisions of this Agreement, which shall otherwise remain in full force and effect.
- (f) Notwithstanding the foregoing provisions of this Agreement, the non-competition provisions of Paragraph 2 above shall not restrict Employee from performing legal services as a licensed attorney for a Competing Business to the extent that the attorney licensure requirements in the applicable jurisdiction do not permit Employee to agree to the otherwise applicable restrictions of Paragraph 2.
- (g) Waiver of any of the provisions of this Agreement by the Company in any particular instance shall not be deemed to be a waiver of any provision in any other instance and/or of the Company's other rights at law or under this Agreement.
- (h) I agree that the Company may assign this Agreement to its successors and assigns and that any such successor or assign may stand in the Company's shoes for purposes of enforcing this Agreement.
- (i) I agree to reimburse the Company for all attorneys' fees, costs, and expenses that it reasonably incurs in connection with enforcing its rights and remedies under this Agreement, but only to the extent the Company is ultimately the prevailing party in the applicable legal proceedings.
- (j) If I violate this Agreement, then the restrictions set out in Paragraphs 2 - 6 shall be extended by the same period of time as the period of time during which the violation(s) occurred.
- (k) I fully understand my obligations in this Agreement, have had full and complete opportunity to discuss and resolve any ambiguities or uncertainties regarding these covenants before signing this Agreement, and have voluntarily agreed to comply with these covenants for their stated terms.

10. Relationship of Parties. I acknowledge that my relationship with the Company is "terminable at will" by either party and that the Company or I can terminate the relationship with or without cause and without following any specific procedures. Nothing contained in this Agreement is intended to or shall be relied upon to alter the "terminable at will" relationship between the parties. I agree that my obligations in this Agreement shall survive the termination of my employment from the Company for any reason and shall be binding upon my successors, heirs, executors and representatives.

11. Modifications and Other Agreements. I agree that the terms of this Agreement may not be modified except by a written agreement signed by both me and the Company. This Agreement shall not supersede any other restrictive covenants to which I may be subject under an employment contract, benefit program or otherwise, such that the Company may enforce the terms of any and all restrictive covenants to which I am subject. The obligations herein are in addition to and do not limit any obligations arising under applicable statutes and common law.

12. Notification. I agree that in the event I am offered employment at any time in the future with any entity that may be considered a Competing Business Line, I shall immediately notify such Competing business of the existence and terms of this Agreement. I also understand and agree that the Company may notify anyone attempting to or later employing me of the existence and provisions of this Agreement.

By clicking the acceptance box for this grant agreement, I acknowledge receipt of the Restricted Stock Unit Agreement to which this Agreement is attached as Exhibit A, and I agree to the terms and conditions expressed in this Agreement.

MEXICO

1. Commercial Relationship. You expressly recognize that your participation in the Plan and the Company's grant of the Restricted Stock Units does not constitute an employment relationship between you and the Company. You have been granted the Restricted Stock Units as a consequence of the commercial relationship between the Company and the Affiliate in Mexico that employs you ("WBA Mexico"), and WBA Mexico your sole employer. Based on the foregoing, you expressly recognize that (a) the Plan and the benefits you may derive from your participation in the Plan do not establish any rights between you and WBA Mexico, (b) the Plan and the benefits you may derive from your participation in the Plan are not part of the employment conditions and/or benefits provided by WBA Mexico, and (c) any modifications or amendments of the Plan by the Company, or a termination of the Plan by the Company, shall not constitute a change or impairment of the terms and conditions of your employment with WBA Mexico.

2. Extraordinary Item of Compensation. You expressly recognize and acknowledge that your participation in the Plan is a result of the discretionary and unilateral decision of the Company, as well as your free and voluntary decision to participate in the Plan in accordance with the terms and conditions of the Plan, the Agreement and this Addendum. As such, you acknowledge and agree that the Company, in its sole discretion, may amend and/or discontinue your participation in the Plan at any time and without any liability. The Award, the shares of Stock subject to the Award and the value of same is an extraordinary item of compensation outside the scope of your employment contract, if any, and is not part of your regular or expected compensation for purposes of calculating any severance, resignation, redundancy, end of service payments, bonuses, long-service awards, pension or retirement benefits, or any similar payments, which are the exclusive obligations of WBA Mexico.

MONACO

Use of English Language. You acknowledge that it is your express wish that the Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English. ***Vous reconnaissez avoir expressément exigé la rédaction en anglais de la présente Convention, ainsi que de tous documents exécutés, avis donnés et procédures judiciaires intentées, directement ou indirectement, relatifs à,***

ou suite à, la présente Convention.

NETHERLANDS

Exclusion of Claim. You acknowledge and agree that you will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from your ceasing to have rights under or to be entitled to the Restricted Stock Units, whether or not as a result of your Termination of Service (whether such termination is in breach of contract or otherwise), or from the loss or diminution in value of the Restricted Stock Units. Upon the grant of Restricted Stock Units, you shall be deemed irrevocably to have waived any such entitlement.

ROMANIA

Voluntary Termination of Service. For the sake of clarity, a voluntary Termination of Service shall include the situation where your employment contract is terminated by operation of law on the date you reach the standard retirement age and have completed the minimum contribution record for receipt of state retirement pension or the relevant authorities award you an early-retirement pension of any type.

RUSSIA

1. No Offering of Securities in Russia. The grant of the Restricted Stock Units is not intended to be an offering of securities within the territory of the Russian Federation, and you acknowledge and agree that you will be unable to make any subsequent sale of the shares of Stock acquired pursuant to the Restricted Stock Units in the Russian Federation.

2. Repatriation Requirements. You agree to promptly repatriate the proceeds resulting from the sale of shares of Stock acquired under the Plan to a foreign currency account at an authorized bank in Russia if legally required at the time shares of Stock are sold and to comply with all applicable local foreign exchange rules and regulations. Neither the Company nor any of its Affiliates shall be liable for any fines or penalties resulting from your failure to comply with applicable laws.

SPAIN

1. Acknowledgement of Discretionary Nature of the Plan; No Vested Rights. This provision supplements the terms of the Agreement:

In accepting the Award, you acknowledge that you consent to participation in the Plan and have received a copy of the Plan.

You understand that the Company has unilaterally, gratuitously and in its sole discretion granted Restricted Stock Units under the Plan to individuals who may be employees of the Company or its Affiliates throughout the world. The decision is a limited decision that is entered into upon the express assumption and condition that any grant will not economically or otherwise bind the Company or any of its Affiliates on an ongoing basis. Consequently, you understand that the Restricted Stock Units are granted on the assumption and condition that the Restricted Stock Units and the shares of Stock acquired upon settlement of the Restricted Stock Units shall not become a part of any employment contract (either with the Company or any of its Affiliates) and shall not be considered a mandatory benefit, salary for any purposes (including severance compensation) or any other right whatsoever. In addition, you understand that this grant would not be made to you but for the assumptions and conditions referenced above; thus, you acknowledge and freely accept that should any or all of the assumptions be mistaken or should any of the conditions not be met for any reason, the Award shall be null and void.

Further, you understand and agree that the vesting of the Restricted Stock Units is expressly conditioned on your continued and active rendering of service, such that upon a Termination of Service, the Restricted Stock Units may cease vesting immediately, in whole or in part, effective on the date of your Termination of Service (unless otherwise specifically provided in Section 4, 5 or 6 of the Agreement). This will be the case, for example, even if (a) you are considered to be unfairly dismissed without good cause; (b) you are dismissed for disciplinary or objective reasons or due to a collective dismissal; (c) you terminate service due to a change of work location, duties or any other employment or contractual condition, (d) you terminate service due to a unilateral breach of contract by the Company or an Affiliate. Consequently, upon a Termination of Service for any of the above reasons, you may automatically lose any rights to Restricted Stock Units that were not vested as of the date of your Termination of Service, as described in the Plan and Agreement.

You acknowledge that you have read and specifically accept the conditions referred to in the Agreement regarding the impact of a Termination of Service on your Award.

2. Termination for Cause. "Cause" shall be defined as indicated in Section 7 of the Agreement, irrespective of whether the termination is or is not considered a fair termination (i.e., "despido procedente") under Spanish legislation.

3. No Public Offering. No "offer of securities to the public," within the meaning of Spanish law, has taken place or will take place in the Spanish territory in connection with the Restricted Stock Units. The Plan, the Agreement (including this Addendum) and any other documents evidencing the grant of the Restricted Stock Units have not, nor will they be registered with the *Comisión Nacional del Mercado de Valores* (the Spanish securities regulator) and none of those documents constitute a public offering prospectus.

SWITZERLAND

Securities Law Notification. The Restricted Stock Units are not considered a public offering in Switzerland; therefore, the offer of Restricted Stock Units is not subject to registration in Switzerland. Neither this document nor any other materials relating to the Restricted Stock Units constitute a prospectus as such term is understood pursuant to article 652a of the Swiss Code of Obligations, and neither this document nor any other materials relating to the Restricted Stock Units may be publicly distributed nor otherwise made publicly available in Switzerland. Neither this document nor any other offering or marketing materials relating to the Restricted Stock Units have been or will be filed with, or approved or supervised by, any Swiss regulatory authority (in particular, the Swiss Financial Market Supervisory Authority (FINMA)).

TURKEY

Securities Law Notification. The sale of shares of Stock acquired under the Plan is not permitted within Turkey. The sale of shares of Stock acquired under the Plan must occur outside of Turkey. The shares of Stock are currently traded on the Nasdaq Stock Market under the ticker symbol "WBA" and shares of Stock may be sold on this exchange.

UNITED KINGDOM

1. Indemnification for Tax-Related Items. Without limitation to Section 10 of the Agreement, you hereby agree that you are liable for all Tax-Related Items and hereby covenant to pay all such Tax-Related Items, as and when requested by the Company, your Employer or by Her Majesty's Revenue & Customs ("HMRC") (or any other tax authority or any other relevant authority). You also hereby agree to indemnify and keep indemnified the Company and your Employer against any Tax-Related Items that they are required to pay or withhold or have paid or will pay on your behalf to HMRC (or any other tax authority or any other relevant authority).

2. Exclusion of Claim. You acknowledge and agree that you will have no entitlement to compensation or damages insofar as such entitlement arises or may arise from your ceasing to have rights under or to be entitled to the Restricted Stock Units, whether or not as a result of your Termination of Service (whether such termination is in breach of contract or otherwise), or from the loss or diminution in value of the Restricted Stock Units. Upon the grant of the Restricted Stock Units, you shall be deemed irrevocably to have waived any such entitlement.

By clicking the acceptance box for this grant agreement, I acknowledge receipt of the Restricted Stock Unit Award Agreement to which this Addendum is attached as Exhibit B, and I agree to the terms and conditions expressed in this Addendum.
