May-09	Lose Weekday	Thursday	Sunday				
Jun-09	Gain Weekday	Sunday	Tuesday				
Jul-09		Tuesday	Friday				
Aug-09		Friday	Monday				Gain Weekday

**Dayfall Impact** - Walgreens reports comparable sales on a monthly basis. Pharmacy comparable sales results are impacted by the mix of weekdays and weekend days in a month compared to the prior year, because generally more prescriptions are filled on weekdays than on weekend days. Please refer to the "Dayfall Impact" column to see how these calendar shifts have impacted Rx comp and Script comp results in the past.
