**Western Digital Corporation
First Quarter Fiscal Year 2016
Conference Call Remarks
October 28, 2015**

**Olivier Leonetti
Executive Vice President &
Chief Financial Officer**

Thank you, Steve.

Our revenue for the September quarter was \$3.4 billion dollars.

We shipped a total of 51.7 million hard disk drives at an average selling price of \$60 dollars.

Our non-GAAP gross margin was 28.9 percent and operating expenses totaled \$567 million dollars.

Tax expense for the September quarter was \$31 million dollars, or 8 percent of non-GAAP pre-tax income.

On a non GAAP basis, net income was \$366 million dollars, or one dollar and fifty-six cents per share.

In the September quarter we generated \$545 million dollars in cash from operations and our free cash flow totaled \$394 million dollars.

Our CAPEX totaled \$151 million dollars or 4 percent of revenue.

We repurchased 700 thousand shares for \$60 million dollars.

We also declared a dividend in the amount of 50 cents per share.

We closed the quarter with total cash and cash equivalents of \$5.1 billion dollars, of which approximately \$600 million dollars was held in the U.S.

I will now provide our guidance for the December quarter.

We expect:

- Revenue to be in the range of \$3.3 billion dollars to \$3.4 billion dollars.

On a non-GAAP basis, we expect:

- Gross margin percentage to be slightly up from our September quarter
- Operating expenses of approximately \$585 million dollars
- And accordingly, we estimate non-GAAP earnings per share between one dollar and fifty cents and one dollar and sixty cents.

Operator, we are now ready to open the call for questions.

Forward-Looking Statements

This document contains forward-looking statements within the meaning of the federal securities laws. These forward-looking statements include, but are not limited to, statements regarding Western Digital's product and technology positioning, the anticipated benefits and timing of the integration of HGST and WD, the investment in the company by Unisplendour Corporation and Western Digital's proposed merger with SanDisk (including financing of the proposed transaction and the benefits, results, effects and timing of a transaction), all statements regarding Western Digital's (and Western Digital's and SanDisk's combined) expected future financial position, results of operations, cash flows, dividends, financing plans, business strategy, budgets, capital expenditures, competitive positions, growth opportunities, plans and objectives of management, and statements containing the use of forward-looking words, such as "may," "will," "could," "would," "should," "project," "believe," "anticipate," "expect," "estimate," "continue," "potential," "plan," "forecast," "approximate," "intend," "upside," and the like, or the use of future tense. Statements contained herein concerning the business outlook or future economic performance, anticipated profitability, revenues, expenses, dividends or other financial items, and product or services line growth of Western Digital (and the combined businesses of Western Digital and SanDisk), together with other statements that are not historical facts, are forward-looking statements that are estimates reflecting the best judgment of Western Digital based upon currently available information. Statements concerning current conditions may also be forward-looking if they imply a continuation of current conditions.

Such forward-looking statements are inherently uncertain, and stockholders and other potential investors must recognize that actual results may differ materially from Western Digital's expectations as a result of a variety of factors, including, without limitation, those discussed below. These forward-looking statements are based upon management's current expectations and include known and

unknown risks, uncertainties and other factors, many of which Western Digital is unable to predict or control, that may cause actual results, performance or plans to differ materially from those expressed or implied by such forward-looking statements, including: volatility in global economic conditions; business conditions and growth in the storage ecosystem; pricing trends and fluctuations in average selling prices; the availability and cost of commodity materials and specialized product components; actions by competitors; unexpected advances in competing technologies; the development and introduction of products based on new technologies and expansion into new data storage markets; and other risks and uncertainties listed in the company's filings with the Securities and Exchange Commission (the "SEC"), including Western Digital's most recent Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. You should not place undue reliance on these forward-looking statements, which speak only as of the date hereof, and Western Digital undertakes no obligation to update these forward-looking statements to reflect new information or events.

Risks and uncertainties related to the proposed merger include, but are not limited to, the risk that SanDisk's stockholders do not approve the merger or that Western Digital's stockholders do not approve the issuance of stock in the merger (to the extent such approval is required), potential adverse reactions or changes to business relationships resulting from the announcement, pendency or completion of the merger, uncertainties as to the timing of the merger, the possibility that the closing conditions to the proposed merger may not be satisfied or waived, including that a governmental entity may prohibit, delay or refuse to grant a necessary approval, adverse effects on Western Digital's stock price resulting from the announcement or completion of the merger, competitive responses to the announcement or completion of the merger, costs and difficulties related to the integration of SanDisk's businesses and operations with Western Digital's businesses and operations, the inability to obtain, or delays in obtaining, cost savings and synergies from the merger, uncertainties as to whether the completion of the merger or any transaction will have the accretive effect on Western Digital's earnings or cash flows that it expects, unexpected costs, liabilities, charges or expenses resulting from the merger, litigation relating to the merger, the inability to retain key personnel, and any changes in general economic and/or industry-specific conditions. In addition to the factors set forth above, other factors that may affect Western Digital's or SanDisk's plans, results or stock price are set forth in Western Digital's and SanDisk's respective filings with the SEC, including Western Digital's and SanDisk's most recent Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. Many of these factors are beyond Western Digital's and SanDisk's control. Western Digital and SanDisk caution investors that any forward-looking statements made by Western Digital or SanDisk are not guarantees of future performance. Neither Western Digital nor SanDisk intend, or undertake any obligation, to publish revised forward-looking statements to reflect events or circumstances after the date of this document or to reflect the occurrence of unanticipated events.
