Kratos Receives \$8 Million in Orders for Satellite Global Position Protection System

SAN DIEGO, Aug. 08, 2017 (GLOBE NEWSWIRE) -- Kratos Defense & Security Solutions, Inc. (NASDAQ:KTOS), a leading National Security Solutions provider, announced today that it has received \$8 million in orders for specialized products in support of a satellite global position (GPS) anti-jamming, interference and protection system. Kratos is an industry leader in microwave electronic products, satellite communication, command, control, RF interference identification and geolocation. The specialized products to be delivered under these contract awards will be produced in a secure Kratos manufacturing facility. Due to competitive, customer related and other considerations, no additional information will be provided.

About Kratos Defense & Security Solutions

Notice Regarding Forward-Looking Statements

Certain statements in this press release may constitute "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are made on the basis of the current beliefs, expectations and assumptions of the management of Kratos and are subject to significant risks and uncertainty. Investors are cautioned not to place undue reliance on any such forward-looking statements. All such forward-looking statements speak only as of the date they are made, and Kratos undertakes no obligation to update or revise these statements, whether as a result of new information, future events or otherwise. Although Kratos believes that the expectations reflected in these forward-looking statements are reasonable, these statements involve many risks and uncertainties that may cause actual results to differ materially from what may be expressed or implied in these forward-looking statements. For a further discussion of risks and uncertainties that could cause actual results to differ from those expressed in these forward-looking statements, as well as risks relating to the business of Kratos in general, see the risk disclosures in the Annual Report on Form 10-K of Kratos for the year ended December 25, 2016, and in subsequent reports on Forms 10-Q and 8-K and other filings made with the SEC by Kratos.
