About WGL Holdings

WGL Holdings, Inc. is a public utility holding company serving the Washington, D.C. metropolitan region. Washington Gas, our leading subsidiary, has provided safe, reliable natural gas service to customers in the D.C. area for over 160 years and today serves more than one million customers in the District of Columbia, Maryland and Virginia. Our unregulated subsidiaries provide energy-related services to residential and commercial customers, including government organizations. Whether we are distributing clean natural gas safely to a customer's home, supplying power through renewable wind energy, or providing infrastructure to the federal government, our vision is to be the preferred source of clean and efficient energy solutions.

Investment Highlights

- High-growth utility service territory
- Operationally efficient natural gas utility operations
- Profitable retail energy marketing business
- Strong balance sheet and corporate credit ratings
- 38 years of dividend increases; 163 years of payments
