The award is Gallup's highest honor, being presented to organizations whose employees exemplify high levels of involvement, enthusiasm and commitment throughout every facet of their work environment, which creates a positive impact on organizational success and a competitive advantage. Engaged employees drive an organization's goals because they truly care about their work and their company.

"We humbly accept the award, and are gratified by this honor for the second year in a row," said Mark A. Turner, President and CEO of WSFS Bank. "Focusing our efforts on engagement has led us to new heights, sparking innovation and high-performance, which provides us the ability to better serve our communities. Our dedicated Associates live out our mission daily and this achievement is a testament to their unwavering commitment to this company and to those we serve."

Gallup, Inc. has been working to innovate and advance employee engagement for more than 80 years, using their knowledge to assist the creation of sustainable work cultures. Its panel of workplace experts use analytically supported research to consult thousands of corporations around the world on strategy and implementation.
