## Web.com Announces \$100 Million Addition to Stock Repurchase Authorization

JACKSONVILLE, Fla., Nov. 03, 2016 (GLOBE NEWSWIRE) -- [Web.com Group, Inc.](#) (Nasdaq:WEB), a leading provider of Internet services and online marketing solutions for small businesses, today announced that its Board of Directors has increased Web.com's current stock repurchase plan by \$100 million and extended the expiration date to December 31, 2018.

"We are pleased to announce this expansion of our stock repurchase program, which is a key element of our strategy to use our strong cash flow generation and balance sheet to generate shareholder value. Since we initiated our share repurchase program in November 2014, we have repurchased 4.1 million shares for \$79 million. We remain focused on efficiently allocating capital among our opportunities to invest in the Company, repay debt and buy back stock. The expansion and extension of the stock buyback program gives us additional flexibility to deploy excess cash." said David L. Brown, chairman, chief executive officer and president of Web.com.

As of November 2, 2016, there was \$21 million of remaining availability in the existing authorization. With the expansion of the plan, there is now a total of \$121 million available for share repurchases. The repurchase program will be funded using Web.com's available cash balances and future operating cash flows. The timing, price and volume of repurchases will be based on market conditions, restrictions under applicable securities laws and other factors. The repurchase program, which is authorized through December 31, 2018, may be terminated by Web.com at any time and does not require Web.com to repurchase any specific number of shares.

The repurchases may be made periodically in a variety of ways including open market purchases at prevailing market prices, in privately negotiated transactions, or pursuant to a 10b5-1 plan implemented by Web.com.

Any repurchases under this share repurchase program will be disclosed in Web.com's future quarterly reports on Form 10-Q and annual reports on Form 10-K filed with the Securities and Exchange Commission.
