

About Web.com

Web.com has been serving the small business community since 1997. **Our Mission is very simple – To Help Small Businesses Succeed Online!**

Web.com provides a full range of Internet services to small businesses to help them compete and succeed online. Web.com meets the needs of small businesses anywhere along their lifecycle with affordable, subscription-based solutions including domains, hosting, website design and management, search engine optimization, online marketing campaigns, local sales leads, social media, mobile products, and eCommerce solutions. Headquartered in Jacksonville, Florida, Web.com is a publicly-traded company (Nasdaq: WEB) serving approximately 3.3 million customers, primarily in North America, with approximately 2,200 employees in locations across North America, South America and the United Kingdom.

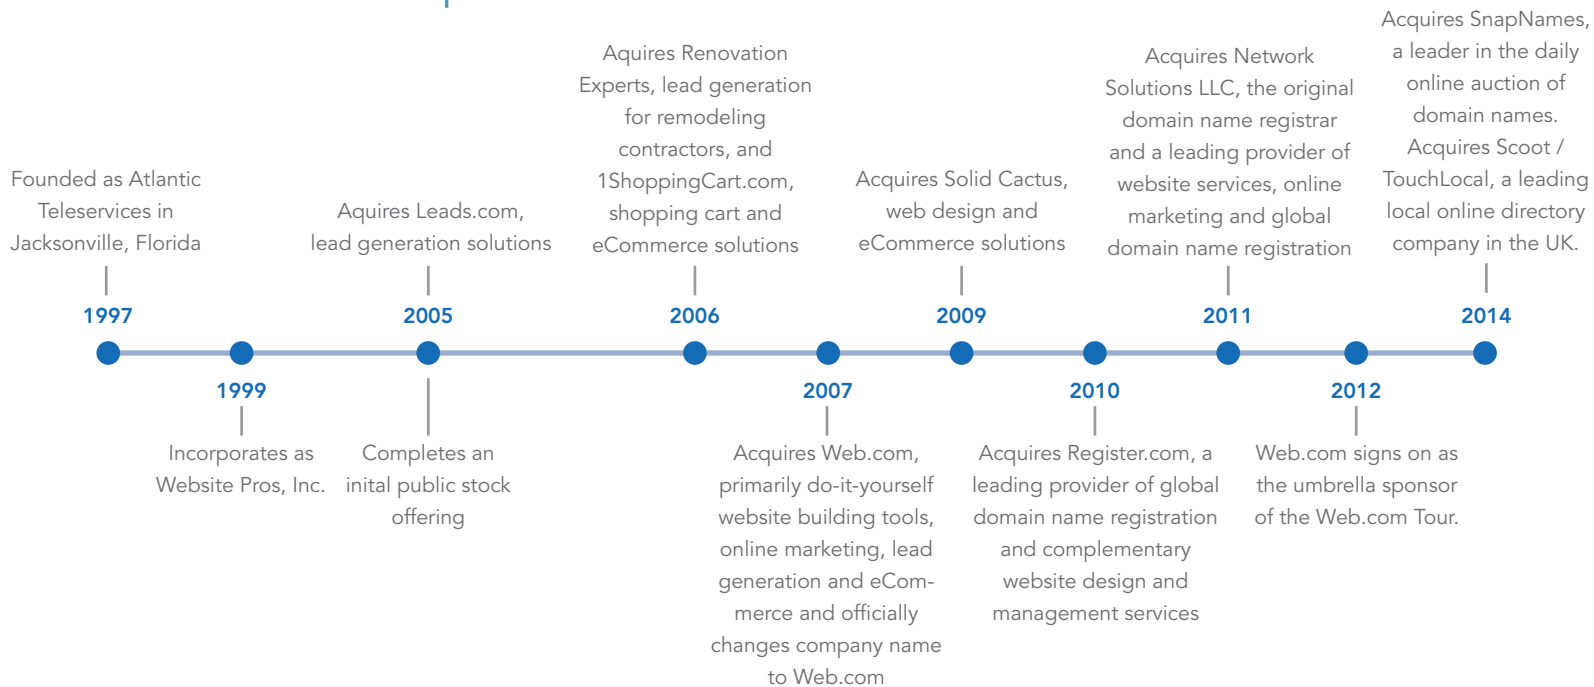

Mission and Values:

- Our mission is our reason for being – To Help Small Businesses Succeed Online!
- Our values are the beliefs that drive our company's culture – Respect, Continuous Improvement, Customer Satisfaction, Communication, Entrepreneurial Spirit and Teamwork.

Who We Serve:

Web.com focuses on serving small businesses: those hard-working, entrepreneurial owners who know that an effective internet presence is **KEY** to the success of their business. Whether a "bricks and mortar" storefront or a web-driven business, these small business owners understand that being on the internet is critical to their success and they are looking for a partner to help provide them with affordable and effective solutions.

Historical Perspective

Solutions for Every Business

No website and no time to build one? No problem. You say it. We build it. Web.com can do it all for you.

Our team will work with you to secure a domain name, lead your website design, develop your search engine marketing efforts and help get your business an effective social media presence.

Do you already have a website? Web.com can help improve your existing site so it can be found in local search, build a Facebook page and optimize your site for mobile devices such as smartphones and tablets.

All it takes is a simple phone call to Web.com.

Web.com is Your Best Resource

Web.com has been serving the small business community since 1997. Through acquisition and organic growth, we have expanded from approximately 50,000 subscription customers in 2005 to more than 3.3 million customers. We have been recognized on the Deloitte Fast 500 Technology list as one of the fastest growing technology companies in North America for the past FIVE STRAIGHT YEARS! Web.com has been named a Google AdWords Premier SMB Partner and a Yahoo! Local Ambassador.

Today, Web.com has more than 2,200 employees in locations throughout North America, South America and the United Kingdom.
