

## **Web.com Tops List of Most Reliable Hosting Company Sites, According to Internet Data and Analysis Company**

JACKSONVILLE, Fla., Aug. 5, 2009 (GLOBE NEWSWIRE) -- Web.com (Nasdaq:WWW), a leading provider of online marketing for small businesses, topped the list of most reliable web hosting company sites for the month of July 2009, according to Netcraft, an independent Internet services company.

To determine reliability, Netcraft measured response times for fifty leading hosting providers' sites at fifteen minute intervals from separate points around the Internet, and averages were calculated over the immediately preceding twenty-four hour period.
