About Ancillary Healthcare Services

American CareSource provides ancillary healthcare services through its network that offers cost effective alternatives to physician and hospital-based services. This market is estimated at \$574 billion, and has grown to 30% of total national health expenditures. These providers offer services in over 30 categories, including laboratories, dialysis centers, free-standing diagnostic imaging centers, non-hospital surgery centers, as well as durable medical equipment such as orthotics and prosthetics, and others.

About American CareSource Holdings, Inc.

American CareSource Holdings, the first national, publicly traded ancillary care network services company, offers a comprehensive national network of approximately 3,000 ancillary service providers at over 30,000 sites through its subsidiary, Ancillary Care Services. The Company's ancillary network and management provides a complete outsourced solution for a wide variety of healthcare payors and plan sponsors including self-insured employers, indemnity insurers, PPOs, HMOs, third party administrators and both federal and local governments.
