## **American CareSource Announces Voluntary Filing of Form 15**

ATLANTA, Oct. 19, 2016 (GLOBE NEWSWIRE) -- American CareSource Holdings, Inc. (OTCQB:GNOW), an urgent and primary care company operating under the names GoNow Doctors and Medac, announced today the voluntary filing of a Form 15 with the Securities and Exchange Commission (the "SEC") to deregister its common stock and suspend its public reporting obligations under the Securities Exchange Act of 1934 (the "Exchange Act").

Adam Winger, the CEO of GNOW, said, "This decision reflects our careful consideration, as a small public company, of a number of factors, including our continued liquidity issues, the significant cost of compliance with the many SEC and Sarbanes-Oxley requirements and the management time needed to satisfy those requirements. We expect to reduce costs while freeing up valuable management time that can be applied to more productive initiatives."
