*Yellow Transportation and Roadway Express statistics are presented on a picked-up basis. YRC Regional Transportation statistics are presented on a billed basis. As the majority of shipments are billed the same day as picked up, differences are insignificant.

**YRC Regional Transportation statistics include the operating companies of New Penn Motor Express, USF Bestway, USF Holland and USF Reddaway. As New Penn and the USF companies may have different workdays, the statistics per day are based on a weighted average and may not recompute from the data presented.

***Does not equal financial statement revenue due to, among other items, revenue recognition between accounting periods, rerates, discounts and other adjustments to invoices that occur after initial billing in the system.
