\*YRC Regional Transportation statistics include the operating companies of New Penn Motor Express, USF Bestway, USF Holland and USF Reddaway. USF Glen Moore, a truckload carrier, is not included in the statistics. As New Penn and the USF companies may have different workdays, the statistics per day are based on a weighted average and may not recompute from the data presented.

\*\*Does not equal financial statement revenue due to revenue recognition adjustments between accounting periods. For YRC Regional Transportation, revenue above excludes revenue recognition adjustments in addition to Glen Moore revenue. **Prior year revenue and revenue/cwt have been restated for YRC Regional Transportation to a picked-up basis consistent with Yellow Transportation and Roadway. In the prior year, these results were stated on a billed basis.**
