Holland Named 2017 Top Regional Carrier by GlobalTranz

HOLLAND, Mich., April 17, 2018 (GLOBE NEWSWIRE) -- Holland was named Top Midwest Regional Carrier for 2017 by GlobalTranz at its annual Freight Agent Conference. Each year, GlobalTranz identifies its top carriers based on a selection process that encompasses several key performance categories: overall operational excellence and customer service, price competitiveness and flexibility, strategic partnerships and market leadership, and technology innovation and new service offerings. This award demonstrates Holland's position as a premier next-day and two-day delivery service provider in the Midwest.

"GlobalTranz serves customers via its network of over 34,000 carriers," said Scott Ware, President of Holland. "To be singled out as their top carrier in the Midwest Region is a tremendous honor, and we are all deeply grateful to GlobalTranz. The commitment of our team members to deliver The Holland Difference is evident when we are selected by GlobalTranz as the very best carrier serving the Midwest."

Holland also earned this recognition in 2011.
