### About ZAGG Inc:

ZAGG is dedicated to protecting and enhancing the mobile experience. ZAGG designs, manufactures, and distributes protective clear coverings and accessories for consumer electronic and hand-held devices, worldwide under the brand names invisibleSHIELD(TM) and ZAGGaudio(TM). ZAGG has also introduced beta testing of AppSpace.com, an online destination for the fast-growing mobile app market, combined with the networking power of social media. The invisibleSHIELD is a protective, high-tech patented film covering, designed for iPods, laptops, cell phones, digital cameras, PDAs, watch faces, GPS systems, gaming devices, and other items. The patent-pending invisibleSHIELD application of clear protective film covering a device is the first scratch protection solution of its kind on the market, and has sold millions of units. Currently, ZAGG offers over 4,000 precision pre-cut designs with a lifetime replacement warranty through online channels, major retailers like Best Buy and RadioShack, resellers, college bookstores, Mac stores and mall kiosks. The company continues to increase its product lines to offer additional electronic accessories and services to its tech-savvy customer base.
