American Apparel Announces Information Regarding Second Quarter 2009 Earnings Conference Call

LOS ANGELES, Aug 10, 2009 (BUSINESS WIRE) -- American Apparel, Inc. (NYSE Amex: APP) today announced that it plans to report its second quarter 2009 financial results on Thursday, August 13, 2009 after the market closes. The company also plans to hold a conference call to discuss its financial results in detail at 5:00 p.m. ET/2:00 p.m. PT.

A live web cast of the conference call will be available in the investor relations section of the Company website at <http://investors.americanapparel.net>.

In addition, a replay of the call will be available from August 13, 2009 through August 20, 2009. To access the telephone replay, participants should dial (888) 203-1112. The access code for the replay is 8721445. An online archive of the webcast will be available within two hours of the conclusion of the call and will remain available through September 20, 2009.

About American Apparel

American Apparel is a vertically integrated manufacturer, distributor, and retailer of branded fashion basic apparel based in downtown Los Angeles, California. As of July 31, 2009, American Apparel employed approximately 10,000 people and operated over 275 retail stores in 20 countries, including the United States, Canada, Mexico, Brazil, United Kingdom, Austria, Belgium, France, Germany, Ireland, Italy, the Netherlands, Spain, Sweden, Switzerland, Israel, Australia, Japan, South Korea, and China. American Apparel also operates a leading wholesale business that supplies high quality T-shirts and other casual wear to distributors and screen printers. In addition to its retail stores and wholesale operations, American Apparel operates an online retail e-commerce website at <http://www.americanapparel.com>.

Safe Harbor Statement

This press release may contain forward-looking statements which are based upon the current beliefs and expectations of our management, but are subject to risks and uncertainties, which could cause actual results and/or the timing of events to differ materially from those set forth in the forward-looking statements, including, among others: changes in the level of consumer spending or preferences or demand for our products; increasing competition; our ability to hire and retain key personnel and our relationship with our employees; suitable store locations and our ability to attract customers to our stores; effectively carrying out and managing our growth strategy; failure to maintain the value and image of our brand and protect our intellectual property rights; declines in comparable store sales; seasonality; consequences of our significant indebtedness, including our ability to comply with our debt agreements, generate cash flow to service our debt; our ability to extend, renew or refinance our existing debt; costs of materials and labor; location of our facilities in the same geographic area; manufacturing, supply or distribution difficulties or disruptions; risks of financial nonperformance by customers; investigations, enforcement actions and litigation; compliance with or changes in laws and regulations; costs as a result of operating as a public company; material weaknesses in internal controls; interest rate and foreign currency risks; loss of U.S. import protections or changes in duties, tariffs and quotas and other risks associated with international business; our ability to upgrade our information technology infrastructure and other risks associated with the systems that operate our online retail operations; general economic and industry conditions, including worsening U.S. and foreign economic conditions and turmoil in the financial markets; and other risks detailed in our filings with the Securities and Exchange Commission, including our 2008 Annual Report on Form 10-K. Our filings with the SEC are available at www.sec.gov. You are urged to consider these factors carefully in evaluating the forward-looking statements herein and are cautioned not to place undue reliance on such forward-looking statements, which are qualified in their entirety by this cautionary statement. The forward-looking statements speak only as of the date on which they are made and the company undertakes no obligation to publicly update such forward-looking statements to reflect subsequent events or circumstances.
